REPORT OF SUPERINTENDENT OF SCHOOLS

To the members of the Superintending School Committee and Citizens of the Town of Benedicta:

I have the honor of submitting for your consideration my tenth annual report of the condition, progress and needs of your schools.

There has been only one change in the teaching staff this year. The new teacher, Sister Mary Consilia, who has had many years of teaching experience and is very highly trained for those grades is, in my opinion, one of the best teachers in the state. It is well worth while for any parent to visit her school and see the results obtained from her teaching. You also have reason to feel proud of the other teachers as they are all trying hard to lift the standards of your schools. They need the co-operation of every parent and citizen to be able to serve you at their best.

The school attendance is excellent and I find the pupils very interested in their work which is a good indication of satisfactory progress. Several new textbooks in English, Health Habits, and Reading have been purchased this year which has been a great help to the teachers in carrying on their work. The school is in need of some new geographies which I shall order soon after money is appropriated.
I think it is advisable for me to mention that a shortage of teachers exists at the present time all over the state. This may necessitate restoring some of the salary cuts in order to retain the services of our good teachers.

Enrollment of pupils by grades:

</tbody>
</table>

The average daily attendance of all pupils for the year is 71. The number of different pupils not absent one half day during the year is eleven. Number of visits by citizens during the year, only two.

The schools are well furnished with textbooks and supplies. They have a good supply of maps, charts, and globes. A new American flag was purchased this year. There is need of some reference books which perhaps can be purchased from next year's appropriation.

In closing I wish to thank the school committee, other town officials, and citizens for their hearty support during the year.

Respectfully submitted,

CHARLES S HULBERT
