Historical Note

The Maine Outing Club (MOC) at the University of Maine was formed in 1923 to promote outdoor activities for students at the university. The Club serves as a social club for students to get outdoors and organizes a number of events both on campus and at locations across Maine. MOC is funded by Student Government and membership funds. Club members are active in maintaining a section of the Appalachian Trail in Maine. The club owns a rustic cabin near the Sugarloaf ski slope in the state.

Scope and Content Note

The records mainly contain textual information created by the Maine Outing Club (MOC), but there are also photographic and audio-visual material. The record group contains MOC constitutions and bylaws, minutes of meetings, lists of MOC members, officers and equipment, various MOC publications and reports, historical information regarding the Club, publicity material, detail of various trips, correspondence, cabin logs, photograph albums, memorabilia, and scrapbooks.

Arrangement

Loose and unlabeled items were filed and labelled. Content on the same subject and/or record type were merged where appropriate. Many folders were unlabeled so folder names and dates were added. Some existing folder names were changed to make them more meaningful and to correct errors. Material was separated and divided into multiple sub-folders where necessary. Material was rehoused into archival quality storage.
