## WVII covers Ferrini-Mundy statement on vaccine distribution

December 17, 2020

WVII (Channel 7) reported on the role of the University of Maine System in planning for and distributing COVID-19 vaccines, sharing a statement from University of Maine president Joan Ferrini-Mundy. "In the new year, Maine's research university will be working with UMS institutions and public educators across the state to create awareness about the efficacy and safety of FDA-approved vaccines, and support an efficient and statewide distribution of the vaccine," Ferrini-Mundy said.
