BOWERBANK,

Feb. 1, 1935-Feb. 1, 1936.

To: Selectmen and Citizens of Bowerbank, Maine.

We wish to thank the town of Bowerbank for its contribution to our program which is essentially that of health, education and prevention of disease.

While it has not been necessary to go to the town for service, some service including instruction, bedside care and social welfare has been given to residents of Bowerbank who were ill in other towns which we serve and the school work for Bowerbank children was taken care of in the Sebec Village Schools.

Thanking you again for your co-operation and interest and assuring you that we are glad to answer any call which you would like us to make either in the town or in other towns for Bowerbank residents, this report is

Respectfully submitted,

Piscataquis County Nursing Service by

LOUISE B. NICHOLS, R. N.

Public Health Nurse.
