The winter term in District No. 4, was not opened until March. It is now in progress with a good attendance. The new seats put in in Dist. No. 3 and 4 are a great improvement to the buildings and are greatly appreciated by scholars and teachers. I wonder how many of the readers of this report have seen these seats? The schools are greatly in need of blackboards, and it seems to me that with so many different kinds of material for blackboards on the market, and the cheapness in cost of same that we ought to make this improvement. I am glad to see that the attendance has been so good for the past year and that the interest taken by the people has been much greater than in past years. Let us all in the coming year take a greater interest, visit our schools oftener, speak an encouraging word to both children and teachers, make improvements in school buildings. And in doing so we shall better the education of our children.

ABOUT the only reason we can think of why you may not buy and wear H. S. & M. Clothes, is that if you have not worn them, you may have some doubt about being satisfied with them — *Style, Quality, and Fit*, — we want to provide against that on this page.

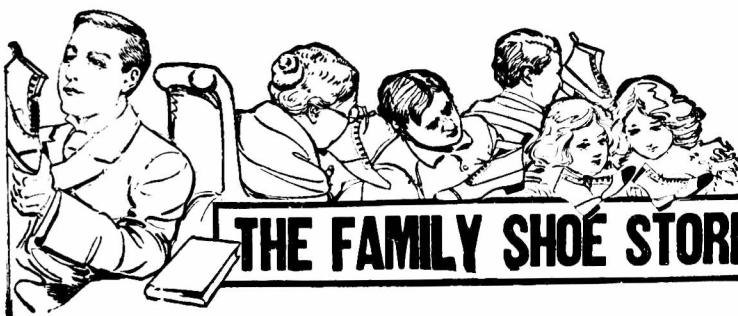

Any man who feels dissatisfied with *HART, SCHAFFNER & MARX CLOTHES*, and who has reason to feel so, can get his money back. They are not infallible as clothes makers, and some men are harder to satisfy than others. But we can always give a man his money back if he has reason to ask it, and if that doesn't satisfy him, nothing will in this world.

When we sell you H. S. & M. Clothes consider your money on deposit, subject to your satisfaction.
