Maine

Gentlemen:

In accordance with Chapter 16, Section 3 of the Revised Statutes of 1944 and at your request, the records of Caratunk Plantation have been audited by Auditor R. M. Parsons for the period February 21, 1946 to February 20, 1947 inclusive.

Insofar as could be ascertained within the scope of the examination, the financial transactions of the Plantation appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Plantation and the result of its operations for the period designated.

Comments and other data incorporated in this report may prove of interest to you. All of which is respectfully submitted.

Very truly yours,

COMMENTS

Re: Audit of Accounts — Caratunk Plantation
February 21, 1946 to February 20, 1947

CASH

Cash receipts issued were checked and found to be recorded correctly. All monies receipted for were deposited promptly. The cash balance of \$4,070.19 at the end of the fiscal year was reconciled and found to be in agreement with the depository. All expenditures were made by check from properly authorized warrants.

TAXES RECEIVABLE

The 1946 tax commitment book was added and checked, and found to be in agreement with the records of the Assessors. The total commitment, with the exception of \$106.68, was paid or abated.

Taxes unpaid were checked and listed.

Transactions affecting prior years' taxes were checked and taxes remaining unpaid were listed.

TAX LIENS

All transactions affecting tax liens were checked.

SURPLUS

The unappropriated surplus of \$2,981.01 at the beginning of the fiscal year was increased \$2.44 as a result of current operations.

GENERAL

The Tax Collector and Treasurer furnished corporate surety bonds.

The excise tax receipts were checked and it was ascertained that all collections had been paid to the Treasurer.

Vouchers and payrolls were checked to the extent deemed necessary, and as far as could be determined from this examination, the charges appeared to be proper and were correctly recorded.

The records of the various Plantation officials were found in a very satisfactory condition.

Report of Superintendent of Schools

To the Superintending School Committee and other
Citizens of Caratunk Plantation:

The one major problem in your Educational System this year, is a new school building, which is partially completed. This problem is one which your Building Committee and citizens of the town must solve yourselves. As your Superintendent, I am happy at any time to give assistance to your building program. I sincerely hope that your new building will be ready for use in the fall, and will be a building of which you will be proud. The present building, with its location right on the Main Highway is not safe for your children. Thus I urge all citizens of Caratunk to cooperate with your Building Committee, and School and Town Officials, to complete your new building at the earliest possible date.

Another problem, which can be solved by your teacher and Superintendent, is the revision of your School Curriculum to meet present day Educational Trends. This step is necessary too, if we are to eliminate any gaps and overlaps in our present set-up.

Our School this year has been broken up by Mrs. Hamilton's unfortunate accident, and by Miss Atkinson's resignation at Christmas time. However, with the small enrollment, which lends itself very favorably to individual pupil instruction, I feel the progress of the children at the close of the school year will be up to the high standards of the past.

We are asking for an increase in school appropriations this year, to care for increased costs of all school items. Our unexpended balance this year is very small in comparison with past years, which also cuts our funds on hand for schools.

Our books and supplies are in very good condition, and we hope to add some new books to the School Library again this year.

In closing, I wish to thank the members of the Superintending School Committee, town officials, teacher, parents and other citizens of Caratunk for their support of the schools.

Respectfully submitted,

HOLLIS INGALLS,

Superintendent of Schools
