AUDITOR'S REPORT

To the Inhabitants of,
Town of Castle Hill, Maine

I have audited the accounts of the Selectmen, Treasurer and Tax Collectors for the year ending March 1st, 1936, the Selectmen and Treasurer's records were in balance, but there seems to be considerable difference between the amount due the town and the list of unpaid taxes submitted by the various Collectors. Summarized they appear as follows:

Year	Collector	Account Due Town	Unpaid Tax
1929	H. W. Thompson	\$ 334.54	\$ 198.46
1930	H. W. Thompson	1,300.27	979.65
1931	H. W. Thompson	2,693.65	2,787.69
Totals		\$4,328.46	\$3,965.80
1932	Herman McHattan	\$1,094.41	\$1,461.79
1934	Herman McHattan	318.77	289.37
1935	Herman McHattan	6,420.85	6,294.18
Totals		\$7,834.03	\$8,045.34
1933	E. L. Dudley	\$ 198.55	\$ 304.11

These differences may however have occurred from misapplication of credit for the cash turned to the treasurer, and will eventually wash out on final settlement.

Treasurer's cash reconciles with the Bank Statement, and all disbursements have been made on orders issued by the Selectmen.

W. FRANK GARDINER, Auditor

Our schools are maintaining a high standard. The attendance is good and conditions are favorable to progress.

It is recommended that our teachers be expected to attend the coming summer session at Presque Isle Normal School.

We are conveying the pupils of the Richardson neighborhood to the McLellan School. This seems to be a satisfactory arrangement during most of the school year.

The plan whereby a portion of the salaries is paid directly to the teacher from State funds is working well and could be extended profitably.

Our school buildings are in fairly good condition. Some will need minor repairs. The school grounds might well be improved.

It is hoped that the citizens will endeavor to continue the support which makes educational opportunity possible for the children.

Respectfully submitted,

ELMER H. WEBBER
