RECOMMENDATIONS FOR 1942-1943

For Consolidating with Topsfield for 36 weeks,	\$500.00
For operating your school for 34 weeks,	\$500.00

PLANTATION OF CODYVILLE

To the Superintending School Committee, Parents and
Citizens of Codyville;

I herewith submit my report of your schools,

You have a very well behaved group of children whom you should be proud to educate. The proposition which Mr. Gordon offers you should be carefully considered at this time as it is difficult to get a teacher even at an increase in the salary. The cost of conveyance and supplies will be larger another year. There are many factors to be considered in this arrangement but I feel that the majority of the facts point in favor of the consolidation with Topsfield. You can rest assured that they will do everything possible to make the arrangement a success.

I have enjoyed my visits at your school and I wish to extend thanks for your cooperation with me during the year.

Respectfully submitted,

REGINALD H. DORITY, Supt. of Schools

REPORT OF AUDITOR

To the Inhabitants of Codyville Plantation:

In accordance with your request I have examined the accounts of the assessors for the Municipal year ended March 18, 1942.

Submitted herewith is a Comparative Balance Sheet which to the best of my knowledge and belief properly reflects the true financial condition of your municipality as of this date; subject to a possible shrinkage in unpaid taxes and accounts receivable. I am also submitting a Summary of Accounts and Proof of Change from Net Debt to Surplus.

No external verification has been made of your asset or liability accounts.

Upon completion of verification of your accounts a complete report of audit will be rendered.

Respectfully submitted,

A. F. SAWYER, Auditor
