### THE STAR-SPANGLED BANNER

Oh, say, can you see,  
By the dawn's early light  
What so proudly we hail'd  
At the twilight's last gleaming?  
Whose broad stripes and bright stars  
Thro' the perilous fight  
O'er the ramparts we watched  
Were so gallantly streaming?

And the rockets' red glare  
The bombs bursting in air,  
Gave proof thro' the night  
That our flag was still there.  
Oh, say does that  
Star-spangled banner yet wave  
O'er the land of the free  
And the home of the brave?

#### \*Maine Stein Song

Chorus:  
Fill the steins to dear old Maine!  
Shout till the rafters ring!  
Stand and drink a toast once again!  
Let ev'ry loyal Maine man sing,  
Drink to all the happy hours,  
Drink to all the careless days!  
Drink to Maine, our Alma Mater —  
the College of our hearts always.

Interlude:  
To the trees — To the sky —  
To the spring in its glorious happiness!  
To the youth — To the fire  
To the life that is moving and calling us!  
To the Gods — To the Fates  
To the rulers of men and their destinies!  
To the lips — To the eyes  
To the girls who will love us some day!

\*This is the version made popular by Rudy Vallée.

## ACADEMIC DRESS

Academic costume originated in Europe about seven hundred years ago. It consists of the gown, hood, and cap. Now much modified, each level of academic achievement still retains a distinctive gown and hood.

The hood, when worn for the bachelor's degree, is three feet long; for the master's degree, three and one-half feet, and for the doctor's degree, four feet. Hoods are lined with the official color or colors of the college or university conferring the degree. For the University of Maine at Orono, this is pale blue.

The velvet edging of the hoods varies in width according to the degree. Its color is distinctive of the subject to which the degree pertains. Some of the colors and associated subjects are:

Agriculture	Maize
Arts, Letters, Humanities	White
Business	Drab
Education	Light Blue
Engineering	Orange
Forestry	Russet
Human Development	Maroon
Music	Pink
Philosophy	Dark Blue
Science	Golden Yellow

The caps are usually of the same material as the gown. The tassel is black or the color appropriate to the subject, except that the doctor's cap may have a gold tassel.

Many European institutions have gowns, hoods, and caps of original and frequently colorful design.

If the weather is not cooperative and it is necessary that commencement exercises be in the Alford Arena, those for the Bangor Community College, the College of Business Administration, the Graduate School and the College of Life Sciences & Agriculture and the Technical Division of LSA will be at 10:30 a.m. Exercises for the College of Arts & Sciences, Continuing Education Division, College of Engineering & Science, the School of Engineering Technology and the College of Education will be at 2:30 p.m.

Because it is necessary to prepare this program in advance and in anticipation of an outdoor commencement, there may be some unavoidable departures from it if it is necessary to hold two different ceremonies indoors.

The listing of degree candidates as well as the distinctions are tentative only since the printing of this program was required prior to the final certification of each candidate for a degree.
