THE STAR-SPANGLED BANNER

Oh, say, can you see,
By the dawn's early light
What so proudly we hail'd
At the twilight's last gleaming?
Whose broad stripes and bright stars
Thro' the perilous fight
O'er the ramparts we watched
Were so gallantly streaming?

And the rockets' red glare
The bombs bursting in air,
Gave proof thro' the night
That our flag was still there.
Oh, say does that
Star-spangled banner yet wave
O'er the land of the free
And the home of the brave?

*Maine Stein Song

Chorus:
Fill the steins to dear old Maine!
Shout till the rafters ring!
Stand and drink a toast once again!
Let ev'ry loyal Maine man sing,
Drink to all the happy hours,
Drink to all the careless days!
Drink to Maine, our Alma Mater —
the College of our hearts always.

Interlude:

To the trees — To the sky —
To the spring in its glorious happiness!
To the youth — To the fire
To the life that is moving and calling us!
To the Gods — To the Fates
To the rulers of men and their destinies!
To the lips — To the eyes
To the girls who will love us some day!

*This is the version made popular by Rudy Vallée.

UNIVERSITY OF MAINE AT ORONO DEGREES

The University of Maine at Orono offers curricula in a wide variety of academic fields leading to the associate, baccalaureate, master's and doctoral degrees. The associate degree is awarded upon satisfactory completion of a prescribed two-year program. Baccalaureate, or bachelor's degree, is awarded to undergraduate students who complete the required program in their respective departments. A Fifth-Year Certificate in Pulp and Paper Management is awarded after a year's specialized study, either concurrently with the appropriate baccalaureate degree or, separately, a year later. A Certificate of Advanced Study (C.A.S.) is available for specified graduate study beyond the master's degree. Master's and doctoral degrees are awarded students who complete prescribed graduate study.

Associate degrees are conferred with *distinction*, *high distinction*, or *highest distinction* upon students who have achieved an average rank of B or better as their average grade and is based on all the degree credit hours taken at the University of Maine at Orono. These hours comprise at least half of the degree hours including the last semester of the second year in resident study at the University of Maine at Orono.

Baccalaureate degrees are conferred with *distinction*, *high distinction*, or *highest distinction* based upon students who have achieved an average rank of B or better and are based on all the degree hours taken at the University of Maine at Orono. These hours comprise at least half of the degree hours including the second semester of the senior year in resident study at the University of Maine at Orono.

Baccalaureate degrees are conferred with *honors*, *high honors*, or *highest honors* upon students in the Honors Program. In order to receive a degree with honors a student must have a minimum of four semesters of work in the Honors Program, including both semesters of the senior year, and at least one semester of sophomore group tutorials.

Degrees are awarded at the end of the semester or session in which degree requirements have been completed not necessarily accompanied by commencement ceremonies. Descriptions of degrees awarded by the University, as well as the requirements for graduation with *distinction* or with *honors* may be found in the general catalog.

ACADEMIC DRESS

Academic costume originated in Europe about seven hundred years ago. It consists of the gown, hood, and cap. Now much modified, each level of academic achievement still retains a distinctive gown and hood.

The hood, when worn for the bachelor's degree, is three feet long; for the master's degree, three and one-half feet, and for the doctor's degree, four feet. Hoods are lined with the official color or colors of the college or university conferring the degree. For the University of Maine at Orono, this is pale blue.

The velvet edging of the hoods varies in width according to the degree. Its color is distinctive of the subject to which the degree pertains. Some of the colors and associated subjects are:

Agriculture	Maize
Arts, Letters, Humanities	White
Business	Drab
Education	Light Blue
Engineering	Orange
Forestry	Russet
Human Development	Maroon
Music	Pink
Philosophy	Dark Blue
Science	Golden Yellow

The caps are usually of the same material as the gown. The tassel is black or the color appropriate to the subject, except that the doctor's cap may have a gold tassel.

Many European institutions have gowns, hoods, and caps of original and frequently colorful design.

If Commencement Exercises are held in the Alford Arena, due to inclement weather, the following colleges will be represented at the 10:30 a.m. exercises: Bangor Community College, the College of Business Administration, Continuing Education Division, the College of Education, the School of Engineering Technology, the College of Engineering and Science and the Graduate School. Exercises for the College of Arts and Sciences, the College of Forest Resources, College of Life Sciences & Agriculture, and the Technical Division of LSA will be held at 2:00 p.m.

Because it is necessary to prepare this program in advance and in anticipation of an outdoor commencement, there may be some unavoidable departures from it if it is necessary to hold two different ceremonies indoors.

The listing of degree candidates as well as the distinctions are tentative only since the printing of this program was required prior to the final certification of each candidate for a degree.

Ushers are members of the All Maine Women and Senior Skull Society.
