September 30, 1943

Mr. Evans Clark, Secretary  
Council for Democracy  
11 West 42nd Street  
New York, N. Y.

Dear Mr. Clark:

Perhaps this letter should have been addressed to someone else. I am particularly interested in the last letter from the Council because it outlines a problem we face in connection with race prejudices. As a member of the Committee on the Group Life of Students of the National Association of State Universities, I am to take part in a discussion on "Racial Problems and Student Attitudes" at the annual meeting on October 22. If the Council has gathered any material or formulated any suggestions that might be helpful to us for this discussion, I hope I may receive them.

With appreciation,

Sincerely yours,

Arthur A. Hauck  
President

Dr. Arthur A. Hauck, President  
University of Maine  
Orono, Maine

Dear Dr. Hauck:

It has just been called to my attention that you had requested material on some phase of Negro life for a conference that was, perhaps, in session before you received our material.

The unfortunate direction of your letter caused the delay in sending the material to you. I wonder, however, if you have had an opportunity by this date to review any of it, and would be kind enough to give us your reaction to it.

I hope that you will call upon us if we can be of any service to you at some future date.

Sincerely yours,

*Warren Brown*
