CHANGE AND INFORMATION BOOTH

For the convenience of the public, a change booth is at your service.

The management has provided an efficient man at the Information Window to facilitate the patrons in every way possible. He will render any explanation and assistance desired.

Please see that your Mutuel Ticket corresponds with the number on your program. No changes made after window closes.

All winning Pari-Mutuel Tickets are payable immediately after the race to which the ticket relates has been run and the winning horses announced and the odds displayed upon the Pay Board.

This Association will not be responsible for lost or destroyed tickets, and reserves the right to refuse payment of torn or mutilated tickets. See Mutuel Manager.

If there are any outstanding unpaid tickets at the close of this meeting, same will be redeemed within period of ninety days at offices of State Racing Commission, Augusta, Maine, otherwise, money will be forfeited and same will be returned to Topsham Fair Association.

WHEN A HORSE IS A STARTER

If while betting is in progress, a horse should be excused by the Stewards, because of accident or casualty before leaving for the post, the pooling is not affected thereby. The tickets purchased on the horse that has been declared are redeemed at their cost value, such amount being subtracted from the pool. If, however, a horse has left the paddock for the post it becomes a "starter" and all bets on it stand whether it starts or not.

In the event of a horse being excused by the Stewards, all bets recorded on the horse withdrawn, either Straight, Place or Show, will be refunded, but the amount bet will be included in the total of the pools, and any estimate as to the odds against any particular horse starting, must be calculated after the amount of the refund has been deducted from the total of the pools.
