NANOCELLULOSE: Key ingredient for the next big thing(s)

On-Campus COVID-19 testing schedule beginning May 9

May 6, 2022

UMaine COVID-19 symptomatic and asymptomatic self-administered tests are available 8:30 a.m.–5 p.m., Tuesday–Wednesday in the Lown Room, Memorial Union. **There is no appointment necessary during these walk-in hours.**

Please wear a mask when you pick up a test kit, especially if you are symptomatic.

The self-administered test kits can be dropped off Tuesday–Thursday in a clearly marked red cooler at the Memorial Union Information Desk. Test samples are collected at 5 p.m. every drop-off day. Any test kits dropped off after Thursday at 5 p.m. will likely be destroyed; in this case, you will not receive results.

You will continue to use [PointnClick](#) to self-register test kits and to see results; bring a smartphone, tablet or laptop, or take the test kit home to use a computer. Physical directions for kit registration online will also be stapled to each test kit.

[More information is online.](#)
