Changing Lives - Woman to Woman,
Friend to Friend

President's Letter

Dear Federation Friends,

It's hard to believe, but this is my last submission for the Pine Tree Notes as your State President. Isn't it amazing how quickly time flies by when you're busy and having fun, too? However, as Yogi Berra is often quoted as saying, "It ain't over 'til it's over!" No truer words were ever spoken...

We are still working towards meeting our \$5,000 goal for the President's Project. If you haven't done so already, it is now too late to participate in the "Make Big Changes with Small Change" Contest BUT it is NOT too late to send in your club donation for the President's Project. The Maine Women's Fund uses donations to provide grants to organizations throughout the state that have a good idea to help women in their area. It is a much needed resource, and you can help make sure that the Maine Women's Fund continues to prosper by sending in your donation to the President's Project.

Of course, the Membership Challenge, "Each One, Reach One",

ended December 31st, but there is always a continued need to seek out new members. What about starting this year off right, and offering someone in your community the gift of membership in your local club and in this great organization? You know why you continue to belong, don't you think others should have this great opportunity?

I continue to work towards my personal goal of visiting each club in the state. The dates are all set, and if the snow doesn't fly too fast and furiously, I will accomplish this goal. I have enjoyed this part of my "job" so much! It is so interesting to see how the clubs in this state are all so different, and yet all so united in their federation work.

Then, we cannot forget Spring Convention in Ellsworth, Maine on May 8th and 9th. Look inside for the official call, but make your plans now to "Celebrate - Woman to Woman, Friend to Friend!" We are so pleased to have as our honored guest, Rose Ditto, our 2006 -2008 GFWC President-Elect. Come to meet her, learn about our accomplishments this past year, and celebrate our successes! We will also be electing and installing our 2008 - 2010 Officers. An important meeting - and a

promised worthwhile time!

After this, I will be attending my last GFWC International Convention as State President in Chicago in June. I will be honored to once again represent the GFWC/Maine Federation of Women's Clubs.

Although there is still so much to do between now and then, I do want to close by saying thank you for this great opportunity. I feel the same way that I did when I first began, "I can't believe that people aren't waiting in line to do this!" I have learned so much, and have valued all the people that I have met throughout this state and this country. I look forward to my continued participation in both GFWC and GFWC/MFWC, and I will always be proud and grateful to have served as your State President.

In closing, let me say - Noni, get ready, I'll soon be joining you and all other Past State Presidents at the evening banquet table!

In Federation,

Officers

President-Elect

It has been a few weeks since you have had a note from me. I want all Officers, District Presidents, Department, and Program Chairmen, Standing and Special Committees to please bring their GFWC Manual Binders to the GFWC/Maine Federation of Women's Clubs Spring Convention in Ellsworth, May 8 and 9. We need to pass them along to the new people. Thank you.

I am looking for a District President for District 5. That district includes the following clubs: Patawa Club of Bangor, Old Town Woman's Club, Patten Woman's Club, and the Winterport Woman's Club. Please come forward and let's have a district president. Sometimes two people like to work together on this. Good luck to this district. You can e-mail me at rjshaw40@msn.com or call me at 255-3886.

May is fast approaching and I am still working on appointments. Thank you, ladies, for those of you who have accepted an appointment. And thank you to those of you who may consider a position later.

Jane L. Shaw

Vice President

Considering the view from my kitchen window, it is hard to imagine that spring is just around the corner. I have been thoroughly involved reading over the wonderful club reports. I want to thank club presidents for taking the time to get the reports written. They have been organized and sent on to our state chairmen.

I look forward to hearing the chairmen report to all of us at convention to fill us in on what has been going on in their department or special program. I always get a thrill hearing which club was selected and entered in the GFWC's \$50 club narrative contest. So don't miss it! Maybe your club will be the one chosen! Come join in and share in the moment of glory as your club president comes to receive a certificate! Oh such fun! State chairmen, I hope you will take your liberty in giving out lots of praise and appreciation! There are some wonderful things being done through our volunteer efforts. Lives are changed and communities are enhanced because clubwomen take the time to care and to share.

I hope after you finish reading this newsletter from cover to cover, you will send your registration in immediately. That's the best way to reserve your spot for food, fun, and fellowship with your federation friends.

Think **SPRING CONVENTION!**

Corresponding Secretary

A couple of deadline reminders for clubs:

- 1) The form for the Carolyn Lombardi Traveling Trophy (found on page 78 of the Directory) must be postmarked by May 1 to qualify. There is some work involved to verify everything once entries arrive, and convention is early this year, so there is little leeway to get this accomplished. Early entry will be helpful.
- 2) Data Sheets (found on page 79 of the Directory) should be sent to District Presidents by May 15. DPs should forward them to me by May 25. Please fill them out as completely as possible; this is the information that will be in the NEXT Directory and is forwarded to GFWC for their mailing list for up-to-the-minute bulletins.

Forms for Directory ads and D/NL orders will be available in Ellsworth. Ad guidelines are on page 15 in this issue.

District News

District 1

The **Cosmopolitan Club of Bath** normally doesn't meet in January or February but they scheduled two special Saturday programs in honor of their 95th Anniversary. Members were asked to bring potential new members to these events. In January, the program was on the History of Godey Dolls by Gail Grundy, then members shared about their favorite doll. In February there was an egg demonstration. Both of this events are very interesting and lots of fun. Also scheduled in March is a program on the history of Aprons.

21Club Kezar Falls:

In February, a "Shower" for Ronald McDonald House was held at the home of President Jean Stanley. A new project is "21Club Salutes", in conjunction with local newspaper "Northern Lights", recognizing top volunteers in the community. On-going community outreach project is "Buy a House, Save a House", selling Lucinda house pins to raise funds to help restore an 1838 church meetinghouse. Also in the plans, this club will sponsor a Candidate's Night for District 1 House of Representative.

Research Club of Limerick, after a winter recess during January and February, is now planning their annual High School Art Show. Art work will be on display at local bank and library. The club will serving food and beverage at the Limerick Town Meeting in March. The "Red Bow" project during the Christmas season raised enough to provide outerwear and boots for five children at the local elementary school. They also plan to award Purple cards to graduating seniors who have given 75 hours of volunteer service. The club is deeply saddened by the death of active member Beverly Camp.

The **Gorham Woman's Club**, in January, had the privilege to hear Marge Hodgkins present the program

"Underground Railway Quilts". She explained the history of the quilts and their message to the slaves. March program will be a speaker on Elder Abuse. Their project, "Books for Toddlers", now includes two libraries and approximately 35 children.

The **Westbrook Woman's Club** has been very active this winter despite the weather. A midwinter luncheon was enjoyed at Keeley's, with Vernon Cox, a story teller. February began with reports from our students who attended Youth Leadership programs. They gave an interesting report on their experiences. Club members assisted the Community Outreach Committee in filling 34 "Sunshine Baskets" to be distributed to residents of Larrabee Village, an assisted living establishment here in Westbrook. Also at that workshop meeting, fourteen fleece blankets were completed for Project Linus. Next event is our Annual High School Art Show.

Evelyn L. Meserve
President

District 2

In January, the **Livermore Falls Women's Club** enjoyed their annual "Doris Brunch", several kinds of quiches along with fruit salad, muffins and coffee cakes. This was followed by a Chinese Auction, which raised almost \$100.00. In February, between snow storms, they had a Project Linus workshop.

The **GFWC/Semper Fidelis Club** recently took part in the annual Skowhegan Fun and Business Fair. They sold raffle tickets for six movie baskets which were filled with movies, candy, popcorn and other goodies donated by club members. They also sold matted prints of a painting of the historic Skowhegan Swinging Bridge. All profits from the prints will be donated

to the elderly for heating oil or other needs. In March they will be having their annual membership auction. They will also be putting together a basket for an Easter dinner for a needy family. MFWC President Gloria will be attending the meeting in March and MFWC District #4 President Karen will be the speaker in April.

GFWC/The Dove Society

started the New Year off with a guest speaker from health record services at the local hospital. The club is in the process of developing a bookmark containing Senator Margaret Chase Smith's Creed and highlights of her career to be distributed to public and school libraries in an effort to educate today's young people on the many important issues with which the Senator was involved. They held a Purse Auction, are getting ready for the annual Easter Bake Sale and look forward to participating in Read Across America Day.

The Madison Woman's Club

has met once since Christmas - the cold, snow and flu have not been kind this winter. A painless way to raise funds for President Gloria's project was sent it in to be judged for the big basket prize. They are looking forward to a visit from the town recycling committee for an update on the town's policy of recycling, and in April they will be visiting the Historical Society.

GFWC/Skowhegan Woman's Club President held a Yelling Auction in November. At the December meeting, Marjorie Black gave a Japanese Flower Arranging class. At the January meeting, Crystal Tufts presented a program on Traditional Rug Hooking. In February, Katherine LeBlanc presented "A Reading Program". The club participated at the Skowhegan FAB Fair again this year with great results. The women sold coffee, sandwiches, pieces of pie and whole pies. They also had a raffle table with many items on display. The March meeting will have Jane Torres speaking on the changes taking place at Senior Spectrum.

Karen L. Nelson
President

District 3

The **GFWC Cosmopolitan Club** took the whole month of January OFF due to all too frequent Friday afternoon storms. They resumed in February with a scrapbooking workshop that produced 60 beautiful, unique Valentine cards, as they were introduced to many new scrapbooking gadgets. Another workshop turned into a fund raising event as members learned how to make Kusudamas. Once these were displayed on their Christmas tree, folks wanted to purchase them as decorations for the formal dance fundraiser put on by WomanCare. WomanCare made \$4000 to help in the building of a safe house for abused women in the area. During a Saturday of sewing, 80 area women created over 300 blankets for The Linus Project.

Woman's Spirituality was the theme of Dr. Pam Nourse's presentation to the **GFWC/MIOSAC Club**. She is a student at Bangor Theological Seminary as well as a surgeon at Mayo Hospital. "Women in the Community" was the theme shared by Brenda Frasier and Pam Tower from WomanCare. They shared with members what services are offered and how they could help as volunteers. Items were donated by club members for use at the facility. Their second Longaberger Basket Bingo is scheduled for March 2nd. They all enjoyed a fun night of "Candy Bingo" where they used M&M's for markers. (Then they ate them!)

The **GFWC Newport**

Woman's Club members gathered on Feb. 14 at the Newport Inn for the 9th annual Valentine Party provided for Newport's Senior Citizens. Decorations, food, drinks, and gift items were provided by the club. Balloons and Carnations for those attending were provided by Jan's, a local florist. A meeting was also held at Seabcook Valley Hospital where Kay Spoffard, coordinator of the Diabetes and Nutrition Clinic, shared a wealth of information. Members were challenged to list her Top 10 Best Ways To Keep Healthy. She also shared the formula for determining the sugar content of many popular beverages. WOW! The purple domestic violence, "Women, you can't beat them", T-shirts are still

available at \$12.50 each plus shipping (if needed), and make great gifts. We anticipate supporting Brittney Neal who is organizing the Nokomis HS Walk against DV this year. A portion of the proceeds of these shirts shall be donated by our Club the day of the walk. For additional info call Dolly at 938-2405.

GFWC Pittsfield Arts

(Always Ready To Serve) **Club** was trained in the art of flower arranging at their January meeting. Their community spirit was expressed by their donation to the Pittsfield Community Swimming Pool Project in February. Their ties to the GFWC were affirmed as they voted to add GFWC/MFWC to their official club name. Valentine goodie bags were created and delivered to local boarding and nursing home residents.

On January 8, the **Pittsfield Tuesday Club** invited Rev. Bill Johnson to speak on the Wonder of Diversity. Their February meeting continued the theme of Diversity as several students from MCI and Leigh Hallett presented a program entitled "A World Of Differences."

The **Acadian Community Woman's Club** marked the club's 70th anniversary on January 13. Traditionally they have taken the first quarter off, but this year they opted to meet during the first three months. As the club grows, more members are young with commitments that keep them in town all year. They missed the "snow birds", but they had a great meeting in January. In February, the ACWC invited members from all District 4 clubs to join them for a luncheon and afternoon of Bunco. Members from the Narraguagus Woman's Club and Hancock Woman's Club joined them for a fun filled afternoon. Everyone left with

a prize and all made new friends. March brings the Annual High School Art Contest; this year's contest will be at Winter Harbor's historic Hammond Hall. Winners will have their works displayed at the Ellsworth Public Library for the month of April. March will also bring the "Style Coach" to their meeting. An entrepreneur from Blue Hill will help members "look their best", followed by at Weight Watchers expert in April. May's meeting, the annual meeting, will also include a plant swap. May also brings the annual Memorial Day parade and ceremony.

The **Lubec Woman's Club** has not met since December because of snowstorms. Music programs were held at the Oceanview Nursing Home. Members are gathering supplies to make blankets for Project Linus and the Ways and Means RADA Cutlery sales continue. The club is planning for the following events: its annual daffodil sale for the American Cancer Society, the fundraiser auction which will be held at the April meeting, spring convention in Ellsworth, and the 4th of July yard sale. Five prospective members have been invited to the March meeting. Member Cathy Daye and her husband Bill were in a bad automobile accident and are recuperating. Please keep them in you thoughts and prayers.

The **Narraguagus Women's Club** closed their fall season with a Christmas party at the Red Barn restaurant in Milbridge. Members exchanged gifts and listened to keyboard music provided by member Christine Fredenburgh's husband, Frank. The day before Valentine's Day the club had a "sweet sale" at Bayside Market in Milbridge. This event was another fundraiser for their scholarships and other community projects. On Valentine's Day, they put on a Valentine party for the residents of Narraguagus Bay Health Care Facility in Milbridge. Again, Chris's husband, Frank, provided delightful music. For a sing-along. Members visited residents in their rooms if they were unable to attend the party and gave each one little gifts. The club will resume their regular meeting schedule in April when they'll enjoy speaker Dorice Timko, who is a master gardener. At the second April meeting, Jane Armstrong

will inform them about the hand bell choir to which she belongs. A field trip to the Bagaduce Music Lending Library in Blue Hill is planned for May. The trip will include lunch at a restaurant in Blue Hill. The annual meeting will include a luncheon provided by the club's executive committee and Juanita Pressley will be the guest speaker. As always, they'll be participating in Milbridge Days near the end of July.

The Ursula Penniman Club has not met this winter but is looking forward to spring meetings.

At Fall Conference District 4 members agreed to split our art contest into two sections—Hancock County and Washington County. The annual art show and contest for Washington County will be held March 10-14 at the Machias Savings Bank in Machias. The annual art show for Hancock County will be held at Hammond Hall in Winter Harbor on Sunday, March 16 from 2 to 4 p.m. First and second place art from each area will be sent to the state contest.

Winterport Women's Club has been having a challenging year of change. Kathy White has been appointed the President for the remainder of the administration. Janice Gran was appointed to serve as Vice President, and Shirley Philbrick has been appointed to sit on the board until May to fill the vacancy made when Janice accepted Vice President. In December they held a Christmas Get-Together. Members brought gifts to be given to Harbor Family Services, a local boy's home. It was a special time of sharing holiday memories and concerns for our community. January's program was a "Cooking Healthy" event with one of their own members, Shirley Philbrick, giving a very informative presentation on selecting foods and

cooking healthy. She reminded all to eat the colors of the rainbow for healthy meals. February's meeting was canceled due to the snowstorm. At the March meeting members will be putting Easter Baskets together for the Harbor Family Services for Boys. Our speaker will be Vanessa Wing, representative from the Gordon Bernard Calendar Company, discussing some different approaches to the annual calendar project. April's meeting is scheduled for Bill Warman, speaking to us about Day Lilies. Mr. Warman donated some of his beautiful day lilies to our club last spring, for our community improvement committee to plant throughout town. Shirley Philbrick will present a "mini auction" for our members and we are hoping the Old Town ladies will be able to join us. Our May meeting, the annual meeting, will be held at the Fountain House. You can log on to Town of Winterport and go to local organizations to find us on the web.

In November, the **Old Town Women's Club** hosted speaker Diane Vane from the Community Youth Development Study who presented a slide presentation showing the improvements within the community, with the youth, since this program's conception. District President, Lillian Zanchi and two guests from the Newport Woman's club attended as guests. One hundred tulip bulbs were presented to us by one of our members. A local florist matched that with 100 more and a local Girl Scout Troup will see that they are planted in the Old Town Peace Park. The Art Committee met with the High School Art director and they hope to have several participants for us this year. In December, a pot luck luncheon was held, with Secret Pals revealed and new names drawn. A complete dinner with turkey and all the fixings plus non perishable items and gifts were given to a local family with 6 children. A basket was also filled with craft items for the local Library for the afternoon craft time for the school children. The January meeting will include a discussion about the increase in dues and a Silent Auction to help with the budget. A speaker from the City of Old Town was invited for the February

meeting to share information regarding the Riverfest. We have plans to have a fundraising booth at Riverfest in September.

Patawa Club of Bangor revised and reprinted their cookbook, Rivercity Recipes and has distributed and sold these at local retailers. Copies are available at \$10.00 each from any Patawa member. Funds were also raised from the sale of Innisbrook wrap. Costumed members distributed treats at Halloween to the delight of residents of Bangor City Hospital. Fleece robes were made by the club at the November meeting and given to this facility. All at the December meeting enjoyed a silent auction and potluck dinner highlighting the craft and cooking talents of members. They wrapped gifts at the Red Cross booth at Bangor Mall at Christmas and provided several gifts to needy families. The February meeting was canceled due to weather conditions. Their March meeting will feature a speaker from the Good Samaritan Agency.

The Patten Women's Club sent 15 boxes of collected items overseas to troops from the area. In October, they organized Trick or Treat for UNICEF with local Girl Scouts and elementary students, raising \$345. State President, Gloria Leveille, spoke in November about the benefits of GFWC and Rachel Thompson did a presentation on "Going Green". Toys and money were collected for Toys for Tots. A Christmas Party was held in December. Items were collected to be donated to the Battered Woman's Shelter in Houlton. In January, Kathy Baker, LMT, discussed the value of essential oils and gave each member a massage. They lost a faithful member in January, when Dorothy Susee passed away.

I will have a president's meeting at my home in April to gather the student art, which will then go to Patten for the District 5 contest. Eve Rice has graciously agreed to take on this project with the help of the Patten Women's Club and it promises to be a very special event. Dates will be announced.

ARTS

Let's put Art in Action. Get ready for your club's High School Student Art show by doing a press release. Let your community know how important the show is to the students and the community. Invite the public to attend. The following clubs have put Art in Action by sending checks in support of the Art Department. Special thanks go out to: Miosac Club, Lubec Women's Club, Westbrook WC, GFWC Semper Fidelis Club, GFWC The Dove Society and Gorham WC. If your club hasn't donated yet, please consider a donation now.

If your club is competing for the Carolyn Lombardi Traveling Trophy, sponsoring a High School Art contest & contributing to the HS Art Contest Award Fund will earn you points. Volunteers to help set up and log art materials, at MFWC Spring Convention, are still needed. How about one volunteer from each district? We already have a volunteer from Members at Large. You are needed. Contact this Art Department Chairman now: bhaway@prexar.com or 645-3449.

EDUCATION

IT IS TIME!!!! All the people who have been reading need to send me their book reports NOW. The ESO report is due at the May conference and I need some time to read and process before then. Send them to: PO Box 6, Skowhegan, ME 04976. I've received so many glowing reports that I have just started the Harry Potter books and am enjoying them.

The volunteer hours and reports have just arrived and I congratulate each of you for your efforts in the Education Dept., both for Literacy and Life-Long Learning. You are very dedicated and creative people...." you're the tops".

HOME LIFE

First I need to congratulate Suzanne Raymond for her early reports on Helping Hands, Dollars & Sense and Women's Health. Be sure to read the information about grants, there is a lot of money out there that can help your club. I have grant applications available.

The Post Office recently mailed a pamphlet regarding Identity Theft. Shred, protect, don't give out personal information, never click on links, don't use an obvious password and keep your personal information in a secure place. Inspect your credit report, and review financial accounts and

billing statements regularly. Defend against ID theft as soon as you suspect it. Your report helps law enforcement officials across the country in their investigations and may help someone else.

See you in May at the Spring Convention in Ellsworth.

Corinne Neal
Chairman

Public Affairs

After a winter of delay, postponements and cancellations we are ready to be active again. We finally got to Togus for our volunteer review and to deliver all the great goodies which you donated. Both the personal items and crayons were much appreciated.

Please remember Public Affairs when you are planning programs for the coming year. Programs on home safety, tips for the elderly (we are all getting there) and community involvement are both interesting and useful. Remember that this is an important year for our country. We are electing new people to represent and serve us. Be sure your voice is heard and that you are an informed voter. And of course, don't forget our veterans. There are so many ways to help.

We plan to have lots of handouts and a great raffle item for you in Ellsworth. Until then, THINK SPRING!

Delegate's Fund

The following clubs have made donations to the Delegates Fund since the last *Pine Tree Notes* was published: **Gorham Woman's Club** and the **Waldoboro Woman's Club**.

Clubs have been very generous during this administration. These are the totals as of March 1, 2008:

Fall Conference 2006	\$90
Club Donations 2006-07	\$115
Spring Convention 2007	\$95
Fall Conference 2007	\$69
Fall Conference Figurines	\$175
Club Donations 2007-08	\$125
Total	\$669.00

Lucy Appleby's daughter, Diana Evans, has donated the 1976 GFWC Commemorative Bicentennial Plates. These will be auctioned by the committee at Spring Convention in Ellsworth, and we look forward to your bidding and thank you for your support of this fund.

Educational Loan Fund

The applications for both the Interest-Free Loans and the Maude MacKenzie Scholarship have been mailed to all District Presidents, for distribution to the high schools in their areas. If you know of any school which has not received applications, please let me know and I will mail them copies. All pertinent information regarding the applications can be found on pages 66-69 of the 2007-08 Directory. All applications for loans must be received by the Chairman of the Fund **no later than**

May 1. Applications for the Maude MacKenzie Scholarship must be submitted to the District President in the student's location **before April 15.** Following selection of the outstanding student in their District, the application, with a letter of recommendation, should be forwarded to the Chairman of the Educational Loan Fund Committee **no later than May 1, 2008.**

The GFWC/MFWC Educational Loan Fund Committee will be meeting in Orono on Saturday, May 3rd, to approve loans and select the recipient of the Maude MacKenzie Scholarship. If you have any questions regarding the Loans or the Scholarship, please contact the Chairman, or a member of the Educational Loan Fund Committee [p. 17 of Directory for list].

Endowment Fund

I have not received any donations since the last report. I would like to remind clubs that are planning to send donations to do it soon so I can have this all done by Spring Convention. I will be vacating this position at that time and would like to have all monies in to Marge Wood so she can get her reports done also.

I would like to thank my own club, GFWC/Miosac Club, for contributing to the "penny jar" every meeting. We have collected \$22.10 this year. We will be collecting pennies at Spring Convention in Ellsworth, the last time in this administration to get rid of your pennies.

Leadership

I have enjoyed reading reports from Clubs around the State and all that you are doing to encourage more members to develop their leadership skills. Many of you are leaders by attending conferences and conventions. The MFWC convention is fast approaching in May, and I hope that many of you will be able to attend. See you there.

Membership

Congratulations to the winners of the Each One, Reach One Challenge!

1st place - Dolly Charbonnier, GFWC/Newport Woman's Club - free registration to Spring Convention and a free banquet.

2nd place - Lucille Lavoie, GFWC Livermore Falls Women's Club - free subscription to Club Woman.

3rd place - Georgette Flaherty - GFWC/Westbrook Woman's Club - free directory.

Good work, ladies, but let's not stop now. This a great beginning and fresh start for new ideas and projects. Plus they have friends that can join us in our community work. I hope you have reported all our new members to GFWC

headquarters. Each new member makes us closer to the 3000 new goal. Encourage the new members and honor the older members whose dedication to MFWC should be recognized. Congratulations to the Pittsfield Tuesday Club for doing "the Honorary Tea" and making it a special day by honoring an older member. This can be fun and also an encouragement for the new members.

Steady progress is being made toward recruiting high school ambassadors, seminar staffing, seminar programming and facility coordination. Fundraising is also a constant effort and one that is becoming more difficult in this tight economic environment. The generous support of clubs of the Maine Federation has been a crucial constant for many years now and, as there are just over two months before the seminar, I look forward to adding clubs who have been among the contributors to the list below.

The dedicated support from the following clubs is tremendously appreciated. THANK YOU !!

MFWC President's Project

Let's get right down to the numbers shall we ladies? By my calculations we have raised, as of March 1, 2008, \$4,108.25 for the Maine Woman's Fund. WOW!!! We are so close to the \$5,000.00 goal that I can taste it.

As of right now 14 clubs have met the challenge of raising \$5 per member and have sent it in: Patawa Club, GFWC/Dexter Women's Literary Club, GFWC/Miosac Club, GFWC/Gorham Woman's Club, GFWC/Outlook Club, 21 Club, Madison Woman's Club, GFWC/Newport Woman's Club, Pittsfield Arts Club, GFWC/Semper Fidelis Club, GFWC/Skowhegan Woman's Club, Old Town Woman's Club, GFWC/The Dove Society, and GFWC/Westbrook Woman's Club.

The deadline for entering in the Club Challenge Contest has now past and only the first 11 of the above clubs chose to send in a report about how they raised the money painlessly. Those clubs who entered the club contest please have someone attend the spring banquet to accept your prize; one of you will be taking home a giant basket of goodies!!!!!!

It is not too late to send in your club or individual donation. I will be selling raffle tickets at the spring convention and money will be accepted right up to that day in May. Wouldn't it be fabulous if every club made a donation dedicated to the Maine Women's Fund? Women helping Women is a beautiful thing!!!!!!

Website and Public Relations

Check out what's new on the MFWC website! Club members can now contact Department Chairmen by clicking on our new icon "Departments & Chairmen". And Club Presidents... don't forget to send me any news you'd like posted on our "What's New" section. It's great advertising and it's free! Need another registration form for the upcoming spring convention? Download it from our website! It's so easy...just go to www.gfwcmaine.org.

Take advantage of GFWC's website as well. I tried the online reporting and it was fast and easy. Submit your latest club happening to the "GFWC Clubs in the News". Browse the Marketplace...I found great things there that you can use for your club meetings, such as the GFWC flag and the U.S. flag in a holder that fits perfectly on your meeting desk. They also have silver pins for sale so you can honor your 25-year members! Go check it out at www.gfwc.org.

As public relations chairman, I want to congratulate the clubs that have been posting their club news (along with photos) in the newspapers. I noticed it and the public takes notice as well. It's wonderful how active you all are in your communities! Keep up the great work!

GFWC/Maine Federation of Women's Clubs

2008 - 2011 Strategic Plan

**Submitted for approval at the
2008 GFWC/MFWC Spring Convention
Holiday Inn
Ellsworth, Maine
Friday, May 9, 2008**

Mission Statement

The GFWC/Maine Federation of Women's Clubs' object shall be to bring together the various women's literary and educational clubs of the state for mutual benefit and helpfulness to others.

Executive Summary

The 2008 - 2011 Strategic Plan was developed to support and enhance the GFWC/Maine Federation of Women's Clubs mission statement. During the 2006 - 2008 Administration, the GFWC Executive Board worked on the development of this Strategic Plan with input gained from members throughout the state. A strategic plan is a working document that guides and strengthens the activities of an organization. Goals and the strategies designed to achieve them enable the organization to plan effectively for the future.

The 2008 - 2011 GFWC/Maine Federation of Women's Club Strategic Plan identifies four major issues facing the Federation. The structure of the plan is parallel to the structure devised by the parent organization the General Federation of Women's Clubs. It is organized with clear goal statements within each issue, objectives that support the goals and specific action plans for achieving each objective.

Focusing on these four main issues and the achievement of the goals and objectives will guide GFWC/Maine Federation of Women's Clubs towards realizing its vision of providing members with opportunities to: serve their communities with greater effectiveness, develop leadership skills, participate in continued learning and cultivate lasting friendships through the network provided by the organization.

Statement of Responsibility

It is the responsibility of every member of the GFWC/MFWC to support and promote the goals and objectives as stated in the 2008 - 2011 Strategic Plan.

- * The Executive Board oversees the implementation of the Strategic Plan, and reviews and refines the Plan on a regular basis
- * The members approve, actively promote and participate in the implementation of the Strategic Plan
- * District Presidents and Club Presidents disseminate information relevant to the achievement of the goals and objectives set forth in the plan
- * State Chairmen and Club Chairmen actively work to achieve the goals and objectives relevant to their program area
- * State and District Officers/Chairmen obtain activities and materials that help carry out the goals and objectives of the Plan
- * Club **members** learn about and participate in activities that further the goals and objectives of the Plan through attendance at meetings and reading state and national materials

ISSUE: MEMBERSHIP**A. GOAL: RETAIN**

A.1. Objective: To maintain a stable, sound membership base of clubs

Action Plan:

- * Develop and maintain a database of club members in order to monitor the retention of individual members of GFWC/MFWC clubs on an annual basis
- * Encourage state and district leadership to visit clubs at least once each administration
- * Encourage service to the organization at state level by having each club represented on the Board of Directors serving as either a District Officer, State Department or Program Chairman, or State Committee member
- * Strengthen the avenues of communication between clubs, districts and states through the further development of the state website and use of electronic communication
- * Promote a statewide Membership Campaign each administration overseen by State Membership Chairman
- * Create new ways to honor members at the State level
- * Encourage clubs to change by-laws, programs or activities, when necessary, to meet the changing needs of their membership

Responsibility: Executive Board, District Presidents, State Membership Chairman, State Public Relations/Website Chairman

LEADS

(Leadership Education And Development Seminar)

Mary Libby of GFWC/Westbrook Woman's Club has been chosen to represent Maine at the LEADS seminar the day before the GFWC International Convention in Chicago in June 2008.

Good News

1. Enid Currier is returning to her home, under the care of her son and daughter-in-law.

Enid's address :
795 Mercer Road
Norridgewock, ME 04957

2. Ethelyn Chase is grateful to be at home again following surgery. All your thoughts and cards were appreciated during her recovery.

Ethelyn's address:
30 Liza Harmon Drive #407
Westbrook, ME 04092

Continue to keep these faithful Federation friends in your prayers.

Directory Corrections

One final addition for your records:

Page 36 - Winterport Woman's Club:

President: Katherine White
(her address, etc., is found on page 12)

Vice President: Janice Gran
PO Box 291, Winterport, ME
04496; tel. 223-4956

Mary joined her club in 2004 and currently serves as Recording Secretary. She is active on many club committees and projects. She is the MFWC Leadership Chairman and will continue to serve in that capacity for 2008-2010. She is an active volunteer for many causes in her community and especially enjoys the Cathedral Chamber Singers.

Congratulations,

Mary!

A hug is a great gift ... one size fits all.
It can be given for any occasion and
it's easy to exchange.

Information Regarding "Honorary Members"

Clubs oftentimes decide to honor longtime members by making them Honorary Members. Usually, this allows the member to continue in club work without having to pay club dues. This is a great gift for long time service.

However, it is important to keep in mind that if the club does not then pay the General Federation dues, or the Maine Federation dues for that club member, the honorary club member is only a member of your club. Her ties to Federation cease. This means that the honorary clubwoman cannot receive recognition for any opportunities offered by GFWC or MFWC. This would include 50 year membership pins, Jennie Award, photography awards, etc...

I would advise all clubs who bestow this designation on a clubwoman to continue to pay dues for her to the General Federation and the Maine Federation so that the clubwoman continues her affiliation with the larger organization. You have every right to suspend your individual club dues for this member, but don't disconnect her from Federation. Give her the gift of paying federation dues for her to truly make her an Honorary Member!

COME AND VOTE!

Advertising Guidelines

1. Please do **not** photocopy from a previous directory. Currently, if a business wants a repeat of the 2007-2008 ad, with **no** changes required, it can be done with copy/paste from the previous saved version of the Directory (a blessing of technology...), as each ad was scanned individually.

2. Businesses may attach computer-generated copy to an email. Have them email it to the Corresponding Secretary with "MFWC directory ad" as the subject line (so it won't get deleted as spam from an unknown source...). Alternatively, a freshly typed or printed copy

will reproduce nearly as well when scanned, if they prefer to give you the copy.

3. Most business cards scan well unless they have dark-colored cardstock or certain pastel colors for print or logos, and most businesses could provide you their current card.

4. Please fill out the ad form (there will be new ones at spring convention for 2008-2009) for each advertisement. Enter business and club info at the top, indicate ad size and paperclip form together with payment and ad copy.

The 2007-2008 ads went much more smoothly, thanks to clubs following these guidelines.
