Biographical / Historical

The University of Maine administered a Committee on Appointments assisting graduating student from the University find teaching position. The Committee was based in 26-28 Fernald Hall. In 1931, the services of the Committee were expanded to include teachers who were alumni of the University of Maine.

[^ Return to Table of Contents](#)

Scope and Contents

The records contain textual information created by the University of Maine Committee on Appointments which graduates or soon to be graduating students from the University of Maine who were interested in teaching positions could enroll with. The records includes applications from students who wished to register to be on a list of candidates for educational positions. Also, includes professor recommendations for students for a position they felt the student would be best suited for. For example, many of the documents state that a student would be best as a high school mathematics teacher. There are also references for those already involved in educational work, information about the student's grades, educational background, academic training, credentials or positions held and correspondence among different people discussing information that was received, needed or questions they had. Additionally, it includes information that would be pertinent to the student and their information.
