Special words from
someone special!
Dianne Nivison

"Women's Initiative has truly changed my life. I was hurting and lonely hiding away from friends and family. I have learned that I am okay. This is my home away from home. I try to be here at every opportunity. The women here at Women's Initiative welcomed me with open arms. I didn't realize what a difference they would make in my life. All I can say is, "Thank you, Martha for making Women's Initiative a reality. You have changed my life for the best."
