List of individuals or groups directly involved in the project, such as speakers/performers, for which you are requesting honoraria:Ann Ross is the artistic director for the dance showcase.
We ordinarily hire a lighting designer for the showcase.**Project Abstract**

The spring dance showcase is our yearly event that celebrates dance on the University of Maine campus. This is a culmination of the work of over 80 student dancers and technicians. It plays to three packed houses, and has the highest attendance of any event sponsored by the Division of Theatre.

Program Description

The showcase is made up of between fourteen and seventeen individual pieces that vary in form from ballet and contemporary all the way to hip hop and celtic.

Audience

Usually around 1500 audience members attend over the course of three performances. Audience is a healthy mix of students and community members.

Publicity

There will be posters, but usually this is a very successful event with minimal publicity.

Amount requested from CADLS

\$2500

Other funding request

The department will contribute \$800 from previous dance ticket sales, and the event will make about \$3000 to make up the rest.

If the CADLS Committee cannot award at the level you request, which items in your budget would have highest priority for these funds?

Lighting and costumes are the top priorities. We will reassess if less is given.
