Thousands of years ago, a skin-clad workman pounded away with a cobblestone on a slab of hard rock. In a few years, that slab might be passably square and smooth.

Today, busy machines, supervised by trained workmen, pare off crisp, curling ribbons from whirling blocks of steel, as one would unwind ribbon from a spool, shaping the metal to a thousand purposes — to an accuracy within a few ten-thousandths of an inch.

CARBOLOY — a modern tool material developed by General Electric research — has made possible this speed, this precision. It cuts materials hitherto unworkable — cuts faster and holds its edge longer than steel tools — can be run at red heat without losing its temper.

CARBOLOY is only one of the contributions made to improved industrial processes by G-E research — research that has saved the public from ten to one hundred dollars for every dollar earned for General Electric.
University Opens Sixty-Eighth Year
Registration Lower—South Hall Opened

As the University swings into its second year under the Administration of President Arthur Hauck, familiar scenes and familiar thoughts repeat themselves once more. Freshman Week again brings with it the perennial crop of newcomers from which Maine men and women will grow. Freshman caps—white with light blue visors this year—and lovely emerald bow-ties are purchased and worn for the first time with a brief but never to be forgotten thrill of novelty and adventure. Early football practice mingles with these greensters, an aloof, scornful, and majestic group of Sophomore and Upper-classmen.

Then comes registration day, as the rest of the students flock back to open musty fraternity houses—except for those depression casualties whose closed doors may or may not ever open again under the same names. Days of enthusiastic greetings, vacation stories, and renewed romances follow, along with a hurried seeking for "pipe" courses and favorite "profs." Then comes the big book rush and after that the gradual settling down into the long routine of classes.

Registration

As the smoke and flurry of the first days clear away, the comparative figures of the registration excite a passing interest. A total of 1365 students were recorded by Thursday, September 19, a decrease of 20 over the figure of last year on corresponding date. The individual classes fared as shown in the accompanying tabulation. Once more a marked increase in the department of Home Economics was one of the outstanding features.

It is thought that difficult conditions in Aroostook County are to some extent responsible for the continued slight decrease in the University total. In spite of economic troubles, however, a certain indomitable spirit brings back many students who have little more than courage to count on. The requests for financial assistance, highly deserved and sorely needed, are more numerous than ever, and without the assistance of Federal employment the number of students would have been considerably diminished.

Progress

The scenes and events are similar to those of countless years before, but they are not the same. No institution, dealing as closely with the human element as a University does, can ever stand still. Change is inherent in its history; if it does not progress, it falls behind. The University of Maine has progressed and will continue to do.

In spite of a heavy financial handicap, which all who are connected with the institution by duty or sentiment hope will soon be removed, the institution is healthy. A more careful study of entrance qualifications with the aim of improving the general personnel of the student body both scholastically and in point of character have already shown results. A strong drive to eliminate obsolete hazing customs has met with hearty cooperation from the students, and places Maine among the ranks of progressive institutions who are coming to consider Freshmen as human beings. The opening of South Hall as a cooperative dormitory, described in detail below, is also a fine step forward. Physically the appearance of the campus was never better and although in several cases expansion of building facilities are sorely needed, improvements in the present structures have temporarily helped the situation.

Faculty and Administration

Few important changes in the college personnel are recorded for the year and with the restoration of pay-cuts last year, renewed confidence among the faculty members promises a splendid year scholastically. The introduction of a system of tutoring of poorly prepared or failing freshmen by competent upperclassmen through Federal employment should be a helpful factor in overcoming the handicaps poorly equipped and under-financed high schools place before some of the entering students.

The unabated popularity of "Prexy" Hauck whose qualities of courage, good humor, and optimism inspire in his associates a real enthusiasm and whole-hearted cooperation attest that he is indeed the right man for the job, and a prophecy that this second year under his guidance should indeed be one of the best the University has known is well-founded.

South Hall

The well-known University Inn in the center of Orono, for a long time used as a faculty residence, has been remodeled within by the University and opened this fall as a new dormitory for women students on a cooperative basis.

This plan, a new one in Maine, has been recently introduced with considerable success by several of the more progressive colleges of the country. The girls will share the work of cooking, serving, dishwashing and house cleaning, each working approximately one and one-half hours per day. The purpose of the plan is to reduce the living costs of attendance at the University so that education will be available to many young women who would not otherwise be able to attend the institution. The plan has been found to be a very satisfactory solution to this difficulty at other institutions and if successful here will become a vital factor in the University life. Students of all four classes will be in residence and the remodeled and refurnished building will accommodate 36 girls. Every room has been filled and this has also provided relief for the housing problem of the University which, since the burning of Mt. Vernon in 1933, has been so acute as to necessitate the turning away of some women applicants because of lack of room.

Mrs. Frances J. Merrill, of Bluehill, well known to alumnae as superintendent of Mount Vernon House and later as matron at the Phi Kappa Sigma fraternity, will be house superintendent. The supervision of the meals and purchasing (Continued on Page 7)
University Receives Many Gifts—Bequests

More gifts and bequests were received by the University during the last college year than for many years past. The monetary gifts and bequests totaled approximately $30,000, in addition to which there were many valuable pieces of equipment and historical material presented to the University.

An anonymous gift of $25,000 was the largest single gift. Of this amount, the income from $20,000 is to be used for scholarships and the balance has been created as a loan fund.

To the University of Maine Foundation was given in trust for the University, $1,000 by the class of 1909 to be used for unrestricted purposes and also a bequest of approximately $900, from the late Robert Hamlet '25, the income to be used for a prize for the best original play.

During the summer the University received a bequest of $1500 from the estate of the late John M. Oak '73, of Bangor, the income to be used for a scholarship, preferably for the promotion of the art of public speaking.

In addition to the foregoing, there were several gifts for loan funds and scholarships, including thirteen new Alumni scholarships, having a total value of $900, a loan fund created by the local chapter of the Daughters of the American Revolution, and the Omicron Nu Tuition Scholarship of $150.

Of very great value is an art collection, including many volumes on art and copies of original works, given by the Carnegie Corporation of New York. This is mentioned as being worth $2500 to $3000.

Among the gifts having an intangible value should be mentioned the John Manners Biscoe Forestry Library, presented by Mrs. Biscoe in memory of the late Professor of Forestry at the University; portraits of Lyndon Oak and John Marshal Oak, presented by Mrs. Grace Oak Parker, of Portland, and the late Mrs. John Oak, respectively; sets of books presented by Dr. Caroline Colvin and Mr. Fred Jordan, Bangor, a class album containing an interesting collection of photographs and University views from Levy Taylor '83, and Mrs. Edmund Abbott, of West Kingston, Rhode Island, made a gift to the University a collection of interesting photos, catalogues, expense books, textbooks of science, and other valuable historical material as assembled by her late husband, Edmund Abbott '76.

Each of the classes of '34 and '35 at the time of graduation presented the University with a fully paid up insurance policy for $1,000 which will mature at the time of their twenty-fifth anniversary.

 professor indicates that it is to receive from the estate of the late Bertha Joy Thompson, of Ellsworth, a sum of $25,000, for scholarships and other purposes. Neither of these last two amounts have yet been received by the University since the estates have not been settled.

Teacher Alumni to Meet October 24

President and Mrs. Hauk are to be the guests of honor at the annual meeting of the Teachers Alumni Association, which is to be held October 24, in Bangor, during the State Teachers' Convention. Anah Temple Hall on Columbia Street is to be the meeting place. Preceding the dinner, the Alumni will have the opportunity of meeting the guests.

Round-up in Worcester October 5

Worcester County Alumni are planning in cooperation with nearby associations, a big meeting in Worcester following the Holy Cross-Maine game, October.

The hour and place of the meeting will be announced during the game in front of the Maine sections.

Two New Members Of Alumni Council

At the spring meeting of the Alumni Council, Fred D. Knight '09, of Boston, Mass., and Frank Hussey '25, of Presque Isle, were elected to membership for a three-year period of service.

Fred Knight, a graduate of Electrical Engineering, is Assistant Superintendent of the Generating department of Edison Electric Illuminating Co. He has long been active in and served as president of the Boston Alumni Association, and on various civic committees. He has served as president of the class of 1909.

Frank Hussey, a graduate of the College of Agriculture, is President of the Cooperative Marketing Organization, Maine Potato Growers Inc., and is associated with his father in the growing of potatoes. He is a member of the Rotary, the Masons, and the Grange, and served four years as treasurer of the Farm Bureau.
Professor Kueny Resigns

Alumni who in the past have had the good fortune to know and appreciate the wit and wisdom of Professor Francois Kueny during his years of service in the French Department will miss his characteristic, cheery presence when they return again. After twenty-one years on the faculty he has resigned because of impaired health and returned to his beloved France where in the town of Kayersburg he plans to devote the rest of his life to the continuation of his scholarly researches and his favorite hobby, gardening, untroubled now by Freshmen mispronunciation and their failure to appreciate the French irregular verbs.

Professor Kueny came to the University in 1914 as a member of the Romance Languages department and next year was appointed instructor of French. His high quality work and his wide reputation as a scholar won him promotion until in 1924 he was named Professor of French and later head of that department. Two years ago the French and Spanish departments were merged to form the Romance Languages department as head of which Dr Kueny served alternate years.

Among his faculty colleagues Professor Kueny was known as a careful scholar and dynamic teacher who carried into the classroom French manners and ideals. In accepting the resignation, President Hauck paid tribute to Professor Kueny for the fine service rendered to the University during the score of years during which he came to hold a place of esteem and influence on the University faculty. He said in part, “I wish to express our deep appreciation for the splendid service that Dr. Kueny has rendered to the University of Maine. In his teaching he maintained high academic standards and has done much to extend the influence of French culture in this state.”

Professor Kueny graduated from the University of Paris and has done graduate work at the University of Besancon in France and at Columbia University.

Fraternity House Blaze

An ancient landmark of the town was nearly destroyed by fire during the summer when a blaze of undiscovered origin broke out in the old A. P. Webster homestead, now the Phi Kappa fraternity house. The cause of the blaze which started in the sleeping quarters on the top floor was unknown, as the house, during vacation, was unoccupied. It is fortunate that the blaze was easily controlled, for the destruction of this beautiful and historic landmark, one of the show places on the state highway, with its commanding situation, would be irreparable.

Noted Writer Presented Degree at Home

An event never before known in the history of the presentation of University degrees took place on June 10, at the home of Laura E. Richards in Gardiner, Maine. When Mrs Richards’ health prevented her attendance at the commencement exercises, a committee consisting of President Hauck, Harmon G. Allen, Chairman of the board of trustees, Governor Louis Brann of Maine, and Governor H. Styles Bridges of New Hampshire, waited on her at her home to present her with the honorary degree of Doctor of Letters. This degree given in recognition of her long and celebrated career as novelist and poet is the first ever conferred except at regular exercises of the University.

Mrs Richards has spent the greater part of her long life in the creation of such justly admired and delightful stories as Captain Caution and poetry for children and young people. Mrs Richards was born in Boston, Massachusetts, in 1859, the third daughter of Julia Ward Howe. After her marriage in 1871, she made her home in Gardner, Maine, where most of her literary works were done. In 1917 she and her sister were jointly awarded the Pulitzer Prize for their excellent biographical studies of famous women.

One who writes well for children, writes for that part of mankind which is really immortal. The success which her stories met with among an earlier generation of children is beautifully attested to by Mary Ellen Chase’s anecdote in “A Goodly Heritage” in which she describes a visit by Mrs Richards and the spell-bound admiration of the children, particularly Miss Chase herself, in the presence of their idol as she read to them familiar passages from her books.

When Mrs. Richards knew that she would be unable to attend the commencement exercises, she sent President Hauck the following verses in which her kindly humor and her quiet, cheerful courage show that she possesses still the spirit of youth.

O Kindly Presidential Friend
I find, when drawing near the end
Of my prolonged terrestrial trip
The way is far ‘twixt cup and lip,
“I will” must soften to “I may.”
And as our Lowell used to say,
So oft that changes to “I mayn’t.”
’Twould “rite a Shaker or a Saint,”
I cannot come to Orono.
When Summer sums benignly grow,
(Should there come any day benign!
After a spring so chill-malignant)
I cannot see that lovely place
In all its glad Commencement grace,
With Youth and Beauty so bright
’Twould make a noonday out of night.
I cannot press your friendly hand,
Or see you wave your magic wand,
Conferring honors at your will
For prowess, promence or skill,
I thought I could—I find I can’t!
’Tis Fate, not I, who says I shan’t!
But oh, whatever may befall,
My greetings give to one and all,
And—yea: three words from Age to Youth:
Keep Courage, Kindliness, and Truth!

Laura E. Richards Receiving Degree at Home
Forty Register as Alumni Sons-Daughters

Forty of this year’s Freshman Class are sons or daughters of alumni. This year there are none registered with both parents as alumni, two have alumni mothers, Philip A. Corrigan, son of Edith Aiken Corrigan ’07, and Lawrence A. Calvert, son of Mrs. Cora Shaw Calvert ’09. The classes of thirty-eight alumni fathers are rather widely distributed with 1914 leading the list with seven, and 1911 second with five members. The oldest class recorded is 1894 and the youngest 1926.

There are two in the class whose fathers and grandfathers are both alumni, Donald B. Haskell, of Portland, son of Benjamin Haskell ’12, deceased, and grandson of Edwin J. Haskell 72, deceased; and Merrill Thomas, of Rumford, son of Philip W. Thomas ’14 and grandson of Fred W. Powers ’80.

Thirty-three of the sons and daughters prevented themselves for the photograph below. The complete list, arranged alphabetically,

Mary Archibald—Bernard Archibald ’07, Houlton; Mary Beare—George Beare ’11, Bucksport; E. Lucille Bell—Roger W. Bell ’16, Albany, N. Y., Mary Bowler—Frank C. Bowler ’94, Millinocket; Lawrence A. Calvert—Cora Shaw Calvert ’09, Smith’s Falls, Ont.; James Cheney—Irvill H. Cheney ’26, Monmouth; Carleton Clark—Herman R. Clark ’14, Springfield, Mass.; William Clifford—Harold L. Clifford ’10, Westmont, Quebec; Philip Aiken Corrigan—Mrs. Edith Aiken Corrigan ’07, deceased; Calais, Elizabeth Dixon—Thomas J. Dixon ’12, Old Town; Carleton Doak, Jr.—Carleton Doak ’10, Belfast; Pauline Louise Drummond—Robert R. Drummond ’05, Orono; Ethel Dunbar—Oscar H. Dunbar ’06, Machias; Gilbert M. Ellis—Milton Ellis ’07, Orono; Philip E. Folsom—Harold M. Folsom ’01, deceased; Biddeford, Barbara Grace—William N. Grace ex-’14, Ynghelm Center, Mass.; Walton C. Grundy—Leslie W. Grundy ex-’14, Portland; Donald B. Haskell—Benjamin Haskell ’12, Edwin J. Haskell ’72, grandfather; Portland, Edward K. Hayes—Andrew J. Hayes ’05, deceased, Orono, William R. Hilton—William Hilton ’11, Bangor, Helen Holman—William H. Holman ’11, Bangor, Elizabeth W. Homans—Harry Homans ’11, Bangor, Gwendolyn M. Hooper—Henry S. Hooper ’18, Old Town.

ALUMNI SONS AND DAUGHTERS, CLASS OF 1939
The year in parenthesis is class college year of the alumni

Front row, left to right—Ethel Dunbar ’06L, Helen Philbrook ’16, Ruth Merrill (ex-’97), Gwendolyn Hooper ’18, Mary Beare ’11, Pauline Louise Drummond ’05, Lois Priscilla Leavitt ’15, Marie Thompson ’14, E. Lucille Bell ’16, Mary Bowler ’94.

Second row, left to right—Thomas Verrill ’11, Richard H. Howard (ex-’08), Herrick Thomas ’05, Elizabeth Dixon ex-’12, Helen Holman ’10L, Elizabeth W. Homans ’11, Margaret Hoxie ’99, Barbara Grace ex-’14, Mary Archibald ’07, Frederick Patterson ’14L, Arthur W. Patterson, Jr. ’14L, William McCarthy ’00L, Owen Wentworth ’11.

Third row, left to right—William Clifford ’10, Philip Aiken Corrigan ’07, Carleton Clark ’14, Edward K. Hayes ’05, Alden Lancaster ’12, Donald B. Haskell ’12-’72, Gilbert M. Ellis ’07, Carleton Doak, Jr. ’10L, James Cheney ’26, Merrill Thomas ’14, William R. Hilton ’11.
Frank Southard '10 Heads Maine Legion

On June 19, Judge Frank Southard '10 and Law '14, of Augusta, was elected by a unanimous vote to the position of State Commander of the American Legion of Maine. Judge Southard formerly served as Commander of the James Fitzgerald Post No. 2, of Augusta, of which he was a charter member, and Commander of the Kennebec County Council, and his personality, ability, and popularity had so fitted him for the position of State Commander that he was virtually unopposed in the election.

This new honor and responsibility is one more in a long line of accomplishments to the credit of the jovial, witty and capable Judge of the Augusta Municipal Court. In 1932 he resigned the position of State Senator from Kennebec County to accept the appointment of municipal judge at the request of Governor Gardiner. His election to the State legislature in 1930 followed a remarkable career of six years as Kennebec County Attorney. His three term period of service in this capacity was signalized when he was personally singled out for commendation by the Wickersham Commission in 1929 because of his exceptional record of indictments, a record of 12 convictions out of 13 trials. Mr. Southard’s entire record as county attorney is no less remarkable, for in bringing 1119 cases before the Kennebec county superior court, he met but 24 acquittals and four discharges, while only one conviction was reversed by higher court. Through many obstacles and not a little excitement, Judge Southard conducted himself steadily and conscientiously for the public good.

At other periods of his life he has held the offices of city solicitor for Hallowell and city clerk of Augusta. His membership in the American Legion is based on his overseas record in the 56th Pioneer Infantry in which he served in the same regiment as ex-Governor Gardiner. He was overseas 18 months, serving as a commissioned officer through the Meuse Argonne offensive and then going into Germany with the Army of Occupation. During this time he held the position of judge advocate general for six months. After the Armistice he added to his University of Maine and Law School education by three months’ study at the University of Paris.

Alumni Scholarships

Two new Alumni scholarships were presented to the University this summer by Rhode Island and the Lincoln County Associations. There are still some of the 16 to be awarded but the following are the names of the recipients of those which have already been given out:

Prizes and Awards, Class of 73, $42.00, Henry M. Brown ’39, Francestown, N. H.
Lord '24 Appointed To Dues Committee

George E. Lord '24, of Orono, assistant director of the agricultural extension service of the College of Agriculture, has been appointed by President George S. Williams as the new member of the Dues and Finance Committees of the General Alumni Association for a three-year term. Dr. Harry Butler '20, of Bangor, now serving his third year on these committees, automatically becomes chairman. Professor Harry D. Watson '18, of Orono, is serving his second year on these committees.

Mr. Lord, as an undergraduate, was active in basketball and in intramural activities, president of his fraternity, Lambda Chi Alpha, a member and officer of Alpha Zeta, honorary Agricultural fraternity, and also a member of the honorary educational society, Kappa Phi Kappa. After being engaged in the dairy industry in Vermont one year following graduation, he returned to Maine to become County Agent in Franklin County. His progress in this service has been rapid. In 1930 he was appointed County Agent Leader and in 1934 was advanced to Assistant Director.

The keynote of the 1935-36 dues campaign, as determined by the committee at its first session, is "FORWARD." Not only is the committee going to make a very determined effort to increase the number of dues payments but aims also to secure earlier payments as a means of reducing the expense incident to raising Association funds and to enable the Association to proceed with a constructive program earlier in the college year.

'27 Publishes "Eight Years After"

Through the energetic efforts of Ed Engel and the cooperation of the graduates of 1927, a class booklet entitled "Eight Years After" was published this year in celebration of their reunion, which is certainly one of the finest of its kind. It well reflects the comradeship, enthusiasm and interest of a class which still has plenty of the real "Maine Spirit." The body of the booklet consists of sixty-eight letters from members of the class giving their histories since graduation, an interesting and cheerful commentary on the vicissitudes of college graduates during the last few years.

While they last, copies are available at fifty cents each from Ed Engel, 24, Abbott St., Springfield, Mass.

The Placement Bureau reports that the employment of graduates this year has been the best since 1931.

Athletic Board Report

It was impossible to use the following report in our June issue when it was submitted, but because of the interesting facts contained in it, we are pleased to present it to the alumni at this time.

Eight regular meetings and one informal meeting of the Athletic Board were held during the year ending June 8. The Board consists of J. Harvey McClure '05, Clifton A. Hall '10, and Clifford Patch '11. More students participated in athletics last year than ever before with a consequent increase in equipment inventory. In fact, the equipment inventory has tripled in the last five years. It is, however, in good shape and no unusual additions are needed. We respectfully call the attention of the Alumni to the M. Chamberlain Peirce Trophy Room which has been furnished with part of the income from the M. Chamberlain Peirce Fund.

The Interscholastic High School Basketball Tournament was dropped this year as also was the Interscholastic High School Track Meet. An Interscholastic Track Meet for high schools in Penobscot County only was added.

The new Varsity baseball field was finished and used for the first time last spring. The football field has been reseeded and brought to grade by the University and construction is nearly completed on a battery of tennis courts. On account of the marked increase in interest in tennis it was made a minor sport last spring. The additional courts mentioned are needed on account of this increased interest.

The old M.I.T. & F.A. has been disband ed and a track meet was held last spring.

U. of M. Foundation Reports First Meeting

Stephen Wheatland, of Bangor, was elected president and Dr. John Schroeder '34H, of Portland, elected an active member of the University of Maine Foundation at the first annual meeting last June.

In summarizing the past year's work, President Wheatland announced the receipt of a gift of $1000 from the Class of 1909 and a bequest of about $900 from the late Robert Hamlet '25 to be held in trust for the University. He also reported upon the passage of the bill by the Maine Legislature broadening the scope of activity of the Foundation, organized for the benefit of the University.

Officers elected in addition to Mr. Wheatland were Ralph Whittier '02, Bangor, treasurer, Charles E. Crossland '17, Orono, secretary, and Mr. Wheatland, Mr. Whittier, Horace S. Stewart all of Bangor, Carl P. Bennett '02, Boston, and Hosea B. Buck '93, Bangor, directors.

Active members of the Foundation include in addition to those already named, Hon. Harmon G. Allen Sanford, president of the Board of Trustees; Dr. Arthur A. Hauck, president of the University, Geo. O. Hamlin '00, Boothby Harbor, Joe W. Gerrity '99, Boston; Dr. Robert R. Drummond '05, Orono, and Dr. John C. Schroeder, of Portland.

Football Tickets

Football ticket application forms have been sent to practically all alumni in New England and to some in other nearby states. Those desiring tickets are urged to make reservations early. If you have not received an application form, one can be obtained from the Alumni office.

Sections have been reserved for Maine Alumni at the Holy Cross game. Ask for seats in the Maine section.

Six new tennis courts will be available for play this fall.

in which all four colleges of the State participated. The meet was held under the M.I.A.A. and events were governed by New England and I.C.A.A.A.A. Rules.

The University has made over the indoor track. A freshman baseball field is needed and it is hoped it may be developed soon. Practise football fields are also needed.

We believe that the alumni will be entirely satisfied with the results accomplished by the various athletic teams coached and trained by what your Board believes are competent and high grade men in their fields, and handled by an able faculty manager.
Federal Employment

For Students Continued

Part time employment of needy students under an allotment of Federal funds is being this year directed by the University Placement Bureau. Under the new name of NYA, which stands for National Youth Administration, work is being provided for 172 students with an average income of $15 per month. The work will be in different departments of the University and of a widely diversified nature. One of the most encouraging aspects of this program is the enthusiasm and cooperation with which most of the needy students welcome this opportunity to become partially self-supporting through actual labor without the burden of repayment which a loan involves.

Not only does it offer most of the advantages that are claimed for the old janitor and odd job system of working through college, a method almost impossible today, but it also adds in many cases considerable practical experience along the lines of the student's courses of study. This work also makes possible the accomplishment of many highly desirable projects which would otherwise remain, at least for a long time, only fond hopes of the University administration and faculty. Taking in consideration all of these factors, the University has expressed much pleasure at the announcement of the continuation of this program.

Proctors for 1935-36

John Sealey, of Orono, will be head proctor of the freshman dormitories, Oak and Hammil Hamlin Halls for 1935-36, it was announced on September 9th.

Under him as floor proctors are: Robert Loveless, Melrose, Mass.; Donald Huff, Wakefield, Mass.; Leslie Hutchings, Portland; Myron Collette, Spencer, Mass.; Chester Smith, Fairfield; Burleigh Roderick, Augusta; John Minutti, Portland, Clyde Higgins, Lewiston; Bruno Golobski, Lawrence, Mass.; Kenneth Leathers, Kennebunk.

Sigma Chi House

Construction is nearly completed on the new house for Sigma Chi fraternity on the site of the old Mount Vernon House. It is planned to construct a $45,000 Colonial design building to accommodate 35 members with rooms for guests. It is expected to be finished by the first of November.

Mr. Glenn Rule, Extension Editor of the College of Agriculture, last August was elected president of the American Association of Agricultural College Editors.

Alumni Homecoming is Nov. 8-9.

Faculty Changes

The Administration announces the following changes and promotions in the University faculty for the coming year:

College of Agriculture: Gregory Baker, Instructor in Forestry; Miss Eleanor Halle, Asst. Prof. of Home Economics; Matthew E. Highlans, Instructor in Bacteriology; Wesley P. Jenkins, Instructor in Horticulture; Winthrop Libby, Asst. Prof. of Agronomy; Evon J. Niederfrank, Asst. Prof. of Agri. Econ. and Farm Management.

College of Arts and Sciences: Claude L. Bourcier, Instructor in Romance Languages; Alden P. Cleaves, Assistant, Dept. of Physics; Herbert D. Lamson, Asst. Prof. of Sociology; Frank J. Lewand, Instructor in Economics and Sociology; George E. McReynolds, Instructor in History and Govt.; Cecil J. Reynolds, Instructor in English; Walter R. Whitney, Instructor in English; Miss Rose Buckler, Graduate Asst. in English.

College of Technology: Earl Bennett, Special Lecturer in Civil Engineering, Research Worker, Tech. Exp. Sta. (To be here for a period of 6 weeks sometime during the year).

Exempt Station: Merle T. Hibborn, Asst. in Plant Biology; Millard G. Moore, Asst. Chem., Inspections Service.

Military: Lieut. Col., Robert K. Alcott, Prof. of Mt. Sci. and Tactics; Major Victor G. Huske, Prof. of Mt. Sci. and Tactics; Captain Alonzo P. Fox, Prof. of Mt. Sci. and Tactics.

Miscellaneous: Mrs. Gertrude P. Haye, Superintendent of The Maps; Miss Mary M. Heffernan, Superintendent of Colvin Hall; Mrs. Charlotte Fifield, Associate Superintendent, South Hall; Mrs. Florence Merrill, House Superintendent, South Hall; Miss Lucy Nichols, Gen. Asst. in Library; Miss Sally Palmer, Circ. Asst. in Library.

Leaves of Absences: Roger Clapp, Asst. Prof. of Horticulture; C. W. L. Chapman, Asst. Prof. of Forestry; D. W. Morris, Instructor in Public Speaking; Mrs. Dorothy Morris, Circ. Asst. in Library; L. L. Osborn, Instructor in Chemistry.

Changes in Titles: Arthur E. Jensen, Instructor in English to Asst. Prof. of English; Rising L. Morrow, Instructor in History and Government to Asst. Prof. of History and Government; Herschel L. Bricker, Instructor in Public Speaking to Asst. Prof. of Public Speaking; Helen Lengyel, Asst. Prof. of Physical Education to Assoc. Prof. of Physical Education.

Summer Session

Highly Successful

The summer school with a registration of 473, the second highest ever recorded, completed on August 9 one of the best sessions in its history. Nearly one-half of the student body attended from other states than Maine, coming from as far away as California and Florida, and twenty-five per cent of the teaching staff was made up of visiting instructors, many of exceptional reputation and ability in their fields.

The social and recreational program, under the direction of Miss Mildred Thompson, of Orono, was enlarged and improved to provide many opportunities for entertainment and enjoyment. This included among the daily assemblies, musical programs, talks by faculty members and outstanding visitors, and a presentation by the Yale Puppeteers. Excellent programs by Clarence Coffin '31, assisted by Galen Veayo '31, Shirley and Stanley Young '34, Harold Doe '33, Harold Inman '30, and Ernie Scott '31, contributed to the enjoyment of several assemblies. Many popular week-end trips were arranged to near-by points of interest such as Bar Harbor, Mt. Kineo, Lacawak, and Mt. Katahdin.

One of the most interesting and important events taking place during the session was the Maine Institute of World Affairs held in the Alumni Memorial Gym, July 9 and 10, featuring such speakers as President Hauck, Judge Pattangall, Frank H. Simonds, author and journalist, Clarke M. Eichelberger, director of the League of Nations Association, and Wilfrid Hinton, member of the Institute of Pacific Relations and the Institute of Bankers, London, England. International problems of contemporary importance were discussed.

Mr. Hinton was also one of the leading figures on the faculty of the summer session where his wide experience, keen insight, and dry humor made his classes a real intellectual adventure.

Fifty-six alumni of the University were registered in the summer session.
If the weatherman cooperates sufficiently with the new football rules, fans are likely to see some fast and foxy football on Alumni Field this year. Working with what he claims is the lightest squad in the years of Mame football coaching, and with a game sure to be even more open and faster and full of various sorts of unexpected visuals than ever, the Old Fox is being forced right into using the weapon he likes best of all—the famous and faithful bag of tricks.

Not that Foxy Fred is smiling about it; he is in anything more than his usual foreboding than ever at this time of year. For one thing, the usual pre-season jinx has been working overtime. Although injuries to Rubin and Reed, expected line material, and Brewster, sensational line-bucker, were exaggerated in early press reports, these men will certainly not be available for the earliest games, and Brewster may be out until the State Series.

First Scrimmage

Furthermore, the showing put up by both first and second teams on the first real combat of the season, September 13 was not such as to cause any unusual smiles on the part of the man who has to pick from them a winning team before September 28. Nevertheless, the situation at this time of year is not by any means unique. Brice is picking, it appears, a team that will be light, fast, scrappy, and full of tricks. Just who will be on this new-style outfit is undetermined at this writing. There were only five men reporting this fall who could really be called veterans, Jim Dow passer and kicker, Wendell Brewer and Bob Littlehale, running back, Dana Stedliger experienced tackle, and Arbie Doherty, ace defensive end, to replace the six seniors who were last year selected on the All-State eleven. Fred has a number of upperclassmen and some good sophomores prospects from the undefeated freshmen of last year.

Prospective Line-up

For the backfield, Clyde Higgins, agile, fast trackman, is expected to call the plays. Bob Littlehale whose early season injury was a sad blow last year will be hitting the line with the best of them this year. But with Brewster out for a while, the other running positions are still open with half a dozen contenders bidding for them. Jim Dow, veteran kicker, and Ralph Beisel, star of last year's frosh, seem to be leading the list at present but there is still plenty of room for some dark horse to step into Milt MacBrade's vacated shoes and give the team the climax runner needed.

The second game played at Worcester against Holy Cross will be a hard one. The purple is boasting of one of the strongest teams in many years and just what a lighter than usual Maine team will do against the proverbial steam roller is debatable, but there is always the possibility. Anyway Holy Cross is reserving a whole section of seats for Mame rooting.

The third game, against New Hampshire on October 12, provides ample material for thought and for revenge. In the last six years, the best Maine has done is a 7-7 tie in 1932 but the game is always close, hard fought, and more packed with excitement than any other out-of-state game in the season.

On October 19, Maine will play a new team, Arnold, a physical training college from New Haven, Conn. They have been playing Bates for several years and their scrappy, fast teams have always provided an interesting game. Under a new coach this year, playing a Mame team that presumably will resort to a similar style of open play, the game should be one well worth watching.

Then the State Series. The real dark horse this year is Bowdoin, with a new coach, new system, new attitude, and new interest. With plenty of reserve strength and a strong backfield they are expected to make a real bid for the title this year in spite of a line decidedly weak on paper. Bates, having suffered few losses by graduation, looks on paper to be very strong, but they are playing one of the hardest schedules ever made up in these parts and that may make some difference. As for Colby, little need be said to Maine fans who have seen her fight and win when least expected in the past.

All things considered, there are still too many unknowns to prophesy, but given a fast backfield, a dry gridiron, and Foxy Fred's old 'bag of tricks,' the chances of getting the fifth straight win of the State title are good. As Fred says, "We can't outwear them, but we may outsmart them."

The Games

The schedule this year is a hard one and full of interest. Rhode Island, the first game, has won three times in the last six years, upsetting the Blue team twice on the field in the last two years. How the game turned out this year will be history as this goes to press.

New Coaches

Three changes have been made in the coaching staff this year. Jack Moran '30 will coach Junior Varsity football, while Julius Pike '33 and Larry O'Connell '34 will assist Phil Jones in coaching Freshman football.

Alumni Homecoming

Alumni Homecoming is scheduled this year for November 8-9, with the Bowdoin-Maine football game as the concluding feature of the program.

Started in 1931 as somewhat of an experiment, this event has gradually grown in size and significance until it has taken its place as an annual affair of importance on the year’s calendar.

The program will include a rally, meeting of “M” men, and a luncheon.

York County

One hundred Alumni and friends attended the annual picnic and dinner of the York County Association at Hotel Atlantic, Kennebunk Beach, on Sunday, June 30. Special entertainment was provided by Pietro Mordelia and his three charming daughters, all talented musicians. It was a "good time" that was intended and a good time was enjoyed by all throughout the afternoon and evening.

The association has a record membership of 63, following a most successful campaign conducted in March and April, with Earle T. Blodgett, County 4-H Club Agent, in charge. At a business meeting previous to the annual picnic the Executive Committee voted to raise $50.00 for a scholarship at the University this year.

New York Alumnae

The New York Alumnae Association held a Baked Bean Picnic on Saturday, June 1st, at Federation Park on the Palisades. This meeting was open to all alumnae and friends but due to it being Memorial Day week-end, there were only thirty-five present. All but one were Maine men and women.

It was a very informal social gathering, the girls visiting while the men pitched horseshoes, led by A. D. T. Libby '98.

The beans, brown bread, doughnuts, etc., were delicious, and those present voted that a similar outing be an annual event.

The regular meeting of the New York Alumnae Association will take place in October (date not yet set) at which time the following new officers will preside:

Mrs. L. W. Davie '22, president, 153 Westervelt Ave., Tenafly, N. J.; Miss Ella M. Hall '19, vice-president; Miss Helen L. Johnson '20, secretary; Hotel St. George, Brooklyn, N. Y.; Miss Helen A. McLaughlin '30, treasurer.

Muriel G. Davie '22, Secretary

Philadelphia

The Philadelphia Chapter held its annual picnic on the afternoon of June 15 at the home of Mr. J. A. Hayes '00, in Upland, Penna., with one hundred people in attendance.

After an afternoon spent in playing baseball, tennis, ping pong, quoits, billiards, scenery admiring, and just plain sitting, E. N. Woodsum '15, our chief bugler, sounded the call to witness the removal of the beans from the beanhole. After this ceremony, at which Al Repscha '25 did himself great honor, all present gathered around the picnic tables and proceeded to work out on the aforementioned beans. All of the credit for the success of this affair is due to Mr. Hayes, who so generously provided the location, equipment and food.

Incidentally, the beanhole which Mr. Hayes has constructed in his yard is made according to Maine Woods specifications, and the pot in which they were baked was obtained for him by a former Governor of Maine from a deserted lumber camp.

At a business meeting held during the afternoon, officers for the ensuing year were elected as follows:

President, G. O. Ladner '26, vice-president, M. C. Prentiss '23, secretary-treasurer, David Jacobs '17

Southern New Hampshire Holds Outing at Cotton Mountain, New Hampshire

To the south nearby is Lake Wentworth, just beyond, the broad reaches of Lake Winnipesaukee, and on the far horizon, the Belknap Mountains. To the west, north, and east one sees more of the White Mountains, green wooded hills and valleys with numerous small towns nestled in among them, a truly wonderful surrounding to greet the members of the Southern New Hampshire Alumni Association on their first outing on Saturday, September 2nd, on top of Cotton Mountain where "Bob" Thurrell and his wife have their home and business. There, there is ample room for the 3000 or more chickens and numerous buildings in which to raise the 150,000 chicks that are shipped during the year. Naturally an inspection of the plant proved exceedingly interesting to all us neophytes.

Earlier in the day, several of us taking advantage of the fine September weather, took the boat trip around Lake Winnipesaukee on the Steamer Mt. Washington, others thought they would rather be in the water, while the remainder just roamed around Cotton Mountain Farms, pitched horseshoes or helped get the big feed ready.

Close to forty members, wives, husbands, and families sat down to a real outdoor feast of chicken salad, roast corn over an open fire, hot dogs, ice cream, and a host of other good things which went to make up one of the finest of out-of-door meals imaginable. "Bob" Thurrell and his wife deserve and do receive the thanks of all those who attended for a most perfect and enjoyable afternoon.

The purpose of the gathering was two-fold—to have a good time together and to turn over to the scholarship committee all money collected over and above expenses.

William W. Redman,
Secretary and Treasurer

Somerset County

Another successful meeting of the Somerset County Alumni Association was held May 9. First there was an inspection of Wyman Station, then a chicken supper, followed by a meeting with 72 alumni, wives, and friends in attendance. Judge E. F. Danforth and S. W. Gould, both of the class of 1877, were present, but having missed a meeting since the association was formed.

The following officers were elected for the coming year: Howard Bowen '24, president; Edmund Melcher '19, vice-president; A. F. Stevens '26, secretary; and Lester Morris '16, treasurer.

The association was privileged to have as speakers, Alumni Secretary Crossland, who discussed activities on the campus, Alumni President G. S. Williams, who spoke on scholarships and President Hauck, whose account of the activities on the campus was much enjoyed.

DEATHS

'03 Ulysses G. Mudgett, Bangor attorney, died July 24 at the Eastern Maine General Hospital, following a surgical operation. He was 66 years of age and had been ill for more than six weeks but was at his office until recently. Mr. Mudgett was born in Jackson, November 3, 1808, and attended the Jackson schools until the death of his father. Moving to Hampden with his mother, he attended Hampden Academy, working his way through school as an employee of the telephone office and as a blacksmith, and serving as music teacher and school teacher. He was admitted to the bar February 22, 1905 and set up practice in Bangor where he continued until his death June 24, 1908. He married Miss Mary A. Swasey, of Lander, Maine in 1871. In 1916 and again in 1928 he was a candidate for nomination for the office of county attorney. He was a member of the Penobscot County Bar Association and one of the Congregational Church, being active for many years in the Men's Club of the latter. Surviving besides his wife are three daughters, Mrs. Edith Bragg and Miss Frances S. Mudgett, both of Pittsfield, Vermont and Miss Delia G. Mudgett, of Bangor, two sons, Lucius E., of Malden, Mass., and Lawrence A. of Bangor.

'07 Ralph E. Bucknam, of Langeloth, Penna., aged 49 years, for the past 17 years superintendent of the Langeloth Coal Company, a subsidiary of the American Zinc & Chemical Company, died at West Penn Hospital, Pittsburgh, Penna., May 20. He had been in failing health for several years. He had been for a long time a member of Shadle Lodge No. 601, Free and Accepted Masons of Ironton, Pennsylvania. He was a member of the Delta Tau Delta fraternity. He married Marguerite Ne done on Dec. 6, 1908, of Cohasset, Mass.; Mrs. C. D. Shields, of Buffalo, N.Y., and Miss Alice Bucknam, at home.

BY CLASSES

'75 Edson F. Hightings, for 15 years librarian of the Orono Public Library, has resigned because of ill health. Mr. Hightings was for many years professor of Horticulture at the University, later becoming town treasurer.

'82 William R. Howard, of Belfast, was appointed on the jury commission for Waldo County.

'90 George P. Gould, of Bangor, clerk of courts for Penobscot County, was elected to head the executive committee at the annual meeting of the Maine Association of Clerks of Courts, which was held in Alfred, York County.

Three hitherto unpublished poems, written by Chandler C. Harvey, of Fort Fairfield, have been selected for inclusion in an anthology of Maine poetry to be published by Henry J. Harrison of New York City.

'94 George H. Hall, of Douglstown, N.Y., visited the campus during the summer, the first time since 1907. Mr. Hall is a salesman for the General Electric Company, which consolidates the New England Association of Fire Chiefs at the annual convention at New Bedford, Mass. Mr. Randelte was also elected second vice-president of the New England Association of Fire Chiefs.

'95 Dr. Harold S. Boardman, of Orono, was chosen chairman of the Orono Red Cross.

'96 Joseph W. Randelte, of Richmond, was elected second vice-president of the New England Association of Fire Chiefs at the annual convention at New Bedford, Mass. Mr. Randelte was also elected second vice-president of the New England Association of Fire Chiefs.

'98 Dr. E. D. Merrill, for the past six years Director of the New York Botanical Garden, has accepted appointment as Professor of Botany and Administrator of Botanical Collections at Harvard University.

'99 Pearl Clayton Andrews (Mrs. Irving L.) is head of dramatics and public speaking and Dean of Girls at Portland High School.

100 Harry W. Beedle has been appointed Manager of the Boston Branch of the Electric Storage Battery Company. Mr. Beedle's association with the Company dates back to July, 1908, when he entered its service at the Factory Headquarters in Philadelphia. In 1915, he was assigned to the Company's Boston Branch where, since 1920, he has acted in the capacity of Assistant Branch Manager.

'02 Carl P. Demett, of Boston, formerly a resident of Bangor, was one of five men given honorary degrees at the commencement exercises of Northeastern University in June.

'03 Ralph L. Cooper of Belfast, was recently appointed chairman of the Maine State Park Commission.

Edward P. Murray, of Bangor, was recently named Justice of the Superior Court by Governor Brann.

'05 Leslie I. Johnston, of 1816 S. Crescent Avenue, Park Ridge, Illinois, is assistant engineer with the Northern Park Service, U. S. Department of the Interior.

'06 Leon H. Marr, of Farmington, is president of the state board of pharmacy examiners.

Robert F. Olds is resident engineer at the Pleasant Hill Dam. His address is U. S. Engineer Office, Loudonville, Ohio.

'07 William D. Hall, principal of Eastern State Normal School, Castine, was recently elected president of the state normal school faculties.

'08 Walter L. Black is president of the Central State Edison, Inc., Summit, N. Y.

Earle L. Miliken is assistant to vice-president of Washington Gas Light Company, Washington, D. C.

Earl N. Vickers is chairman of the building committee on the construction of the new Memorial Gymnasium at Maine Central Institute, Pittsfield.

'10 Frank E. Snowball, of Augusta, former state senator and present judge of the Augusta Municipal Court, is State Commander of the American Legion of Maine.

'11 Albert A. Beliveau of Rumford, newly-appointed Superior Court Justice, and Miss Margaret A. McCarthy, of Cohasset, daughter of Judge Matthew McCarthy, '90, of the Rumford Municipal Court, were married August 6 at New- ton, Mass. Mr. Beliveau was graduated from Gorham Normal School and taught at the Rumford Junior High School for a time. For the last few years she has been employed at Rugg's, Cohasset. Justice Beliveau has long been in the practice of law in Rumford. They will make their home on Hancock Street, Rumford.

Ray W. Davis, of Guilford, was elected first vice-president of the Maine Bankers Association in June at the opening business session of the 35th annual convention of the organization at the Rangeley Lakes House.

MAURICE T. LAWLER, Mgr.
Dr. George Haley, of Berkeley, California, head of the biology department at the University of San Francisco, went on another expedition into far northern climes this spring, this time returning having time before going on vacation Labrador. The expedition was under the auspices of the California Academy of Sciences and Dr. Haley made certain botanical investigations of "Circumpolar Flora." In 1932, Dr. Haley visited Iceland and last year, under the auspices of the Bronx Botanical Gardens, he traveled to Northern Norway and Spitzbergen.

George J. Wentworth, of Kennebunk, was recently named a member of the Maine Development Commission.

Col. William R. Ballou and Miss Beatrice Mary McMann, both of Bangor, were united in marriage in Bangor on September 10. Mrs. Ballou has been employed for the past 13 years in the office of the Bangor Chamber of Commerce.

Mr. Ballou is a prominent Bangor business man being superintendent at Morse & Company. He was a captain in the World War serving with distinction in the A E F. He was later a member of the staff of Governor William Tudor Gardner and now holds the rank of colonel.

George A. Martin, of 315 Montgomery St., San Francisco, Cal., is general agent, Northern California, Oregon Mutual Life Insurance Company and director, Continental American Life Insurance Company.

Lynne T. Rand is in the investment securities business at 39 Hammond St., Bangor, representing F. L. Putnam & Company, of Boston.

Clayton H. Steele, of Presque Isle, was secretary-treasurer of the Maine Farm Association and of the Par-Mutuel Betting Comm. of Maine.

Judge Arthur Patterson, of Castine, was re-elected as chairman of the superintending school committee of Castine, Brooksville, Islesboro, and Penobscot.

Linton B. Ward is inspector for Virginia Department of Highways, Lynchburg, Virginia.

George J. York, of Orono, is chairman of the Board of Directors of the Orono Kiwanis Club.

Stephen Junior first and only son, was born on January 27 to Mr and Mrs Stephen C Clement, of Buffalo, N. Y. Stephen P Danforth, of Rio de Janeiro, Brazil, is president of the Brazilian Chamber of Commerce. He succeeded R. H. Greenwood '11 who served last year in the same capacity.

J W Glover, of Orono, was elected a member of the Board of Directors of the Orono Kiwanis Club.

A Russell Mace, of Ellsworth, has been appointed a jury commissioner for Hancock County.

Major Loren P Stewart is stationed at Fort Benjamin Harrison, Indianapolis, Indiana. Major Stewart was transferred from the University last June.

Raymond Kendall, of Alfred, was recently appointed secretary of the Maine State Park Commission.

Elizabeth Bright, research assistant at Harvard Medical School, Boston, represented the University at Wheaton College Centennial program.

Attorney General Clyde R Chapman, of Belfast, was elected a vice-president of the Maine State Bar Association.

John C. Fitzgerald, Bath attorney, was appointed acting assistant administrator for the Maine Works Progress Administration.

Mrs. Marguerite L. Hurd, of Orono, and Everett S. Hurd, of Bangor, were married August 31 in Bangor and have taken an apartment at 35 Forest Avenue, Orono.

Harry C. Libby, recorder of the Portland Municipal Court, has been re-named chairman of the American Legion Child Welfare Committee for Maine by State Commander Frank E. Southard '10, of Augusta.

A year's absence has been granted Prof. John H. Magee of the department of economics and sociology in order that he may devote his entire time for the next 12 months to governmental work. Prof. Magee, whose activities in behalf of the FIA attracted widespread attention, is to be in charge of the organization established in eastern and western states for the insuring of long-term loans made through financial institutions to private enterprise under the provisions of the National Housing Act.

J. I. Scrivener, of Orono, is a member of the Board of Directors of the Orono Kiwanis Club.

E. T. Nealley is a mortician and funeral director at 21 Middle St., Old Town.

Frank O. Alley, Jr., well-known resident of Bar Harbor, has been promoted to the grade of captain of infantry in the reserves of the United States Army. Captain Alley will be assigned to the 386th Infantry of the 92nd Division, which regiment is assigned to Eastern Maine with headquarters in Bangor.

Manley W. Davis is manager Wood Industries Supply Company, ltd. Montreal, Quebec. His residence is 8038 Western Avenue.

John E. Goodwin, of Augusta, has been appointed Inspector of Dams and Reservoirs for the state.

Millard G. Moore, of Old Town, who has been employed by the Maine Liquor Commission as beer inspector since rioters became a state factor, has been appointed to the staff of the Maine Agricultural Experiment Station in the Department of Chemistry.

Oscar L. Whalen of Eastport is judge of the Eastport Municipal Court.

Walter W. Chadbourne, of Orono, is president of the Maine Association of Phalatite Clubs.

George M. Cushman is assistant manager of the Bangor Restaurant.

Francis H. Friend, of Skowhegan, is president of the Somerset County Agricultural Society and was sponsor of the Skowhegan Fair.

Richard H. Howell, formerly principal of Saunderville High School, goes to Stonington High as principal this year.

Philo S. Libby, assistant professor of Orientation at the University of Southern California, was awarded the degree of Doctor of Philosophy at that institution in June.

W A Park of Orono, is vice-president of the newly organized Orono Kiwanis Club.

Perley L. Berry, of Mobile, Alabama, is at work on a travelogue of the Old Spanish Trail through the immediate and most southern part of the states along the Gulf of Mexico, from St. Augustine, Florida, to San Diego.

On September 2, Miss Sarah M. Griffin, of Old Town, was the bride of Raymond Joseph Curran, of Bangor. Mr. Curran, who is the Mame representative of the Metro-Goldwyn-Mayer Pictures, is chairman of the Democratic City Committee and president of the Young Democratic Club of Bangor. They are residing at 256 Louise Street, Bangor.

George A. Freedman, who formerly taught school at Hallowell and at Warren before going to Shelburne Falls, Massachusetts, where he has been principal the past five years, is now principal of the senior and junior high schools at Rockland, Massachusetts.

William H. Jenkins, who for the past seven years has been a professor of agriculture at the University of Maine, is now chief of the School of Agriculture, has been granted a year's absence to accept a position with the Aroostook Production Credit Association, Presque Isle to head up and supervise a new department to market potato products which have been grown by borrowers of the association.

Mrs. Iva Merchant Burgess, Orono.

Roy L. Fernald, of Winterport, has been elected president of the newly formed Winterport Chamber of Commerce. Roy has also been named a member of the judicial council to study case reports on operations and practices of the State's judicial system.

Norman Mullen has been elected to be the superintendant of the Hamilton Water Company. He was the unanimous choice of the directors from a long list of candidates.

Elizabeth Ring was speaker for the final meeting of the state conference of the board and committee members of the Y W C A.

Iva M Burgess attended the Fellowship Meeting of the Northern New England Branch of the American Association of University Women which was held at Hadley College.

The wedding of Miss Catharine Winsor, of West Newton, Mass., who has been connected with the Children's Service Bureau in Portland, to Haren H. Ayer, of Boston, treasurer and a member of the firm of Standish, Racey and McKay, investment counselors, Boston, was solemnized September 7 in the Second Congregational Church in Newton, Mass. Mr and Mrs Ayer will reside at 4 Francis Circuit, Winchester, Mass.

Eric O. (Ollie) Berg, teacher and coach at South Portland High School, this past summer was manager of the Danish Village, a summer hotel and camp located just outside of Portland.

John G. L Caulfield, assistant professor of chemistry at the University, and Miss Angela Meehan, a graduate of Notre Dame Academy and Sargent School of Boston University and has been for several years director of girls' athletics at St John and John Bapst schools in Bangor, were married August 22 at St. John's Catholic Church in Bangor.
Because of the work Ray Carter has done for tenms in Aroostook County, Judge M. P. Roberts, of Fort Fairfield, has offered a scholarship to be used for a boy who will be put up for competition in the men’s singles and to be called the Carter Cup. Mr. Carter is instructor of agriculture at Fort Fairfield High School.

Guy E. Griffin is supervising sanitary engineer for the four sewer plants for the town of Greenwich, Conn.

Barbara V. Lam is head teacher at Plainfield Country Day School of Plainfield, N. J.

Karl H. McKeehnie, formerly principal of Bristol High School, is now assistant in Unity High School.

Harold L. Kelley is repetiter attendant, New England Telephone and Telegraph Company.

James L. MacLeod is assistant city engineer in charge of all ERA projects in the city of Bangor.

This Townsend is mechanical designer, oil refining work, for the Lummus Company, 50 Church Street, New York, N. Y. His residence is 75 Farmountain Avenue, Newark. 25 Hope Norwood Bannister, Secretary, 85 Capitol Ave., Rockville Center, N. Y.

The Alumni office demands more personal from the class of 1925! You can’t run a first class personal column on hot air and cold potatoes. We must have news. If you know of any member of the class of 1925 who has had quintuplets, lost or found a job, had a RAISE, bought a cow, won the sweeps, moved to another town, etc., etc., rush it to me post-haste, not sooner.

Here’s the dope that I collected this summer. It’s meager, but true.

Lieu. John Winthrop Chandler and Miss Margaret H. Jordan, of Auburn, were married July 27, 1935. Mrs. Chandler is a graduate of Bates College. John is engaged in construction work in the Mame C.C. camps. He resides at 150 Whitney St., Auburn, Maine.

Frank Hussey has recently accepted an appointment on the Board of Trustees of the Maine College of Liberal Arts. He is also President of the Maine Potato Growers Association. (Say, Frank, you’d better ship me a bag of potatoes or I’ll tell about the trip to the Night Club when you were here in New York.)

Milton Higgins is Principal of the High School at Monroe, Maine. Relative H. McCobb and Miss Charlotte A. Bailey were married July 5, 1935, in Philadelphia. Robert is teaching at the Hatch Junior High School, Camden, N. J.

I saw Kay, Atkesong and Mitty Fogg Brown at Beulah Osgood’s wedding in August. Neither one looked a day older than when they left college. Kay, by the way, has four adorable children. She and Jerry and the four little Wongs have recently moved to Bingham, Maine.

Rev. Stanley B. Hyde has resigned as Director of Religious Education in the Southwest Harbor-Tremont Larger Parish and has accepted a call to the Federated Methodist and Congregational Churches of Five Islands. Stan and Darlene were given a reception before they left Southwest Harbor, in the Mt. Desert Camp.

Mr. Howard Lloyd Flewwelling and Miss Lynnette A. Walker were married in Norridgewock, August 16. Mr. Flewwelling received his M.A. degree from Maine in the class of ’25 and his Ph.D. from Michigan in ’31. He is assistant professor of English at Maine. Lynnette has been head of the English department in the Morse High School in Bath.

Heard that Anne Thurston was married. Send us the facts, Anne.

Jim Blanc has moved to Phoenix, III. Sorry to miss seeing you and the family, Jim, in Sullivan this summer. Be a nice President and write me some news for this column.

So long until November. Hope ’26 Beulah O. Wells, Secretary, 2 Middle St., Orono, Maine.

Kenneth W. Barker is teaching sciences at Foxcroft Academy, Dover-Foxcroft, Maine.

A son, Harold E. Crozier, Jr., was born the first of June to Mr. and Mrs. Crozier. They are residing in Biddeford, Maine.

Leonie Dakin began her new job as Extension Foods Specialist at Orono, July 1. Her office is at Merrill Hall and she is living at Myrtle Street in Orono. It seems mighty nice to have her on campus again.

Hugh B. Huntly, formerly connected with Ilecerne in Quebec, is residing at 35 Vernon St., Bangor, and is now employed by the Dept. of Labor, Federal Bldg., Bangor, Maine.

A card from Hilda Merrill tells us that she is Child Guidance Clinic Mother, at the Westchester County Dept. of Child Welfare, White Plains, N. Y. Her address is 120 E. Post Road, White Plains, N. Y.

C. Wesley Nixon returns this year to Sullivan, Maine, where he is principal of the high school.

Lieu. Vernon H. Somers, of Bangor, has been promoted to Captain in Infantry in the Organized Reserve of the United States Army. In June, Capt. Somers was ordered to CCC duty at Fort Devens, Mass., after which he will be appointed to a company in the field.

June 5, Hugh Scott Tibbetts and Miss Frances Fenton Pierce, of Jamaica Plain, were married. He is now employed in Lawrence. Their address is 78 Butler Street.

’27 Mrs. Margaret Preble Webster, 95 Holyoke St., Brewer.

Dear Classmates:

Now that we have all enjoyed “Eight Years After” it makes a good start on the year’s news. Wasn’t it good to hear from so many of the class in this novel way. And have you sent Crystal your contribution to help defray the cost? It’s meager, but true.

Here’s the news of other class members:

Three of the class report themselves with the U. S. Dept. of Agric., Soil Conservation Service. Art Sanford at Zanesville, Ohio; Elmer Gross at Bath, N. Y. (23 Rumsey St.), and Joseph Pike at New Brunswick, N. J. (175 Livingston Ave.).

Russell Dyer is Project Engineer with Missouri State Highway Dept., 1426 South Sneed, Sedalia, Mo.

Anne Stinchfield Vermette and daughter, Joanne, have joined Capt. Vernette at Manila, Philippines. They plan to return next March.

Another who has traveled far from home is Joe Lobley. He is a teacher of contract bridge at Center, Texas. (2 Tene-

15

October, 1935

Two of the boys report working with the government. Dwinal Ulmer is a First Lieutenant in the 178th Co. CCC at Flagstaff; and Eugene Staples is with the Coast and Geodetic Survey at 1337 15th St. N.W., Washington, D. C.

Tommy Dickson is Field man, Woodland Dept. of the Oxford Paper Co., Rumford, Maine.

Clarence Skillings has been promoted to the position of Assistant Supt. of the Central District of the W. Grant Co. and is located at Bloomsburg, Penn.

Clifton Conary is Manager of the meat department of the A. & P. market at Rockland, Maine. I’m afraid his department will be run as a museum if prices continue to soar.

Lucy Farrington is missed by her many friends in Piscataquis County where she was Home Demonstration Agent for eight years. She has accepted a similar position in Presque Isle at Aroostook County.

And I am out hunting for news—lots of it—and it will reach me at 95 Holyoke St., Brewer, Maine. How about it?

Until next month.

Peggy Preble Webster

“Eight Years After”

A copy has been mailed to all classmates. If you did not get yours, write Ed Engel, 24 Abbott St., Springfield, Mass.

If you did receive your copy and have not yet sent your contribution to Crystal Hughes Ostigie, please do so at once. Address: 47 Mt. Pleasant Ave., Skowhegan. We are still very much in the red. Send any amount from a dime to a dollar.

Thank you.

Your Publicity Committee

’28 Mrs. Ernide Besse Dooloff, 4 Summit St., Presque Isle.

Dear Brothers and Sisters:

Both you and I are wondering just what our class... are doing. Please write me and I’ll broadcast the news.

There are a few high lights to send forth this month.

Bangor High is to have one of our number, Ernest Logere, as French instructor.

Preston E. Maxwell is Staff Superintendent of the Rubber Textile division, Hood Rubber Co. Inc. If any of you desire to write him personally, his address is 39 Ramsead Road, Medford, Mass.

“The friend struck a fine boy, Charles Abbott Meader, to Fod and Kath Meader, sometime in August.

Harold A. Mederios is associated with E. I. du Pont de Nemours & Co., in Parlin, N. J. He is an export sales representative.

We are always proud to see our brothers climb the ladder of prosperity and Ken Lovejoy has jumped right from Belfast to Orono. He is now State leader of the 4-H Clubs. This is a great responsibility and he sure is equal to it.

Many of our members are associated with the youth of Maine and Hope Williams is to join the faculty at Smyrna Mills. Delia Houpton is expected to teach at Presque Isle.

Agnes Skillin, widely known soprano soloist, was recently married to Simon I.
Tibbetts of Sanford He is an industrial engineer in the Sanford Mills. Their address is 3 Middle St., Sanford, Maine.

A word from you will mean a lot to me and to all the other "28ers.

Er dine Dolloff
4 Summit St.
Presque Isle, Maine

'29 Alice Webster Sinclair, Pittsfield, Maine.

Harold L. Arey is now employed in the Sales and Promotion Department of Stanley Rule and Level Co. and is receiving mail at 77 Grove Street, New Britain, Conn.

Frank Bostrom is an assistant adjutant of the Essex District CCC at Lufkin, Texas. His address is 199 Turner Street, Lufkin, Texas.

"Don" Brockway is a salesman for Appleford Electric Co. of Hamilton, Ontario. He is residing at 3437 Beaconsfield Avenue, N.D.G., Montreal, Quebec.

On August 3 Miss Janet Woodbury, of Portland, was married to "Joe" Cooper in Portland. Mr. Cooper is a graduate of Deering High and Miss Wheelock's Kindergarten School. They are now living in Boston, Mass.

On August 18th Esther Hawkes became the bride of Dr. Dewitt H. Brake of Nor- wich, Conn., at her home in Kembrook. "Holly" Hawkes was her maid of honor, and Mr. Leach was among the out of town guests. Dr. Brake is a graduate of the Philadelphia College of Osteopathy. They are making their home in Norwich, Connecticut.

Allison Hill is living in Montreal where he is assistant resident doctor of medicine at the Royal Victorian Hospital. Elinor H. "Sonny" Horton called at the University while on his way to Hamilton, Ontario, to spend a vacation with his folks. He is still connected with Westinghouse Electric and Manufacturing Co. in Boston.

On June 22nd Miss Margaret Ward Rerwick was married to Frank Linnell, the ceremony taking place at the Bates College Chapel. Mrs. Linnell is a graduate of Edward Little High School and of Bates College. They are now residing at 29, Auburn, Maine.

"Gibber" Luce is cashier of the Sun Life Assurance Co. of Canada in Newark, N. J. His address is 15 42nd Street, Irvington, N. J.

On July 27th Miss Thelma W. Foster, of Bangor, became the bride of George F. Mahoney. They will make their home at 16 Pleasant Street, Ellsworth, Maine.

Helen Moore is teaching solid geometry and trigonometry at William Hall High School at West Hartford, Conn. She has been teaching in August for the past year.

Abraham Rubin graduated from Tufts Medical School on June 17th. He is now at the Grace Hospital at New Haven, Conn., where he is serving his internship. "Swede" Soderberg is County Agent for the State Mutual Life Assurance Co. He is receiving mail at 1004 Eastern Avenue, Schenectady, N.Y.

Merton E. Thurston was married to Miss Price Archibald of Kingston, Penn. on the 29th of June, in Portland. They are now living in Bangor, Penn.

'30 Pauline Hall, 59 Fletcher St., Kennebunk.

Charlie Coughlin is with the Appleford Electric Co., in Pontiac, West Virginia, as an incremental cost engineer in charge of the steam plant division.

On Saturday August 17th, Miss Anna Stuart Bourne was married to Carl Munro Flynn at Great Hill, Quincy, Mass. Carl is an instructor at the University of Maine and is now Mrs. George Traube at 530 Lincoln Road, Miami Beach, Florida.

Tom Harvey, M.D., recently hung out his shingle, a choice which has been without a resident physician for nearly a year. He was graduated from Cornell University Medical College in 1934, and after examination by the National Board of Medical Examiners stood at the head of the list of 393 examined. He was married Sept. 17, 1931, to Miss Olga Alderson, of Springfield, Mass. They have a daughter, Elizabeth, age nine months.

Hector Hebert and Miss Laurine Marie Wey were married on August 10th, at Guilford. Mrs. Hebert was graduated from Guilford High School in 1932, and is a member of the Methodist Church and the Junior Queens. Hector has been history teacher at theette coach at Guilford High since 1930.

The marriage of Miss Cordelia Putnam and Harold "Baldy" Inman took place last June. Inman has parents in Houlton. Mrs. Inman was graduated from Houlton High School in 1929 and from Colby College in 1933. For the past two years she has been a teacher at Houlton. "Baldy" is music supervisor in the schools of Houlton.

Harry Mays is a patent attorney with General Electric Co. in Schenectady, N.Y.

On June 15th, last, Miss Irene Otto became the bride of Henry Wallace of Love Rock, Wisconsin, where they are residing. Irene has been employed at Alfred Holbrook College, Manchester, Ohio.

Mary Quinn is teaching Latin and civics at Bangor High School.

At a very attractive home wedding in Caribou last June, Miss Phyllis Hallowell was married to Harry Richardson. The bride was graduated from Caribou High School in 1926 and from Aroostook State Normal School in 1930. For the past five years she taught in the Gouldville School in Presque Isle where she was a successful first grade teacher for three years head of the English department in the Junior high grades. For the past five years Harry has been an agricultural instructor and track, cross country, and winter sports coach at Caribou High School.

Jeanette Roney recently accepted a teaching position in Stafford Springs, Connecticut.

The marriage of Miss Erma Allen to Fred Sylvester, Jr., took place on July 20th at the home of Mr. and Mrs. David Burtt at South Portland. The bride is the youngest daughter of Mr. and Mrs. Belle Allen, of Bridgewater, and was graduated from Bridgewater Classical Academy, later attending Farmington State Normal School.

For the past months she has been employed with the Central Maine Power Co., as home lighting specialist. "Slim" is employed with the Federal Land Bank of Springfield, Mass., as a partner in the firm.

The marriage of Mr. and Mrs. H. J. Van Allen, of Westfield, was the scene of an attractive marriage when their daughter, Phyllis Frances, was given in marriage to C. Raymond Ward (ex-'30). Mrs. Ward is a graduate of Westfield High School, Massachusetts Institute of Technology, and was graduated from Bryant and Stratton, Boston. The past five years she has been employed by the McGlaunin Insurance Company, Presque Isle. Mr. Ward was graduated from Presque Isle high School, Arrowsic Normal School, and attended the University of Maine, then graduating from the Bentley School, Boston. He is now employed as a clerk with the National Biscuit Co., Presque Isle.

'31 Mary R Carter, Thomaston.

Dear Classmates:

Vacation is over, and I hope you'll all have had a nice one, too.

I went to summer school again this year and was glad to see among the members of '31 Pauline, George Hamlund, Kerne Kierstead, Vivian Drinkwater, and Ermo Scott.

Studies seem to be one of the interests of our class still, for Fred Larrabee and "Linc" Spencer have just been admitted to the Maine bar. After he left Maine, Fred attended Suffolk Law School of Boston and Harvard Business School.

Dick Munce is another who is still going strong with his studies. At present he is doing six months' internship under Dr. Phillips at Boston University Medical School.

I evidently learning all there is to know about upside down stomachs. In February he plans to enter Peter Bent Brigham Hospital for a 12 months' internship in surgery. Congratulations, Dick, and the best of luck.

Dave Barker is to be back at Bangor High again this year with a new job adding to the rest of his duties. He is to be teacher-manager of the High School Oracle.

"Chubby" Chaplin has a young son, Richard Chilton born July 13, 1935.

Hono High is lacking its share of '31, for on July 15th, Marion Avery became the bride of Willard Gilmore '32, at the Methodist Episcopal Church in Old Town. Our old friend, "Metz," officiated, assisted by the Old Town pastor. Jessie Frase was maid of honor, and Sadie Thompson was best man. The nest book Willard is associated with his father in the general insurance business in Wat- terboro, where he and Marion are living.

June 16th, Frank, Mrs. Walter, and Miss Gladys Ellen Dearborn, of Bangor. Mrs. Wright is a graduate of Bangor High and Beal Business College. Frank is employed by the Little City Market. They are living at 7 Blackstone St., Bangor.

Steve Kosecoff is now Dr. Kosecoff with an office at Room 224, Fairbanks building, Lowell, Mass. After graduating from Maine and Boston University School of Medicine, he served internships at Bos- ton City Hospital, Mass., Memorial Hospi- tal, Haynes Memorial Hospital at Brighton, Worcester State Hospital, and for the past year has been interne at St. John's Hospital.

I thought "Fritzie" Fuger had dropped right off the map, but it seems she's been a social worker in Kennebec county ever since she graduated from Smith College of Social Service. Last month she was appointed one of two new assistant supervisors for the State Department of Wel- fare and expects to be located in northern Maine.

"Jerry" Sullivan is an accountant for the Department of Social Service at Aug- ustana, and he's living at

"Bev" Wadleigh has finished his studies and gone to Ellsworth as mortician for L.
W. Jordan and Sons, Undertakers. He's living at 10 Pme Street, Ellsworth.

Part of 31's members who go in for advanced study do it abroad, and Charlie Stipek has just added to that group by going to the University of Marburg, at Marburg, Germany. Charlie's doing advanced studying for the Christain ministry.

An unusual wedding was that of Miss Gertrude A. Drisko to Les Higgins in August at the Indian River Church at Jonesport, Maine. Higgins was about 106 years old and was built by the great-grandmother of Mrs. Higgins. This was the first wedding to be held in the old churing in Andover. Miss is a graduate of Jonesport High and attended the Maine School of Commerce at Portland. Les is principal of the high school at Brooks where he teaches English.

And, Kay Jackson was married at Houlton last June to Dr. Harold E. Small, of Fort Fairfield. Dr. Small is a graduate of the University of Vienna, Austria. They are at home at 25 Elm St., Fort Fairfield.

Johnny Cutler has joined the English Department at State University of Columbus, Ohio, having been appointed as a teaching assistant. He will be doing work towards his doctor's degree in addition to teaching.

'32 Mrs. Helen Stearns Hincks, Millinocket.

Fern Bagley, Lieutenant in the CCC, has been transferred from Southwest Harbor to Camden, Maine. Fern has a baby daughter, Alberta Winifred, who is a little girl.

Linswood J. Bowen received his B.S. at the University of New Hampshire last June.

Lovell Chase is teaching in the mathematics department at Presque Isle high school this fall. He has been teaching at Coburn Classical Institute for the past few years and has been a counselor at the State Leadership Conference at Lake College.

The marriage of Dolly Dunphy and Benjamin H. Bassett, of Chatham, Mass., took place on August 15, 1935, at Chatham. Mrs. Bassett is a graduate of Phillips Academy and Harvard University.

Miss Mary Newton and Henry H. Favor were married at Phillips-Andover Academy, Andover, Mass., on August 10, 1935. The bride is a graduate of Wheaton College and Teachers College, Columbia University. She has been a teacher at the Foote School in New Haven, Conn. Mr. and Mrs. Favor will reside in New York City.

Merton Flanders, who is a third year student at the University of Vermont College of Medicine, was camp doctor for the summer season at Camp Norvich, near Huntington, Mass.

George A. Haines is working for the Arasook Production Credit Assn., at Presque Isle.

Mrs. John Fletcher (Emma Gross) is assistant at the high school in Maine. Her residence is 33 Swan Lake Ave., Bel- fast, Maine.

Hilda M. Heritage is a case worker in the Vermont State Service department for the State of Maine. Her address is c/o Adams House, Cherryfield, Maine.

Albert H. Howes is employed by the Gulf Oil Corporation as a clerk in the Industrial Lubricating Oil Sales Department. His new address is 48 Washburn Ave., Auburndale, Mass.

Harland F. Leathers received a scholarship in the School of Law at Duke University this spring.

Edgar D. Webbs has been promoted to the grade of First Lieut. in the organized reserves of the U. S. Army. He has been an officer in the organized reserves since '32 and has resided at Camden. His headquarters will be in Bangor, with the 38th Infantry of the 97th Division.

Priscilla Noddin is teaching English and history, and coaching athletics and dramatics at Madison High School.

The wedding of Thalia A. Bates, of Abbott, to Leon E. Savage was solemnized on June 21, 1935, at Abbott. Mrs. Savage is a graduate of Abbott high school and Colby College. For the past three years she has taught French in Coburn Classical Institute. Leon is employed as a civil engineer in the Hollingsworth and Whitney paper mill in Winslow. They will reside on Elm St., Waterville, Maine.

The marriage of Mary B. Dicker, of Mexico, and Michael Stalmuke, of Dallonega, Ga., was solemnized on June 24th, at Rumford, Maine. The bride is a graduate of Mexico High School. They have been teaching at the Abbott School, Mexico, for the past five years. Michael served two years as chemist at the Abbott School and recently went South to serve in the U. S. Forestry service.

The engagement of Miss June E. Hyberts to Edward G. Brown was announced in June. Miss Hyberts is a graduate of Portland high school. Ed is employed at Skowhegan by the Standard Oil Co. of New England.

The marriage of Marjorie Deane Stevens and Russell E. Tilley, of Brookline, Mass., was solemnized on June 29, in Atkinson, New Hampshire. Mr. Tilley is a graduate of Boston University '29 and has been associated with the Coca Cola Company as auditor for the past six years and has his headquarters in Baltimore, Md.

Lawrence Sweetser will teach Physics and General Science at Presque Isle this year.

The wedding of Miss Doris M. Campbell, of Bath, and Donald B. Wilson took place on July 27, 1935. Mrs. Wilson was graduated in 1927 from Morse High School and received the graduate course at Quinny, Mass., and in 1932 was graduated from Colby College. She has been teaching at Cherrysville Academy for the past few years. Don is employed by the State Highway Commission as a collecter at Carleton Bridge toll house. They will reside at 894 High St., Bath.

'33 Mrs. Martha Smith Baldwin, 275 Broadway, Norwich, Conn.

Dear Classmates:

Well, another Fall has come around and I know that many of you are thinking of college days—picturing the activities of the freshmen, etc.—associating them with those of the class of 1933.

The summer has not been without its events—events of vital concern to "33-ers." Tom and I spent two weeks at Lake Kokadjo, Kokadjo, Me., at Frankie Dean's camp. We have been there know that it is useless to try to tell about the good times. Frankie and Don Corbett came up while we were there and we talked to the farthest moon.

While in Saco, Maine, we had a call from Betty Tryon. She is Home Demo- nstration director for Farmington and nearby towns. She and Bunny Callaghan motored to Washington, D. C., during their vacation. Haven't forgiven them yet for not stopping to say "Hello" to us here in Norwich.

Dolly Dunphy is Dunphy no more— for on August 15th, she became Mrs. Benjamin Bassett. We have been anticipating this event for some time. Dolly, and are happy for you. Ben is a Harvard graduate and, I believe, at present, is employed by the New England Telephone and Telegraph Co. Haven't Dolly's address—though Catham, Mass., might be sufficient.

Another early summer weddings was that of Emily Thompson and Dick Eliot (Phi Kappa Sigma) at Brunswick. Phyllis Webber and Polly Brown were among the bridesmaids. Don Favor was present at the wedding. Dick is a junior forester in the government service, White Mountain division. After a wedding trip to Trafton Village, at Blue Light Camp, West Hardwick, Mass., Emily and Dick will live in Franconia, N. H.

Dot Ballard was married on June 26th to Ray Maynard Graffam, Sr., of New Hampshire. Mr. Graffam is a graduate of Eastern State Normal School and is now principal of Liberty Grammar School and high school athletic coach.

Ralph Sawyer is Field Engineer and Section Supervisor of the Rural Electrification Survey. His business address is Augusta, Maine—Rural Electrification Dept.

Marion Carter is teaching commercial subjects at Sherman High School. After being graduated from Maine Agricultural College, she attended Bangor Maine School of Com- merce and was graduated in June, 1935.

Impressive services were held in the little church at West Brookville, Maine, on August 14, when the Hancock Association of Congregational Churches ordained to the Christian ministry Besse Anderson. During her student days at the University of Maine, Miss Anderson was pastor of the churches at Sherman Station and Staceyville. Since her graduation, she has served the church at East Lebanon and has been in charge of the broccoli church. In addition to her pastorial work during the past winter, she has written the thesis which completed her requirements for the bachelor of divinity degree in theology. She received this degree in June from the Bangor seminary.

Here's a bit of news which has been a long time materializing but which has been anticipated by many of us—Mary Scott and Bill Bratton. The announcement of their engagement was given on August 14th. Congratulations and best wishes!

On July 9th, Mavilla Randall and Well- ington Smith Leeman were married at George, New Brunswick. They will reside in Denmark, Maine. I think that Mavilla is teaching there, also.

Louise Hill, who has been teaching in a private school in Florida, has been in Maine this summer. During the sum- mer, Louise has been on the staff of counselors of the Bangor-Brewer Y.W.C.A. of Camp Sorrento. She has supervised music for the younger girls.

Another June wedding of interest to us was that of Edith Dean and Jereny Sorensen on the 23rd of the month. Beth Davis was present at the wedding. Edith has been teaching Home Economics at the Rangely High School. Her hus-
hand attended the University of Maine. They have been spending the summer at Lake Embden.

Rexford D. Murch and Bernice Kier- sten were married in Old Town on June 23rd. The bride is a graduate of Old Town High School. At present Rexford is employed at the International Paper Co., Orono, Maine. They will reside at 28 Peters Street, Orono.

June seems to have been a month of weddings. On the 25th, Ernest Percival Angle, 28, and Mary Lawler, of Brookton, were married. Mrs. Percival was graduated in June from Princeton High School. "Tillie Bell and Charlie Bunker", 34, were married. We are glad that they told us so on June 12th. Charlie is affiliated with the Banorg office of the New England Telephone and Telegraph Company. Oh, there was this engagement announcement—Melville M. Stein is employed at the Kay Jewelry Co., 285 Union Street, Lynn, Mass.

Edna Grange is teaching at Enosburg Falls High School, Enosburg Falls, Vermont. Her home address is Smyria Mills, Maine.

At St. James Church in Old Town on Aug. 27, Mary Sewall and Dick Alden '34 were married. Mary attended the University of Maine for two years and then was graduated from Radsford College in 1933. Since then she has been a member of the Old Town High School faculty. Dick has been employed by the Old Town Paper Company. Peggy Merrill Pratt was 32 one of the bridesmaids.

This seems to be all the news that I have to tell. Now please don't wait until you are married before you send news of your "doings." I warn you in advance that I'll fill this whole column full of threats and plugs for news—if some of you don't get busy and buy a penny postcard and put 275 Broadway, Norwich, Conn, on it.

Marnie Baldwin

1934 Madeleine Bunker, Calais.

Unfortunately the mailman was unable to catch up with "Peanut" Bunker's travels this month and as a result the rest of the personals are on the missing list for this issue. We promise you all of them for November.

David Abbott, formerly at Besse High School, Albion, is working with Dr. Hitchner in the Department of Bacteriology at the University.

October 10 is the date set for the wedding of Edna W. Cobb, Jr. and Beatrice Thomas, of Falmouth Foreside. Miss Thomas attended the Waynflete Latin School and the Maine C. Wheeler School, Providence, R. I. and Miss Westmont School, Washington D.C. Elmer is working for the Beneficial Loan Corporation, Portland.

Lionel Desjardins is teaching English at Old Town Junior High School this year.

Henry B. Gerson is a lieutenant in the CCC Camp, Mission Creek, Cashmere, Washington.

Wayne Rich is County Club Agent for the Twin County Farm Bureau, 81 Main Street, Auburn. They reside at 28 Peters Street, Orono.

Dorothy T. Shiroy is teaching at Old Town Junior High School this year.

John P. Venskus is working with the Highway Division of the Maine State Highway Commission, 12 Melville St., Old Town.

Agnes K. Crowley, 59 Western Ave., Biddeford.

Hello, Everybody!

How does it seem to have joined the ranks of men and women of the world? We've hardly had time to become acclimated as yet, but doesn't it seem strange not to be packing off to Orono for the year?

I know you're all anxious to learn what has become of the class of '35, and I shall tell you about those from whom I've heard, but the more I have to account for yourselves, because we're all very much interested to know.

I met George Cobb the other day. Portland is shopping in the new Ward store. As you can well imagine, George misses going back to Orono at this time for football practice.

"Hilly," you know, Earl Hill, is working with George and they both have an apartment on Deering Street, in Portland, with Carl Honer who is with the Vermont Mutual Company. The boys have become, or should I say are, very domestic. Carl is cook, "Hilly" is housekeeper, and George is dish-washer.

Where have all the forresters gone? I haven't heard wether they went west or not.

Can any one help me out?

Darrell Badger, Delta Tau Delta, has been working since a week after commencement for the General Electric Company in Stamford, Conn., as radio inspector. We'll all have to buy G.E.'s now.

Darrell!!

Horace Field, better known as "Hockey," was married shortly after graduation to Miss Elizabeth Jane Wilson, of Philadelphia. "Hockey's" wife was graduated in June from Holyoke College. Best of luck to the first post-commencement bride and groom of the class of '35.

Now for some of the fair co-eds of our illustrious class.

Betty Wilkens is teaching English in the Hampden Junior High School. Experience is pre-requisite to advancement, but we can be sure Betty will use it to best advantage.

Charlotte Lachance plans to stay in Biddeford this winter and enjoy a little leisure time, while her room-mate, Al Siteco, will be teaching English and Dramatics in the Machias high school. Dot Sawyer is to be in Jonesport.

I met "Bobby" Lewis on the beach at Old Orchard during the summer, and she told me that she plans to teach English and French in the Bean Memorial High School at Brownfield.

A former member of our class, George Stinchfield, has been reviewed by the New York Telegraph as a young actor who will be seen in the play, "Ag" at the Beach Theatre and Dramatic School, and he certainly will go places in the theatre!

Louise Rosie, another ex-member of '35, was married on July 5th in Bangor, to Bradford Redmonet. Jr. Brad is completing his law course at the National Law School in Washington, and the newlyweds are at home at 1800 Morton St., North West, Washington, D. C.

Newport high school has engaged the services of "Toddie," Ruth Todd, as teacher of home economics. I know all the Newport high school students will be the best little "Home Ec-ers" going!

Larry Staples was married on Commencement Day to Miss Jeannette M. Morgan, a teacher in the Brookton schools. Congratulations, Larry! And ditto for "Jim" Crocker who was married on July 7th, to Miss Gladys May Foster, of Old Town. Jim's wife is a trained nurse, and Jim is with the Travelers Insurance Company in Hartford, Conn.

Jimmy Smart has secured a position as clerk in the new Vinal L. Smart Corporation in Bangor, and Benny Benjamin has been appointed Waldo County 4-H Club Agent.

La Tuque, Quebec, crashed through, and placed Phyl Johnson as teacher in the graded schools. Fran Johnson is going to do social service work in Quebec.

Is there a doctor in this town? If not, there will be soon, because Karl Anderson is attending Tufts Medical School.

"Fitchy" is flying high at the United States Naval Air Academy, at Pensacola, Florida.

Another happily married couple! Stanley Cole was married in June to Miss Dorothy Babin. Stan Forest Culture Foreman of the CCC, stationed at Camp Stuart, E. Hampton, Conn., and he is anxious to hear from the forresters, and from the gang of 111 Park Street.

Danny Barrett is again a pedagogue in the Sheed Memorial high school at Eastport, Maine.

The paper companies will be flourishing companies in the future. Air Force Henry Fales is Junior Engineer in the Scott Paper Company; Carl Briggs is a chemist on the Technical staff of the Fraser Paper Limited, in Madison; and Sam Favor is employed by the Scott Paper Company, in Chester, Pennsylvania.

Is your life insured? Walter Emerson is a partner in the firm of Walter L. Emerson and Son, General Insurance, in Lewiston. Arnold Kaplan is an agent for the Prudential Life Insurance Company in Roxbury, Mass.

"Herbie" Cook is junior chemist in Concrete laboratory on Quoddy Tidal Power Project—another Francis T. Crowe of the near future.

Harold Larrabee is a lineman with the New York Telephone Company in Poughkeepsie, N. Y., and Charley Bicknell is assistant superintendent of the State Game Farm, located at Dry Mills, Maine.

It certainly has been great to hear from and about so many of the Class of '35, but I do hope that we'll have at least a word or two from the rest of you in parts unknown.

Till I hear from you all,

"Ag"

Please address mail to Agnes K. Crowley, 59 Western Ave., Biddeford, Maine.
Your local Bell Telephone Company can now furnish telephone and loud speaker facilities at reasonable cost for play-by-play descriptions of out-of-town games. The service is particularly suited for use by alumni groups and student gatherings. Just call the business office.

SWIFT, SKILLED, COURTEOUS SERVICE

She is one of 100,000 operators in the Bell System — local operators, special operators for the dial system, toll operators, information operators and many others — all specialists in giving you efficient telephone service.

The alert, friendly voice of the operator is familiar to all who use the telephone. Through the years it has come to mean more than a voice. It is the symbol of politeness and efficiency.

The manner of this service is as important as the method. Even a few words can reflect a business-like, courteous attitude.

The operators of the Bell System are carefully trained. But there is something more to it than training — a spirit of loyalty and of pride in rendering an important service. This spirit is ever-present — it has brought especially high commendation in time of emergency.

There are 270,000 workers in the Bell System. The 100,000 telephone operators are able to serve you as they do because of the specialized ability of 170,000 other employees — installers, linemen, repairmen, construction crews, engineers, commercial office workers and the many thousands engaged in research, manufacture and management.

BELL TELEPHONE SYSTEM
They tell about an Englishman—

Who closely scrutinized
His income tax blank
And then sent it back
With the following notation:
"I have given the matter careful thought
And have decided not to join
The Income Tax."

Now getting around to cigarettes
There are no ifs ands or buts
About Chesterfield
Two words make everything clear...

They Satisfy

Chesterfield... the cigarette that's MINDER
Chesterfield... the cigarette that TASTES BETTER
