"A scholarly landmark"

BIBLIOGRAPHIES OF NEW ENGLAND HISTORY

Winner of an Award of Merit from the American Association for State and Local History. Prepared under the supervision of the Committee for a New England Bibliography, Inc. Series brochure available upon request.

Connecticut

A Bibliography of Its History

ROGER PARKS, editor

Characterized by the same outstanding scholarship evident in previous series volumes, this final volume devoted to a single state is a comprehensive compilation of the historical literature on Connecticut. It includes both the standard and the obscure, the scholarly and the popular. Books, pamphlets, and articles from magazines, newspapers, and journals make up the nearly 10,000 entries. As in previous volumes, entries are arranged alphabetically within geographic divisions. The work contains all the features that series users have come to expect: location symbols, annotations, a state map, and a comprehensive index. \$60.00
