Will the Officers of Local Unions Pay Special Attention to the Following Instructions:

Members of our County Convention are: General Officers of County, County Superintendents, General Officers of, and three Delegates chosen from, each Local Union in the County.

COUNTY AND STATE DUES

 The requirements of membership are signing the Pledge and payment ANNUALLY of dues as assessed.

The dues collected from each member are divided between the Local Union, the County and the State. (Five cents for County, thirty cents for State.) These two portions do not belong to the Local, and should never be used for Local purposes, but should be laid aside when collected and (by the Local Treasurer) be paid to the County Treasurer PRIOR to May 1st of each year. All money given for State or National work (including Willard Memorial Fund) MUST be sent through County Treasury to be PROPERLY recorded. Please NOTE CAREFULLY THESE INSTRUCTIONS. 

LOCAL REPORTS

All Local Superintendents should make a full, itemized and definite report of work done in their departments, and after presentation to the Local Annual Meeting, a copy should be sent to the County Superintendent. FOR THIS REASON IT IS IMPORTANT THAT LOCALS SHOULD HOLD ANNUAL MEETINGS IN APRIL.

STATE REPRESENTATION

Each Union is entitled to representation in State Convention by its President, one Delegate-at-Large, and one Delegate for every twenty-five paying members.

Suggestions for County Superintendents

Each Superintendent should at once notify her State Superintendent, asking full instructions for work. She should, if possible, procure a Superintendent of her department in each Union in the County, should keep in frequent communication with her, as well as with State Superintendent, and should ask of each local Superintendent a yearly report of work done in her Union.

The address of State Superintendents can be found in the State Annual Report for each year, which report may be obtained at State Headquarters; price ten cents. Each County Superintendent should procure one.

County Superintendents, immediately after the County Convention, should send their reports to State Superintendent of their department.

Suggestions for Local Officers

Corresponding Secretaries should answer in some way all communications.

Treasurers should keep an accurate account of all money raised and used in any way in the work during the year and report the amount on yearly blank sent out by County Corresponding Secretary.

Local Superintendents should be active in work and keep an accurate account of the same, which may be sent on in the chain from local to World's organization.
