# EXPLORING WABANAKI MAINE HISTORY

Exploring Wabanaki Maine History is an interactive storytelling experience. We will learn about events in the history of the relationship between Wabanaki people (the Indigenous people of Maine) and Europeans and their descendants. The goal of this participatory program is to increase our understanding of colonization. The program is presented by Maine-Wabanaki REACH, a cross-cultural collaborative of people working in Wabanaki and Maine communities to support truth, healing, and decolonization.
