TOWN OF JONESPORT
Washington County, Maine
LAND USE AND DEVELOPMENT ORDINANCE

NOTE: Original Ordinance adopted on 1/19/1988 by the Town of Jonesport. References from Town Clerk Minutes are included from January 19, 1988 to June 9, 2009. Please note last pages of the Ordinance.

Section 1. PURPOSE

To protect property owners in the Town of Jonesport from new uses of land or structures which would make their own property less desirable; to protect the established character, social and economic stability of the Town of Jonesport; to give the people of the Town an opportunity to be made aware and to comment upon the new uses of land or structures before such use occurs.

Section 2. AUTHORITY

This Ordinance is adopted pursuant to Home Rule Powers as provided in Article VIII-A of the Maine Constitution and Title 30, Maine Revised Statutes Annotated, Section 1917.

Section 3. APPLICABILITY

This Ordinance shall apply to all proposals for new structures, and to proposals for enlargement of existing structures, and to all new uses of land, except agriculture and forest management activities, and single story outbuildings of one hundred (100) square feet or less. See Table of Land Uses, Section 15 for more specific information. (Amended: 3/12/90)

Section 4: NON-CONFORMING USES

- A. Structures and land uses lawful at the time of adoption or amendment of the Ordinance, may continue even though such uses do not conform to the provisions of this Ordinance.
- B. A non-conforming structure or use may be maintained or improved, but the area in non-conforming use may not be extended or expanded except in conformity with the provisions of the Ordinance.
- C. A non-conforming structure or use which is removed may not be replaced unless a waiver is granted under the provisions of Section 8 of the Ordinance.

Section 5. PROCEDURES

A-1. Before any activity to which this Ordinance applies, an application shall be filed with the Planning Board for review. The application to the Planning Board shall be accompanied by a fee according to the revised fee schedule and payable to the Town of Jonesport:

0-200 sq ft	\$ 0.00
201-500 sq ft	\$ 25.00
501-1500 sq ft	\$ 50.00
1501-3500 sq ft	\$100.00
3501+ sq ft	\$200.00 (Amended: 3/08/2004)

A-2. Also, a Code Enforcement Office Inspection form must accompany each permit application. CEO fee of \$100.00 to be made payable to the Treasurer, Town of Jonesport, except for applications for structures under 200 square feet for which a fee of \$50.00 will be charged. The application will not be considered without the accompanied fee. Within 30 days of receiving an application, the Planning Board or Code Enforcement Officer shall notify the applicant that the application is complete or if specific additional material is needed to make it complete. Application forms are available at the Town Office. Permits are not transferable. Existing permits expire upon transfer of ownership. (Amended: A-1 & A-2 on 3/12/1990, 3/10/2003 and A-2 on 3/12/2007)

B. Once the application is completed, the Planning Board shall set a time and place for a meeting for considering it and will notify the applicant.

C. The Planning Board shall post notices of proposals and meetings in the Town Office and publish them in a local newspaper. The Planning Board will inform abutters of proposals only where major development will occur such as multi-dwelling units or commercial structure. (Amended: 6/17/2002)

D. The Planning Board may hold a public hearing on the proposal within 30 days of receipt of the application, if it feels such a hearing will be helpful in considering the proposal. If requested by one or more abutters, the Board shall hold a public hearing.

E. Within 30 days of the public hearing or 60 days of receiving the application, the Planning Board shall either approve, approve with conditions, or disapprove the application. This time limit for review may be extended by mutual agreement between the Planning Board and the applicant.

F. All structures over two hundred (200) square feet requiring a building permit shall require a Certificate of Compliance from the Code Enforcement Officer. The Certificate of Compliance shall be granted for structures that are constructed according to the building permit that was granted by the Planning Board. (Amended: 6/12/1989)

Section 6. PERFORMANCE STANDARDS

The following standards shall be used by the Planning Board for judging an application and shall serve as minimum requirements for approval of the proposal unless a waiver is granted in accordance with Section 8 of the Ordinance.

A. Neighborhood Impact: The development shall not have any unnecessary adverse impact upon the neighborhood, and shall not be detrimental, injurious, noxious, or offensive to neighboring properties, especially residences. The development shall have sufficient setbacks, screening, fencing, plantings, or open space to minimize unavoidable adverse impact upon neighboring properties.

B. Vehicular Access: The proposed site layout shall provide for safe access and egress from public or private roads.

C. Parking: Adequate off-road parking shall be provided. (See Section 7, Paragraph B for requirements.)

D. Surface Water Drainage: Adequate provision shall be made so that removal of surface waters will not adversely affect neighboring properties, streams, or drainage systems.

E. Exterior Lighting: All exterior lighting shall be designed to minimize adverse impact on neighboring properties.

F. Signs: Signs shall be designed and located to minimize adverse impact upon neighboring properties.

G. Town Services: The development shall not have an adverse impact upon roads, fire, police, solid waste program, schools, open spaces, recreational facilities, or other town services and facilities.

H. Natural Environment: The proposal has received all necessary State and Federal environmental approvals.

I. Automobile Graveyards or Junkyards: No "automobile graveyards" or "junkyard" shall be established, operated or maintained, or permitted by the owner of any land to be established, operated or maintained within six hundred (600) feet of the right of way of highway Route 187 within the municipality of Jonesport. (Amended: 6/12/1989)

J. Land Clearing: Land developers and (all land owners) shall be responsible for debris from clearing land. Debris disposal shall be at the owner's expense, on site or other satisfactory means; not on the municipal landfill (dumpsite). (Amended: 3/11/1991)

Section 7. ADDITIONAL STANDARDS

A. Dimensional Requirements:

1. State Roads: All structures shall be set back outside of the State of Maine, Department of Transportation right-of-way (ROW) established for a given road. Route 187 is a State road. Most of Route 187 within the Jonesport Municipal boundaries has a ROW of sixty-six feet (66'). Setback requirements measure thirty-three feet (33') in a perpendicular direction from the centerline of the road. However, portions of Route 187 have a wider ROW.

2. Town Roads: All structures shall be set back a minimum of thirty-three feet (33') in a perpendicular direction from the centerline of the road.

3. Notwithstanding A(2), On Town Roads, in any case in which a house is to be situated between two other houses, fronting on the same street as the proposed house, each of which is not more than two hundred feet (200') distant and both of which have less than the required front yard setback, then the required front yard setback of the proposed house may be reduced to the average setback of the two adjoining houses.

4. Private Roads: All structures shall be set back a minimum of ten feet (10') from the outside edge of the travel lane. The width of the travel lane of a private road will be determined through interpretation of language contained in the land deed(s).

5. When no road exists, all structures shall be set back a minimum of ten feet (10') from all property boundaries. (#1-5 Amended: 6/9/2009)

6. Principal structures shall be prohibited on lots divided after the date of this Ordinance (January 19, 1988) containing less than thirty thousand (30,000) square feet AND less than one hundred fifty (150) feet of road frontage. (Amended: 6/17/2002)

7. Principal structures containing more than two dwelling units shall be allowed only on lots containing and additional fifteen thousand (15,000) square feet for the third and each additional unit.

8. Accessory structures shall be permitted on lots containing less than thirty thousand (30,000) square feet provided such structures shall have no provisions for plumbing facilities and shall contain no more than four hundred fifty (450) square feet in total area.

9. Additional principal structures or uses and their accessory structures may be constructed upon a lot provided there is at least thirty thousand (30,000) square feet of lot area for each, and all other requirements of this Ordinance are met.

B. Off-Road Parking:

1. At least two (2) off-road parking spaces shall be provided per dwelling unit for all new or expanded residential structures. Each space shall be at least ten (10) feet by twenty (20) feet. (Amended: 6/17/2002)

2. New commercial and industrial development shall provide ample parking spaces on the premises to accommodate vehicles of employees and customers, and such spaces shall not be located closer than ten (10) feet from any lot line, and shall be designed so as to minimize backing or maneuvering in a public road or street.

C. Roads:

Roads serving new development and which may become Town roads shall meet the following standards.

1. Roads shall be located, constructed, and maintained in such a manner that erosion is minimized.

2. All roads shall have a right-of-way of at least fifty (50) feet and a roadway width of at least eighteen (18) feet centered on the right-of-way.

3. Dead end roads must have a turn-around with a right-of-way radius of at least forty-five (45) feet and a maintained radius for forty (40) feet. (Amended: 3/12/1990)

4. Roads shall be arranged to provide for extension or connection of an eventual necessary road system. (Amended: 3/12/1990)

5. The grade of all roads must be at least one percent (1%) but less than nine percent (9%).

6. Intersections shall be as nearly as possible at right angles and shall have a curved radius between the intersecting right-of-way lines of twenty (20) feet.

7. Roads shall have a four-inch (4") crown, and an eighteen inch (18") to twenty-four inch (24") base.

8. Bituminous paving or other surface treatment shall be required. (Amended: 3/12/1990)

9. A permit shall not be required for placement of gravel for repair and maintenance of existing roadways or driveways. (Amended: 6/22/1992)

D. Mobile Homes:

1. Permanent:

Placement or location of mobile homes shall be permitted on any lot which meets the Minimum Lot Size Requirements of this Ordinance provided such mobile homes shall be in conformance with other applicable provisions of the Ordinance and State regulations. (Amended: 3/12/1990)

2. Temporary:

Mobile home units which must be utilized as temporary housing for construction, Selectmen may cause said units to be removed at the expense of the party responsible for initial placement of said units.

E. Road Buffers:

Excluding State roads, the boundaries of a parcel of land, running with a road within the boundary of the Town may be delineated with a boundary marker as follows.

1. On Town Roads, whether paved or gravel, a five-foot (5') wide buffer area, to be determined as the measured distance from the edge of the travel lane of the road, must be free from obstructions.

2. On Private Roads, whether paved or gravel, a five-foot (5') wide buffer area, to be determined as measured from the deeded boundary of the road, may be delineated with boundary markers not greater than eight inches (8") in height as measured from the road surface. Boundary markers greater than eight inches (8") in height must be positioned outside the five-foot (5') buffer area. (Amended: 6/9/2009)

Section 8. WAIVERS

The Planning Board may modify or waive any of the Section 6 "Performance Standards" or Section 7 "Additional Standards" when it determines, in writing, that because of the special circumstances of the site, such standards would not be applicable or would be an unnecessary burden upon the applicant, and that such waiver would not adversely affect the abutting land owners and the general health and welfare of the Town.

Section 9. ENFORCEMENT

A. Nuisances:

Any violation of this Ordinance shall be deemed to be a nuisance.

B. Code Enforcement Officer:

It shall be the duty of the Code Enforcement Officer to enforce the provisions of this Ordinance.

If the CEO shall find any provision of this Ordinance is being violated, he shall notify, in writing, the person responsible for such violation, indicating the nature of the violation and ordering the action necessary to correct it, including discontinuance of illegal use of land, buildings, or structures, and abatement of nuisance conditions. A copy of such notice shall be maintained as a permanent record by the Planning Board.

C. Legal Actions:

When the above action does not result in the correction or abatement of the violation or nuisance condition, the Selectmen, upon notice from the Code Enforcement Officer, are authorized and directed to institute any and all actions and proceedings either legal or equitable, including seeking injunctions and the imposition of fines, that may be appropriate or necessary to enforce the provisions of this Ordinance in the name of the municipality or Town.

D. Fines:

Any OWNER, APPLICANT AND CONTRACTOR who continues to violate any provision of this Ordinance after receiving notice of such violation shall be LIABLE of a civil offense, subject to a fine not less than \$100 (One Hundred Dollars) nor more than \$2,500 (Two Thousand, Five Hundred Dollars) for each DAY OF THE violation. Fines shall be PAYABLE TO THE TOWN TREASURER AND SHALL BE DEPOSITED IN THE APPROPRIATE ACCOUNT. (Amended: 6/01/2006)

E. Appeals:

The Board of Appeals may, upon written application of an aggrieved party and after public notice, hear appeals from determinations of the Planning Board or Code Enforcement Officer in the administration of this Ordinance. Such hearings shall be held in accordance with State laws. Following such hearing, the Board of Appeals may reverse the decision of the Planning Board or Code Enforcement Officer only upon a finding that the decision is clearly contrary to specific provisions of this Ordinance.

Section 10. VALIDITY AND SEVERABILITY

Should any section or provision of this Ordinance be declared by the Courts to be invalid, such decision shall not invalidate any other section or provision of this Ordinance.

Section 11. CONFLICTS WITH OTHER ORDINANCES

Where provisions of this Ordinance conflict with the provisions of other regulations or ordinances, whichever imposes the more stringent restrictions shall prevail.

Section 12. AMENDMENTS

Amendments or revisions of this Ordinance may be adopted in the same manner in which it was originally enacted in accordance with Title 30, M.R.S.A., and Subsection 2153.

Section 13. EFFECTIVE DATE

The effective date of this Ordinance is January 20, 1986. Copies of this Ordinance and all amendments to it shall be filed with the Town Clerk and the Washington County Registrar of Deeds.

Section 14. DEFINITION OF TERMS USED IN THIS ORDINANCE

Except as specifically defined herein, all words in this Ordinance shall carry their customary dictionary meanings. For the purpose of this Ordinance, certain words or terms used herein are to be construed or defined as follows:

1. "Town" or "Municipality" means the Town of Jonesport. Words used in the present tense include the future tense; words used in the singular include the plural, and words used in the plural include the singular. The word "shall" is always mandatory. The word "person" includes a firm, association, organization, partnership, trust, company, or corporation as well as an individual. The word "lot" includes the word "plot" or "parcel". The word "used" or "occupied" as applied to any land or buildings shall be construed to include the words "intended", "arranged", "designed to be used" or "occupied".

2. Accessory Structure:

A structure of a nature customarily incidental or subordinate to that of the principal structure or the primary use to which the premises are devoted.

3. Agriculture:

The science or art of cultivating land in the raising of crops; husbandry; farming. The production of crops, livestock or poultry.

4. Boundary Marker:

A physical marker placed along a deeded lot line for the purpose of delineation of real property or used to prevent trespass. Boundary markers shall include: curbing, rocks, shrubbery, fences and other landscaping architecture. Boundary markers must provide for "safe sight height" for public safety. (Amended: 6/9/2009)

5. Dwelling Unit:

A room or group of rooms designed and equipped exclusively for use as a permanent, seasonal, or temporary living quarters for only one family. The term shall include Mobile Homes.

6. Forest Management Activities:

Timber cruising and other forest resources evaluation activities, management planning activities, insect and disease control, timber stand improvement, pruning, timber harvesting and other forest harvesting, regeneration of forest stands, and other similar associated activities.

7. Lot:

An area or parcel of land and/or water in the same ownership for which one deed exists recorded in the County Registry of Deeds; also, a parcel of land occupied or capable of being occupied by one structure and the accessory structures or uses customarily incidental to it, including such open spaces as are required by this Ordinance, and having frontage upon a public street or a street in a subdivision which has been approved by the Planning Board. A lot has a "front lot line" on any street OR WATER BODY which it abuts; a "side lot line" abutting adjacent lots of common frontage and a "rear lot line" abutting lots not in common frontage. (Amended: 6/17/2002)

8. Mobile Home:

A structural unit or units designed for occupancy, and constructed in a manufacturing facility and then transported one or more sections, by the use of its own chassis or placed on an independent chassis, to a building site; and which is ten (10) body feet or more in width and thirty-two (32) body feet or more in length and

which is built on a permanent chassis and designed to be used as a dwelling with utilities and include the plumbing, heating, air conditioning, and electrical systems contained therein.

9. Structure:

Anything built for the support, shelter, or enclosure of persons, animals, goods or property of any kind, together with anything constructed or erected with fixed location on the ground or attached to something having a fixed location on the ground, including but not limited to: buildings, walls, porches, decks, swimming pools, and billboards. Structures do not include boundary markers, utility poles and guy wires, mail boxes, tents and awnings. (Amended: 6/9/2009)

10. Subdivision:

The division of a lot, tract, or parcel of land into three or more lots, within any five year period, whether accomplished by sale, lease, development, building, or otherwise as defined by Title 30, M.R.S.A. and Subsection 4956, as amended.
