After such public hearing, if one be requested, and after full consideration, the Board of Selectmen by an affirmative vote of a majority of its members may adopt a final resolution of removal. By the preliminary resolution, the Board of Selectmen may suspend the Town Manager from duty, but the regular salary of the Town Manager shall continue to be paid during the period of suspension. If removal is voted, the Board of Selectmen shall cause to be paid to the Town Manager forthwith any unpaid balance of salary for the next 30 days as severance pay: The Town Manager shall cease the performance of all duties upon a vote of final resolution of removal.

Sec. 3.09 Holding Other Office (As amended 11-08-88)

No Selectman or his/her spouse shall hold any other compensated Town office or be employed by the Town, during the term for which he/she was elected to the Board of Selectmen. An individual may not be hired as a Town employee if his/her spouse is a Selectman. No former Selectman

shall hold any compensated Town office or be employed in any Town department until one (1) year after the resignation or expiration of the term for which he/she was elected. No elected Town official shall hold appointed office in the Town unless the law or ordinance creating the appointed office so requires or allows; provided that this shall not prohibit an elected Town official from serving on a Town board or committee in an *ex officio* capacity. Unless otherwise required by law, or the context in which the term appears compels a contrary interpretation, whenever the term "Town official" is used in this Charter, it shall be interpreted to mean any elected or appointed Town officer, appointee or employee.

The restrictions in this section shall apply not only on a prospective basis, but shall also apply to incumbent Selectmen.

Sec. 3.10 Interference with Administration

Except for the purpose of inquiry, the Board of Selectmen shall deal with Town employees solely through the Town Manager. Selectmen, individually, or as a Board, shall not give orders, either directly or indirectly, to any employee of the Town Manager.

Sec. 3.11 Vacancies; Forfeitures of Office; Filling of Vacancies (As amended 11-07-90 and 11-04-97)

- 1) A vacancy in a Town Office or on any board or commission may occur by the following means: non-acceptance, death, resignation, permanent disability, incompetency, failure to qualify for the office within 10 days after written demand by the Board of Selectmen, failure of the Town to elect a person to office, removal from office in any manner provided by law, and forfeiture of office as provided in this Charter.
- 2) Elected officials or appointees to a board or commission shall forfeit their office if they:
 - a) Lack at any time during their term of office any qualifications for the office prescribed by the Charter or by the Constitution and laws of the State of Maine,
 - b) Violate any express prohibition of this Charter,
 - c) Are convicted of a crime punishable by imprisonment for more than 30 days whether or not such imprisonment actually occurs.
 - d) (i) with respect to all boards or commissions other than the Board of Selectmen, fail to attend the greater of three (3) consecutive regular meetings of the board or commission or more than 25% of all meetings within any 6 month period, unless such absences are determined not to be grounds for forfeiture pursuant to Section 3.11(4). Relief under Section 3.11(4) shall be available only to members of appointed boards and commissions and not to members of elected boards and commissions or to members of boards and commissions containing both elected and appointed members.
 - (ii) with respect to the Board of Selectmen, fail to attend more than 25% of all meetings within any six-month period.
 - e) Fail to perform the duties of the office; or
 - f) Elected and appointed officials have thirty (30) days from the date of their election or notification of appointment to be sworn in to office except for good cause. Good cause shall be determined by the Board of Selectmen, other than the Board member-elect, if applicable. [

Amended 11/2/2010]

3) The determination of when a vacancy exists shall be made by the Board of Selectmen no later than its next regularly scheduled meeting. Upon such determination, a vacancy shall be deemed to 'occur' for purposes of filling such vacancy pursuant to Section 3.11(5). The determination of whether a forfeiture has occurred shall be made by the Board of Selectmen by appropriate proceedings of a judicial nature and after written notice and hearing. After receipt of such written notice, where the reason of alleged forfeiture is failure to attend the requisite number of meetings, the six month period for determining whether the member failed to attend the requisite percentage of all meetings shall end on the date of such written notice, and no subsequent meetings may be included in determining whether a forfeiture has occurred. When the forfeiture involves a member of an elected or appointed board or commission, notice of the hearing shall be given to all other individuals who are members of the board or commission at the time the alleged grounds for forfeiture occurred.

4) a) The failure of an appointed board or commission member to attend the greater of three consecutive regular meetings of the board or commission or more than 25% of all meetings within any six month period shall not result in forfeiture of office if the Board of Selectmen determines that the absences were justified and that forfeiture is not in the best interests of the Town. In making this determination, the Board of Selectmen shall consider all relevant evidence, including but not limited to the following:

- i) whether the reason for the absence was within or- beyond the board/commission member's control;
- ii) whether the absence interfered with the efficient operational functioning of the board;
- iii) whether the board/commission member could have given advance notice;
- iv) the attendance history of the board/commission member.

b) The board/commission member shall have the burden of establishing by a preponderance of the evidence that the absences were justified and forfeiture is not in the best interests of the Town.

5) When a vacancy occurs in any appointed Town office or position, the original appointing authority shall appoint a qualified person to fill the vacancy within 60 days. When the vacancy occurs in any elected Town office or position and the vacancy occurs more than 120 days prior to the next Annual Town Meeting, the vacancy for the unexpired portion of the term shall be filled by a Special Town Meeting to be held within 75 days of the vacancy. If such a vacancy occurs 120 days or less prior to the next Annual Town Meeting, the vacancy shall be filled for the unexpired portion of the term at the next Annual Town Meeting.

Sec. 3.12

Conflicts of Interests; Ethical Standards

No elected or appointed Town official shall, in such capacity, participate in the deliberation or vote, or otherwise take part in the decision-making process, on any agenda item before his/her collective body in which he/she or a member of his/her immediate family has a financial or special interest of a pecuniary nature, other than an interest held by the public generally.

Any elected or appointed Town official who believes that he/she or a member of his/her immediate family has a financial or special interest, other than an interest held by the public generally, in any agenda item before his or her collective body, shall disclose the nature and possible extent of such interest. Similarly, any elected or appointed Town official of that board or committee who believes that a fellow member of the collective body or a member of the fellow member's immediate family has a financial or special interest, other than an interest held by the public generally, shall raise the issue with the collective body and request disclosure of the nature and possible extent of such interest by the Town official. Once the issue of conflict has been initiated relative to an individual Town official, and disclosure has been made as provided above, such individual's remaining fellow Town officials of that board or committee shall vote on whether such individual shall be excused from participating in the deliberation or vote, which determination shall control.

If it is found that there is reasonable cause to believe that an official has failed to disclose an actual or possible financial or special interest, other than an interest held by the public generally, that official shall be informed of such belief and afforded an opportunity to disclose the interest. If, after hearing the response, it is determined by such individual's remaining fellow Town officials that the official did fail to disclose an actual or possible financial or special interest, appropriate and corrective action shall be taken, including, without limitation, a vote of censure. In all such instances, a written report shall be forwarded to the Board of Selectmen, indicating the nature of the conflict, the official's position and its resolution by his or her fellow Town officials; provided, however, only the Board of Selectmen may remove a Town official in such an instance and only after first providing the official with appropriate notice and an opportunity to be heard.

No elected or appointed Town official shall, to the detriment of the Town, disclose confidential information concerning the property, government or affairs of the Town; nor shall he/she use such information to advance the financial or private interest of him/herself or others. For purposes of this Section, the term "confidential information" shall mean any information, oral or written, which comes to the attention of, or is available to, such Town official only because of his or her position with the Town, and is not a matter of public record. Information received and discussed during an executive session of a collective body of the Town called pursuant to I M.R.S.A. §§ 405 et seq. shall be considered within the constraints of this Section, and shall not be disclosed to any third party unless permitted by affirmative vote of such body.

No elected or appointed Town official, shall accept any valuable gift, whether in the form of service, loan, thing or promise, from any person and/or business which to his/her knowledge is interested directly or indirectly in any manner whatsoever in business dealings with the Town; nor shall any elected or appointed municipal official: accept any gift, favor or thing of value that tends to influence or could reasonably be expected to influence him/her in the performance of official duties or that is intended as a reward for any official action.

The standards of conduct established in this section shall apply to Town employees as well as other Town officials, but any inquiry or disciplinary action shall be conducted solely under the terms of the applicable personnel law.

If no such challenges are filed, the Town Clerk shall forthwith certify and submit the petition to the Board of Selectmen. The Board of Selectmen shall forthwith give written notice to said official of the receipt of said certificate and, if the official sought to be removed does not resign within 5 days, shall order an election to be held on a day fixed by them not less than 50 nor more than 60 days after the date of the Town Clerk's certificate that a sufficient petition is filed.
