Graduate Study
at the
University of Maine

The University of Maine offers graduate programs leading to the degrees of Master of Arts, Master of Science and Master of Education. Graduate instruction is carried on during the academic year, and, in some fields, during the Summer Sessions.

Among the newer developments in graduate work are programs in Agricultural Engineering and Geology, a curriculum in the field of Education for teachers of Vocational Agriculture, and a graduate curriculum in Public Management. A cooperative arrangement with the Roscoe B. Jackson Memorial Laboratory at Bar Harbor provides opportunities for research work at the Laboratory to students in Bacteriology, Psychology and Biology. In connection with the new Five-Year Curriculum in Pulp and Paper Technology, qualified students may carry some work for graduate credit during the final two years of the five-year program.

A new program leading to the degree of Master of Education has recently been instituted. Planned especially for teachers and school administrators, this program may be pursued during the Summer Sessions, and during the academic year as well. Credits are allowed for a certain amount of work done in University Extension classes, on or off-campus. The graduate paper and oral examination have given way to more course work and an emphasis on graduate seminars.

Some graduate work is carried on in nearly every department of the University. In recent years some departments have been particularly active in the area of graduate instruction. Graduate students have been most numerous in the fields of Chemical Engineering, Chemistry, Education, English, History and Government, Psychology, Wildlife Conservation, and Zoology.

Eight Trustee Graduate Tuition Scholarships are awarded annually, with alumni of the University given first preference. Many departments make use of graduate assistants who devote a part of their time to study. Through the Department of Industrial Cooperation, fellowships are available to students able to carry on research of a technical nature which is of interest to industry.

Alumni interested in returning to their Alma Mater for advanced study are cordially invited to make inquiries of Dean Edward N. Brush.
THE 92nd Commencement on June 17 was held in two sessions. The graduates in the colleges of Agriculture and Technology received their diplomas in the morning with the College of Arts and Sciences and the School of Education degrees awarded in the afternoon. The Commencement address was delivered by Dr. Robert F. Chandler, 29, president of the University of New Hampshire, who was awarded an honorary degree of LL.D.

Honorary degrees were also conferred on eight distinguished leaders in various fields. Recipients were Captains Frank A. Fenn '23, Borthesda, Md., LL.D.; Thurman C. Wescott '09, New York, Eng. D., Alphon D. T. Libby '98 Newark, N.J., LL.D.; James E. Totman '16, Baltimore, Md. LL.D., Major General George R. Acheson '26, Kansas City, Mo., LL.D., Elizabeth A. Fekete, Bar Harbor, Sc.D., Curtis M. Hutchins '29, Bangor, LL.D.

Each degree was awarded to 774 graduates and 57 graduate students received the white and blue hoods denoting the receipt of their masters' degrees.

In Prospective
Dr. Chandler chose the title "In Prospective" for his Commencement address.

"The greatest problem that faces mankind today is the great scarcity of high quality intellectual leadership," he declared. "No one can doubt the abundant supply of technical skill and knowledge," he said. "The atomic bomb, jet airplane, and self-propelled rockets are grim examples of this fact. We need men and women who can think in broad terms about the greater issues confronting mankind—men who are concerned with the realization of a decent society that will allow for the fullest expression of human spirit."

He said that individuals can play an essential and important role in promoting world peace by living unselfish lives, devoted to their fellow men.

"Determine the truth and facts back of an idea," he urged, "then all the enthusiasm and emotions you can gather will aid in your cause. As citizens who care it is our obligation to provide the nourishment upon which the better emotions can grow, and thus to help bring about the realization of all that may bring real value to human life."

"What we need," he continued, "is strong-minded citizens who will not be deceived by those who cry loud in public places in ill-conceived logic, but who can think independently and can sift out of all that is said and done those truths that represent the best that has yet been achieved.

"Look for the opportunity that most nearly fits your interests. Don't be afraid to start at the bottom—good service is always rewarded by advancement."

Watch Winners
Mary Dean Yates of Fairlax, Virginia, and Dwight B. Demeritt, Jr. (Dwight B.'19), Orono, were awarded the Portland Alumni Memorial Watch and the Watchmen's Juniors Watch respectively during the exercises.

The watches are awarded annually to the man and woman of the graduating class who, in the opinion of the students and University Administration, have done the most for the University.

S. Wilson Collins '19 and John M. O'Connor '18, members of the Board of Trustees, made the presentation of the honorary degree recipients at the morning and afternoon exercises respectively. Dr. Hauck read the following citations.

FRANK WESLEY FENNO
Born in Westminster, Massachusetts, a student at the University of Maine with the class of 1923, graduated from the United States Naval Academy in 1925; a captain in the United States Navy, most of whose eventful career as an officer has been connected with submarines, was a former instructor in the submarine school at New London Connecticut, where he later served as commanding officer of the U.S. Naval Submarine Base, one time Chief of Staff to the Commander, Submarine Force Atlantic Fleet, assigned to submarine duty in the Pacific during World War II serving as commanding officer division commander, and squadron commander, soon to take command of a Submarine Squadron in the Pacific Fleet. Honored for valuable service with three Navy Crosses, the Army Distinguished Service Cross, the Silver Star, the Legion of Merit, the Star, and the Presidential Unit Citation.

In recognition of your devoted and effective services to your country, the Trustees of the University of Maine are happy to confer upon you the degree of Doctor of Laws.

THURMAN CARY WESCOTT
Born in Patten, Maine, graduate of the University of Maine in the class of 1909, outstanding engineer and business executive who began his career as a draftsman and instrument man for the New York Central and Erie railroads, employed by the Electric Bond and Share Company in 1911, he served that company in many states as resident engineer on public utility construction work and on hydroelectric developments, advanced to wider responsibilities, he became successively Engineer Manager of the Electric Bond and Share Company, president of Phoenix Engineering Corporation, and engineering manager, vice president, and president of Ebasco Services Incorporated, as the able chief executive of this Corporation, engaged in a widespread service to industry, in engineering consultation, design, and construction, he has made useful and significant contributions to business and engineering.

Your distinguished career has reflected credit upon your native state and your Alma Mater. On behalf of the Trustees, I am happy to confer upon you the degree of Doctor of Engineering.

ALBION D. T. LIBBY
Native of Scarborough, Maine, a graduate of Gorham Normal School, a graduate of this University in the class of 1898, he received his degree in Mechanical Engineering while serving with the First Maine Regiment in the Spanish-American War, holder of the professional degree of Electrical Engineer, capable engineer who has contributed importantly to the development of telephonic communication and other industrial applications of electricity, serving in turn with Western Electric Company, Kellogg Switchboard Company, Dean Electric Company, and Spindler Electrical Company; a patent attorney since 1912, he has devoted his energies mainly to patent practice since 1922, an officer of the firm now known as Electric Arc Incorporated, of Newark, New Jersey, which he has served as secretary-treasurer since its inception in 1918, for eight years president of the Automotive Electric Association, a devoted, helpful, and enthusiastic alumnus whose career has reflected great credit upon his Alma Mater.

In recognition of your outstanding achievements in engineering and in the law and of your loyalty to the University, the Trustees are happy to confer upon you the degree of Doctor of Laws.

JAMES EMMONS TOTMAN
A native of Fairfield, Maine; graduated from the University of Maine in 1910, in overseas service with the infantry in World War I, capable business executive who started as a chemical salesman and is now a leading manufacturer of explosives, one of three incorporators, in 1922, of the Sumners Fertilizer Company of Baltimore, he has served as chief of that company for 29 years, he has brought his company to a position of international importance, enhancing its operations through subsidiaries and other concerns, a number of them in the State of Maine, former secretary-treasurer of the Associated Fertilizer Manufacturers of North America, and chairman of the Board of Directors of the National Fertilizer Association, a member of his industry's Atomic Research Committee and of Maryland's Basic Resources Committee, deeply loyal to his Alma Mater, he has devoted his talents unselfishly to many enterprises for the betterment of this University, as a business man and as a citizen, exemplifying the best in Maine's traditions.

Your Alma Mater, with pleasure and pride, confers upon you the degree of Doctor of Laws.

GEORGE ROBERT ACHESON
A native of Lewiston, Maine, a student at the University of Maine before his enlistment in the Army; graduated in 1927 from Air Corps commissary and advanced flying, commissioned as second lieutenant, advancing through
Emblem Award

The 1951 award to Haren H. Aver '24 of Winchester and Boston recognizes truly outstanding service. A member of the Alumni Council since 1934 and its Executive Committee for several years, he served as Association vice president from 1945-47 and as president from 1947-49. At the recent annual meeting he was elected president of the University of Maine Foundation succeeding Raymond H. Foote of Bangor.

Mr Aver is president of his class and was instrumental in raising the 25 year class gift in 1949. He has been an active member of all funds raising committees where his energetic work and leadership have been important in the success of the campaigns. He succeeded the late Harry Sutton '09 as chairman of the Special Gifts Committee in Boston for the Union Building Fund and was a member of the publicity committee of this fund. He is also a past vice president of the Boston Alumni Association.

In addition to his position as president of Stanphill, Aver and McKay, Inc., Boston investment counselors, he is also president of the lumber Mutual Fire Insurance Company, a director of the Federal Mutual Insurance Company and a trustee of the Franklin Savings Institution of Boston.

A brilliant student who brought her talents to America in 1922 and became a citizen of this country in 1932, research associate at the Roscoe B. Jackson Memorial Laboratory at Bar Harbor since its establishment in 1930, specializing in histology and pathology, she has applied herself to basic research. A woman that has commanded the respect of her colleagues, in particular, is known for her studies of morphological differences in normal and cancerous growths. Her publications have attracted wide attention in the high circles of science, she has pursued her career in the relative anonymity of the laboratory, dedicating herself to extending the frontiers of knowledge. Her life is one of great service to humanity.

In recognition of your long years of faithful work and noteworthy contributions to science in the field of cancer research the Trustees of the University of Maine are happy to confer upon you the degree of Doctor of Science.

Curtis M. Hutchings

Born in Boston, Massachusetts, a graduate of Williams College in the class of 1928, a student of forestry at the University of Maine for one year, honorary alumnus of Colby College, able executive in several fields of business and industry, lumberlands and pulpwood, bituminous coal mining, distribution of coal and gasoline, and rail transportation, president of the Dead River Company, vice president and director of William C. Atwater and Company, New York City, a director of the American Coal Company and president of the Bangor and Aroostook Railroad, in the service of his country during World War II as an officer of the Navy as well as the War Production Board official in charge of pulpwood production for the nation, president of the American Pulpwood Association, public service citizen whose career has included service in the Bangor City Council and the Maine Legislature, industrial leader who believes in the intelligent application of the findings of science and technology and who contributes significantly to the advancement and welfare of his community, his state, and his country.

In recognition of your achievements in business and industry, and of your public service, the Trustees of the University of Maine are pleased to confer upon you the degree of Doctor of Laws.

Robert Flint Chandler Jr

Born in Columbus, Ohio, graduate of the University of Miami, 1929, Doctor of Philosophy, University of Maryland, onetime National Research Council Fellow at the University of California, an agricultural scientist and educator whose professional career began in the service of the Maine Department of Agriculture, a conservationist on the faculty of Cornell University, advancing from assistant professor to professor in the chain endowed for the study of forest soils, co-author of an authoritative text on forest soils and author of many scientific articles, in Mexico for a year as soil scientist with the Rockefeller Foundation, serving our sister University of New Hampshire from 1947 as Dean of the College of Agriculture and as Director of the Agricultural Experiment Station, and since November, 1950 as its president, a believer in the American heritage and in the ability of American youth to perpetuate it, an able educator whose career exemplifies our best ideals and traditions.

Your Alma Mater is proud of your distinguished record and in behalf of its Trustees, I am happy to confer upon you the degree of Doctor of Laws.
ALUMNI DAY ACTIVITIES

While no new attendance records were set at the 76th alumni week end June 15-17 the 630 alumni who registered up to six p.m. Saturday and hundreds of other alumni and friends enjoyed one of the most successful alumni week ends in years.

Fewer classes held reunions than in former years because of the adoption of the "five-year plan" of reunions. Only the classes with members ending in ones and sixes and 1949 were scheduled. Having missed its tenth reunion in 1940 also joined the group.

Heading the parade of classes was 1901. Nineteen stelarths returned and received their fifty year certificates from Dr. Hauck and President Al Lingley at the Alumni Luncheon. Henry H. Leonard, South Shaftsbury, Vt., president of the class also served as Honorary Marshal.

At the Luncheon with more than 500 present, Dr. Hauck paid tribute to those members of the faculty who were completing twenty-five years of service. Those honored were:

Prof. Kenneth G. Crabtree, Prof. of Electrical Engineering, Dr. Charles B. Crotte, Prof. of Physics, Dr. John H. Hawkins, Assoc. Entomologist, Agric. Exp. Station, Prof. Fay Hyland, Assoc. Professor of Botany, Dr. Ronald B. Levinson, Prof. and Head of Dept. of Philosophy, Prof. Theron A. Sparrow, Professor of Mechanical Engineering.

Huddilston Scholarship

Dr. Hauck also announced the establishment of the John Homer Huddilston Scholarship by the Board of Trustees in recognition of the years of devoted service of Professor Emeritus John H. Huddilston. This scholarship will be awarded annually to a worthy student of high scholastic standing in the College of Arts and Sciences who is in need of financial assistance amounting to a year's tuition.

The Senior Alumni and reunion classes held class meetings Saturday morning. About 125 attended the meeting of the General Alumni Association in the Louie Oakes Room

Peabody Elected President

Myron C. Peabody '16, Springfield, Massachusetts, was elected president of the Alumni Association. George E. Lord '24, Orono, was chosen as vice president. Re-elected were George F. Dow '27, Orono, Clerk, and Roy E. Ludner '43, Orono, Treasurer.

Elected as Council members at-large for three-year terms were James F. O'Connor '36, Augusta; Alfred B. Lingley '20, Providence, R. I.; and Alvin McNeilly '44, Boston. Clifford G. McIntire '30, Enfield, was re-elected as treasurer.

Leading the other classes was that of 1911 which presented a check of $1,175 bringing their endowed scholarship to more than $5,000. In presenting the check to Dr. Hauck, Arthur Richardson '11 promised that additional funds "were coming.

Lewis O. Barrows gave on behalf of the class of 1916 $250.00 for the Alumni Activities Fund. 1946 added $200.00 to the same fund. The classes of 1921, 1940, 1941, and 1949 each contributed $100.00 to the Alumni Activities Fund.

The Alumni Activities Fund, held by the University of Maine Foundation, provides income from invested funds for the deerring of expenses for Homecoming and Commencement. All classes are urged to make gifts at reunions to the Fund so that more enjoyable programs may be arranged.

The twenty-five year class, 1926, pledged at least $1,000 to be added to its loan fund established upon graduation in 1926.

Attendance Cups

The attendance cups awarded on basis of those members of individual classes registering up to six p.m. on Saturday were announced at the Banquet.

The fifty-year class, 1901, was awarded the 1908 cup and the 1906 Century Cup for having the highest percentage of its living members registered 1926 with 14% of its living members registered of classes of the last 30 years won the class of 1924 cup. The numeral of 1926 will also be engraved on the President's Cup for having the largest number registered, Fifty-six of this class signed up just noding 1949, holding its first reunion with 55 registering.

(Continued on Page 13)

Below is the portrait of Dr. Clarence C. Little (painted by Willard Cummings) which was presented to the University by the Class of 1925 as its twenty-five year gift.

THE MAINE ALUMNUS 6

JUNE, 1951

The alumni luncheon honored the Class of 1901. The head table photograph at the left shows some of the class at the lower table. At the speakers' table are (right to left): Dean Hart '85, Myron C. Peabody '16, Alfred B. Lingley '20, Dr. Hauck, Dr. Clarence L. Little, Henry H. Leonard '01, and A. T. Libby '97.
U. OF M. FOUNDATION

Hazen H Ayer '24 of Boston was elected president of the University of Maine Foundation at the annual meeting held on Alumni Day, June 16. He succeeds Raymond H Fogler '15 as president. Treasurer Richard S Bradford '31 reported that the assets of the corporation are now in excess of $180,000.

Three new members were elected, Arthur B Richardson '11 of New York City, Philip W Lown '18 of Auburn, and Curtis M Hutchins '29S of Bangor. Mr. Richardson, who has been active in local association and class events, is president of the Chebeague Manufacturing Company with offices in New York. Mr. Lown is a prominent shoe manufacturer in Maine and is a leader in many civic activities. Mr. Hutchins, a Williams graduate, attended Maine one year, studying forestry.

Companies in which he is interested have extensive timberland holdings. He is president of the Bangor and Aroostook Railroad.

Treasurer Bradford, vice president of The Merrill Trust Company of Bangor, reported an increase of over $22,000 in assets during the past year. A bequest of $10,000 from the late Jane B. Pickering to establish the Lucy F. Griffin Fund was the largest single fund. The late Ralph Whittier '02 left two bequests of $5,000 each to the Foundation of which he was a charter member. One bequest is for student purposes and the income from the other $5,000 trust fund is to be used for upkeep of the Alpha Tau Omega property. Mr. Bradford was reelected treasurer and Charles E. Crossland '17 was reelected secretary.

Hazen Ayer, the new president of the Foundation, has an impressive record of service to the University and Alumni Association. He is a past president of the General Alumni Association, president of his class, and besides having served in many other capacities. He has been a member of the Foundation for eight years and is president of Standish, Ayer and Mackay, investment counselors, of Boston.

In addition to Mr. Fogler, who under the Foundation By-Laws automatically retired after ten years membership, Otto H. Nelson of Bangor also retired after ten years of valuable service as a member, having served as a director most of that time.

The Foundation was organized in 1934 by alumni, trustees, and friends to receive gifts, bequests, and trust funds for the benefit of the University.

Among the classes holding reunions for the first time under the five-year plan were those pictured at the right. Top to bottom they are the Classes of 1941, 1926, 1906, and 1901.
Trusted Bill

The Board of Trustees has been increased by two members as a result of the passing of a bill by the 95th Legislature.

The law specifically states that of the eleven members, including the State Commissioner of Education (presently Harland A. Jadd '25) an ex-officio member, two shall be women. One of the two women shall be an alumnus of the University recommended by the governor and his Executive Council by the Alumni Council. Her term of appointment shall be three years while the other woman member of the Board shall serve for a term of seven years as do other members except the alumni trustee.

Another bill which won the approval of the Legislature was to remove the requirement that the alumni trustee be a resident of the State of Maine.

This bill was sponsored by the Alumni Council. Heretofore the alumni trustee had to be a resident of the State of Maine.

Both bills will become law 90 days after adjournment of the Legislature.

An appropriation bill of $1,268,956 a year for the next biennium in favor of the University was also passed by the Legislature. This is $81,000 less a year for the next biennium than the budget request submitted by the Board of Trustees. The money voted is $1,200,000 a year more than was provided for the year now closing. However, the budget request was not entirely realistic for it did not provide for much needed work at the University.

It is anticipated that the University will end the coming year with a sizable deficit even with minimum expenditures and further deferment of maintenance and other work. It is unfortunate that both the biennium request and the money appropriated were not more nearly in line with the demonstrated needs of the University.

Athletic Board

On behalf of your representatives on the Athletic Board, Clifford Patch '11, Samuel Tracey '41, and Samuel Calderwood '33, I herewith submit the annual report for the past year.

The schedules of sports have been played largely with State Series and Yankee Conference teams. The tennis and baseball teams both made a southern pre-season trip.

The varsity football team tied Bowdoin for the State Title and placed second in the Yankee Conference. Maine won from Rhode Island, Vermont, Connecticut, Bates, and Colby, tied with Bow-

The varsity basketball team, coached by "Doc" Rome Rankin, won five games and lost thirteen games. The team tied with Bates for the State Series cellar position and finished fifth place in the Yankee Conference.

The varsity team of "Hal" Westerman and frosh baseball, coached by "Hal" Woodbury, completed a better than average season.

The winter sports team had another successful season again winning the State Championship. Coach Ted Curtis was happy to have the captain of the Maine team, Robert 'Bob' Pidacke, selected by the Olympic Committee in the No. 1 spot on the U.S. Olympic Cross Country team Bob expects to train in Sun Valley this fall and leave for Oslo in the early winter. This brings one of the highest athletic honors to the University and the State of Maine.

The golf team, coached by Charlie Emery, and the tennis team, coached by "Doc" G. Winn, both won the State and Yankee Conference championships this spring. This is the first time that Maine teams have won both titles in golf and tennis the same year.

The varsity baseball team, coached by "Mike" Lunde, won 10 games and lost 10. The team placed second in the State Series and fifth position in the Yankee Conference series.

Coach Jenkins again successfully coached the varsity and frosh indoor and outdoor track teams. The frosh teams were both undefeated, while the varsity track team scored second honors in the annual State Meet.

The varsity rifle team, coached by Sergeant Eastwood, had a very successful season, winning 80 matches and losing only 12 matches.

The annual meeting of the University was held on the elevation of golf, tennis, and winter sports from minor sports rating to that of major sports status. This move was initiated by the undergraduate "M" Club and received their unanimous support.

While many colleges have indicated their intentions of using freshman athletes on their varsity teams next year, our Athletic Board has taken a firm stand in their belief in the continuance of the Freshman Rule as the benefit derived far outweigh the suspension of this rule.

The recent death of Coach "Bill" Kenyon, who so faithfully served the University since 1926 was a great loss. He will be missed by all who knew, loved, and respected him.

Changes which have recently occurred

(Continued on Page 10)
ALUMNI TRUSTEE REPORT

The outstanding challenges of the 1950-51 fiscal year has been to have a sound legislative program and secondly to meet a worsening inflation. A student enrollment slightly higher than anticipated and the military allowing male students to finish the college year have been real factors in making the financial operations reasonable.

Legislation. The policy for several years has been to ask of the Legislature only the actual needs of the University and which are not met by other sources of revenue. Such has a sincerity which many people like. On the other hand any failure to provide for such requests means cutback or increased revenue from student sources. Earlier in the year plans were made to provide Maine Alumna, many Maine people and members of the previous and incoming Legislatures with honest facts relative to the University. At the time of the dedication of the Animal Pathology Laboratory members of the 94th Legislature were invited to spend the day on campus and to see the new building which they had provided special money for. Many came and it was a day well utilized. Following this one issue of the Maine Bulletin was devoted to "Financial Facts." I consider this the best and most comprehensive presentation to the public-at-large relative to the finances of the University and the services it renders to the people of Maine. Many organizations and prominent Maine people volunteered leadership in behalf of the University in its effort to secure sufficient operating funds.

A rather friendly legislature and the broadening of the tax base finally provided an appropriation of $1,258,996.00 for the next biennium. This is $300,000 a year more than was provided for the year now closing and $500,000 over the 1949-50 appropriation. However, it is still $81,000 under the original budget request. Budget requirements have been made to meet this situation without reducing salaries as set up in the original requests.

The 95th Legislature also acted to increase the number of Trustees from nine to eleven, the two new appointees to be women, one of whom shall be an Alumna and nominated by the General Alumni Association.

The Legislature also approved the Alumni Board bill which removed the requirement that the appointee be a resident of the State of Maine. They also approved the County Extension Association Act which was favorable to the University in maintaining county funds for Extension Service work directed by the University of Maine.

Physical Plant. The Animal Pathology Laboratory has been completed and is now in use. It is a credit to any institution or state the size of Maine. The Infirmaries have modernized and enlarged. With the exception of not being fireproof it is a real improvement and will meet the needs of the University for a long time. It brings together all Health Service facilities. It will interest many Alumni to know that the College Bell which was formerly on Wingate and since the fire in a frame on the ground, is now in a permanent tower on the roof of the Library.

General Maintenance has been only such as to maintain the plant excepting again for highways and walls. It is to be hoped that these may have high priority in the study of the 1951-52 program of Maintenance.

Enrollment. At the Fall Semester, 1950 the enrollment of 3,696 students was achieved. 3,301 were enrolled for the Spring Semester, 1951. Alto this was the expected downward trend, it was not as severe as anticipated. It is quite probable that a more ambitious program to secure students may be necessary as we go further into a period of compulsory military training and the rearrangement of educational opportunities for youth. It is now expected that about 2,800 will enroll for the next academic year.

Staff. Much credit must be given to the employees of the University. This year has called for patience and confidence on their part. At a period when appropriations looked the darkest the Trustees approved the raising of the upper limits of the salary scale. While we have not been able to hold all the choice personnel assembled the action did build confidence and has helped out somewhat. It is estimated that there will be a reduction of about thirty-four full time members of the teaching and research staffs. At the beginning of the calendar year the general maintenance and service staffs were given wage adjustments. Today, their wages like those of the faculty are still not competitive.

The resignations of Elton E. Wieman, Dean of Men and Director of Athletics and Physical Education, and David Nelson, Head Football Coach, and Prof. Louise Steedman, Head of Home Economics Dept., have been accepted with great regret. To all of these the opportunities for service and reward was far beyond the facilities of Maine and we wish each success and happiness.

The retirement of Dr. Payson Smith, Prof. of Education, takes from active service a loyal and enthusiastic faculty member and a leader in good will and public relations for the University of Maine and the State of Maine. To Dr. Smith the people of Maine owe a great debt of gratitude.

On July 1, 1950, Prof. Ashley Campbell became Dean of the College of Technology and on July 1 next Prof. John Stewart will become Dean of Men. Dr. Wuthrop Libby of the College of Agriculture has been promoted to Associate Dean of Agriculture. These three new Deans bring to their posts character and leadership and they have the best wishes of all who know them.

To the Faculty and Alumni the untimely and accidental death of Prof. Kent will be Maine's greatest misfortune for 1951. Benne Kent the campus over, had given the University nearly thirty-one years of faithful service and was Head of the Dept. of Engineering Drawing at the time of his accident.

Student Aid. Scholarships and student employment have again played an important role in providing help for many worthy students. The summary for the year is not yet available but it is estimated that nine hundred students will be given aid of some kind and in a value of $150,000. This is somewhat of a decrease from the 1,254 students receiving $194,000 the preceding year. The major decrease will be in student employment.

Gifts. During the year and in addition to valued gifts of Paintings, Books and like, the University, The U of M Foundation and the Pulp and Paper Foundation have received gifts and bequests of about $70,000. The Lucy Griffin Fund of $10,000, the Henry L. Griffin Fund of $6,000, the Mary Strickland bequest of $8,000 and the Ralph Whitaker bequest of $5,000 were the larger of the gifts. The earnings from these and other funds continue to build our scholarship opportunities.

As we look forward the student enrollment will probably level off to a good working capacity for our facilities. By aggressive approach we should be able to operate at capacity even though our rates may be in the upper group for Land Grant Colleges. Rates and fees are not as important as the quality of the faculty. This must be maintained.

Until further arrangements are made the University will need the support of loyal alumni relative to appropriations.

The Mill tax which has long been insufficient, but a post to tie to, will soon cease to exist and it will be a case of 'work,

(Continued on Page 10)

THE MAIN ALUMNI

JUNE, 1951
$900,000 GOAL ATTAINED

The Memorial Union campaign goal has been reached. This good news together with the fact that the National Production Authority had issued a permit to start construction of the Union gave Commencement an added tinge of pleasure and anticipation.

Chairman Raymond H. Fogler '15 announced at Commencement that a grand total of 12,297 subscriptions amounting to $900,043 have been received. This includes the Coe bequest allocated to the Memorial Union by the University Trustees and a University appropriation of $10,000 to be used towards the architects. Eight of the 14 special gifts districts have exceeded their goals and thirteen of the general campaign areas have achieved the Honor Roll by reaching their quota. The 0.21 student subscriptions of $183,571 exceeds the fondest expectation of the campaign planners. Non-alumni faculty and friends and business concerns too, merit high commendation for their generous interest.

Treasurer J. M. Murray '25 reported that there is about $630,000 immediately available for construction purposes with payments being received daily. He emphasized the need and importance of prompt payments on subscriptions.

Bids To Be Opened July 10

The NPA permit to start construction contained two conditions: (1) that the bowling alleys must be omitted and (2) that construction must be started within 60 days from May 29, 1951. Since there was no time to be lost, the Trustees of the University authorized advertising for bids at once. The bids are to be opened on July 10.

Unquestionably the Union will cost much more than had been originally estimated. It seems doubtful that the funds and subscriptions on hand will be adequate to build completely the Union. Only the opening of the bids, however, can answer that question. The understanding between the Union Building Fund Committee and the University Trustees is that contracts will be awarded for work only to the extent of funds available. Bids are being requested in such a way that the cost of the entire shell and one or more floors will be known and action can be taken accordingly.

The Trustees of the University have invited the officers of the General Alumni Association and the Union Building Committee to be present at the bid opening and to advise the Trustees what they should be done.

While the campaign goal has been reached more subscriptions are urgently needed to help assure maximum construction when the bids are opened. Alumni are happy that the $900,000 goal has been reached, yet no one can tell that the task is finished until sufficient funds for the completion of the Memorial Union have been subscribed.

There are still hundreds of alumni whose subscriptions do not adequately express appreciation for those whom the building seeks to memorialize—181 gold star alumni. To all alumni an urgent appeal is made to give to the Memorial Union Fund. Subscriptions may be made on any basis convenient to the donor. The Union Building Fund office would be happy to answer any questions in this regard.

ADDITIONAL FUNDS ARE NEEDED

WON'T YOU HELP?

Trustee Report

(Continued from page 9)

in the athletic staff include Head Coach of Football "Dave" Nelson who resigned to accept a position at the University of Delaware. His position has been filled by Hal Westerman, our backfield coach. "Tad" Wieman has resigned to accept the Athletics Director's position at Denver, Colorado. New members of our athletic staff who will commence their duties this fall are Harold Raymond, Michigan 50 and Robert Holloway, Michigan 50. Harold Raymond will be Head Baseball Coach and assistant football coach; Robert Holloway will be assistant football coach and freshman coach in basketball and baseball.

The writer appreciates the honor of serving the alumni on this Board and has much enjoyed his work with those he has been associated.

Respectfully submitted,

Samuel C. Eldred

FRONT COVER

The happy faces looking at you from the front cover are those of members of two reunion classes (1940 and 1941) enjoying the Alumni Banquet.

Familiar Faces

Miss Evelyn Taylor completes twenty-five years of service with the University this year. Yet this simple statement tells little of the devoted service of the assistant registrar. She joined the staff of registrar James A. Gannett '08 in 1926. Five years later she was named his assistant.

Her patience and attention to detail have long made her a friend of the students. The records she has in her charge are among the most important at the University yet her quiet but efficient manner does not stress their importance. In this job more than in many, complete avoidance of error is vital.

To Miss Taylor alumni are indeed grateful for her years of loyal service and look forward with pleasure to her continued association with the University.
The Golf and Tennis teams turned in top performances in the spring sports schedules with each winning both the State and Yankee Conference titles.

The golf team, coached by Charlie Emery, Country Club pro, suffered one defeat in ten matches that to the University of Conn. In the Yankee Conference meet, UConn took the title from the UConn by one stroke.

John Gowen '52 turned in one of the most surprising performances of the year by winning the state individual tournament at Augusta. At the beginning of the year he was no 3 man on the team.

Ben Blanchard '51, Hagerstown, Md., led the tennis team coached by D. G. William Small, through an undefeated season. This is the first time that the State and Yankee Conference titles have been won. In 1941 Maine took first place in the New England Intercollegiate Conference, the forerunner of the Yankee Conference.

Bill Bird '52 (Maurice C. '13) Winchester, Mass., and Paul Peterson New Haven Conn., were the No 1 doubles team and won the State championship from the defenders, Bowdoin, in four sets.

Only an hour and forty-three minutes was taken for the final game of the year when Maine defeated Bates and thus ruined the Bobcats hope of a first place tie with Bowdoin. As a result of this 6 to 1 victory Maine and Bates tied for second place and Colby, one season favorite, wound up in the cellar with two wins and four losses in State play.

Maine ended the season with a 10 and 10 record. Marty Dow, a senior, was the leading pitcher with Blaine Trafton the No 2 hurler. Carl Wright '52, first baseman, had 173 put outs to his credit with Merrill Wilson catcher and next year's captain was second with 108.

**TRACK**

Maine lost the State track meet to Bowdoin 55 1/2 to 66 with Colby taking seven points and Bates 6. The Black Bears dominated the hurdles and dashes and more than offset Maine's power in the field events.

Inability to come through in the hammer throw and the pole vault, two events that had been conceded points getters for the Pale Blue, was greatly responsible for the 11-point spread by which Bowdoin won the meet, and possibly for the fact that Bowdoin won at all. Maine took second and third in the hammer, and in the total meet had 7 firsts and a tie.

In the Yankee Conference meet at Rhode Island, Maine took fifth place. Rhode Island amassed 61 1 points in defending its title with UConn in second place with 287 points. Other scores were Vermont 28, New Hampshire 24 1, Maine 18 2, Massachusetts 4 5.

**HOMECOMING**

**NOVEMBER 9-10, 1951**

New features are being planned to make this 22nd Homecoming the high spot of the fall.

Plan now to be on campus for the big week end of the fall.

Rally—Bonfire—Skull Dance

Homecoming Luncheon

Black Bear Awards

53rd Bowdoin-Maine Game

Fraternity Parties

Football Ticket Applications will be mailed September 4 to alumni living in the 10 northeastern states. Others may secure application on request.
NEW DEAN

Prof John E. Stewart '27 has been named dean of men to succeed Elton Wieman, resigned.

He has been a member of the faculty since 1928. Besides serving as dean of men, Prof Stewart will continue as a member of the mathematics department. He received his master's degree from Maine in 1928 and has also done work at Iowa and Columbia Universities.

Wieman

Dean of Men and director of physical education and athletics, Elton E. Wieman, resigned last month to assume the post of Director of Athletics at the University of Denver. Dean Wieman leaves in July to take up his new duties in the Rockies.

August 1

"Tad" Wieman is a nationally known figure in athletics. He came to the University in 1946 after serving in World War II as chief of the physical training section of the A.S.T.P. A graduate of Michigan he stayed on to coach under Fielding H Yost and upon the latter's retirement was named head coach of the Wolverines. He also has coached at Minnesota, Princeton and Columbia Universities.

He is secretary of the football rules committee and serves on several other committees of national importance in athletics. His friends wish him well as he goes to his new post.

New Director

He will be replaced as director of physical education and athletics by Dr. Rome Rankin, associate professor of education and head coach of basketball, who has been a member of the faculty since 1947. Dr. Rankin holds a master's degree from the University of Michigan and a Ph.D degree from the University of Kentucky.

He served as director and coach in the public schools of New Boston, Ohio, from 1924 to 1934 and the following year went to Eastern Kentucky State Teachers College as an assistant professor and coach of basketball and football two years later he became an associate professor. During his stay at Eastern Kentucky his teams annexed several sectional titles.

In 1947 he joined the Maine faculty as associate professor of physical education and was named basketball coach in 1949.

The Yell Came

(Continued from Page 6)

Smith M. Stetson Smith, Vance Springs

1934—Doris V. Backler, William B. Blaisdell, Jr., Maxine H. Goode, Ken Parsons, Claire S. Sanders.

1935—John W. Black, Frank W. Myers, Christine E. Stanford.

1939—Ken Clark, Mary O. Davenport, John W. Perry, David W. Trafford, Thomas Verrill Alice P. Weaver.

Senior Alumni—

More than sixty senior alumni and friends attended the breakfast preceding the 15th annual meeting of this group on Alumni Day.

The first and only secretary the group has had since its organization, Dean James N. Hart ’85, was recognized on his retirement from the position by presentation of an illuminated certificate of appreciation by A. D. T. Libby ’98, E.E. ’01, LL.D ’51, president.

Officers elected for the coming year are A. D. T. Libby ’98, president; Edwin Mann ’00, vice president; Stanley Steward ’96, second vice president; C. Parker Crowell ’98, secretary-treasurer, and F. G. Quincy ’30, auditor.

The Senior Alumni now have a scholarship fund held by the University of Maine Foundation amounting to more than $3,000.

New Award—

The Women’s Athletic Association has established the Helen A. Lingley award in honor of Professor Emeritus Helen A. Lingley, director of women’s physical education from 1924-1949. To be given each year to a senior woman athlete who has proven to be a valuable member of the WAA. She will be chosen on the basis of “high moral character, scholastic achievement and financial need.”

The establishment of the award was made at the annual WAA Banquet Seal awards, the highest honor a University of Maine woman athlete can receive. The award is to be presented at the banquet to Mary Belle Tutts, Bernice A. McKiel, Barbara I. Jackson (H. Laton ’21, Lois C. Manter ’23), and Constance Berry.

Student Leaders: The All Maine Women and Senior Skulls named their selections at ceremonies late in the college year. The All Maine Women are: Mary Jean McIntire, Jeannie Frye (George W. ’26), Janice Boyce, Martha Pratt, Mary E. Snyder, Mrs. Mary E. Snyder (honorary A.M.W.), assoc. prof. in Home Economics, Margaret Floyd, Barbara Hart, Constance Berry, Nancy Knowles, Jeannette Pratt, Margaret Murray (Thomas A. ’21), was also elected to membership but was at Merrill-Palmer School at the time of the Banquet.

Those tapped by the Senior Skulls are: Richard Dow, Greg MacFarland, Tom Lydon, David Collins S. Wilson ’19), Carl Wight, Harry Easton II, Leonard Silver, Harry Henderson, John Skillin.

You Can Save...

Your Alumni Association money by sending your alumni dues now before the annual request is mailed on September 4. By so doing you will not only be sharing in the Association’s program of “promoting the welfare of the University” but you will also assure yourself of receiving The Maine Alumnus during the coming year.

Beginning with the first issue of The Alumnus you can be sure of:

- Publication on the first of each month
- Sports and campus news coverage by Walt Shurman ’52 and Bill Matson ’52
- Picture coverage by Paul Marcoux ’54
- Sketches of outstanding alumni careers
- Local association meeting calendar
- Class personal
- An interesting, informative alumni magazine that will keep you “in touch” with what’s new at the University and with your classmates and friends.

Here’s my check for my alumni dues for 1951-2 including a subscription to The Maine Alumnus. Annual dues $5 (husband and wife $6), Sustaining dues $15.

Name
Address

Black Bear Award

Nominations for the Black Bear Awards should be sent to the Alumna Secretary prior to October 1, so that they may be given to the selection committee to be appointed by President Myron C. Peabody ’46. The awards will be made at the Homecoming Luncheon November 10.

The award recognizes the devotion and loyalty to the high traditions of the University of Maine and may be given to any alumnus (a), faculty member or friend of the University. As many as three awards may be made in a year.

Nominations should state rather briefly how the nominee qualifies for the award. The first awards were made last year to Dr. Hauck and Alfred B. Lingley ’20, then president of the Alumni Association.

Alumni Day (Continued from Page 5)

At the Banquet undergraduate Maung Shwe Htoo, of Burma, entertained the audience with his description of life in Burma and the U.S.

Major-General George R. Acheson ’26 was the speaker of the evening. He discussed the need of adequate defense of the country as viewed from his long experience in the Air Forces.

The Varsity Singers, a student group, were a smash hit. They sang several numbers and encore during dinner.

After the Banquet alumni moved on to the library for dancing and talk-fests.

A more listing of the above events does not adequately express the enjoyment of each class as they informally gathered at these functions to renew acquaintances and to exchange news of each other. Some classes are even planning a greater program of entertainment and social events for their next reunion.

The Friday night class dinners in Orono and Bangor and the Sunday outings on the coast are growing in popularity.
NECROLOGY

1903
CHARLES HENRY FISH JR Word has just been received of the death of Charles H. Fish, Jr. on March 18, 1903 in San Francisco, Calif. where he had been an attorney for many years.

ARTHUR STEPHEN LIBBY Indi- vidual word has been received from the Alumni Office of the passing of Arthur S. Libby of Oglethorpe University. Further details are lacking, we regret to say.

1904
FLORENCE BUCK ADRIANCE On June 5, 1904, Mrs. Robert I. Adriance died at her home on College Rd. in Orono. She had been living in Orono since 1945 when her and Mr. Adriance moved from East Orange, N. J. upon his retirement from teaching. Their daughter, Mrs. E. Kenneth Miles, resides in Orono also, as has an associate professor of German at the University.

Mrs. Adriance was a descendant of Jonathan Buck, founder of Buckport. She was an active clubwoman in New Jersey where she spent a good many of her years and also in Orono. In New Jersey she was active in the League of Women Voters and was a past president of the Maplewood Branch. She was particularly interested in the American Association of University Women in both New Jersey and Orono. She did a good deal of jury work in New Jersey.

Mrs. Adriance was a member of Kappa Alpha Theta sorority at Syracuse University where she went prior to coming to the U of Maine.

Surviving besides her husband and daughter, Mrs. Miles, are another daughter, Mrs. Robert A. Vail of Ashland, Ohio, and four grandchildren.

1905
EVERETT DANA BROWN A report has reached the Alumni Office of the death late last fall of Everett D. Brown in Puerto Rico. The last business that he was known to be in was performing the duties of Executive Secretary of Puerto Rico La Porteaza in San Juan. Mr. Brown was a member of Theta Chi fraternity.

1907
ERNEST LISHNERNESS On February 26, 1907, Ernest Lishnersness died in Los Gatos, Calif. He had lived in that state for many years. He worked for the U. S. Department of Labor for a number of years. Mr. Lishnersness was a member of Phi Gamma Delta fraternity.

1932
DR. FRED BENNET COBY, JR. Dr. Fred Colby succumbed to a heart ail- ment, in the town of Mass. at the town where he resided, on May 24, 1931. He had been a patient since May 3. He had followed in his father's footsteps in Fitchburg as a physician. He had been a member of the staff of the Burbank Hospital in Fitch- burg since 1941. He received his M.D. degree from the University of Iowa in 1931. He was a member of the American Medical Association, the New England Medical Society, and other medical groups. He was also a member of the Aurora Lodge A.F. & A.M. and of Beta Theta Pi fraternity. He is survived by his wife, Mrs. Jane Colby, and two daughters, Jane and Martha. Also a brother Kenneth of Boston, and two sisters, Mrs. Beatrice Synott of Concord, Mass. and Mrs. Joseph DiMauro of Fitchburg.

1933
PHILIP RUPRLT COHEN Philip R Cohen died on June 20, 1933 at Presque Isle where he had been manager of a chain apparel store for 10 years or more. He was chairman of the Merchants Bu- reaux of Presque Isle, an official of the Boys Scouts of Kainham Council, and a past member of the Lions. He was also a member of the International Lodge of B'nai B'rith and a member of Tau Epsilon Phi fraternity. He is survived by his widow, Mrs. Betty Cohen, one son, Nat, and two sisters, Mrs. Morris Shalmaister of Bangor and Mrs. Dora Brown of Bangor, and a brother, Robert, of Houlton.

1937
DONALD EVERETT MCCREADY Donald E. McCready died suddenly at his home in Bangor on June 13, 1937. He was a veteran of World War II, having served in the Infantry and having sustained wounds in May of 1945. During the years since the war he has been a Service Station Operator and a student at Husson College in Bangor.

1945
RALPH WILLARD BROWN Bordered word has reached the Alumni Of- fice of the death of Ralph W. Brown of Richmond, Maine, on October 9, 1945. He was a veteran of World War II having served as a corporal in the Army Air Force from February 1943 to March 1947. He was employed by the Central Maine Power Co. at the time of his death.

Dr. Walter M. Wiggin former instructor and holder of the M.S. degree from Maine received in 1924, died on May 21 in Columbus, Ohio. He was director of Ohio University's Department of Agriculture. He held a Ph.D. from Ohio University.

1885
Dean James N. Hart resigned as secretary of the Senior Alumni at the June meeting of that group held during reunion activities on the campus. He has served for many years in that capacity discharging his duties faithfully and well. C. Parker Crowell '98 was elected to succeed Dean Hart.

1891
W. N. Patten traveled from Sa- lem, Mass., to Orono to join in the Alumni Day activities.

1895
Gustavus G. Atwood has a change of address from Taun- ton, Mass., to RFD Box 74, West Wareham, Mass.

1897
A. Jarvis Patten made the trip East again this year to attend Alumni Day activities on the campus at Orono. He lives in Harbor Beach, Michigan.

1898
A. D. L. Libby, president of the Senior Alumni, was on hand for reunion activities in Orono during Commencement week, ending traveling from East Orange, N. J. Walter Dolley has a change of address from Allerd, Maine, to 855 Congress St., Portland. He was on hand for Commencement in Orono.

1899
Arthur C. Wescott traveled the greatest distance of any member of the class of 1899 to attend the 1931 reunion activities. His home is in Washington, N. J.

Edward E. Palmer of Brantree, Mass., came the second longest distance.

1900
Four members of the class of 1900 were on hand for their 51st reunion and celebrated with other Senior Alumni on June 15 and 16 on the campus in Orono. Returning this year were William G. Jones of Wellesley, Conn., Edmund Mann of West Paris, Maine, W. L. Metcalf of Kizzal Falls, Maine, and Benjamin T. Weston of Madison, Maine.

1901
1901 had a splendid 50th Re- union in Orono on June 16. Nineteen members of the class were present to receive certificates at the Alumni luncheon on Saturday noon which honored the 50-year alumni Thomas Buck of Berkeley, Calif. traveled the greatest distance to reach Orono for the activities. Florida, Pennsylvania, New Jersey, New York, Connecticut, Massachusetts, New Hampshire, Vermont, and Maine were the other states represented for home addresses for the 50-year men.

Friday, May 11, was designated as Percy Keller Day in Camden, Maine, when the town turned out to honor the man who has headed the town government for many years past. Mr. Keller was one of the P's who were able to return to Orono for reunion too.

1902
Horace P. Hamlin, who is a consulting engineer for Ray- mond Concrete Pile Co. in New York City resides at 10 North Mountain Ave., Montclair, N. J. He has one daughter, Jean, who attended Goucher College.

50th Reunion June 13-15, 1952
Edwin B. Ross is now retired and can be found at 313 Front St., Buchanan, Mich.

1903
George L. Freeman has changed his address from Mt. Vernon, N. Y., to Gray, Maine—RFD #2. He retired on April 30 from a firm in which he was a partner in the field of consulting engineering.

In May change of address for John H. Hillard was recorded from New York to 245 Tarragona Way, Daytona Beach, Fla.

1904
Arthur E. Davison has recently moved from Orlando, Florida, to Winter Garden in the same state.

Allen M. Knowles traveled from Tean- cik, N. J., to Orono to attend Alumni Day activities this year.

THE MAIN ALUMNUS
1905 Albert Lu. Huot of 16 Melville St., Augusta, is administrative assistant to the State Tax Assessor. Two sons have followed in his father’s footsteps and attended the University of Maine.

1906 Hubert B. Malcolm, who is retired, resides at 52 Dresden Ave., Gardiner.

1907 Elmer G. Rogers is also retired and can be found at 1806 S. Pacific Coast Highway, Redondo Beach, Calif. Plant engineer for the Federal Glass Co. of Columbus, Ohio, Carl D. Smith lives at 768 Groveport, Ohio. His occupational record is such that he can be found in the 1948 edition of Who’s Who in Engineering.

1909 Lewis F. Pike is with the Danforth-Owen Co., makers of ventilating fans. His residence address is 85 Gencross Rd., Wellesley Hills, Mass. A son, Robert, attended Williams College and dartmouth, N. Y., went to Emerson.

1910 Rupert A. Jellison is now retired after 36 years with the Hercules Powder Co., Los Angeles and San Francisco. His home is at 342 West Ave., Los Angeles.

1911 Lewis A. Keen is vice president and treasurer of the Allied New Hampshire Gas Co. in Portsmouth, N. H. His residence address is 1003 Woodbury Ave., that city.

1917 Clyde Benson’s daughter, Margaret, has been accepted for entrance to the University of Maine. This fall his home is at 32 Tallman Ave, Nyack, N. Y.

1919 James Quine, son of James P. Quine—lawyer of Bangor, has been accepted as a freshman in the School of Science. This fall Mrs. Quine was a member of the Class of 1923—Marion Day.

1920 Edward A. Dore of 231 Highland Ave., Millinocket, is chief chemist for the Great Northern Paper Co.
1921 Mrs. Stormont Josselyn (Emilie Kritter) 15 Caryl Ave., Yonkers, N. Y. Mrs. Stormont Josselyn (Emilie Kritter) delegate from the Bangor Teachers Club to the National Education Association convention in San Francisco, July 24-26, will serve as a member of the Executive Committee with National President, Miss Cora Mowrer, Miss Mowrer President of the National Education Association, was guest speaker at the Bangor Teachers Club banquet in April of this year. Miss Jessie Fraser, Mrs. Emmons Kinsbury, and Miss Esther Dudley are accompanying Mrs. Bowles, Miss Fraser as delegate from the Penobscot County Teachers Association.

An April communication revealed that William B. Cobb has moved from Hermine, N. Y., to 367 Stevens Ave., Portland, Maine.

Lavell Junior College in Auburn, Me. Miss, of which Raymond C. Wiss is the president, celebrated its 106th birthday on June 9th.

Joseph B. Chaplin principal of Bangor High School, was elected to the presidency of the National Association of Secondary School Principals early this year.

Sherman Hall, son of the late Sherman B. Hall, is entering the U. of M. this fall in the School of Forestry. The Hall's home is North Haven, Me.

Harold Pratt's daughter, Lois, will enter the University this fall. Another daughter, Frances, graduated in June. Onsime Cyr's son, Paul, expects to attend the U. of M. this fall. The Cyrs are residents of Waterville, where Mr. Cyr owns a drug store.

1922

Ellen Simpson, daughter of Dr. Oscar and the late Mary Bunker Simpson of Centerport, Mass., is entering the U. of M. this fall as a freshman.

30th Reunion June 13-15, 1952

Earl Stoughton, son of Everett and Gertrude Parnham, of Portland, will enter the University this fall. Earl Runmer's son, Peter, will also be a student at the University this fall; The Runmers live in Portland, Maine.

John T. Quinn is public relations officer for the Penobscot County Civil Defense organization. Col. Francis Fuller, U. S. A. (retired), formerly of the University R O T C., is head of the organization.

1923 Mrs. Norman Torrey (Toni Gould) 9 Poplar St., Bangor, Me. Frank E. Curtis, Jr., will enter the U. of M. in the fall as a freshman in the College of Arts and Sciences.

THE MAINE ALUMNUS

JUNE, 1951
1926 Mrs Albert Nutting

The yearbook 25th reunion with 56 members of the class present. All the news about all the people could not be put together in time to make the deadlines of This Alumnus. We must watch the first fall issue for the complete round-up. Those coming the greatest distance to attend reunion were George Littlefield from Shreveport, Louisiana, General George Acheson from Kansas City, Mo., Professor R. W. of the University of Maine, and four from the University of Maine, who will enter as a sophomore—he has been attending the University of Vermont. Robert Wood, son of Paul E. Atwood of Brewer, will enter as a freshman.

Howard H. Small lives at 55 Prospect St., Wilton, Me., Frances (Wilderc) Eldridge is librarian at Rivier College in Meriden, the future Mrs. F. A. (Mrs. Howard) small business in Augusta, and during business hours will be found at Nixco Services, Inc.

Dr. E. E. E. T. is living in Orono at 73 Main St. with his wife, Bill E. H., who is studying at the University of Maine. Peg is supervisor of Carnegie Library on the campus.

If you are in New York City and want to look up William B. Plate, his business address is Castleton China, Inc., 212 Fifth Ave., New York City.

William "Bill" Getchell is in charge of the Maine Turnpike Authority. His address is 355, Peabody St., Portland.

Richard W. Gustin 91, Norfolk St., Bangor, is secretary of the Maine Branch of the Federation of Labor.

Frank Morrison is a chemist with Penobscot Chemical Fibre Co. in Great Works and is well known throughout this area for his basketball officiating. Remember the ancient vehicle he resurrected for our reunion in 1931? You have just recently seen a picture of it on the front page of this letter sent out in connection with reunion.

Mary Roche teaches in Portland and is a delegate to the Women's Legislative Council in Maine.

Gerard "Jerry" Wheeler is in charge of the Union County Fair. He serves on the Maine State Board of Agriculture.

Walter "Snoopy" Mack is in the Army Engineers in the Canal Zone. His address is c/o Box 406, Coco, Panama. We find Carl Harmon is superintendent of schools in Bridgton. It is a union of schools.

Elliott "Speed" Miles is located in his home town Calais and is with the St. Croix Paper Co.

Sylvester Poor is with the State Highway Department in Augusta.

1927 Miss Marion Cooper

230 State St., Augusta

25th Reunion June 13-15, 1952

Susan Humphrey, daughter of Hilton Humphrey, was elected to enter the U of M as a freshman this fall. Also registered are Jean Eastman, daughter of the late Robert Eastman of Farmington; and Daphne Winslow Merrill (Mrs James W.) of Farmington, who has been elected president of the University of Maine Student Government for several years and has served as state first vice president for the past two years. She is also head of the language department at the University of Maine.

1928 Miss Mary McGuire

St. Mary's, Maine

John W. True has been a college student at the University of Maine, and has served as a freshman.

Sons and daughters of the Class of 1928 who will be freshmen at the University in the fall are Ruth Thompson (Ruth Thompson, 1928), this is a third generation Thompson too, for young Ruth's grandfather was a graduate in the class of '91 Lawrence Lynam (Lawrence Bar Harbor), and Joan Gelly (Vineta Whitehouse, Village Hillhouse, Virginia)

1929 Miss Barbara Johnson

32 Orland St., Portland 4

Worth Noyes, her little two year old daughter, Mary Jane died recently at a hospital. She was sure that every member of the class who wished to offer sympathy to the family. At the time of her death, it was requested that flowers be omitted and that friends give instead of the National Heart Fund Drive.

Seven sons and daughters of Class of 29 members of the class expect to enter the University of Maine in the fall as freshmen. Rowena Palmer (Rowena Palmer, New York, N.Y.), MD, Anderson (Kenneth, North Amity, W. Va.), and Peter Hall (Peter Hall, Beatrice, East Millinocket) Paul Mudgett (Perley, E. Walpole, Mass.), Bruce Woods (H. W. Rodenhouse, Mass.), David Shirley (Noyes and Dorothy, homer, Maine), and Shirley Bostrom (Col. Frank—permanent address unknown, in Germany).

1930 Mrs Pauline Leech

(Polly Hall)

Homer Folks Hospital, Orono, Me.

Major M. B. Beckwith is playing an important part in the United Nations Korean Relief Program. He is the liaison officer of the U. S. Civil Assistance Command in Korea and is currently engaged in supervising the unloading of Victory ships at a Korean port. His family is residing in Japan.

Miss Beckwith and Bruce and Margaret Alford F. Howard is Division Manager with the Maine Power Co. and lives at 59 Reed St., Portland.

H. G. Pratt of Orono was elected secretary-treasurer of the Maine Association of Engineers at an association meeting in February earlier in the year.

James F. White, former city council chairman of Bangor, is the president of Civil Defense. He is in charge of public information and education, and also has the job of coordinating various specializations in the defense set-up.

Two sons and two daughters of Class of 30 members expect to enter the University of Maine as freshmen this fall. They are John Dixon (Alton, So. Brewer), Herbert L. Nickels III (Herbert, Jr., Portland and Herbert Sr. grandfather); Patricia McIntyre (Clifford, Pesham); and Margaret Booker (James F. and Katherine Buck '29, Falmouth, Ohio).

1931 Mrs Sam Searl

(Ethel Thomas)

4 Gilbert St., Orono

Plans were discussed for a big twenty-fifth and it was decided to have a class get-together each year until then at commencement time preferably on Friday night before Alumni Day, in order that bigger and better plans may be made.

Emerson Copeland Chandler and two sons and daughter are on campus to witness Robert Chandler, now president at University of Maine, as a graduate and receive an honorary degree of doctor of law and give the commencement address to the graduating class on Sunday, David Chandler, the oldest son, will be entering Maine in the fall.

Elizabeth Livingston sent her best wishes to the class from Winchester, Mass. She is still at Winchester High School, as librarian. Also notes from Isabella L. Nesbitt of 120 Chestnut St., San Francisco, Calif., Dr. Donald, Box 363, St. Mary's, J. D., 924 Ave., Drexel Hill, Penna., George W., Fairbanks, 189, Kemball Ave., State Island, N. Y., Lester Clark, 32 West Maple St., Ellsworth. Showing some real class spirit Royal Roulston came all the way from Salem, N. H., in time to attend the Alumni Dinner on Saturday night Mrs. Roulston accompanied him.

The twentieth reunion of 1931 started off with a bang, when about twenty-five members of wives of husbands at the Penobscot Valley Country Club for a meal.
buffet supper on Friday night. A fine time was had by all. Memories were recalled and a wish that we could have had a meal with some of the old group present. Were present were Mr and Mrs Jay O’Laughlin, Mr and Mrs Maxaline Bechler (Mary Galaher), Mr and Mrs Herbert Hammons (Louise Durgin), Mr and Mrs William Gilmore (Marion Avery), Mr and Mrs Warren Blockinger, Mr and Mrs Samuel Sezak, Walter Clark, Mr and Mrs Stetson Stimson (Charlotte Cleave), Mr and Mrs Roy Haff (Jean Kierstead), Mr and Mrs R Dornald Goode, Mrs Alvin Giffin (Viola Putt,ing), Mrs Austin Brigham (Gloria Wadleigh), and Mr and Mrs Parker Cushman, Mr and Mrs Mickey (Francis) McGuire.

The class meeting was held in one of the reading rooms in the new Library, with Samuel Sezak presiding. The report of the secretary included a plea for more news from all members. The treasurer reported the names of those members already contributing to the Dollar A Year plan for raising funds for a Twenty-Five Year gift to the University, and stated the amount received to date. The following officers were elected President, Samuel Sezak, Vice President Mickey McGuirr, Treasurer, Louise Vesta, Secretary, Ethel Sezak, Executive Board Donald Marshall, Parker Cushman, Marian Gilmore, Charles O’Connor, Philip Brockway, Jessie Fraser, Reunion Committee, Jay Holmes, Gaiu Veayo, Walter Clark, Warren Blockinger, Margaret Bitter.

Webber Norman Webber, Linnwood Day, Ruth Hasey Loomis, Jr, Jay O'Laughlin. As a means of stimulating class interest and of securing class news, a round-up letter plan is to be started and drawn up by Marian Gilmore and Mickey McGuirr. This will be reaching you sometime in the future.

DOING YOUR PART WRITE YOUR BIT AND SEND IT ON TO THE NEXT CLASS MEMBER IN THE CHAIN.

Especially proud that day was Lou Durgin Hammons whose son, Herbert Jr, won the Honor and Book Prize the night before Bangor High School. This prize is presented to the outstanding boy of the junior class. Walter Clark of 26 Shawnee Road, Burlington, Mrs Clark who accompanied him to reunion was the former Mildred Goldthwaite, a teacher at the Webster School in Orono. The Clark family have three children, Robert 15, Richard 10, and Cynthia 5. Walter has his own business concern—roofing, siding, insulation, and tile.

From Mary Galaher Buchan who lives at 28 Kaler Road, Portland, comes the following letter. Mrs Osgood’s dog lives in Youngstown, Ohio, where she has a new home. She plans to come to Maine this summer. Jack Elliott lives in North Anoover and has three boys. Were to be glad to learn that Jack was back to work after a serious automobile accident earlier this summer. Pools and Dick Loring still live in Portland where Dick is in the oil business. They have two boys.

Robert Whitten lives in Lee and is married and has two boys, ages twelve and seven. He is a town father there and is in the sand and gravel business.

Mary McLoon Rand lives at 7 Melville St. Augusta, where Phil works for Westinghouse Supply Co. The Rand have two boys, David S. and Robert 13.

Marian Avery Gilmore lives at 128 Silver St. Waterville, and at summer cottage at Sabattus Lake cottage 135. She would like to see classmates at any time at either address she says! Willard 32, who was our official class photographer, by the way, has a general insurance agency.

Maran reports that Jennie Davidson Jackson lives at Teague, N. J., and has one son, Robert is with Wearaver Aluminium Co.

1932

20th Reunion June 13-15, 1952

Albert Dekin was recalled to service with the Navy on April 30 to report on May 21. He is an LT Commander and is stationed in Hawaii as an Inspector-Instructor Mrs Dekin and Albert Jr, are with him and living at Ft Ethan Allen.

Jim Sims is now Southern Regional Manager of the W. T. Grant Co with offices in Atlanta. Ga. His residence address is 2550 Roswell Rd., Atlanta.

1933

Mrs John R Carnuchan (Dorothy Findlay)

36 Goudy St, So Portland

Mrs Kenneth H Ferguson (Helen Gilman) recently moved from Minnesota Mmm. to 2355 Spruce Pl, Albuquer-

que, N. Mexico.

Donald E. Frazer has been named Chief Chemist of the Chicago branch of the Bird & Son Co. He was with the Norwood Mills, roofing plant of that company prior to this promotion.

In March Dr. Philip Gregory of Boothbay Harbor was elected Maine chairman for the spring session of the American Chapter of the International College of Surgeons held in Bangor. Dr. Gregory is following the footsteps of his father, Dr. George Gregory, who served long and faithfully as a thoracic and surgical doctor in the Boothbay region. Dr. Philip Gregory keeps his community up-to-date on the latest medical developments and St. Andrews Hospital, which was founded by his father at Boothbay Harbor, is one of the few small hospitals approved by the American Medical Association.

C. Everett Page was named Executive Secretary of the Bangor Chamber of Commerce in the early spring. Since 1945 he had been operating the Page Teachers’ Agency and the Page Telephone Answering Service. Mr. Page was chosen from among 26 applicants.

1934

Mrs Robert Russ (Maddy Bunker)

17 Westview Rd. Cape Elizabeth

Peter Kentak has become a second son and third child in the family on February 17, 1951. The other youngsters are Peter who is five and Margaret who is two.

Hasey’s Maine Stages, Inc. of which Harry Hasey, Jr., is the junior partner recently relocated to the Bangor and Aroostook Railroad.

Richard C. Aiden has been made a Director of Stecker-Fraun Lithograph Corporation of Rochester, N.Y., and San Francisco, Calif.

Jean Cousins, daughter of Maurice Cousins, who attended the University with the class of 1934, is to enter the University in the fall as a freshman.

1935

Mrs Thomas McGuire

295 W. 107th St.

New York 25, N.Y.

The end of another school year, and congratulations to the sixteen year outers! Just think, we were first heading for Orono when the class of ’16 was in that position.

Had a note from Betty Wilhelms Bas- set recently. She was at a U of M Alumni dinner not long ago with Al (Dyer) and Ed DeCourcey and Dot Moxihan Ed acted as chairman of the gathering and it was a successful affair both from the point of view of reunions effected and from a business viewpoint.

Betty reports that she chatted with Red and Mrs Corbin, Henry and Mrs Conklin, Mary Talbot, Bean 36, and many of the younger alumni. Betty further reported that she and Newk would be in their new home after May 28th at 12 Graham Ave, West Haven Conn. Our best to you both Betty in your new home.

Report is that Carl Whitman recently visited the Maine came for interview. He is associated with State Mutual Life Assurance Co. of Worcester, and a short time ago returned from an extended business trip to the West Coast.

Announcement was made in mid-May of the marriage of Dr Raymond B Lacom (veterinarian) of Portland, N. J., to Mrs John L. Chadbourne of North Berwick. Mrs Lacom widow of the late John L. Chadbourne is active in many community activities in Berwick.

And so ends The Alumni for another year. Have a wonderful summer and drop me a line before fall so we can start the new year off with a lot of news.
1936

Mrs Edwin P. Webster
(Phyl Hamilton)
258 Norway Rd., Bangor

It has been so long since I have had so much news for a column that I am at a loss as to where to begin! But I love it!

The first event of the reunion week was the dinner Friday night, but since we were unable to be present, I can’t give a first hand account. It was a small turnout, and those who were present were a bit disappointed.

Saturday there were more of us about and the activities took place. At the class meeting in the morning the only business was the election of officers. The officers remain the same.

The big day was Sunday when we had an outing at the Kenduskeag Canoe Club in Hampden. We had a lobster dinner and talked and talked, and I am afraid acted just the way we did from ’32-’36. It was loads of fun and I hope that the next time more of you can get back.

Now for the news gleaned from the week end (I passed a paper around and let everyone write his own history and among those)

Fred Anderson is a doctor (general surgeon) is married and has two boys, aged eight years and six months. His wife, is also an M.D. (an anesthesiologist) and the Andersons live at 16 Warren St., Norwich, Conn.

Paul and Alice (Cronell) Iord have four children and have just bought a new home at 54 Drew Rd., So. Portland. Harold is with E. R. Shubb & Sons in Portland and Four years ago he was employed by Horton-Noyes Co. (advertising) Residence is 61 Homefield Ave., Providence, R. I.

Kay Hostor (stil the same Kay and she can do the split, too!) is with the Connecticut State Department of Education as Supervisor of Elementary Schools. Her address is 1285 Blvd., Apt. 24, New Haven, Conn.

Prof. Harold Woodbury is in the Department of Physical Education at the U of M. He and Henrietta (Ciff ’37) have two boys and live at 7 Park Lane, Orono.

Jack Getchell is also at the U of M in the Agricultural Experiment Station. He has a boy and a girl (seven and four) wife, William (Palmer) Parsons and husband Kenneth live in Old Town, 80 S 4th St. They have one son. Husband, Ken, is associate professor of electrical engineering at the University.

Don and Lynn (Parkman ’39) Huff have two girls and reside at 8 Penley St. Augusta. Don is employed by Stewart and Williams, general contractors, as general superintendent.

Jim O’Connor has his own insurance agency in Augusta. He has a son and a daughter, and his address is 48 Eastern Ave.

Don Huff was in the Saturday doings on the campus and had planned to come for the Sunday fun but had to cancel at the last minute. We were sorry that you didn’t turn up!

Another Augusta-ite is Pete Weston, who is now a salesman for Westinghouse Electric Supply Co. He and Hope brought their two fine sons, Robert 10, and James 7, with them. They and George Frame’s sons, Bob and Jim, have been in the country for a few days. I think they had as good a time as the parents did.

George and Elizabeth Frame live in Fairlawn Ave., So. Portland, and he is a special agent for Travelers Insurance Poster and Solvay (Herstatt) Hemmings have two sons and a daughter. Their address is RFD #1, Cumberland Center. Poster is superintendent of the Portland Water Department.

I just caught a glimpse of Art Roberts as he was on his way to visit friends. He has a son and a daughter and his address is R.F.D. #2, Portland.

Tom Reed and his wife, Betty, really had a trip. They drove from Pittsburgh, Pa., to Boston with their four children, 3 boys and a girl, and then on to Orono alone. Tom is assistant to the vice president of U S Steel Co. and his address is 323 Mohruck Ave., Pittsburgh, Pa.

Jim and Frances Haggart live at 224 Exchange St., Mills, Mass., and have two sons, run his own restaurant and refrigeration supply business.

Carolein (Currier) Lombardi has recently been elected president of the Junior Welfare League in Bangor. Her husband is a major in the Air Force and is stationed at Don Field currently. Their address is 330 Sonn Sutton, Bangor.

Gorham and Winnie Levenseller have a new daughter, Susan Linda. She is now four months and is their first child. "Gerny" is a painting contractor with the W. H. Gorham Co. of Bangor.

John and Libby Sealey live in Skowhegan and have two girls and a boy. At the meeting of the General Alumni Association Saturday morning, John tendered his resignation as Alumni Secretary. I know I can speak for the class in saying we’re proud of the job you’ve done at Maine, John, and that we’ll be lucky in the future.

Puss (Brown) Parker is librarian at the Garland St. Junior School in Bangor. Frank and Libby have one New England Tel & Tel Co. They live on Holyoke St. in Brewer.

Darrel Currie and his wife also live on Holyoke St., Brewer. He is with the F.B.I. The Curries have two children.

Candy and Billy Lynch live at 142 Hammond St., Bangor, and have one daughter, Pamela. Candy is a salesman for the Cudahy Packing Co.

Actor Abbott is a tool design engineer for the New England Tel. and Tel. Co. His office is in the new building on 185 Franklin St., Boston. The Abbotts live at 46 Highland Ave., Watertown, Mass. Joe and Anna Mullen live at 323 Buck St., Bangor. Joe is a manufacturers agent for atomic supplies.

Reggie and Don Naugle have three children, two girls and a boy, and live at 23 Young St., Bangor. Reggie has his own ready-mixed concrete business.

Asher Sylvester and wife came up from Worcester Mass. (574 Chandler St.) He is a salesman for Hawkbidge Bros., a steel concern. Last fall Asher made a flying trip abroad and visited several European countries.

Besides those present at reunion, we had a few messages from "well wishers" who couldn’t come.

Arbie Dougherty and "Mac" McBryd went together in New York and sent a telegram as follows: "If you are lucky, non-working 30ers pose for a picture, seat, please include us with this telegram.

Someone informed me that Arbie is personnel manager for Guaranty Trust Co. Is that so?

Libby (Philbrook) Ingraham writes that she and Carl have a new daughter, Sarah, born February 26, 1951. That makes 5 children for the Ingraham family!

Carl graduated from Wayne U Law School June 14. Congratulations on both events! Their address is 940 Harmon St., Bingham, Mich.

Louise Stevens was here at the house a few days before reunion but couldn’t be here for the outing. She is a real estate agent in Lincoln, Maine.

Alvin ("Bus") and Sully Heald expressed a wish to see us. They are in North Dakota—302nd St., Riverdale. They have three boys and Bus is resident and part owner of the U. S. Bureau of Reclamation.

Many thanks to those of you who answered our appeal for funds for the class treasury and I hope all of you will be back for our 20th in 1956!

1937

Miss Nancy Woods
342 W. Freeman St.,
Norwich, Conn.

15th Reunion June 13-15, 1932

A newspaper clipping which has reached me shows that Mildred (Dixon) Haskell was a candidate for the position of Town Clerk of Buxton earlier this year. Two generations of her family before her have held the position for many years, an aunt and a grandfather. Millie has also been an instructor in modern languages at Patten Academy since leaving the University.

Lester Smith writes that he went to Orono for Farm and Home week in early April and met Bill Forman there. Bill was demonstrating a wood chipper machine which he and his father make and sell in Pittsburg, Mass. Also at Farm and Home week were Fred Judkins, and wife, and two children looking for ideas for their farm in Upton, Maine.

Lester’s presence at Maine’s Farm and Home Week was to look for pointers for organizing the same type of program for the state of Vermont. Maine’s Farm and Home Week is reputed to be “tops in New England.”

Howard J. Stagg has been appointed manager of the Boston Office of the Connecticut General Life Insurance Co.

1938

Land. The Kellys will reside in their new home on Austin St in Portland following a wedding trip to Canada. Mrs. Kelly attended the Waynflete School and was graduated from House in the Pines in Norton, Mass. Don is associated with the Gould Equipment Co in Portland.

Mollie Ernst is a sales engineer for American Bagatelle Co and lives on Nevada St, Portland. The Ernsts have two children.

A letter from Ruth (Pagan) Hamlin `39 reveals that she and Joe are now living at 104 E Fillmore St, Petersburg, Va. Joe is a Major and stationed at Ft. Lee. Ruth says that she knows she could eat a dozen lobsters at one sitting, it’s been so long since she has been in Maine! She says that she reads The Alumnus avidly for news of college friends and decided it was about time she sent some news in herself. Latest on Ruth is that she was recently elected President of the Ft. Lee Women’s Club, an organization composed of some 450-500 women with a range of activities which includes running an actual store (Thrift Shop) and many welfare and community activities. Congratulations ought to go to Ruth for this achievement!

I want to correct an error which was printed in the last column. Elwood Addition is with Blau-Knox Construction Co in the Chemicical Plant Division.

The Merrill Trust Company
With thirteen offices in Eastern Maine
Member Federal Deposit Insurance Corp.

1939 Mrs Donald Huff
(ETHelyn Parlkman) & Peter
8 Pendleton Rd, Cambridge
Capt Lawrence Staples, Chaplin
Corps, went overseas in February
after being at Camp Devens since
last September.

Mary Jo Davitt (Mary Jo Orr) was
elected president of the Bangor Teachers
Club at the meeting in May.
Herbert A. Leonard has been named
an associate professor in the department
of Animal Husbandry at the Univ of
Maine with duties starting on July 1.
He will also be a state extension dairy-
man.

1st Lt Robert B. Cook was recently
graduated from the Engineer Equipment
Maintenance Officers course at the
Engineer School Ft Belvoir, Va. He
was recalled to active duty in January 1951.
Mrs. Cook and two sons continue to re-
side in Scotch Plains, N J where they
were living at the time of Lt. Cook’s recall.

1940 Mrs Edward Ladd
(Peggy Hauck)
108 Talbot Ave, Rockland
Vincent Checchi has been designated
as acting chief of U S Special Tech-
nical and Economic Mission to the
Philippines Republic which was formally
established by President Roosevelt.

Phil Curtis moved earlier in the
spring from Connecticut to 217 Marlow Rd, Marshfield, Ohio.

Mrs James G. Pattee (Janet Collett) is
living at 8 Bowling Green Ave, Point
Claire, Quebec, Canada.

Tommy Fielder was married in March
to Elizabeth C. Orie of Syracuse, N Y.
Tommy is with the General Electric in
the Advertising Division.

Orie O’Brien is forest engineer with
the Dead River Co and lives in Island Falls.

Myer Alpert is an economist in the
Division of Research and Training of the
His residence address is 3307 Chauncey Place, Mt. Ranier, Md.

Edward E. Davis is assistant track
supervisor for the Maine Central Rail-
road in Lewiston with residence at 229
Ash St that city.

1941 Mrs Yale Marvin
(Hilda Rowe) Kenebeen Rd,
Hampden Highlands

We had a marvelous 10th reunion. It
was simply wonderful to see so many
people back on campus. At the meeting
we elected the following officers: Dud Utter-
back president; Helen Woodworth Pierce vice
president; Hilda Rowe Marvin secre-
tary; Samuel Tracy, treasurer; and an
executive committee composed of the fol-
loving Cecil Howes, Conne Philbrook
Leger, Betty Howes, Wilford Burt
Os
good. It was decided to continue our
policy of collecting class dues for the next
five years of $20.00 per year payable yearly
or in one lump sum to Mrs. Tracy
31 Central St, Bangor or Dud Utter.
back 45 Eddyway Bangor (Checks
should be made out to Class of 1941. U of
M.) With these funds it was voted to give
$100.00 to the Alumni Activities Fund which is a fund set up to assist
in financing the activities of the General
Alumni Association (partially in connec-
tion with Homecoming and Reunions).

The possibilities of having a $2500.00 an-
nuity to be used toward a gift to the
Universities on our 25th reunion was dis-
cussed, but it was decided to wait until
our next reunion to make any decision
on that. With all of these things in view,
it is urgent that we all pass our dollars so
that our treasury may grow a little.
Many thanks to you who couldn’t
come back but who sent notes. We missed
you all.

Joanne Evans Bardo wrote that she
had been in Virginia with Clinton who is
back in the Army and would be returning
to their home in Hamden, Conn., around
the time of reunion along with their
shild.

Peter Skonie’s address is American
Embassy Rome. Don Devoe is living at 1002 W Main
St, Urbana, III.

Virgil Pratt wrote that he spent three
years at the Univ of Michigan working on
his Ph D. He is now an assistant pro-
tessor of Fishery Biology, teaching the
fishng program at the Univ of Maine
there.

Pratts have three children-Virgil, Jr., Steve, and Margaret.

Roger P. Strawt’s address is 20 Pochan-
s Rd, Massapequa, N Y.

Betty Mack Silvestro continues to work
on her Ph D in Modern European His-
tory at the Univ of Wisconsin. She and
Charles in Maine, at the end of June.

Allan P. Storer owns and operates the
Storer Laboratory, at 327 E. Donnon Ave.
Pendleton, Oregon. His work he writes
consists primarily of clinical analyses with some agricultural tests.

Charles and Betty Adams sent their
good wishes for our reunion.

Charles Gardiner wrote that he still is
with the N. C. Pulp Co in Plymouth, No
Carolina, buying pulpwood. The Gardners
have a new daughter, Nan born on May
31st. Congratulations!

William Blake is living at 907 N W
8th St, Rd, Miami, Fla.

Hartwell Lancaster is a Lt Col in the
U S A F.

George and Dottie Xygom have a son,
John born on April 11 1951. They are
still at Box 2623, New Shaker Rd, W.
Albany, N Y.

Isabella Cody Shipman sent her re-
grets. One of her children had the measles
and the other two were due to succumb
miserably. Wayne is completing his fif-
th year as an agricultural teacher in La-
coma, N H. They would love to see any
of you who happen to be over that way.

Nice note from Gwen Weymouth Cooke.
She graduated from Yale School of
M D, in November 42. They are
about to move to 28 Prospect Lane, Ham-
den, Conn. (Are you new to work, Dr. Cooke is an assitant professor at
Yale Medical School. They have two
children: Robin-3, and Christopher-
11/2. Gwen sent everyone her best.

Rockwood Berry is in partnership with
Berry Hill Orchard Co in Livermore
Falls. He would like to see some Ners,
too.

Ruth White Wight (Bill 36) wrote that
they were sorry not to get here, but
that it would be a trip with their
tou active chircubs.

Harold Anderson (Andy) has been
called back into the Air Corps, Research
and Development Command, Dayton,
Ohio. He left on June 16th. After this
he will be back at his position as an engi-
neer with the New England Tel and Tel Co.

Richard Peci is in Korea. He is Ma-
ine Corps.

Candage has been in Athens, Greece,
with the U S. Public Health Ser-
vice since March 1948. His wife and 5
year old daughter are with him. They
were home for a month this winter. His

JUNE, 1951
Mrs. A. D. Gambier (Terry Dunmuir) 1141 Holland Rd. Crum Lyme Pa.

Only about a dozen class of 1948s managed to get back to Orono. The following is a list of those who did. You’ll find a list of those who got back on another page in this issue of The Alumnus.

1946
Mrs. A. D. Gambier
(Terry Dunmuir)
1141 Holland Rd.
Crum Lyme Pa.

About a dozen class of 1948s managed to get back to Orono for the 5th reunion. We’ll hope for a really big group for next year’s 10th which is the next scheduled reunion. You’ll find a list of those who did get back on another page in this issue of The Alumnus.

1947
Mrs. Paul Dow (Peg Googins)
Turner, Maine

1948
Mrs. Willard Moulton (Polly True)
Standish, Maine

At least three 1948 daughters have arrived on the scene during the past few months. Grace McMillan whose mother is a graduate of Massachusetts College of Agriculture at Amherst and the Roman Catholic University of Amsterdam and the Catholic University of Tilburg. He also attended courses at Cambridge University, England, and the University of Maine during the summer and fall sessions of 1950. He is employed as a cost accountant for the United Corporation of Waterbury, Conn. His home is a demonstration agent in Oxford, Conn. The wedding is planned for this summer.

Rip Haskell has brought me up to date on himself with news of his marriage to Jessie D. Dill at Bangor, Maine on September 4th. He is now working with American Optical Company in the capacity of traveling emissary of good will, with the title of Sunshine Salesman. He claims he has failed to run across any of his friends in his recent travels through New York, Chicago, Detroit, Cincinnati, Kansas City, Salt Lake City, Los Angeles, San Francisco, Dallas, Houston, New Orleans, Atlanta, Jacksonville, Savannah, Columbus, Richmond, Philadelphia, and Woodstock, Conn. If there are any friends of Rip’s left, let him know.

Edith Sheldon is working as a therapy technician at the Mercy Hospital in San Diego, California. She is living at 41525 Short Jackow Street, San Diego 3 The Mercy Hospital is a large, well-equipped hospital and is, Edie says, a very interesting place to visit. She seems to go for the high society there.

Mrs. (COWIE) Ramseys has loads of news of Bob and is still with American Optical Company.

The Hastings Battley’s (Jayne Hanson) 49 are living at 14 Hamlin Street, Orono. Bun is working for Northern Paper Company There’s a Peter Battley in the family — ten months old.

The John Days (Eve Dunmuir) are up to date with news that Johnny is teaching industrial arts at the Roger Williams High School he is doing quite well. The Days and one-and-a-half years old Crystal live at 866 Howard Avenue, Bridgeport Conn.

Leonard Pearson wrote a very interesting letter this spring covering his wanderings since graduation. He is probably the most recent graduate to receive a bachelor’s degree in engineering. He was graduated in 1948 and is now working for Babcock & Wilcox Co. in October, 1948 Supposefully working out of Cincinnati, Ohio, he has actually lived in Kansas City, St. Louis, Missouri and now Film Flon, Manitoba, Canada, where he is in operation at the Hummingbird and Smelting Co. Ltd., Film Flon, Shiloians.

International Business Machines

1702 North

Endicott, N. Y.

Interviews arranged in your city

and miscellaneous coal firing equipment.

Leonard says Flin Flon is a rough mining settlement in the midst of a sportmen's paradise which boasts 30 lb lake trout, Caribou and bear on the outskirts of town, -40° temperatures a common occurrence in winter, and twenty-two hours of summer sunlight. If you plan to visit the Pearsons, prepare to travel the last 600 miles over dirt roads, but, when you arrive, there's a new golf course waiting for you, and lots of hockey, skating and curling most of the year with a little baseball during the short summer season. Eddie has sent beautiful news for the column. Be storing some up during the next few months so the full issue can have a hint of balmy summer days in them.

1949

Miss Frederick Robe (Thelma Crossland) 5 Rivendale, Orono

(Ed Note: The column for this issue was written by Jayne Bartley since "Bing" took off for OAPN convention in Colorado on Centennial Day.)

"Twas good to see all those who were able to get back. We had a good time at last Friday night at the Pilot's Grill and had our classmeeting on the campus on Saturday morning electing the following officers. In addition to "Bing" President Arnie Davis, vice president Joe Cooper, treasurer Les Deering Starbird.

"We hope everyone will try extra hard to return for our next reunion in 1951!

Now for the news of those who did return this year Arnie Davis is working for Unity Feeds, Inc. of Boston, Mass., and living at 132 Brunswick Ave, Gardiner, Maine.

Elmer J. Orcutt is engaged to Miss Charlotte E. Swan of Princeton. He is employed in Philadelphia,
The sailors were sometimes a problem. William Coole in “Portland in the Past”, tells us of one such time. In October 1821, the Rev. Mr. Payson of the Second Parish Church was invited by the Portland Marine Bible Society to address the seamen. It was a time when many sailors were in port and Mr. Payson chose the First Parish Church because of its superior size, for the meeting.

All sailor-boarding-house keepers were invited along with their boarders. All went including one Horatio C. Quincy who kept the largest and best boarding house. Marching all his own men and such other sailors as he could persuade Mr. Quincy led his sizeable procession through the streets to the church. All told, the church was packed as it never had been before. Sailors filled the entire floor and galleries.

Mr. Payson, noted as a fiery orator, was delivering the final judgment to his audience: many of whom had never been in church before. With immense dramatic feeling he cried: “Our world, driven by the last tempest, will be dashed to pieces on the shore of eternity. Hark! What a crash!” At that moment a board on which some men had been standing, broke. There was a second of frightened silence after the crash. Then one excited sailor shouted: “She’s struck, men!” and made for the door. Before order was restored many sailors had escaped through the windows, others had climbed onto the rafters and hung there, expecting the worst.

Sailors

The 1820’s found Portland a growing, prosperous seaport. Ships of many nations crowded the wharfs, sailors of many more nations crowded the taverns along the waterfront. They were a bawdy lot, there was a color and a sound along Fore Street that is not found anywhere in the country today. Screaming, gaudy parrots clung to the shoulders of bearded, bearded sailors and added their bit to the color—and to the noise. Heavy drays rumbled along the streets, roistering sailors celebrated being safe shore after their long and perilous journeys. Strange Eastern tongues were heard and there was over all the mingled aroma of spice and hemp; of fresh-cut lumber and the clean, sharp smell of the sea. All these gave the waterfront the material for growth of the town—and prosperity for its people.
