FY09 BUDGET DRIVERS

- ❖ Essentially flat appropriation excluding research funding
- ❖ Slight decline in enrollment
- ❖ Increases in compensation, benefits costs, GASB 45, and fuel above inflation
- ❖ Minimize student cost increases (In-State, undergraduate comprehensive cost increase of 8.3%)
 - ❖ Financial aid increases from planned sources of \$7.2 million (11.4%)
- ❖ In order to balance budget, substantial operating cost reductions of \$15.7 million (3% of operating costs) are planned across UMS
 - ❖ Every attempt has been made to minimize the impact on quality and program offerings

UM BUDGET HIGHLIGHTS

Financial

- **FY09 budget reflects \$5 million in cost reductions and reallocations which includes 44 position reductions.**
- **FY09 base budget is balanced by significantly reducing positions & other expenditures coupled with a growth in budgeted credit hours and significant tuition & fee increases.**
- FY09 base budget provides for increases in:
 - Compensation pursuant to collective bargaining and Board policy
 - Budgeted depreciation
 - Financial aid to assist in offsetting price
 - Utilities and fuel costs
- FY09 budgeted enrollment is 1.8% over Fall 08, approximately 1% below '08 actuals
- FY09 includes 9.6% to 9.8% tuition increases, a 9% mandatory fees increase, a 7% room and board increase, and a 4% overall compensation increase.
- Tuition waivers and scholarships increase by 11% to offset tuition and fee increases.
- Units and department expenditures are not funded at appropriate levels to support necessary operational costs to offset the years of erosion.
- Pressure is emerging on the sustainability of credit hour generation given reductions in faculty positions.

UM BUDGET HIGHLIGHTS

Strategic

- Work towards planned implementation of Excellence Model:
 - Extensive academic strategic planning
 - Stabilizing the existing financial condition
 - Assessment of existing capacity
 - Increase retention to include the continuation of the Transitions Program and First-Year Resident Living-Learning Program
 - Increase net tuition
 - Maximize use of financial aid
 - Academic program improvements and department consolidations
 - Strong capital planning and increased facility renovation and construction
 - Targeted student recruitment to include focus on diversity
 - Realignment of financial resources to reflect enrollment changes
- Advance the Capital Campaign and Development Office to the next level
- Stronger delivery into mid-coast region through Hutchinson Center expansion and partnerships
- Continued momentum on research and economic development – now exceeding \$100 million
- Implementation and further development of the Comprehensive Campus Master Plan to include public/private partnerships
- Strengthen the Honors Program
- Consolidate graduate offices into a graduate center with graduate housing in Stodder Hall
- Increase graduate stipends and support for PhD research fellowships

UM BUDGET HIGHLIGHTS

Challenges

- **The short and long-term financial challenge is to find a solution to chronic revenue shortfalls through a sustainable business model.**
 - Workforce management
 - Energy management
 - Dining, other auxiliary services
 - Effective outsourcing
 - Organizational consolidations
 - Town/gown relations
 - Academic management
 - Facility benchmarking

- Need to provide appropriate levels of compensation
- Need to fund Deferred Maintenance
- Increase enrollment growth given declining demographics
- Strengthen emergency security efforts
- Increase State base appropriation for operations, capital, and MEIF
- Determine offsetting effects of continuous position reductions
- Fund utility expenses and increased employee benefits

UMA BUDGET HIGHLIGHTS

Financial

- **FY09 budget reflects \$536K in cost reductions and 5.5 net FTE position reductions**
 - Savings due to efficiencies realized from UMA/UC consolidation
 - 2% across the board cuts in non-compensation budgets
- Tuition increase of 9.2%
- Enrollment flat

Strategic

- Fully integrate UMA/UC operations and take a leadership role in revitalizing the UMS distance education mission
- Establish Development/Fundraising and Institutional Research Offices
- Develop new academic programs and delivery systems to address UMA's emerging transition as a baccalaureate institution
- Implement BS Nursing completion program
- Implement Baldrige continuous quality improvement assessment on campus
- Implement an orientation program for new faculty

Challenges

- Reverse downward enrollment trend
- Identify funding to update and equip dental clinic on UCB campus
- Continue to address UCB's significant deferred maintenance
- Acquire MPBN building on UCB campus
- Identify and implement energy efficiencies
- Succession planning

UMF BUDGET HIGHLIGHTS

Financial

- **FY09 budget reflects \$1 million in cost reductions and reallocations and 3 net position reductions**
- Revenues: budgeting heretofore unbudgeted revenues (non-degree credit hrs., etc.)
- Expenses: budgeting actual costs of part-time faculty and overloads
- Investments of about \$210K in strategic plan initiatives
- FY09 tuition increase less than originally estimated

Strategic

- Accountability measures: milestone calendar, spending strategy and priority list for freezes
- Any increase or decrease less than projected for state appropriation will go to student aid
- Development efforts will focus on student aid and the new arts center
- Strategic plan is our guide for investments
 - Curriculum adjustment
 - Marketing in support of institutional image and admissions
 - Advising & retention
 - Curriculum delivery efficiencies
 - Athletics – addition of 3 sports
 - Financial planning
 - Advancement work
- Keep campus engaged in strategic process
- Determine how to maximize the utility of PeopleSoft

Challenges

- Timing implications of implementations of Scannell & Kurz and Swardlick recommendations
- Enrollment: when will strategies have the intended impact?
- Future mission & cutting if enrollment not realized
- Fundraising
- Fuel costs
- Student aid & loss of Perkins Loan fund
- Campus morale and communications
- Funding of needed renovations in E&G and auxiliary areas

UMFK BUDGET HIGHLIGHTS

Financial

- 12% increase is high but necessary in order to provide a quality program
- Compensation & energy remain the two fastest growing segments affecting the budget
- Long range desire to hold tuition increases to no more than 1% above inflation
- Continue to move toward desired residential life level

Strategic

- Match or exceed break-even point in order to maintain a balanced budget
- Increase visual aspect of website and publications
- Endowment campaign – goal of \$2.5 million over 3 years
- Continue to promote & market campus facilities to outside organizations to generate additional revenue
- Continue efforts to fill existing facilities through financial incentives and by increasing our recruitment efforts for students in southern Maine and New England.

Challenges

- Energy costs – need to explore other energy sources such as solar, wood, hydrome, etc.
- Maximize the use and benefit of PeopleSoft
- One-stop student services – need to change office structure to enhance services but will require additional capital funding

UMM BUDGET HIGHLIGHTS

Financial

- **FY09 budget reflects \$600K in cost reductions and reallocations and 10 net position reductions**
- Level enrollment
- Proposed 12% in-state and out-of-state tuition increase
- Unified fee increase to support “smart” classrooms & instructional technology
- HEPI increases for academic departments with other operating increases held to minimum
- Residence halls still below capacity (68%) but occupancy steadily increasing
- Childcare center closed & fitness center operation restructured to eliminate annual deficit

Strategic

- Net tuition and financial aid strategies reconfirmed
- Student recruitment strategy refined to improve yield and push the ELA brand (ongoing)
- Classrooms and laboratory modernization during summer’08
- Environmental Liberal Arts (ELA) planning and implementation continues, strategically aligning curriculum, degree programs, and campus experience
- New website integrated with ELA marketing and student recruitment campaign

Challenges

- Maine demographics, especially severe in Washington County
- Funding to support the full implementation and marketing of ELA mission and focus
- Flat appropriation, deferred maintenance, internal loan repayment, no reserves

UMPI BUDGET HIGHLIGHTS

Financial

- **FY09 budget reflects \$118K in cost reductions and reallocations and 3 net position reductions**
- Flat enrollment
- Improved retention in residence halls
- Increased fundraising opportunities

Strategic

- Continued fundraising – exceed last year's target
- Strategic planning document completed
- Academic restructuring near completion
- Melmac grant studying retention
- Compass Planning Grant Native American awareness
- Budget Advisory committee representing all constituents of campus
- Dean of Students – position filled and now reviewing student service organization operation to provide more effective and efficient services for the student body.

Challenges

- Funding depreciation requirements
- Cost of utilities
- Folsom project underway, completion scheduled for fall semester
- Wind power – exploring several prospects
- Reorganizing athletic department
- NMCC cost of education – student recruitment
- Reduction of workforce to meet budget reductions
- Rising cost of providing a safe, clean, comfortable, and affordable housing

USM BUDGET HIGHLIGHTS

Financial

- **FY09 budget will ultimately reflect \$7.5 million in cost reductions**
 - Details on the number of the positions is being finalized and will be shared with the Board of Trustees at the May meeting. The final number of position eliminations will be much higher than the 30 previously discussed.
 - \$6 million in cost reductions have been identified to date
 - \$1.5 million in additional cost reductions are actively being pursued
- A 10.1% across the board tuition increase planned for undergraduate and graduate students. Law School tuition will increase 5.5% or less. Mandatory fees will increase 12.9% and differences in how the Unified Fee is calculated (based on location and term) will be reduced.
- Budgeted credit hours are based on actual credits generated in FY08.
- The auxiliary budget for Residence Life is based on Portland Hall being closed and a 90% occupancy rate.
- All ITV & compressed video revenue is being included in the base budget for the first time.
- \$500K being added for Marketing, \$150K for library acquisitions, and \$150K to support enhanced advising.
- USM is increasing institutionally funded scholarships by 10.1% (\$179K).

Strategic

- Integrated marketing plan being implemented.
- Implementation of new General Education curriculum in conjunction with enhanced advising and retention efforts.
- Enhanced recruitment with special emphasis on articulation agreements with the Maine Community College System.
- Tuition pricing, to include differential tuition possibilities, and financial aid studies underway

USM BUDGET HIGHLIGHTS

Challenges

- Increasing labor relations and legal costs due to workforce management.
- Unanticipated costs related to reorganization.
- Managing workforce productivity and morale while downsizing.
- Escalating costs for the operation and maintenance of new and existing facilities, to include those needed to support R&D initiatives.
- Making the \$7.5 million in reductions necessary to balance the budget.

SYSTEM-WIDE SERVICES BUDGET HIGHLIGHTS

Financial

- Reduced budget by approx. \$1 million in order to balance
 - Compensation & benefit increases (\$800K) offset by
 - Savings from efficiencies
 - Reduction of 3 FTE positions
 - No salary increases for senior staff
 - Reduction in legal, marketing, insurance, travel, equipment
- Primary sources of funding are state appropriation and investment income
 - Excess investment earnings are set aside for one-time strategic campus initiatives such as PeopleSoft implementation and matching state bond funds for capital renewal

Strategic

- Maximize use of technology investments
 - PeopleSoft
 - Regional Optical Network
 - Digital conversion of broadcast ITV
- Transfer University College operations to UMA

Challenges

- Fund inflationary increases with limited or no increase in appropriation
- Current fixed income investment environment; UMS share of Mainsail II loss
 - Meeting commitment to match State bond funds for capital renewal projects - \$4 million over the next 2 years
- Meet increased demand for IT services, security, and improved functionality
 - Maintaining PeopleSoft and legacy systems simultaneously through FY2010

SECTION II

ENROLLMENT AND PROPOSED STUDENT CHARGES

(See Appendix for Detailed Student Charges)

ENHANCED RECRUITMENT EFFORTS

- ❖ UMS market research and advocacy campaign
- ❖ Advertising campaigns
- ❖ Strategic financial aid
- ❖ K-12 Partnering
- ❖ Retention initiatives
- ❖ Articulation agreements, transfer incentives, seamless transition
- ❖ Redesigned System & campus websites
- ❖ Improved data information system being implemented
 - Data-driven planning and institutional research
 - Successful Shared Processing Center
 - Enhanced on-line applications

DEPRECIATION & DEFERRED MAINTENANCE

Depreciation

- ❖ Depreciation is the cost of allocating capital asset to expense over the determined useful life of the asset
- ❖ Goal in place to fully fund depreciation by 2017
 - Budgeted capital expenditures plus debt service principal will equal depreciation expense
 - Helps ensure future major replacement needs are funded
- ❖ Funding depreciation, however, does not fund the deferred maintenance/capital renewal needs in excess of \$500 million

Impact of Deferring Maintenance

- ❖ Negative image due to poor building appearance
- ❖ High risk of building system failures
- ❖ Increase in emergency reactive repairs
- ❖ Significant increase in operating cost
- ❖ Adverse learning environment

AGENDA FOR ACTION

MULTI-YEAR FINANCIAL PLANNING PROCESS

- ❖ Agenda for Action Goal for Financial Sustainability: “UMS will continue to be a financially stable enterprise over the long run, addressing the key issues and challenges of the future through a multi-year planning process that embraces prudent financial controls, transparency, cost containment, revenue enhancement, and optimal sizing of the institutions, functions, and activities.”

- ❖ Summer 2008, in readiness for the FY10/11 biennium request, the UMS will complete its multi-year financial planning exercise (currently in progress for the next two bienniums) giving consideration to:
 - Tuition strategy and affordability
 - Historical state support (operational, capital, and MEIF)
 - Capital renewal needs
 - Market-based total compensation (salary & benefits)
 - Energy costs and conservation
 - Declining demographics
 - Multi-year efficiency strategies
 - Overall achievement of financial sustainability outcomes

FINANCIAL SUSTAINABILITY OUTCOMES

	STATUS
❖ Hold annual cost increases to the Higher Education Price Index (HEPI)	FY02 to FY07 – annual average increase of 4%
❖ Fund retiree healthcare annual costs by 2012	On Track
❖ Fully fund annual capital depreciation by 2017	On Track but significant deferred maintenance backlog
❖ Maintain healthcare premium rates for active employees at no more than the New England healthcare cost trend average	Current year claims are challenging our ability to achieve this goal
❖ Monitor and achieve goals for selected financial indicators - Operating results – break even or slightly positive net change annually	Break even budget for FY09
- Debt service coverage ratio – strive for operational cash flow to be 2 times debt service	3 times in FY07
- Unrestricted net assets to debt – strive for unrestricted net assets to be one-third of debt	.3 in FY07
- Annual debt service shall not exceed 5% of annual expenses	2.4% in FY07
- Maintain or increase instructional and academic support expenditures – as a percentage of total operations	38% in FY02 40% in FY07
