Program
One hundred Years ago today,
One hundred years today
A new star was placed for the State of Maine
In the flag of the U. S. A.
And ever since she has proudly held
Her place in the World's history
'Till today she has reached Centennial fame
With a hundred years today.

Her name is known the world around,
Her sons and daughters great
In every branch of true usefulness
Win praise for the Pine Tree State.
In professions great, art or music fine,
In politics or business marts
The State of Maine always takes the lead,
Bringing joy to many hearts.

We now all join with heart and voice
In our chorus loud we say
We will give three cheers for the State of Maine,
Our Centennial State today—
Hip—Hip—Hurrah! for the Pine Tree State,
For the grand old State of Maine.
One hundred years she has proudly stood.
God bless our State of Maine!
