Women's Resource Center Transition Team presents:

A Spring Series of Programs Honoring Women's Lives

To continue the momentum and support for the Women's History Month celebration, the Women's Resource Center Transition Team invites the campus community to take part in a spring series of workshops devoted to women's development programs. We have attempted to select a diversity of topics that will appeal to a variety of audiences both on and off-campus. Presentations will allow for audience interaction and will adhere to times indicated on the schedule. Acknowledging and supporting potential interest in participating in this spring series is greatly appreciated by all supervising personnel.

Nomination forms to serve on the Women's Resource Center Advisory Board will be able at all workshop sessions or by contacting Pamela Dumas Serfes, Women's Resource Center Transition Team Chair, x1586. Information pertaining to Women's Resource Center mission, Advisory Board criteria and the nomination process will be included on the form. Self-nominations gladly accepted.
