# The Way to Victory

Edith Lowell

With spirit

There's a will and a way, so every - one to-day must help our Uncle Sam to be vic - to - ri - ous. We will work with all our might, Help with money in the fight, Proud to wave a - bove our heads the banner glo - ri - ous. We'll sing vic - to - ry songs, Pray for peace to right our wrongs, And bring a better life to all Cre - a - tion Let's for - get our mis - takes, Put our minds on what it takes To win the war with our U - nited Na - tion. Nation. To Vic - to - ry! Our Vic - to - ry!

Our land must be free!  
It's up to you and me  
To send the ships and planes and make  
the anvils ring.  
Bonds with dollars, stamps with pence,  
Help to build a strong defense -  
Keep 'em rolling, keep 'em sailing  
keep 'em on the wing.

Our flag floating on high  
And a will to do or die, -  
We'll frown on whispered word  
of defamation.

You and I know today,  
There is only one sure way -  
It's "Win the war with our  
United Nation!"
