The School and Finance Committees Recommend \$327,928.

Vote: U

Explanation: The Town's contribution to the total cost of funding public education from Kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.

Article 29. Shall the Town of Long Island raise and appropriate **\$99,056** in additional local funds, which exceeds the State’s Essential Programs and Services funding model by **\$91,714** as required to fund the budget recommended by the School Committee?

The School and Finance Committees recommend **\$99,056** for additional local funds and gives the following reasons for exceeding the State’s Essential Programs and Services funding model by **\$91,714**: EPS does not fully support all the necessary costs of a K-12 educational program, such as:

(1) Special Education cost (2) transportation and bus costs and (3) escalating fuel and electricity costs.

No – 0

Article 29 Passes
