Minutes of

Annual Town Meeting July 27, 2011 7:00pm

Article 1. To choose a moderator to preside over said meeting.

Clifford Goodall was elected moderator of Town Meeting by written ballot.

Meeting opened with Pledge of Allegiance. Mr. Goodall made announcements including the Display at the back of the room by the Historical Society on the History of Randolph. Also, there was a survey passed out during the meeting on the "Green Space" and suggestions on what to do with this space. He asked that this survey please be returned at the end of the meeting.

Mr. Goodall explained Article 43. Explained that 3 years ago the State Legislature passed a law which sets a cap on the amount of increase that a town can increase its tax levy in any one year. If the town is going to exceed that tax levy, the town has to vote to do so by written ballot. If the proposed budget in this warrant and all the recommendations of the Board of Selectmen pass, the tax levy will have been exceeded by \$36,000.00 and Article 43 will have to be voted yes in order to implement all the previous votes. If the budget committee's recommendations pass, the tax limit will still be exceeded but by \$15,000.00. The likelihood is, that at the end of the meeting, Article 43 will be voted on by written ballot. If this fails, we would have to go back and do some of the votes.

Article 2. To see if the Town will vote to apply revenues received from the State Revenue Sharing grants towards the reduction of appropriations.
