## THE PRESIDENTIAL PUBLIC SERVICE ACHIEVEMENT AWARD Nomination Form

Since 1982, in recognition of the mission of public service at the University of Maine, the President has annually presented the Presidential Public Service Achievement Award to an individual University of Maine faculty member in a teaching, research, and/or public service unit who has demonstrated distinguished achievement in public service. Tenured UMaine and Cooperative Extension faculty and full-time lecturers (in their sixth year of service or beyond) are eligible for this award.

Public service is the application of the special knowledge and skills associated with one's professional life at the University of Maine to enhance the public good, whether through public education, direct assistance in specific situations, or long-term commitment towards achieving particular public service goals. Hence, the definition excludes some forms of "community service," such as serving as a scout leader or participating in other service activities that do not necessarily require one's professional expertise or specialized knowledge of the University. However, this definition is meant to include service that advances the effectiveness of or contributes to the mission of the University even if it does not require the discipline-specific expertise of the nominee.

Nominations should be submitted to Dianne Avery ([diannea@maine.edu](mailto:diannea@maine.edu) or 1-1595) in the Office of the Provost, 201 Alumni Hall on or before **February 14, 2020**. Please contact Dianne if you have any questions.
