CONIFER CLASSROOM What are the roles of Maine's University forests?

At the University of Maine's Advanced Manufacturing Center, (AMC) students are trained on state-of-the-art precision manufacturing equipment. The AMC supports Maine's manufacturing sector with custom, innovative solutions and workforce training.

\$92.4 million in MEIF investments drive UMaine research to record heights

March 3, 2021

Research investments and expenditures at the University of Maine have increased dramatically over the year amidst a strategic pursuit of research activity being promoted by UMaine President Joan Ferrini-Mundy and others at UMaine and the University of Maine System. More than \$92.4 million in investments in Maine and its universities are being reported in the FY 2020 draft Maine Economic Improvement Fund (MEIF) Annual Report presented to the University of Maine System Board of Trustees Finance, Facilities and Technology Committee at its March 3 meeting. A University of Maine System news release is [online](#).
