Brooklyn Jan 18<sup>th</sup> 1894.

Until within a few weeks  
The "Physicians and Surgeons  
Soap" was unknown to me  
- But since then, I have used  
it and am so much pleased,  
with it that I can, without  
hesitation, recommend others  
to give it a fair trial.

**PHYSICIANS SUPPLY CO.**  
64 Lodge St., CINCINNATI, OHIO.

This Company manufactures the celebrated chemically pure  
"**Physicians and Surgeons Soap,**"

Which is being adopted by refined people everywhere for  
Toilet, Medical and Surgical purposes.

It is recommended by nearly all Physicians for Toilet,  
especially for Ladies and Babies; and many dis-  
tinguished Surgeons carry it in their Instrument  
Cases for emergencies, and for use at all times.

A Boston lady calls it:

"The very poetry of Soap."

It is as pure and clean as white wax.
