# Auditor's Report

---

February 21, 1958

Board of Selectmen

St. Albans,  
Maine

Gentlemen:

In accordance with Chapter 405 Section 26, Public Laws of 1957 and at your request, the records of the Town of St. Albans have been audited for the period February 11, 1957 to February 10, 1958, inclusive.

The examination was conducted in accordance with generally accepted auditing standards applicable in the circumstances, and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the financial position of the Town at February 10, 1958, and the result of its operations for the year then ended.

Recommendations are also offered which are believed to be worthy of your consideration.

All of which is respectfully submitted.

Very truly yours,

R. A. JAMIESON

JOHN T. SINGER

TOWN OF ST. ALBANS  
FEBRUARY 11, 1957 to FEBRUARY 10, 1958

\* \* \*

An audit has been completed of the books and records of the Town of St. Albans for the year ended February 10, 1958.

The records maintained by the Town Manager, Treasurer, Tax Collector, Assessors, and Town Clerk were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were examined or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly present the financial position of the Town at February 10, 1958, and the result of its operations for the year then ended.

ASSETS

At the year end, the records reflected a cash balance of \$12,711.86, whereas the reconciliation of the bank account indicated a balance of \$12,721.45. The difference of \$9.59 has been set up in a suspense account. The cash balance was reconciled as follows:

Balance per Bank Statement—2/10/58	\$22,349 30
Add—Deposit in Transit	11,502 76
	<hr/>
	33,852 06
Less—Outstanding Checks	22,677 43
	<hr/>
	11,174 63
Add—Cash on Hand	1,546 82
	<hr/>
Cash Balance	<u>\$12,721 45</u>

The 1957 assessment charged to the Tax Collector was accounted for as follows:

Cash Collections	\$50,447 79
Discount	641 35
Abatements	78 30
Taxes Receivable	9,209 37
	<hr/>
Total	<u>\$60,376 81</u>

It was noted that unpaid real estate taxes of the 1956 tax commitment had not been secured by tax liens or tax deeds. Unpaid prior years taxes totaled \$6,820.69 which is an increase of \$1,920.62 over prior years taxes receivable at February 10, 1957. During the year, sales of tax acquired property totaled \$1,950.00 of which \$1,510.95 represented profit on the sale.

## LIABILITIES

Accounts payable totaled \$847.96 and notes payable totaled \$9,000.00 at the year end. During the year, the notes payable were reduced by \$5,510.00. Tax Anticipation notes of \$5,000.00 were issued and paid. Fire Department note of \$2,000 was assumed by Town.

## RESERVES AND SURPLUS

To the fund established for the purchase of truck and snow-plow was added an appropriation of \$1,500.00 making a total in the fund of \$3,900.00. The entire fund was expended for the purpose for which it had been established. The school building fund earned \$50.00 in interest during the year and totaled \$3,050.00 at the year end. Of this amount, \$1,720.00 was invested in the stock of the Manufacturers Trust Company of New York and the balance of \$1,330.00 is still a part of the cash of the General Fund and has not been invested.

Unexpended balances in certain appropriation accounts which were carried forward to the ensuing year for expenditure totaled \$5,733.71 as compared with \$189.18 at the end of the last fiscal year. The principal increase was noted in the education accounts.

Unappropriated surplus was decreased by \$1,304.55 as a result of the year's operations and totaled \$19,508.87 at the year end. The principal cause for this decrease were the overdrafts in certain appropriation accounts. A complete analysis of the change in this account may be found on Exhibit E of this report.

## TRUST FUNDS

The investments of the trust funds were verified. New funds received during the year and held pending acceptance by the Town at the annual meeting totaled \$800.00. These funds are included in the cash of the General Fund. Unexpended income totaled \$456.55.

## GENERAL

Excise tax receipts totaled \$4,871.65 and were verified by examination of the copies of the receipts issued by the Collector.

The following corporate surety bond was on file:

Treasurer and Tax Collector, Hartford Accident & Indemnity Co., No. 2782041-C	\$4,000 00
--	------------

## RECOMMENDATIONS

The following recommendations appear to be worthy of your consideration:

1. That, the proceeds of the capital reserve fund be invested in accordance with statutory requirements.
2. That, the bank balance be reconciled at the end of each month.
3. That, more care be exercised in making out the Tax Collector's warrant.
4. That, tax liens or tax deeds be used to secure unpaid Taxes assessed against real estate.
5. That, a trial balance be taken of the accounts in the ledger at the end of each month.
6. That, excise tax receipts be deposited more promptly.
7. That, supplemental taxes be committed to the Tax Collector.

# Report Of Public Health Nurse

---

## ANNUAL REPORT FOR ST. ALBANS

January 1 to December 31, 1957

### Division of Public Health Nursing

The purpose of the Public Health Program is to promote good health and prevent disease and deformity. The Public Health Nurse attempts to attain this goal through visits to homes and schools, encouraging Health Councils and helping to plan and assist with clinics.

A series of Child Health Conferences were held. Physical examinations were offered in addition to immunizations against diphtheria, tetanus, whooping cough, smallpox, and polio.

Free polio clinics have been held offering polio vaccine to every one from six months to twenty years of age.

Orthopedic and Pediatric clinics, sponsored by the State Department of Health and Welfare are held regularly and provide opportunity for medical consultation and care for crippled children and those with cardiac or rheumatic fever complications. There is also, a clinic for the Mentally Retarded Pre-school child. Regional x-ray clinics and the services of the State Sanatorium are available to those referred by their family physician.

It is the hope of your Public Health Nurse that, through the combined efforts of the nurse and community, every individual and family may realize the enjoyment of a high standard of health.

Your Public Health Nurse wishes to express her sincere appreciation to the members of the local Health Council and other interested persons for their assistance with clinics and other community programs.

Respectfully submitted,

KEITHA J. PRESTON,

Public Health Nurse

## School Physician's Report

---

Examination of the pupils in the St. Albans schools revealed, in general, good health practices.

Disabilities that were correctable in previous years has, for the most part, been remedied.

Poliomyelitis vaccine was offered to students and teachers. Influenza vaccination was available to the teachers only, because of a national shortage.

Cross ventilation of various rooms is not possible without a transom or louvre arrangement.

The school lunch program is functioning well.

# Report Of Superintendent Of Schools

St. Albans, Maine  
February 10, 1958

To the Superintending School Committee and citizens of the Town of St. Albans.

It is with pleasure that I submit my annual report of your schools for the past school year. At the present time the enrollment and teaching force is as follows.

Teacher	Room							
	5 yr. olds	6 yr. olds	2	3	4	5	6	7 8
Edith Talmadge, Prin	20	7						
Ernestine Carson		11	15					
Norma Laughton				17				
Emma Bubar					21			
Helen McLean						22		
Mrs. Kaimer, Substitutue							23	
Abbie Gerald								22
Ruth Lawrence								26

In October the Committee introduced the sub-primary grade to the school system. As the total enrollment was dropping in numbers and because it was felt that we should have sub-primary in the school, the decision seems to be a wise one.

St. Albans is fortunate in having a very strong teaching force this year. Since schools started in September much progress has been made educationally. Your teachers deserve a great deal of credit.

Much repair work was accomplished during the summer months and vacations. Rooms were painted, shelving added in several rooms, lights installed in the lunch room and the water supply was improved. Our repair money for next year should be spent mostly on adequate heating. Heating pipes that are exposed need to be covered with asbestos and storm sash needs to be installed on the north and west side windows.

At the present time there isn't any definite information to report on the formation of a school administration district. Your school committees are meeting with groups from surrounding communities. In the near future there should be something definite to report to the people of St. Albans.

In conclusion may I express my appreciation for cooperation during the past year.

Respectfully submitted,

HAROLD E. CARSON

Supt. of Schools

## STATE OF MAINE

### DEPARTMENT OF HEALTH AND WELFARE

#### AUGUSTA

#### PROGRESS REPORT ON MOUTH HEALTH PROJECT

During the past year a dental hygienist from the State Department of Health and Welfare devoted 12½ days to working with preschool children and elementary school children to promote mouth health.

A total of 7 preschool children and 81 school children had sodium fluoride solution applied to their erupted teeth for the partial prevention of dental decay. These same children had their teeth cleaned.

A total of 7 preschool children and 105 school children received mouth examinations and were given reports to take to their parents.

A total of 112 children were instructed in mouth care, either individually or in classrooms.

## Important Notice . . .

All taxpayers should read the following requirement and comply with it:

Section 35, Chapter 81, Revised Statutes of Maine, 1944:

"Before making an assessment, the Assessors shall give reasonable notice in writing to the inhabitants, by posting notifications in some public place in the Town, or shall notify them, in such other ways as the Town, at its Annual Meeting directs, to make and bring in to them true and perfect lists of their Polls, and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner, after such notice, does not bring in such lists, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he offers such lists with his application and satisfies them that he was unable to offer it at the time appointed."

The Selectmen will be in session at the Town Office, St. Albans, on the first day of April, 1958 at 9 o'clock A. M. to 5 o'clock P. M.
