Letter of Transmittal

To the Inhabitants of Monson:

For the fifth time I submit my report as manager.
NOTICE TO VETERANS:

All Veterans entitled to exemptions should give notice in writing to the Assessors, with proof of entitlement to such exemptions, on or before, April First.

The Special Resolve money was expended on Norton Hill, starting at the Willimantic Town Line, a distance of about seven tenths of a mile.

The Unimproved Road money was expended on the Steward Road in South East Monson.

The State Aid Road Money was expended on Gully Brook Bridge, so called, on the Elliottsville Road.

Due to the heavy trucking on our Town Roads many of the old wooden culverts were replaced by metal.

I think the Monson Gym Committees have done exceptionally well, having payed \$4,000.00 on the Gym Notes this year.

In conclusion I wish to thank the Citizens, Municipal Officers, and Town Employees for their co-operation.

Respectfully submitted,
LYLE C. TOWNE
Town Manager

**ANNUAL REPORT FOR MONSON
DIVISION OF PUBLIC HEALTH NURSING**

January 1 to December 31, 1951

The year 1951 has brought to your community the nursing services offered by the Division of Public Health Nursing, State Department of Health and Welfare.

For the benefit of those who do not already know about this service it provides needed guidance and instruction for all members of the family, in whatever environments they may be, with consideration for their relationship to each other.

Home visits have been made to expectant mothers to encourage them to secure early medical supervision; observation is made to detect abnormal symptoms and danger signals; and teaching is done according to the mother's interest and need.

After delivery assistance is given in planning daily regime and the importance of a post-partum examination is stressed. The infant is given a careful inspection for signs of physical handicap or abnormality; is weighed and temperature taken; demonstrations of infant's bath and preparation for formula are given when indicated. Teaching is continued through the preschool period in relation to age, condition of child, and need of the parents.

A total of forty-eight home visits have been made to expectant mothers, infants, preschool children and adults. Visits are also made to individuals with communicable diseases, including venereal diseases, to help the family plan for their care and to assist in the prevention of complications.

Special problems have been discussed with parents, doctors, town officials, and other interested persons to obtain guidance for their family problems.

Regular services of the Crippled Children's, Pediatric, Cardiac, and Mental Hygiene Clinics are held in Bangor. These clinics are available to the children of your community with permission of the family physician.

In addition to the above services, emergency school and tuberculosis cases have been visited since May due to the vacancy of a nurse in the Piscataquis County Health & Tuberculosis Association. On request from the family doctor two home visits were made to encourage contacts to attend the State Diagnostic Clinic for x-rays.

A series of three child health conferences, sponsored by the Women's Club, was held during the summer. Complete physical examinations were given by a Bangor pediatrician to forty-nine infant and preschool children. Total immunizations completed were for smallpox thirteen, and diphtheria, whooping cough, and tetanus twenty four. The Piscataquis County Home Demonstration Agent attended one conference as nutritional consultant and held interviews with each mother, giving them an opportunity to discuss privately their nutritional problems.

There is still a definite need for a local Health Council to study the health problems of your community and to assist your public health nurse in giving more adequate services.

Through the joint efforts of community groups greater accomplishments in health work can be made.

Respectfully submitted,

RUTH M. CHOATE

Division of Public Health Nursing

Public Health Nurse

DONALD L. MacPHERSON

Town Treasurer

REPORT OF THE PRINCIPAL OF MONSON ACADEMY

The Fall Term at Monson Academy opened September 4, 1951 with great expectations for a successful year. The student body was swelled by the influx of a larger freshman class which brought the enrollment to fifty-one. The return of Mrs. Constance MacPherson to the teaching profession and the arrival of Mr. Floyd Feero as the new Commercial teacher completed the faculty.

The daily schedule is identical to that of the previous year - seven periods per day with each teacher conducting classes during six of those periods.

The successful development of the extra-curricular program is going forward rapidly through the co-operation of the faculty and many outstanding students.

Mrs. MacPherson and the Senior Play Cast produced for us all an excellent play in November. It is a foregone conclusion that the new gymnasium with its stage facilities will make possible the production of many fine plays in the future. In addition to directing the Senior Play, Mrs. MacPherson is serving as advisor to the Pharetra staff, the Freshman Class, and the Dramatic Club. During the next several weeks her time will be well taken care of by preparation for the Penquis League speaking contest and the state one act play contest which we are planning to enter this year.

Mr. Feero is serving as school librarian, and sharing in the coaching duties connected with the athletic program. He conducted a fall baseball program and has given the girls basketball team a good start toward successful teams in the future. He is assisting Mrs. MacPherson with the Pharetra, keeps the books for the student accounts and serves as advisor for the three upper classes. His major spring activity will consist of serving

as coach for the varsity baseball team which will participate in Penquis League play. His faithful devotion to his duty as ticket seller at all the boys basketball games has been greatly appreciated.

The musical program at the Academy continues to expand with a bright forecast for the future. Our band will be ready to supply the music for the annual Memorial Day program, and our glee club is rounding into shape for public appearances this spring. These organizations are anticipating a trip to Guilford this month to put on a concert for the students of P. C. H. S. in return for one which we all enjoyed by their organizations here in Monson. The two Penquis festivals will also be attended by both groups; one in March the other in April. Our glee club consists of some thirty mixed voices, and the band, thanks to the generosity of the Monson Band which made its instruments available to us, numbers twenty-four musicians.

With the completion of the gymnasium to the point where it is usable for basketball the school embarked upon a full program of participation in interscholastic competition. Our record in the Penquis League this season was not one to be envied, but the experience gained will serve us in good stead in the future. The cross country team in the fall was moderately successful in its meets and saw the development of Eddie Hussey as an outstanding competitor in the sport. The winter sports team has not been too active due to the new interest in basketball, but the Annual Winter Carnival will be held March 1 with many surrounding schools attending. Our team has attended meets at Bingham and Hartland with several of the boys turning in excellent performances. Your reporter will complete his extra activities as coach of the girls softball team in the spring.

With the initiation of the expanded sports program the expenses of the student fund have increased tremendously. Our income consists of receipts from basketball admission and the annual magazine drive. I have broken this down to give interested readers some idea as to the acquisition and disposal of funds: The following is a partial account to date:

Receipts

Unexpended Balance	\$ 35.23
Magazine Drive	114.69
Basketball Games (includes sale of pop etc.)	282.39
Student Tickets	107.50
	<hr/>
Total	\$539.91

Expenditures

Basketballs (2)	\$ 45.90
Athletic Insurance	5.00
Play Contest Fee	5.00
Transportation	190.27
Refreshments (includes pop, oranges for players etc.)	117.65
Equipment (knee pads, first aid kit, nets, medical supplies, ball cleaner, clock, etc.)	99.09
Rent (due after town meeting)	45.00
	<hr/>
Total	\$507.91

The above report does not include the last two home games in basketball, nor the future outlay for baseball and softball. That it has been possible to carry out the rather full program as outlined above has been due to the generous support of the people of Monson through their faithful attendance at functions sponsored by the students.

In conclusion I should like to express my appreciation to all those who have made this school year a success. As always there are many who do a great deal who remain anonymous, generous and helpful. Mr. Robinson, the school committee and the board of trustees have lent their support to all worth-while causes. Special thanks are due Dr. Nickerson, who once again examined our athletes without fee. The Monson Band who not only gave the school several instruments, but a portion of the treasury of that organization, Mr. French who made us a beautiful new scoreboard, and those who have been so generous with their cars in furnishing transportation to out of town events.

Finally, my personal thanks go to the people of Monson who have taken Mrs. Blood and my children in as a part of this very nice community.

Respectfully submitted,

HAROLD V. BLOOD

Principal

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and the
Citizens of Monson:

In accordance with the laws of the State of Maine,
I am submitting my annual report as Superintendent of
Schools.

Schools opened September 4 with the same staff of
teachers in the elementary building and with L. Pete
Gattrell returning as teacher of grades 7 and 8. The at-
tendance has been very good with 30 pupils having per-
fect attendance records. The school work itself is pro-
gressing in a satisfactory manner as attested by the scores
made in achievement tests.

The State aid money for schools, which was distribu-
ted in December 1951, amounted to \$6,596.97 while Mon-
son Academy received \$1,760.00 as direct academy aid.
According to figures released by the State Department of
Education, Monson will receive \$6,226.00 as State Aid
and Monson Academy will receive approximately \$1,760.
in December 1952. However, after 1952, the Academy
aid will cease.

These reductions were brought about by legislation
which was passed at the last session of the legislature.
The special Academy aid bill was repealed so that Acad-
emies no longer receive special assistance.

Under the State laws existing prior to the session of
the last legislature, state school funds were distributed on

the basis of teaching positions, closed schools, and school enrollment.

Under the law passed at the last session of the legislature, the municipalities are divided into 9 classes depending upon the ability of the town to pay for its educational program. These classes are determined by dividing the state valuation by the number of pupils attending school at the expense of the town. The application of this formula puts Monson in class 4, which provides that the State will pay Monson 35% of the money paid out for operational expenditures. Therefore you can see that the town as a whole will lose in state aid in 1953. Some of the loss of Academy aid can be made up by charging more tuition, a fact made possible by a change in the law.

The gymnasium has filled a long felt need with as many as five groups using it after school. Both girls and boys from the 5th grade through the eighth grade have basketball practice as well as the Academy students. It is also used for other activities by all grades from the sub-primary through the Academy. Bleachers seating 200 adults were purchased from Millinocket School Department for \$350.00 with the Portland Monson Slate Company furnishing a truck for hauling the bleachers from Millinocket to Monson.

These bleachers were paid for in the following manner:

Alumni-Academy basketball game	\$ 53.66
Donkey basketball game sponsored by grades 7 and 8	119.19
Funds set aside from proceeds of opening night	177.15
	<hr/>
	\$350.00

This past year the first grade room was completely renovated with the installation of new lights, asphalt tile floor, new ceiling and by having the walls repainted. This is a room of which all may be justly proud. The Portland Monson Slate Company donated the necessary timber and straping for the new ceiling.

New individual table desks and chairs were made for the four rooms in the elementary building for \$300.00 through the cooperation of the Moosehead Manufacturing Company and the following list of personnel of that plant who donated time for the making of these units:

Ada Sargent
Bernice Town
Charlotte Steeves
B. M. Greenleaf
Inez Towne
Mildred MacPherson
Ansel LaPointe
E. E. Dgerstrom
Bill Wentworth
Sherwood Johnson
Colby Kronholm
Lawrence Young
Merl Hill
Frank Johnson
James Durham
Lawrence Johnson
Robert Nelson
Ralph Brown
Gloria Leighton
E. W. Kronholm
Harold Blood
Edward Simpson
William Erickson

Lila Kronholm
Phillip Early
J. R. Pullen
Donald MacPherson
Charles W. Stevens

This new seating would cost approximately \$2,000.00 if purchased on the regular retail market.

Boiler trouble in the elementary building made an added expense as well as the necessity for enclosing the boiler in a fire proof room. This last work was on the direct recommendation from the office of the State Insurance Commissioner.

It is the recommendation of the Superintending School Committee that the sub-primary room be redecorated in a manner similar to the first grade room.

I wish to take this opportunity to thank all those who have made a direct contribution toward the improvement of the schools: The Teachers for their devotion to duty, the Town Officials for their cooperation, the members of the Superintending School Committee for their sound approach to matters pertaining to all school problems, the men and women who helped to manufacture the new seats, the Moosehead Manufacturing Company and the Portland Monson Slate Company for their very material contribution, and all of those Citizens who have taken an active interest in the schools and school affairs.

Respectfully submitted,

LLOYD H. ROBINSON

Supt. of Schools

AUDITOR'S REPORT

State of Maine
STATE DEPARTMENT OF AUDIT
Augusta

April 24, 1951

Board of Selectmen
Monson,
Maine
Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944 and at your request, the records of the Town of Monson have been audited for the fiscal year ended February 2, 1951.

The examination was made by Auditor M. E. Libby in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceeding year, and included all procedures which were considered necessary.

Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying Comments..

Exhibits and schedules incorporated in this report present the result of the financial operations of the town for the period designated

A recommendation is also offered which is believed to be worthy of your consideration.

All of which is respectfully submitted,

Very truly yours,
FRED M. BERRY
State Auditor

COMMENTS

February 2, 1950 to February 2, 1951

An audit has been completed of the books and records of the Town of Monson for the year ended February 2, 1951. The audit included an examination of the records kept by the Selectmen, Assessors, Treasurer, Tax Collector, and Town Clerk.

During the year, notes totaling \$10,500.00 were issued the proceeds from which to be used for construction of a gymnasium and the purchase of land for cemetery purposes.

It is believed that the accompanying balance sheet together with the related financial statements fairly present the financial position of the town at February 2, 1951, and the result of its operations for the year then ended.

SCOPE OF AUDIT

The systems of the various town officers were reviewed and the internal controls, accounting records, and other supporting evidences were tested by methods and to the extent deemed appropriate. Cash accounts were verified and receipts, disbursements, and supporting data were examined. The 1950 tax commitment was verified with the Assessors' records. Verifications were made of unpaid taxes and tax liens. Surety bonds and insurance policies were listed.

ASSETS

The cash balance of \$6,325.01 at February 2, 1951, was accounted for as follows:

Guilford Trust Company	\$1,478.24
Deposit - February 6, 1951	4,846.77
Total	<hr/> \$6,325.01 <hr/>

From an analysis of receipts and deposits, it was determined that all monies for which receipts had been issued were deposited in the bank.

All disbursements had been made by check and were supported by properly authorized warrants.

Transactions affecting accounts receivable, taxes receivable, and tax liens were reviewed. The unpaid balances were checked and found to be in agreement with the balances shown on the records of the Selectmen, Treasurer, and Tax Collector.

LIABILITIES

Due trust funds totaled \$6,131.57 and represents the uninvested portion of cemetery trust fund principals and the income together with the principal of the ministerial and school fund.

The Monson Academy loan is represented by two town orders for \$2,025.00 and \$1,900.00 bearing interest at 4%.

RESERVES AND DEFICIT

From the examination of the records of appropriations, revenues, and expenditures of the departmental accounts, it was determined that the unexpended balances carried forward to the ensuing year totaled \$4,595.28.

The general fund deficit increased by \$352.26 during the year and totaled \$1,360.69 at the year end. This increase is summarized as follows:

Increase—	
Appropriation for Note Retirement	\$3,000.00
Decrease—	
Excess of Available Funds over Expenditures	\$2,147.74

Trust Funds Restored by Appropriation	500.00	
	<hr/>	
Total Decrease		2,647.74
		<hr/>
Net Increase		\$352.26
		<hr/>

REVENUES AND EXPENDITURES

A comparative statement of revenues and expenditures disclosed that for the 1950 year available funds exceeded expenditures by \$2,147.74 as compared with an excess of expenditures over available funds in the amount of \$450.51 for the previous year, or an increase of \$2,598.25. This increase was accounted for as follows:

Increased Revenue	\$ 6,012.78	
Increase in Proceeds Received		
from Notes Issued	10,500.00	
Increase in Appropriations		
from Deficit Account	3,000.00	
	<hr/>	\$19,512.78
Increased Expenditures	13,665.85	
Increase in Revenue Applicable to		
Appropriation Carrying Balances	3,248.68	
	<hr/>	16,914.53
		<hr/>
		\$2,598.25
		<hr/>

Revenue increased \$6,012.78 over the previous year with major differences being noted in the Tax Commitment, Excise Taxes, and State of Maine accounts. Expend-

itures increased \$13,665.85 over the previous year with major differences being noted in Education, Debt, and Gymnasium accounts. An analysis revealed that the factors contributing to these differences were accounted for.

Overdrafts were noted in several appropriation accounts. The major overdraft occurred in the Incidental account. The total appropriation for this activity was \$3,200.00 and with other credits the total amount of funds available for expenditure was \$3,663.44. Expenditures for the year amounted to \$4,184.61, thereby creating an overdraft of \$521.17. Overdrafts and unexpended balances are summarized as follows:

Unexpended Balances	\$4,039.11
Overdrafts	1,891.37
	<hr/>
Net Unexpended Balances (lapsed)	\$2,147.74
	<hr/>

The following opinion was rendered by the Department of Attorney General regarding overdrafts.

"The municipal officers are bound by the terms of the articles in the warrant calling the town meeting providing for the expenditure of money. The officers should not spend more than the taxpayers appropriated at town meeting, unless the statute expressly authorizes an expenditure in excess of the appropriation."

The provisions of Chapter 84, Section 81, Revised Statutes of 1944, however, relate to expenditures of monies for highway purposes and permit overdrafts in cases of emergencies to the extent of 15% of the appropriation.

DEBT FUND

The debt fund is comprised of notes payable totaling \$10,500.00 which consists of the gymnasium notes of \$10,000.00 and cemetery land purchase note of \$500.00. Authority for issuing these notes was given at the annual town meeting. The gymnasium notes will be amortized at the rate of \$1,000.00 annually or in larger installments if funds are available. The cemetery purchase note is due on demand.

TRUST FUNDS

An appropriation of \$500.00 was made at the annual town meeting to restore a portion of the cemetery perpetual care funds which had previously been used by the town. A total of \$1,300.00, including new funds, was invested in U. S. Government bonds during the year.

At the year end the following amounts were due trust funds from the general fund:

Cemetery Perpetual Care Funds—

Principals	\$4,420.00
Unexpended Income	508.67

\$4,928.67

Wentworth Cemetery Fund—

Unexpended Income	136.50
-------------------	--------

Chapin Worthy Poor Fund—

Unexpended Income	212.40
-------------------	--------

Ministerial and School Fund—

Principal	854.00
-----------	--------

Total

\$6,131.57

Interest at the rate of 4% on the principal of the funds used by the town was transferred from the interest account.

It was again noted that certain of the cemetery trust funds received in recent years are still carried in the general fund and have not been invested in accordance with the requirements of Chapter 80, Section 106, of the Revised Statutes of 1944.

GENERAL

The excise tax collections for the year were examined in detail and verified from the copies of receipts that are retained by the Tax Collector. The amount deposited with the Treasurer is summarized as follows:

1950 Receipts - Nos. 47 - 292	\$2,133.41
1951 Receipts - Nos. 1 to 40	452.63
	<hr/>
Total	\$2,586.04
	<hr/>

Vouchers, payrolls, and cancelled checks were examined in detail for selected months and, as far as could be determined, all so examined appeared to be proper charges and correctly recorded.

Corporate surety bonds on file covered the following officials:

Tax Collector -

Hartford Accident and Liability Co.	\$5,000.00
-------------------------------------	------------

Treasurer -

Hartford Accident and Liability Co.	8,000.00
-------------------------------------	----------

A review of the valuation records indicated the desirability of strengthening the descriptions of certain of the properties.

RECOMMENDATIONS

The following recommendation is believed to be worthy of consideration by the municipal officers:

A system of accounting for town owned property and equipment should be adopted so that a record will be available to show values and other pertinent data for municipal capital investments.

ANNUAL REPORT
ANNUAL TOWN WARRANT

To Lyle C. Towne, a Constable in the Town of Monson, in the County of Piscataquis:

GREETINGS

In the name of the State of Maine you are required to notify and warn the inhabitants of the said Town of Monson, qualified by law to vote in Town affairs, to assemble in Town Hall, in said Town of Monson, Saturday the 15th day of March, A. D., 1952 at nine o'clock in the morning to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To see if the Town will vote to accept the Town Reports as printed.

Art. 4. To see if the Town will vote to employ a Town Manager for the ensuing year and fix his compensation.

Art. 5. To choose three Selectmen, three Assessors, and three Overseers of the Poor for the ensuing year and fix their compensation.

Art. 6. To choose a Town Treasurer for the ensuing year and fix his compensation

Art. 7. To choose one member of the School Board for a term of three years.

Art. 8. To see if the Town will vote to choose a Tax Collector for the ensuing year and fix his compensation.

Art. 9. To see if the Town will vote to have the Tax Collector, in and for the Town of Monson, settle with the Town in full on or before February 1, 1953.

Art. 10. To choose a Fire Chief and to authorize him to form his department with complete authority over the same in behalf of the Town of Monson.

Art. 11. To choose one or more constables for the ensuing year.

Art. 12. To choose all other necessary officers for the ensuing year.

Art. 13. To see if the Town will vote to choose or have appointed at Town Meeting a Budget Committee for the ensuing year.

Art. 14. To see if the Town will vote to authorize the Selectmen to hire money for Town purposes.

Art. 15. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money during the present municipal year in anticipation of, and to be paid from taxes of the current year of 1952, and to execute and deliver promissory note or notes on the Town for the same.

Art. 16. To see if the Town will vote to purchase security bonds for necessary town officers rather than accept local bondsmen.

Art. 17. To see if the Town will vote to authorize the selectmen on its behalf to sell and dispose of any Real Estate acquired by the town for non-payment of taxes thereon on such terms as they deem advisable and to execute and deliver quit-claim deeds for such property.

Art. 18. To see if the Town will vote to adopt Daylight Saving Time in accordance with neighboring communities.

Art. 19. To see if the Town will vote to fix a time when taxes shall become due and payable.

Art. 20. To see if the Town will vote to allow a discount and if so, what per cent on taxes paid prior to June 25, 1952.

Art. 21. To see if the Town will vote to charge interest, and if so, what percent on all taxes remaining unpaid September 15, 1952, with said interest to begin on the above date.

Art. 22. To see if the Town will vote to authorize the Sexton to collect payments for the sale of cemetery lots and to execute deeds for same.

Art. 23. To see if the Town will vote to hire watchmen for such occasions as may be required.
