Senate Says Write-In OK In Elections

Vote Is Affirmative On Constitutionality

There will be a space for a write-in vote for General Senate officers on the ballot for the May 13 general election. In a precedent-setting vote of 9-8, the General Senate decided Tuesday that the write-in was constitutional since the General Senate Constitution does not specifically state that it is not.

After a first vote of 8-7 killing the write-in, a revote was taken on the request of Donald Spear. It ended in an 8-8 tie. President of the Senate, Greg Macfarlan, cast a tie-breaking vote for the write-in. According to the By-laws women still may not run for president.

Polls will be open on the Mall from 8:30 a.m.-4:30 p.m. In case of rain, voting will be done in the Library.

For the first time, this year, both men and women will vote for the president and representatives to the University Athletic Association. Junior men and women vote for the senior representative, sophomore men and women for the junior representative, and freshman men and women for the sophomore representative. All students vote for the president.

All students vote for officers of the Senate, the SRA, the mayor, and the Constitution referendum. All women students vote for officers of the WSGA and the Women's Athletic Association. Sophomore, junior, and senior women vote for the Portland Watch Award; and sophomore, junior, and senior men vote for the Washington Watch Award. Seniors vote for Class Day parts.

There will be a separate ballot for men and women as well as three independent ballots for the WAA and the two watch awards.

The Election Committee has made the following rules regarding the elections: 1. "There shall be no campaigning in the immediate vicinity of the polls." 2. "A write-in candidate must have his first or nickname accompanied by his last name."

Two Couples Win Beaux Arts' Prizes

Roberta Woodbury, Leo LaChance, Nancy Kelley, and Fred Littlefield were each awarded a piece of luggage at the third annual Beaux Arts Ball in the Memorial Gymnasium last Friday, May 2.

Miss Woodbury and LaChance won the best all-around costume prize while Miss Kelley and Littlefield were selected for the most unique costume award.

Prism Positions Open; Deadline Is May 15

Sophomore students interested in being editor or business manager of the 1954 *Prism* are asked to mail their applications to William Hirst, secretary of the Student Publications Committee, Fernald Hall.

Application deadline is May 15.

Inquisition, Please

President Arthur A. Hauck and Dean of Women Edith G. Wilson, star performers in the Maine Day faculty skit, are shown above indicting reigning mayor Don Stritch (left). The skit, 'Inquisition, Please,' puts Stritch on trial for unfulfilled campaign promises. Photo by Marcoux

Baccalaureate To Be Given By Maine Alumnus

President Arthur A. Hauck has announced that The Reverend Arthur E. Wilson, D.D., Minister of the Beneficent Church, Providence, Rhode Island, will give the Baccalaureate Sermon at 10:30 a.m., June 15 in Memorial Gymnasium.

A graduate of the University, Class of 1923, Reverend Wilson was a member of the Sigma Alpha Epsilon fraternity. Upon graduation he was appointed social director of the Aroostook Larger Parish and later became minister there.

In 1924, Reverend Wilson was acting pastor of St. Paul's Church in Hartford, Connecticut, and a year later he assumed the directorship of religious education at the Asylum Hill Congregational Church in Hartford.

He was awarded a B.D. degree from the Hartford Theological Seminary in 1927 and then returned to (Continued on Page Two)

Dean Deering Receives Honor From Portugal

Dean Arthur L. Deering, head of the College of Agriculture, was notified this week that he has been awarded the rank of Commander of the Military Order of Christ by the Portuguese government.

This honor has been conferred upon Dean Deering in recognition of the outstanding services that he rendered Portugal during two ECA missions to that country.

He made his first trip to Portugal in 1950 as a member of an ECA mission established to step up agricultural production in various European nations. A second visit in 1951 at the invitation of the Portuguese government was made by Dean Deering to assist in formulating a long-range agricultural program for the nation.

In recognition of Dean Deering's contributions to the advancement of (Continued on Page Two)

Maine Day Chairman Reports 1000 Workers Signed For Project

Faculty Jury Will Indict Mayor As Part Of Program

BY DICK SCHURMAN

A slight snag in Maine Day preparations was reported by Projects Chairman Bill Hirst when a misunderstanding concerning the distribution of student-faculty sign-up cards occurred in one department last week.

"Without the returns from all departments," Hirst said, "it was impossible to get the complete projects assignment list to the printer in time for this week's *Campus*."

Hirst emphasized that the sign-up period would continue through Monday, May 12. Between 900 and 1000 workers had signed up Tuesday. The projects list will appear on the Maine Day bulletin board sometime Tuesday. Hirst also said that students who find out at the last minute that they will be available for participation in Maine Day are welcome to report for work on the Mall at 8 a.m. Maine Day morning even if they have not signed an assignment card.

Finishing Touches

Other reports from Maine Day chairmen revealed that finishing touches were being added to their divisions.

Refreshments chairman Ted Spencer said that lists were being placed in Balentine, Estabrooke, The Commons, and New Cafeteria dining halls to give students a chance to sign up for the exchange breakfast Wednesday morning.

"This is being done to give us an estimate of how many wish to take part in the breakfast exchange," Spencer said.

As has been the general procedure on past Maine Days, the refreshments wagons will visit all the projects during the work periods Wednesday morning.

Student Faculty Skit

Co-chairmen Barbara Wigger and Phil Haskell of the Entertainment committee reported with superlatives the length and quality of the student-faculty skit which is scheduled as the final event of Maine Day Wednesday evening.

The skit will be a mock trial entitled "A Moslem for Manslaughter." A (Continued on Page Two)

Prof. Jackman Is Planning To Retire In June

Prof. Ernest Jackman of the School of Education will retire from teaching in June, Dean Mark R. Shibles announced this week. Dr. Jackman has been a member of the faculty at the University since 1930, and since then has instructed "six or seven thousand students."

Before coming to the University, Dr. Jackman compiled an amazing record in the teaching profession. He has taught on every level of instruction, elementary, junior high, secondary, and college, and has been a leading advocate for making guidance an important part of any instructional program.

He was principal of Dalton High School in Massachusetts and from this grew the Dalton Plan of Study, whereby the student plans his program with his advisor and then contracts for the amount of work he will produce in a given course.

Dr. Jackman has held teaching positions in many Maine communities. During his career, he has engaged in the organization of teacher training programs at the University of Virginia, Brigham Young University in Utah, and the University of Wisconsin.

13 Are Graduated From Aggie Course

Certificates were awarded to 13 students completing the two-year course in agriculture, at graduation ceremonies held in the Little Theatre, Saturday, May 3.

The principal speaker was Mr. Fred J. Nutter, State of Maine Commissioner of Agriculture, who spoke on "Opportunities in Northeastern Agriculture."

Certificates were awarded as follows: in Dairy Farming, James O. Emery, Percy L. Haskell, Richard P. LaChance, Ronald S. Luttge, Clayton E. Pinkham, Raymond W. Small, and Hayden M. Soule; in Farm Mechanics, Donald T. Conroy and Bernard R. Cyr; in Potato Farming, Malcolm E. Brown, Albert P. Fields, and Bradford E. Sullivan; and David L. Madrazo in Poultry Farming.

Cast Is Outstanding In Masque Play

BY BILL MATSON

A delightful combination of the new and old talent blended smoothly together to score another in the long list of Maine Masque hits as the Masque players performed admirably in their last production of the year, Sidney Kingsley's "Detective Story."

Directed by Prof. Herschel L. Bricker, the play will continue its run in the Little Theatre tonight, Friday, and Saturday at 8:15 p.m.

Phil Nectow as the tough, hard-hearted detective, Jim McLeod, is outstanding in his first Masque appearance. The central character

throughout the play, Nectow's fine all-around performance labels him as one fellow that future Masque audiences will see again.

Two "old pros," Dwight Frye and Dave Haskell, were excellent. Frye, in the role of the sentimental Detective Brody, was outstanding. Haskell, who portrayed Charlie, a "hopped up" thief, was his usual hilarious self.

Leo LaChance, another Masque neophyte, came near stopping the show in his role of the half-witted Lewis Abbott, Charlie's companion thief.

Marjorie Cross, cast as Mary, McLeod's wife, topped the female characters. She played her dramatic role

flawlessly throughout the performance. Mary Libby as Susan Carmichael and Joanne SanAntonio as the dumb shop-lifter performed well in supporting roles.

The play was extremely difficult to stage with 37 people in the cast, 32 of them in speaking roles.

It is hard to describe the play, which was a Broadway hit and later a fine moving picture. It has everything—humor, tragedy, and more than its share of risqué lines.

All the action takes place in the detective bureau of a New York Police precinct. The set, designed by Martin Gerrish, is most realistic.

Baccalaureate To Be Given By Maine Alumnus

(Continued from Page One)

Maine to become director of the Mount Desert Larger Parish. Reverend Wilson remained at Mount Desert until 1933, when he was appointed to his present post as minister of the Beneficent Church in Providence.

A former president of the Rhode Island Council of Churches, Reverend Wilson was also director of the International Workcamp at College Cevenol, Chambon-sur-Lignon, France, during the summer of 1948. That same summer, he was the press representative at the World Council of Churches meeting in Amsterdam.

He is the author of the book "Weybosset Bridge" and many Christmas stories.

As an undergraduate here, Reverend Wilson was a member of the varsity cross country team and president of both the senior class and the M.C.A.

He received his D.D. degree from Piedmont College in 1943.

Mock German Treaty Negotiated By Students

German exchange students and American students representing France, England, and the United States took part in a mock German Peace Treaty Conference last Tuesday.

Each group of students representing a particular country related their country's stand in regard to the treaty.

Jack Cerasuolo, Zeke Mavodones, and Don McAllister (l. to r.), mayor candidates, were in a mighty friendly mood when the above shot was taken. Things have taken a considerable change, however, since the mayoralty campaign officially opened this morning. Photo by Marcoux

Deering Honored By Portugal

(Continued from Page One)

agriculture in Portugal, President Francisco Higinio Craveiro Lopes has conferred upon him this honor, which includes a medal, official ribbons, and the formal document signed by President Lopes.

President Arthur A. Hauck issued the following statement on hearing of the honor paid to Dean Deering: "Dean Arthur L. Deering's University associates learned with great pleasure and pride that he had been decorated by the Portuguese government for his outstanding service to the agricultural industry of that country. His designation as Commander of the Military Order of Christ by the President of Portugal, in appreciation for his helpful work as a representative of the Economic Cooperation Administration, attests to the merit of the program and to the high value of Dean Deering's contribution to national cooperation and goodwill."

Faculty Skit Jury To Indict Stritch On Moslem Platform

(Continued from Page One)

jury of several administration and faculty department heads will decide whether or not last year's mayor Don Stritch fulfilled his campaign promises of "500,000,000 Moslems Can't Be Wrong."

President Arthur A. Hauck, Dean of Men John E. Stewart, Dean of Women Edith G. Wilson, Lt. Col. William M. Summers, and Dr. Percy A. Leddy are among the star performers in the mock trial. About 30 students will also participate in the two-hour skit. Mayor Campaign Underway

Jack Cerasuolo, Don McAllister, and Zeke Mavodones were off and running in the mayoralty race early this morning. The campaigning will continue, except for Sunday, until Monday evening when the grand political finale will be held in the Memorial Gym.

The Maine Day schedule follows:

Monday, May 12—Mayoralty Finale, Memorial gym, 7:30 p.m.

Tuesday, May 13—Interfraternity Sing, Memorial gym, 7:00 p.m.

Wednesday, May 14—7 a.m.—Exchange Breakfast

8 a.m.—Projects meeting on the Mall

12—Work projects stop

1 p.m.—Float Parade

2 p.m.—Mayor Inauguration

3:30 p.m.—New Hampshire-Maine baseball game.

7:30 p.m.—Faculty-students skit, Memorial gym.

Projects Listed

(1) Remove stump northwest of Carnegie. Leaders: Bob Toth and Ruth Mitchell.

(2) Remove stump between Beta and Theta Chi. Leaders: Chuck Furlong and Swede Nelson.

(3) Remove dead trees in front of Phi Eta Kappa and prepare for planting. Leaders: Dave Beppler and Diane Draper.

(4) Remove dead spruce tree northwest of Holmes Hall. Leader: Skip Grant.

(5) Construction of a walk on the

west side of the mall from the Library to Memorial Gym. Leaders: Larry Wright, Aves Leigh, Paul Judkins, and Pat Parsons.

(6) Construction of a walk at North Stevens. Leaders: Ed Johnston and Ruth Moulton.

(7) Cleaning and cutting trees north of Waiting room—Plant spruce. Leader: Richard Brubaker.

(8) Cleaning forest area north of athletic field. Leader: Art Hathaway.

(9) Planting Ivy at Animal Pathology Building. Leaders: John Randall and Nancy Caton.

(10) Planting around the Infirmary. Leaders: Jack Tygert and Ellen Simpson.

(11) Plant hedge north of fisheries lab. Leaders: Ron Bishop and Marge Thomas.

(12) Planting hedge east side of transformer station at Heating Plant. Leaders: Cliff Swenson and Barbara Jackson.

(13) Plant elms north of New Engineering Building and evergreens in front of Memorial Gym. Leaders: Don Smith and Marty Pratt.

(14) Replanting trees at the end of the runway. Leaders: Bill Tiedemann and Mary Litchfield.

(15) Forest Memorial Project. Leaders: Al Bowerman and Muriel Marcou.

(16) Work on shrub beds near Coburn, Holmes, and Stevens Halls. Leaders: Ken Wiley and Ida Moreshead.

(17) Work on improving the area around the skating cabin—planting spruce and evergreens. Leaders: Dick Gardner and Joan Jackson.

(18) Development of the Stillwater Picnic Area. Leaders: Bill Lindquist and Doris Mayne.

(19) Development of the Aggie Picnic area. Leaders: Ed Johnson and Eini Riutta.

(20) Painting Guard rails and fence posts. Leaders: Art McAllister and Muriel Bennett.

(21) Botanical Gardens work. Leaders: Al Pease and Margie Murray.

Hauck Stresses Scholarship In Assembly Talk

Speaking for the first time at Monday's 25th annual Scholarship Assembly, President Arthur A. Hauck urged that University students apply themselves more to their studies.

Preceding his address the President announced the winners of the Trustee Undergraduate Scholarships. They are: Madeline Howard, The Merritt Caldwell Fernald Scholarship; Anne Grumley, James Stacy Stevens Scholarship; Eldred B. Littlefield, Harold Sherburne Boardman Scholarship; Nancy Jane Kelley, Leon Stephen Merrill Scholarship; Galen B. Kelley, Leon Stephen Merrill Scholarship; Gilbert M. French and Ruth J. Bailey, Kidder Scholarship; Paul Mudgett, Class of 1905 Scholarship.

Mary Jean MacIntire, president of the Panhellenic Council, presented the Sorority Scholarship Silver Plate to Delta Delta Delta. This award goes to the sorority having the highest scholarship average.

Harry B. Easton, president of the Interfraternity Council, presented the Sigma Chi Foundation Scholarship Cup for the highest academic standing among the fraternities in the preceding semester to Alpha Gamma Rho.

Donald Lord Elected As Band's New Leader

Donald K. Lord, Bethel, has been named president of the University of Maine Varsity Band for the 1952-53 year.

Lord is a junior, majoring in music. He is drum major for the band this year, and is also cadet leader for the ROTC bands.

Library Schedule

The Library will be open on Tuesday May 13 from 7:30 a.m. to 5 p.m. It will be closed all day Wednesday May 14 while Maine Day activities are taking place.

REWARD

Will the person in whose car I left my light-tan topcoat in a ride from Bangor last Friday afternoon please contact me. Reward offered. Wesley Farnum, 304 Oak Hall.

Nancy Kelley, Mary Snyder, and Happy Armstrong, (l. to r.), Honorary Lieutenant Colonels for the three ROTC battalions, will participate in the annual ROTC Federal Review and Inspection, Thursday, May 15. Photo by Marcoux

Three Co-eds Get Colonelcies; Fran Willett To Be Promoted

Mary Snyder, Nancy Kelley, and Gladys Armstrong each received a medal designating them as Honorary Lieutenant Colonels of the 1st, 2nd, and 3rd Battalions, respectively, last Monday.

During each of the three drill periods a ceremony took place in which the chosen honorary heads received their commissions. Cadet Battalion commanding officers made the presentations. At the end of each ceremony a battalion parade was held. The honorary commanders inspected the troops as they passed in review.

The three coed Lieutenant Colonels will accompany Honorary Lt. Col. Frances Willett next Thursday at 9:30 a.m. during the annual regimental review. Miss Willett will then be promoted to the rank of Colonel.

The four coeds, along with the inspecting officers, will inspect the entire R.O.T.C. unit during the review.

They will also be ready to assist Lt. Col. William M. Summers, head

of the military department, when he awards medals to the outstanding cadets.

During the review, the outstanding senior cadet will be presented a silver sabre by a representative of the General Alumni Association.

In the afternoon of the Federal Inspection, cadet Captain John Langlais will lead a reinforced rifle platoon of advanced cadets in an attack against a fortified position.

Dow Initiates Move To Revise Old A.A. Rules

Continuing the open season on student organizations with outmoded constitutions, Dick Dow, president of the Athletic Association, has started a movement to revise that group's constitution. Dow said that many of the constitution's by-laws are completely ineffective now. The Athletic Association is the over-all governing body for student athletics.

Dow has called a meeting for Monday, May 12, of the student officers of the Women's Athletic Association, the Intramural Athletic Association, and the Athletic Association, to consider the revision.

Judges Announced For Fraternity Sing

Bruce McLennan, chairman of the Interfraternity Sing committee, has announced the judges for the annual Maine Day event which will take place in the Memorial Gymnasium next Tuesday evening at 7:00 p.m. with 14 fraternities. The judges will be Mr. Paul Gibb, Director of Music in the Old Town schools; Mr. Gerard Chamberland, Music Director in Orono schools; Mr. Charles Geribedian, Music Director in the Bangor schools; and Mr. Frederic Jacques, Bangor businessman. Honorary judges will be Mr. Charles Crossland, Director of Student and Public Relations; Mr. James Gannett, Registrar; and John Stewart, Dean of Men. Mr. Crossland is chairman of the judges.

Debaters Trail Bates At Dartmouth Tourney

University of Maine debaters won 4 out of 10 debates at the annual Dartmouth Novice Debate Tournament at Hanover, N. H., last week end. Bates college won the event, with Amherst in second place. Smith and Dartmouth tied for third place.

Chapman Urges Agency Unity In Conservation

Dr. H. H. Chapman, professor emeritus of the Yale School of Forestry, told some 200 students, faculty members, and alumni of the Forestry Department last Thursday that the greatest progress in forestry "comes from the united and coordinated efforts of federal, state, educational, and private agencies."

Dr. Chapman spoke on "Turning Points in Forestry in the Last Half Century" at the first annual stag supper of the Forestry Department.

Dr. Chapman told of the many battles that have been fought "to save the national forests from dismemberment."

Certificates of membership in Xi Sigma Pi, national honorary forestry society, were presented to David Wentworth, Cecil Roberts, Arthur Partridge, William Penoyar, Robert Kellogg, and Roman White.

University Society

By MARGIE THOMAS

Approximately one hundred couples attended Sig Ep's third annual Show Boat and Minstrel last Saturday in South Estabrooke. Carl Brenner was the director and producer, and Roger Gould acted as interlocutor. Jane Knowlton, Marilyn Vaughn, Ed Plossay, Al Keith, Chet Worthylake, and Ron Schutt were end men. Other entertainment was provided by Bub Pert, Barb Bornheimer, Dotty McCann, and Howard Low. Music was provided by the Jim Hawes Trio, Chaperons were Maj. and Mrs. Hugh Wendle and Lt. Col. and Mrs. Samuel Unger. Capt. and Mrs. Salvatore Casale were guests.

The Delta Taus held a Mother's Day Banquet with thirty mothers attending on Sunday. Dinner was served in the game room with the tables arranged in a horseshoe formation attractively decorated with flowers.

Musical entertainment was provided by Andy Mezoian, Hank Berry, and Buz Hall.

Approximately 30 couples attended the Phi Kapperetts party at Phi Kap on Saturday. The party was planned by Bev Bouchard and Jo SanAntonio. Entertainment was a minstrel show put on by the girls.

The Delta Taus were hosts to the AOPis for supper on Tuesday, April 29. Entertainment was provided by Andy Mezoian, Hank Berry, and Buz Hall.

Pinned: Nancy Young to Timothy McManus, Phi Gam; Barbara Brown to Alan Philbrook, SAE.

Engaged: Theresa Gram, Old Town, to Thurman Gould; Virginia Harvey to Cpl. Arthur Lundwall, Cushing; Gerry Holland, Portland, to Robert Estabrook; Barbara Kilbride, Watertown, Mass., to Ted Tocci.

THE DU PONT DIGEST

Engineering Unlimited

Training in many different engineering branches opens the door to opportunity at Du Pont

In recent issues of the *Digest*, we have discussed opportunities for mechanical and chemical engineers at Du Pont. However, this is only part of the picture. The special skills of more than a dozen different branches of engineering are needed on our scientific teams. For example:

Architectural, civil and structural engineers are attached to the central Engineering Department which handles most of the Company's construction projects. In this work they make site investigations, lay out new plants, design buildings, determine construction methods and specify materials and equipment. They also assemble necessary labor forces at field locations and supervise the building and assembly of complex manufacturing facilities.

Electrical engineers aid in designing process equipment and facilities for power generation and distribution, air conditioning and refrigeration. Instrumentation is another important phase of their work. Continuous

automatic analyzers for cyanides, ultra-violet gas analyzers, multivariable recorders, and new photo-multiplier circuits are just a few of their developments.

Industrial engineers help develop methods and standards for new or improved manufacturing processes. This work often serves as training for production supervisors.

Metallurgical engineers play an essential part in the central Engineering Department's program of research. Their studies are aimed at improving equipment and construction materials, as well as methods of measurement and control.

Safety engineers strive constantly to improve the broad safety program initiated by the Company's founder 150 years ago. Du Pont is understandably proud of its safety record, which in 1950 was eight times better than the chemical industry's as a whole, and fourteen times better than the average for all industry.

Carl Gosline, B.S., Iowa '41, conducts meteorological engineering studies to help solve plant chimney problems involving smoke and acids.

This by no means completes the list. Every U. S. industry utilizes Du Pont products. Hence there is also a need for specialists in mining, petroleum, textiles and many other branches of engineering.

Along with chemists, physicists and other technical personnel, almost every kind of engineer finds opportunity at Du Pont. Your engineering degree is only a door opener. Any man with ideas, imagination and the ability to handle people will find plenty of room for advancement in this company that has never stopped growing.

FOR HELP in choosing your career, send for free copy of "The Du Pont Company and the College Graduate." Describes futures for men and women with many types of training. Address: 2521 Nemours Bldg., Wilmington, Delaware.

—the Absolutely Uniform
DRAWING PENCIL

● Absolute uniformity means drawings without "weak spots"—clean, legible detail. Famous for smooth, long-wearing leads. Easily distinguished by bull's-eye degree stamping on 3 sides of pencil. At your campus store!

Fred R. Struder, B. Metal. E., Rensselaer P. I. '50, examines a pressure strain recorder with Allen R. Furbeck, E. E., Princeton '39.

This Du Pont plant, near Orange, Texas, manufactures nylon intermediates, plastics and heavy chemicals. Engineers attached to The Du Pont Company's central Engineering Department designed the plant and supervised the installation of the manufacturing equipment.

Services Interview 100 Job Applicants

More than 100 interviews were held by the representatives of the Army, Navy, Marines, and Air Corps, at the series of meetings held in the Louis Oakes Room, April 28-30.

Phillip J. Brockway, Director of Student Aid and Placement, announced that the success of the program will probably result in its becoming an annual feature at the university. In the future, however, it

will probably be held earlier in the year.

During the three day period the four groups held several meetings at which service life was discussed and movies shown. The main points of each branch's officer procurement program were emphasized.

Mr. Brockway expressed disappointment over the small turnout of the school's women students.

Deadline Set For Draft Applications

Professor John Lee, Chairman of the Faculty Committee on Military Service, announced this week that another Selective Service Qualification Test will be given May 22.

Applications must be submitted before May 10. Forms may be obtained from Professor Lee's office in the New Engineering building or the student's local draft board.

GREYHOUND

Pale Blue Host To 53rd State Track Meet Saturday

Bear Facts

BY PERLESTON PERT, JR.

Maine and Bowdoin appear to have a definite edge over Bates and Colby in the 53rd annual State Track Meet coming up Saturday. Bowdoin, strong in the dash events, and Maine, with its power centered in the weight and distance events, are more or less evenly matched and should provide an interesting show for the large crowd expected.

Bowdoin's Gordon Milliken, former Cony high school star, is the Polar Bear's big gun and is expected to push real hard to equal or break the 9.8-second record in the 100-yard dash. The record was set back in 1899 by Harry Cloudman, also a Bowdoin man. Milliken is reported to have run the 100 in 10 seconds flat on a soggy track, which means that he ought to do better given perfect conditions Saturday.

Color will be added to the meet by the University band and cheerleaders. Usually not a part of outdoor track meets, the two groups add an entertaining flavor to the meet to which students of all Maine high schools are invited free of charge. The invitation, made by the Maine Intercollegiate Athletic Association, will give the students an opportunity to witness some fine track competition and at the same time a chance to view the University campus.

"Tubby" Raymond's varsity bat-and-ball men raised themselves to third place in the State Series baseball race with a 4-3 victory over last place Bates the past week end. A wild pitch by Bates pitcher Andy MacAuliffe gave the Bears the winning run. Tomorrow the Pale Blue goes against first place Bowdoin, whose only Series loss, strangely enough, came at the hands of last place Bates.

Last Friday, Maine diamond fans (those who were brave enough to sit through both games) saw a complete reversal in playing style as the Bears split a twin-bill with the Rhode Island Rams.

Jack Christie's neat one-hit pitching chore and Dave Wiggins' thumping bat provided the necessary ingredients to give Maine the win 4-1 in the first contest. But the second game was a different story with Rhody using four pitchers and the Bears three moundmen in a wild seven inning affair. Building up a soft 6-0 lead in the first two frames, the Maine team then became confused by a Rhode Island bunting spree and lost the lead three innings and 12 runs later.

Tomorrow marks the end of spring football practice here at Maine. Under rules laid down by the Yankee Conference and the NCAA, Maine players will have participated in 20 practice sessions in a 30-day period.

Blue Man didn't win the Kentucky Derby, which probably accounts for the quietness about Colvin Hall early in the week, but he placed third, anyway, and paid \$3.60 to show.

Henry J. (Rabbit) Dombkowski, who did some fancy scouting for Maine on the gridiron a short while ago, has recently been assigned to active duty as a Second Lieutenant in the Infantry. The "Rabbit" earned his name with clever footwork while playing the role of seat-back for Maine.

Pale Blue Nine Faces Bowdoin, Colby On Road

Two State Series clashes and a Yankee Conference contest are on tap for the Pale Blue Baseballers in the next week.

Maine bumps into arch-rival Bowdoin at Brunswick Friday and meets the Colby Mules at Waterville on Tuesday.

New Hampshire's Wildcats will provide the competition in a Wednesday contest here at Orono.

The Raymondmen split in their twin bill with the Rhode Island Rams last Friday. Classy one-hit pitching by Jack Christie and a brace of sharp singles by Dave Wiggins made for a winning combination in the first game. Christie received some razor-sharp support from the Maine infield after a couple of first-inning lapses.

Maine belted three Ram hurlers for six runs in the first two frames of the nightcap but were overhauled and trounced by the aroused Rhodies in later innings. The final score was 12-6, Rhode Island. Jack Butterfield was charged with the defeat. This was Maine's first Yankee Conference loss.

The Black Bears copped their first State Series win with a 4-3 victory over the Bates Bobcats at Lewiston Saturday. Bates' lefty Andy MacAuliffe allowed Maine's winning run to score on a wild pitch in the seventh inning. Dave Bates, Al Hackett, and Gene Sturgeon led the Pale Blue hit parade with a total of ten hits among them. Hank Woodbrey allowed the Bobcats ten bingles but was tight in the clutches as he went the distance to grab off the win.

New Hampshire scored a run in the last of the eleventh inning to defeat Maine 9-8 at Durham Monday. Jack Butterfield issued three straight bases on balls after giving up a single in the bottom of the eleventh frame and the winning run was forced in from third.

Jack Christie started for the Bears but gave way to Butterfield in the seventh. Al Card went the distance behind the plate. Outfielder Al Hackett led the Maine batters with a homer and two singles.

The loss to New Hampshire gives Maine a 2-2 record in Yankee Conference play.

Sailors Win State Title On New Meadows River

Maine's Sailing Club, recently recognized by the administration as an official group, copped the state title on Three Meadows River at Brunswick Sunday when they outraced Bowdoin and Colby. Bates failed to send a team. Scores were: Maine 27, Bowdoin 17, and Colby 14.

Pale Blue skippers were Howard Ainsworth and Kenneth Boehner. Charles MacMahon and Robert Chase served as crewmen.

Frosh Nine Loses To MCI, 3-1

The freshman baseball team will be after its first win tomorrow when it goes against Coburn Classical Institute on the home diamond at 1:30 p.m.

Early inning errors were the downfall for the frosh nine as they were defeated 3 to 1 by Maine Central Institute on Monday. Bob Bailey, steady portside for the yearlings, gave up only two hits in going the

nine inning route but received poor support in the field in the first two innings. Bailey allowed only two singles, gave three walks, and whiffed 12.

Don Arnold, who clouted a double for the longest blow of the game, scored Maine's lone run. Roger Miles and Kevin Cadieux topped the hitting department with two hits apiece.

Ed Bogdanovich, star Pale Blue weight man, set a new outdoor record for the shot put in last Saturday's Dual meet with Boston College. His record toss was 48 feet.

Golfers Win 3; YCTourney Next Netmen To Meet Bowdoin Here

Coach Charlie Emery's varsity golfers warmed up for the New England and Yankee Conference Tournament at Oakley, Mass., this week end by beating Colby and Bates in exhibition matches and Rhode Island in a Yankee Conference contest.

At the Waterville Country Club on Wednesday of last week a strong wind affected the scores somewhat as Maine swept over Colby 8½ to 1½. Connie Bosworth and Don Mavor were low scorers for the Pale Blue carding 77 and 78 respectively.

On Friday the linksmen played host to Rhode Island at Penobscot Valley Country Club and made it two straight over the Rams 6½ to 2½. In an earlier match at Kingston, Maine won 6 to 4. Maine Intercollegiate Champion John Gowen pulled the outstanding feat of the afternoon when he scored a double eagle 2 on P.V.C.C. par 5 third hole.

Bates proved no threat to the Maine men as the Bears chalked up an exhibition win over the Bobcats 7½ to 1½. Don Mavor's 80 was the low score for the day.

Maine's Varsity Tennis team will match strokes against the Bowdoin netmen in their first State Series contest here on Saturday.

The Pale Blue Courtsters made it two straight over Yankee Conference rivals, the University of New Hampshire Wildcats, with a 5-3 win here Saturday.

Gordon Johnston, Hugo Cross, Ernie Sutton, and Gene Drolet handily won their singles matches against the boys from Durham. Preston Hall and Gene Drolet teamed well to cop a win in the doubles matches. Time prevented Bill Bird and Gordon Johnston from completing their doubles match against the Wildcat's Gallant and Forsaith. Johnston and the Maine captain had tied the match at one set all by taking the sizzling second set 13-11.

Women's Sports

BY LORRIE SKOLFIELD

Bella Frazier and Joan Gillette are the University badminton finalists. They will play off a championship match Saturday afternoon at 2 p.m. as a part of the high school playday program.

Elections for WAA officers and sports managers for the coming year will be held on Tuesday, May 13. All women students are eligible to vote.

The sign up sheets for the tennis singles elimination tournament have been placed in the dorms. Girls who are interested are asked to sign up.

Four Trackmen Defend Titles In Annual Tilt

BY DANA WARREN

Four of Coach Chester Jenkins' varsity track performers will be defending their individual state championship titles when they compete in the 53rd annual outdoor state track meet to be held here Saturday at 1 p.m. Bowdoin won top honors last year.

Jack Wathen is last year's state champion in the 440 and 880 yard runs. Mac Osborn is defending champ in the one mile run and Dick Dow holds the two mile title. George Weatherbee tied for first in the pole vault with Coperthwaite of Bowdoin. Both will compete this week end.

The Pale Blue have a one and one record thus far in the season. Losing to N. H. in their opener at Durham the Bears garnered a 74-61 victory over the Boston College Eagles here last Saturday.

Ed Bogdanovich broke the University outdoor record in the Boston College meet by tossing the heavy shot 48'. This distance topped by one half inch the record set by Maine's Floyd Milbank last year.

Ted Curtis, faculty manager of athletics, said that he expects a record crowd to witness the state meet competition. President Hauck will serve as honorary referee and Major Gen. Frank E. Lowe, USA retired, will be acting referee. Curtis has received affirmative replies from a number of top trackmen in New England whom he has asked to officiate. Invitations have been issued to former champions of Maine State meets, and high school students have been invited to attend free of charge.

Among the highlights of the meet will be the presentation of the Allen G. Hillman Memorial Trophy to the outstanding individual performer. The award has been donated by a friend in honor of Allen Hillman, former Bowdoin distance runner, killed in World War II. Other awards will include certificates to the first three men in each event.

Another feature of the day will be a freshmen medley relay race with the frosh performers from the four colleges participating.

Calkin Wins Five Events As Freshmen Dump Bangor Rams

Led by standout performer, Bill Calkin, the Pale Blue Frosh track squad meets a strong South Portland High School team here this afternoon.

In edging Bangor High here last Saturday, the yearlings took nine first places. Ace Bill Calkin posted individual wins in the broad jump, high hurdles, low hurdles, 100 yard dash, and the 220 yard dash.

Other standouts for the yearling cause were George Fraser with a first in the shot put and third in the low hurdles, John Roger who took first in the pole vault and third in the 880 yard run, Fred Huntress with a first in the discus and third in the high hurdles, Tom Shea with a first in the 440 yard run and third places in the broad jump, 220 yard run, and 100 yard dash. George Bott tied for first place in the pole vault.

The final score was Maine Frosh 59½, Bangor 57¾.

Woodsman's Week End Slated At Middlebury On May 10 And 11

By STAN FERGUSON

When Ross McKenney, former Maine guide and now woodcraft adviser for the Dartmouth Outing Club, first conceived the idea of an Intercollegiate Woodsman's Week End in 1946, he touched off a powder keg of interest that threatens to equal, if not surpass, the hysteria that surrounds football.

Since 1946, when the only two colleges in the field events were Dartmouth and Middlebury, the Woodsman's Week End has grown to an eight-college annual affair, with an ever-increasing spectator interest, and with more colleges planning to participate.

This year, Dartmouth, Middlebury, Paul Smith's College, Norwich, U. of M., McGill, Kimball Union Academy, and Williams will send their six-man teams, who are sponsored by the Outing Clubs of each institution, to the host college, Middlebury in Vermont. Various Events Are Listed

The teams will compete for prizes in outdoor skills such as canoeing, chopping, sawing, skidding logs, fire-building, and packboard racing.

All of the men on the Maine team are forestry majors. They are coached by student Lennart (Swede) Nelson. Swede has succeeded in organizing a rigorous training program for all of the events except canoeing. "We've been waiting for daylight saving time to give us time enough to travel to Pushaw Pond for that," he said.

Members of the team are: Pete Mount, Bill Gove, Neil McGowen, Art Partridge, Phil Bowman, and Swede.

Campus-wise, the Woodsman's Week End has been the talk of the forestry department for weeks. Off-campus the interest has been indicated by much enthusiasm coupled with material aid.

Merchants Donate Equipment

Leon Thomas, the Bangor manufacturer of the famous Thomas Rods, donated a flyrod and two casting rods to Swede and his crew.

Red Sturgeon of Olympic Sporting Goods in Bangor kicked in with reels and lines for the rods. John Carney of Mars Hill, New England Representative for Simonds Saws, has not only offered to give the boys woods' tools but guarantees that they'll be the sharpest possible because he intends to sharpen them himself.

Mr. Carney knows the sawing game from experience. He can better the time of a chainsaw in a single cut by

using a bucksaw. He has given much of his time to helping the Maine team.

President Hauck is enthusiastic over the "Week End" and expressed the point that forestry is a major study at the University. Thus the promotion of interest through the Woodsman's Week End is good public relations.

The Maine team will leave by car for Vermont May 9. The field events will take place May 10 and 11.

Fassett Will Head Mu Alpha Epsilon

Charles K. Fassett has been named president of Mu Alpha Epsilon, honorary music fraternity at the University of Maine.

Fassett, a sophomore, is majoring in arts. He is active in the Glee Club, Madrigal Singers, and Varsity Singers.

Other newly elected officers are Donald K. Lord, vice president; Jean B. Dolloff, secretary; and Carolyn E. Fogg, treasurer.

Miss Young Named Newman President

Marion Young, a sophomore, is the first girl to be named president of the Newman Club.

Miss Young is a member of Neai Mathetai, honorary scholastic society, and belongs to Delta Delta sorority.

Other newly elected officers are vice president, Ernest Sutton; treasurer, Donald Poulin; recording secretary, Valerie Bickerman; corresponding secretary, Joan LeTourneau; and historian, Anne Dutille.

Be Happy-Go Lucky!

In a cigarette, taste
makes the difference—
and Luckies taste better!

The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the smoother, mellower, more enjoyable taste of a Lucky... for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco... fine, mild tobacco that tastes better. Second, Luckies are made to taste better... proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that tastes better! Be Happy—Go Lucky! Buy a carton today!

Exams are coming round once more,
And cramming is the style—
But just the taste of Lucky Strike
Will guarantee a smile!
