FRSCHMEN Trounce Higgins Prep To Win First Victory of Season

Charlie Towle Again Snatches Scoring Honors As Maine Team Wins, 41-16

The freshman quintet ran riot with the Higgins hoosiers last Friday evening at the Armory to win its first victory by a score of 41-16. For the first quarter of the game a fast, scrappy battle was staged, the ball being rushed from one end of the floor to the other. A few minutes after the second quarter had begun Coach Kenyon replaced the entire team by a new squad which continued to pile up points for Maine, while the opposition was held in check by the strong defense. Towle continued his record of gaining the highest number of points in the game by dropping 8 points through the loop, while Favor made two spectacular baskets from the center of the floor. Giguere played the hub position well, and Gilman did his share by tossing in 6 points.

The team showed its full strength during this game, and others who new action were Russ, Sorens, Remondell, Good, Corriner, Perkins, Weeks, Parker, Hinley, and Ballard.

EXECUTIVE COMMITTEE DECIDES

AMOUNT OF CLASS DUES FOR YEAR

Sum of $2.80 Will Be Placed On Term Bill; Consider Dance Instead Of Banquet

The amount of $2.80 for class dues for the year was decided upon at the meeting of the Executive Committee held on Monday, December 15. There was very little discussion of the matter, and the vote was unanimous. This sum will be placed on the term bill, which will be sent out at the end of the semester, and will include the expenses of the class banquet, the newsman, and other incidentals.

A short discussion of the merits of a class dance in place of a banquet took place, but no decision was made. The members of the committee are: Thomas Porsay, Norman Bartlett, Paul Langlois, Alphonse Lyon, and Fitz Store.

WALTER LUDDEN, HIGH AVERAGER MAN, CHOSEN FRESHMEN RIFLE TEAM CAPTAIN

Meeting Held Thursday Elects Jones and Crowley To Other Offices

Officers of the freshman rifle team were elected at a meeting of the team held in the Lord Hall last Thursday night. "Walter Ludden, who is high man on the team, was elected captain, Harry Crowley, manager, and Kenneth Jones, assistant coach. Ludden is doing some excellent work, and is nearing the rank of Distinguished Rifleman.

Sergeant Strothers has announced the freshman team schedule to be as follows:

 Bangor High - week of Feb. 7
 John's Parkins - 14
 Univ. of Iowa - 14
 U. of Cincinnati - 14
 Oklahoma A. M. - 21
 M. I. T. - 17

This is the first year that a schedule has been compiled for a freshman rifle team at the University, and things look very bright for a successful season. Capt. Ludden has a higher average than the highest man on the varsity rifle team, and is doing better each time he practices.

A RADIO FOR THE RECREATION ROOM

Under Hannibal Hamlin Hall we have a fine recreation room. The University has provided a set of most comfortable chairs and divans, and the room is equipped with a really homelike fireplace. Considering everything it is an ideal place to lounge after a meal or in any other spare time, and talk about boots, shoes, rubber boots, and whether pigs have wings, while enjoying a cigarette or pipe.

The suggestion has been made that we plan in and buy a radio for the room. There is no question as to the enjoyment, which we would get from a radio there. Not only music and entertaining programs would be received, but now and then a most valuable lecture could be endured without boring us too much. It is estimated that if each man in the dorms were to contribute about twenty cents the purchase could be made quite easily. Let's think this over, and then take some action in the matter before the winter is over.

The educated man is one who is trained to use the tools of human intercourse with readiness, precision, and accuracy. We mean especially, language (particularly the mother tongue, both in speech and in writing) and the rudiments of numbers. Our age is adding to the tools of intercourse statistical symbols, such as tables and graphs.

- George A. Coe.

KAPPA SIGMA SLIPS THROUGH FOR UNDEFEATED VICTORY OVER OAK HALL

Led by Johnny Gilman and Stan Searles, Oak Hall gave Kappa Sigma a real tussle, and the unrelenting was just able, because of an early lead to eke out a winning score.

Though Gilman and Blanchard did a fine bit of defense and Searles stepped far t offense, they could not stop the team work of the Kappa Sigma. Late in the last period the freshmen staged a strong rally led by Gilman who scored five points on a free throw and two sets of three. The final score was 15-12.

The Oak Hall lineup was:
Alderich S. Searles r.f., Searles jr., Osgood 1f., Blanchard 1g., and Gilman r.f., Sam Sack manned the whistle.

Send her some corrections from the greenhouse, she'll be thrilled to tears. The sale is on over there and they are

URGENT ACTION ON TRACK MEET

Editor of The Freshman:

Dear Sir:

On the second Saturday in February the annual Freshmen-Senior track meet will be held.

If the freshmen win, rules will go off immediately. There isn't a member of the class who will not benefit by a freshman victory. Six weeks less rules will be a real break.

The freshmen have the material for an excellent team. All that is needed is organization. At this time we ask that every freshman available for track report to Coach Jenkins. By starting early we shall have a decided advantage.

The Class of 1936 has been successful in all that it has tried so far. Let's continue and show the University that we still are winners.

Very truly yours,

WILLARD S. CASTWELL
MAINE PROFS SWAMP KENT'S HILL WITH POWERFUL OFFENSIVE PLAYS

Russ and Tome Shine As Team Gutlessess Visitors With Heavy Score of 45-10

Weine won its second victory of the year Saturday evening at the expense of the Kent's Hill basketballs by a score of 45-10. Kent's Hill perhaps a strong team when it went in its class, possessed an offense which could accomplish but little against the frosh. For Russ, left guard, started the Frosh scoring by sinking 2 successive shots from nearly the center of the floor. Led by Tome, who again set the title of high point man by toasting in nine baskets, Weine treated the spectators to some smart basketball.

Weine's reserve strength was inserted during the game and the men who took part were Torolosky, Wilbur, Jackson, Dow, Berg, Merrill, and C. Blanchard, Crockett, "Wea," and Ingraham.

FROSH B TEAM LOSES TO NEWPORT IN OVERTIME AFTER TYING AT 25

Squad B lost to Newport 29-26 only after an overtime period was played Friday evening at Newport. Torolosky and Wilbur at forwards, Blanchard and Crockett at guards and Jackson at center started for Weine in the second quarter Coach Curtis put in an entirely new team consisting of Berg and Ingraham forwards, ford and Merrill guards, and Baker at center.

The third quarter of the game ended with the score 22-21 favoring Weine, but the last period closed at 25-25. Newport held Weine while sinking two baskets in the overtime. Manchester accounted 12 of his team's total, and Berg led the Weine scoring with 10.

pluds and Remplings Obtainable

AT M. C. A. OFFICE

"Artificial Respiration", a pamphlet issued by the Metropolitan Life Insurance Company, is on the M. C. A. reading table. Everyone who is not familiar with this method of resuscitation should make it a point to learn this valuable subject, for no one knows when he may need it. Those desiring a copy of the pamphlet may procure one by writing to the company or by putting in a request at the M. C. A. office.

A bill to abolish compulsory military training in colleges was defeated in Congress this other day. The vote was about 180-50. "We still have a chance."
