HERE'S HOW

Probably everyone would like to know how the FRESHMAN runs.
Frankly, we are proud that it runs like no other paper in the world.
Perhaps the best way to illustrate this is to describe how a real newspaper runs.

Every real newspaper has its publisher, its night and day editorial staff, a composing room, an editorial room, a printing and engraving department, and advertising department, a linotype department, and a press room.

Let us trace the development of a story from its origin to its appearance in print. The city editor sends out a reporter to cover the story. He gets the story, returns to the office, and types it. Then he gives it to a copy-reader who sits at a horse-

THE FRESHMAN
SPORTS

The freshman relay team easily defeated a group of runners representing Coburn Classical Institute in a relay race Saturday night at the Armory. The race was an added feature to the Vaine-Bates track meet.

The men competing on the freshman team were Dowd, O'Connor, Collette, and Huff.

On the first lap, Dowd took a lead of ten yards, Collette got a bad start, and was slightly behind his Coburn opponent at the end of his lap. O'Connor, the third Vaine runner, easily overcame the lead and gave his team-mate, Huff, a start of ten yards which the frosh runner stretched to twenty before crossing the finish.

Two froshmen, William Hatch, and Leo Viner, reached the finals of the annual intramural boxing tournament held Saturday afternoon at the Armory in conjunction with the finals of the basketball tournament. Both frosh lost their final bouts.

Leo Viner, in the 130 pound class, was defeated by W. Judkins. Stan Michaud scored a technical knockout over Hatch in the second round. The bouts were refereed by Bill Kenyon, former coach of boxing at the University.

A large number of freshmen are expected to compete in the annual intramural wrestling tournament which begins Tuesday evening at the Armory.

The men entered in the tournament have been practicing for some time under the instruction of Sam Reese. The tournament will mark the close of the grappling season.

Among the freshmen who have signified their intention of entering the tourney are: G. Bridges, E. Hanson, C. Bacheller, H. Copeland, R. Demont, D. MacNaughton, J. Yorlow, F. Snow, and A. Poulsen.

The last game of Freshman Girl's Basketball was played last Monday when the Juniors defeated the Freshman B team 59-11.

Of course our Freshettes are sorry to end the season without the Interclass Championship for which they worked so hard to win. But they have another chance to come through with Volley Ball season at hand. There will be two volleyball teams, A and B selected to enter into competition with the upperclass teams as in basketball.

The first volleyball practise of this season was held last Wednesday evening in Alumni, as part of the regular physical education class work.

Miss Rogers, freshmen girl's volleyball coach wishes all those girls who wish to play for credit or those who wish to try-out for the teams to report for practice both Monday and Wednesday evenings until further notice.
