DIES IN AUTO ACCIDENT

SENATE PASSES NEW SYSTEM BY SPEEDING AUTO

JOSEPH GALBRAITH CRITICALLY HURT

Boys Were Walking On State Highway
In Company With Two Companions
When Fatal Mishap Occurred

Carleton O. Wilson, a member of the freshman class, died instantly of a fractured skull, and Joseph Galbraith, likewise a freshman, was critically injured last Saturday night, when they were struck by an automobile operated by Alfred M. Burr of Old Town as they were walking on the road to Orono in company with two other freshmen.

The boys were walking in pairs, Leonard Shaw and Wilson in front, and Galbraith and Gordon Stuart in their rear, when the car, reported by witnesses to be traveling at a speed in the vicinity of fifty miles per hour, bore down upon the youths.

The car first struck Galbraith who was walking on the outside, and tossed him into the ditch. It then hit Wilson, who is believed to have been instantly killed, as the result of huge gashed in his scalp where the car's right headlight struck him.

The driver, according to state police, was unable to halt his car until it had proceeded between 150 and 175 feet. Wilson

As every student in the University knows, a drastic change is to be voted on by each class. All students by now are familiar with the proposed changes, whose pur-

(EDITORIAL)

New Fraternity Rushing System To Be Voted Upon This Week By Members Of All Classes

The Maine Student Senate has passed a new plan of freshman rushing. The approval of the Board of Administration is now necessary. The greater majority of the fraternities have approved of this plan.

Although three of the fraternities are not in favor of the new system, the plan was accepted, for it was decided that no plan could be entirely satisfactory to every house.

John Wilson explained the new system to the freshmen in the dining room last Tuesday. A vote was taken, and the majority seemed in favor of it. However, there is a large number of freshmen who do now favor the new plan, because they feel that the in-coming freshmen will not have a fair opportunity to judge the houses.

FRESHMAN KILLED

(cont. from p. one)

was thrown 70 feet by the impact.

The automobile involved in the fatal accident was occupied by four persons. The driver reported that he was blinded by the lights of an approaching vehicle, and as he turned out to avoid hitting the other car, he struck the boys.

Galbraith was taken into a nearby house, where he was attended by Doctor Hall of Orono. Later he was removed to the Beta Theta Pi house, to which he is a pledge.

His injuries consisted mainly of badly bruised legs, and a cut over his right eye. As soon as his condition warrants, he will be taken to the Eastern Maine General Hospital.

Wisn s home is in Medford Hillside, Massachusetts. He was a popular member of the class, and played on the freshman football team. He was a candidate for a position on the baseball team. He was a pledge to Lambda Chi Alpha fraternity.

pose it is to reduce expenses to each house.

After carefully considering the new plan, the FRESHMAN finds many things to commend and some things to condemn in the proposed system.

We believe that freshmen should not be allowed to eat in fraternity houses before the second semester, but we also believe that freshmen should be allowed to visit the houses at some times during the week, provided that no form of entertainment is offered.

The first half of the freshman year at college is at best a trying one. A boy entering college is always more or less homesick, and the friendly spirit of comradeship displayed in all our fraternities can do a great deal toward cheering him up, until he grows accustomed to his new environment.

We also believe that while the Student Senate is changing the rushing system, it should also change the bidding system.

The high-handed tactics of some of the fraternities which invade the dormitories on the
The freshman track team easily defeated Deering High 79-47 in a one-sided meet at the Armory Saturday afternoon, which saw the fresh team take every first place in the field events.

The high scorers of the meet were Don Huff and Arthur Roberts for Maine, and Allen for Deering. Each of these men tallied ten points for his team. Ken Ireland also turned in a brilliant performance, gathering 9 1/2 points.

In the weight and field events, Coach Jenkins's men scored 53 out of a possible 83 points.

The biggest upset of the meet was the failure of Folwartshny of Deering to win the shot put. The huge, blond Portland athlete is the leading.

(EDITORIAL cont.)

bulldoze freshmen into taking pins, is beginning to prove disgusting to first year classes.

To remedy this defect, we believe that a strict penalty should be inflicted against giving out pledge buttons prior to the bidding day, and we further believe that a bidding system, so somewhat similar to that now used by the sororities on the campus, would be distinctly advantageous.

In this system, on a given day, fraternities would give the list of men whom they wish to pledge to the chairman of the Inter-fraternity council, and freshmen would turn in a list of their preference. The first fraternity on a man's list to offer him a bid would then pledge the man.

These changes, in our opinion would remedy practically all of the disadvantages now existing in our fraternity system.
FRESHMAN OFFICERS OF Y.W.C.A

Louise Steeves and Rena Allen were elected secretary and treasurer respectively of the Y.W.C.A., at a recent meeting at Valentine.

FRESHMAN NINE OPENS SEASON FRID.

An untested and untried group of freshman ball tossers will show their wares against Caribou here Friday afternoon, in the opening game of the 1933 baseball schedule.

The freshman coach has not as yet named his starting line-up, and in as much as the primary purpose of the coach is to develop material for next year's varsity nine, it is expected that several combinations will be used during the game.

Schedule follows:
- May 5--Coburn Classical
- May 10--Bucksport at Bucksport
- May 16--Higgins at Orono
- May 20--Hebron at Orono
- May 24--Bucksport at Orono

FROSH ELECTED TO CAMPUS STAFF

Two freshmen were rewarded for their work on the CAMPUS staff by being elected, on Friday at the annual business meeting, to important positions on the board for next year. Burton Mullen, Sports Editor of the FRESHMAN was elected Men’s News Editor, and Gerald Slosberg was chosen Circulation Manager.

VOLLEY BALL GAMES

Tuesday night the Freshman B team elected Margaret Aspin as captain. Following this they defeated the Sophomore B team by the score of 60-35. The following girls played: Margaret Aspin, Athleen Forwood, Margaret Harman, Helen Carpenter, Mildred Lolliver, Ruth Reed, Dorothy Jones.

On last Thursday evening the Freshman volley ball team A defeated the Seniors in a one-sided game by the score of 71-31. The Seniors were easily outclassed as four of their teammates were absent from the line-up.

This was the second game on the schedule and likewise the second victory.

The line-up is: Archer, Havener, Hamilton, Campbell, Philbrook Hill dams, Steeves, oofman.

On Saturday morning the Sophomore and Freshman A teams met on the volley ball court in Alumni to play one of the most coveted games of the season. As the Freshmen had already defeated the Seniors by a large score, and the Juniors had forfeited their game, the Freshmen especially wanted to win. The teams were evenly matched both in numbers and ability, so the game was bound to be a "peppy one." The score juggled for both sides through the game, but the hardest of the fighting came during the last five minutes. The Sophomores, after a tied score, managed to accumulate a few points against the unlucky Freshmen, until the game ended 57-47 in favor of the Sophomores.

The line-up was the same as in the Senior Freshman game.

Professor Albert Hitore was the speaker at the Y. C. A. Cabinet Forum, Sunday evening, in Hannibal Harlin Hall.
IN MEMORIAM

CARLTON OTIS WILSON

BORN OCTOBER 14, 1913
DIED APRIL 22, 1933

Yesterday, he played ball with us.
Today, he has joined the Great Silent Majority.
Cheerful and friendly, he had endeared himself to all who knew him. It is sad to realize that he is gone, gone at a time when life was beginning to offer its best to him.
The freshman class deeply laments the passing of one of its most popular members.
