Las Thursday the championship game of girls' volley ball was played between the Freshmen and Sophomores in which the Freshmen lost 54-49. The first quarter found the score 23-14 in favor of the Sophomores, but the Freshmen had been playing without Marie Archer. As soon as the second period began we had Marie to offset the clever volleying of Beth Giddings, and as a result our score began to climb. In spite of our renewed fighting spirit we had to finish the game on the short end of a 54-49 score, leaving the championship to the Sophs. The following played for the Freshettes: Havenor, Hill, Archer, Woodman, Asnip, Steeves, Campbell, and Adams.

Although nearly all of Ellsworth's business section and a third of the residential district were destroyed by fire late Sunday evening, none of the homes of the four University of Maine Freshmen from that city were touched by the flames.

In the class of 1936 from Ellsworth are: Margaret Harriman, Ann Eliassen, Robert Salisbury, and David Brown.

Eight Members Chosen For New Society To Work With All Maine Women

The annual Freshman-Sophomore banquet was held Wednesday evening, May 10, at Balentine Hall. This event marked the abolishing of the Sophomore Eagles, and the founding of a new society, composed of members from the present freshman and sophomore classes.

The functions of this new organization will be that the All Maine Women will be chosen as previously, and to work with them there will be an equal number of juniors and sophomores. This group of women will work on a big sister plan to aid freshman women to become adjusted to college life.

Freshman girls chosen for the organization on the basis of character, scholarship, and activity were: Marie Archer, Rena Allen, Alice Campbell, Ann Eliassen, Margaret Harriman, Elizabeth Philbrook, Elizabeth Shiro, and Louise Steeves.

At the banquet Elizabeth Shiro spoke in behalf of the freshman class, and Bettina Sullivan rendered a vocal solo.

Also, at this banquet the following freshman women were named for Nei Mathetai, a society composed of the ten highest ranking women students in the freshman class: Arlene Kerrill, Faith Holden, Mildred Sawyer, Ann Eliassen, Marie Archer, Alice Campbell, Esther Carr, Virginia Nelson, Beth Giddings, and Agatha Kittrick.
All the freshman class is divided into two parts—those who want military training, and those who do not want it. It is hard to say which of the two parts is the greater.

It seems to be the general attitude that military is compulsory because this is a land grant college, and that we all must take the military course in order that the university may get money from the government. We believe the general attitude to be wrong. The federal government says that we have only to teach "military tactics". In short, the federal government says that military shall be taught "as the legislatures of the states may respectively provide". That means that our Maine Legislature enacted the (cont'd from opp. column)

The name of Arlene Higgins was omitted as having won the Women's Student Government Scholarship, in last week's edition.
Many freshmen took advantage of the holiday to give the natives a break and going home. "Scoop" Brown, a criterion of journalistic ability, was among those leaving campus.

"Scoop" was commissioned by many New York papers to bring back stories of the great Ellsworth disaster, Brown's native heath.

Friday afternoon, attired in white panama and sports clothes, Brown left campus with his golf clubs and kit bags, after bidding adieu to Dean Mullenberg.

Brown arrived back on campus on Sunday, but could not be interviewed because he was busy getting off his dispatches.

Arthur Roberts, a member of the freshman class, was elected secretary of the Yalnre Athletic Association. Roberts is one of the outstanding athletes of the class, having won his numerals in both indoor and outdoor track.

The members of the Yalnre A.A. are privileged to attend meetings and are allowed to vote on the University Athletic Board.

The Yalnre Outing Club has planned several trips which are to take place in the near future.

The first of these will be an all-day canoe trip up Chemo stream and Chequonn beginning next Sunday morning.

The second of these trips will take place after the close of school and will be a joint hike with Botes outing Club which will see the members hiking to Mount Tadatin.
