Team B Opens Against Old Town. Loses 32-18

Team B opened their season last Friday night against Old Town High School at the latter's gym. They lost by a score of 32-18. This was practically the first time that any of the men had played together and so not much could be expected. The small gym and low ceiling proved quite different than the large gym and high ceiling over at the Memorial Gymnasium where the team practices.

Coach Bill Kenyon used four different teams in the game, giving each man a chance to show his worth.

Old Town led at the quarter mark by a score of 10-3. At the half Old Town was leading 17-7 due mainly to their superior teamwork. The next period saw them score twelve points to team B's four to lead by the decisive margin of 29-11. The Frosh seemed to find themselves in the last period to outscore their rivals seven to three. The final score being 32-18 in favor of the boys from Old Town. Fox's handling and passing along with Arnie Veegue's all around ability were the bright spots for the frosh team.

The game was replete with fouls but was ably handled by our own efficient physical trainer, Wally.

Therefor, it seems needful for us to choose the values we wish to promote and then incline our choices in activities and friends toward those ends. This is the easiest method of attaining those ends.

SOCIAL EVENTS OF LATE
A Christmas dinner was enjoyed by about one hundred and fifty Freshmen and upper classmen at Balentine Hall Wednesday the twelfth of December. Christmas carols were sung throughout the dinner. Two needy children were selected from Orono to receive Christmas presents donated by the girls from the Maples and Balentine Halls.
Quite a social gathering was enjoyed by some of the freshmen returning on the train. Card-playing was one of the pastimes. We noticed quite a few freshmen amusing themselves in the hallways and trying to get a few "cases". The train arrived in Bangor at 4 o'clock. Some of the Maine Co-eds claimed that they couldn't find their way to Orono but wonder if they tried very hard?
We are pleased to see among those returning Solveig Heistad completely recovered from her recent illness.

WINTER SPORTS TOPICS
The heavy snow which fell after vacation gave the Winter Sports Team a chance to begin their workouts for the coming season. Several of Ted Curtis's men have been working out on skis on the other side of the river while the snow shoers have had a little practice. The schedule has not as yet been made out definitely but a few of the meets are practically certain. Rod Elliot and Bill Henderson look good for varsity berths for the coming season.
15 COUPLES ATTENDED MAPLES VIC PARTY FRIDAY NIGHT

Fifteen couples enjoyed the dancing to the tunes of many new records at the "vic party" held at the Maples last Saturday evening. The committee in charge consisted of Adolphine Voeglin, Kay Cox, Louise Getchell, and Betty Drummond.

The stag dance put on last Friday by the Delta-Delta-Delta Sorority was well attended by the members of the Freshman Class. Music was furnished by the Maine Bears.

MAINE OUTING CLUB NEWS

The M.O.C. is maintaining its place among the foremost college outing clubs in the east. During Christmas vacation an expedition was sent to climb Mont Washington. The party led by Bob Olher, member of the "Pack and Pine" and including "Tabius" Hodges '38, climbed the mountain under the best of conditions, spent the night in Camden cottage on top, and made the descent in a raging blizzard. In places above the tree line, the snow was drifted from five to twenty feet deep.

The next M.O.C. meeting is to be held in 30 Coburn. There will be pictures of Skiing and the Dartmouth Outing Club. The Winter Sports team and all interested in Skiing are invited to attend.

Plans for a mixd hike, overnight snow trip, and some all day ski hikes will be discussed.

If wishes were chickens, bums couldn't eat because they are too lazy to wish. (We don't know who said this and we don't know what it means, but it sounds logical.)

By the way speaking of chicks what do they do to the old hens that they serve at dinner? We have wasted better saw dust.

Brooks loses to fellows in finals of tennis tournament in straight sets, 6-3, 6-3.

During the two weeks of school before Christmas vacation the semi-finals and finals were completed. Brooks defeated his pal Dick (b)mer in straight sets, 6-2, 6-3 to become finalist of the first bracket. Fellows defeated Hamilton and, as expected, it became a contest of Freshman against Sophomore. On the sixth of December in the New Memorial Gym our Freshman star met this experienced and veteran player. A hard battle was fought, but, for the first time this year the Sophomore was victorious.

We hope that this rivalry will be continued in the indoor tournament which is to start shortly. All those wishing to enter this tournament must report to Marsh before January 7.

Speaking of chickens, here is one for you youth: Mr. Berry when queried as to his occupation at his home stated that his job was to pick chickens. So what? Well, from the number of letters that he receives in perfumed envelopes, we would say that he is an excellent picker.
What became of the New Year's resolution Louise Getchell
made? We noticed that she invited Johnny Clarke to the
Naples Vic Party. . . . . Exactly what attraction does Ireland
have for Evelyn Adrians and for Mary Hule Sutton? . . . .

. . . . Let Boyer doesn't look the type, but when she falls,
she falls hard. . . . Would you think that such a smart

Did Don Adams ask the man about the dog, Verna? . . . . Why
does Betty Clough cheek the days off every night? It must
