Snow Men

Did you know that the Maine Outing Club is offering a prize for the finest piece of snow sculpture? Judging from the handiwork of the various fraternities, Old Man Winter has presented us with some well-nigh perfect modeling clay.

Here's an idea: Why don't the strong men and artists of Oak and H.H.H. show their stuff? Any group is eligible for the prize and it offers an excellent opportunity of getting out into the snow and indulging in one swell time.

Come on, you "BullSessions" think up some idea and show your stuff before Friday. With about a hundred freshmen tossing about a good idea, the prize is ours.

Frosh B Team Takes Mattanocook 33-20 In An Easy Win

Team B showed in impressive fashion Saturday night in downing a game Mattanocook team 33-20. The Frosh started out by getting an early lead and hold the visitors to the small total of five points. During the last half of the game the visitors put on a determined spurt to chalk up fifteen of their twenty points. Lull was high point man for the Frosh making four floor shots and three fouls for a total of eleven points. Veagig, Tarbell, Adams, and Additon were outstanding for the Froshmen. Stoces of the visitors scored eleven of his team's twenty points.

Team A Leaves On a Three Day Trip

In Aroostook Today

This afternoon a squad of ten players left on their annual trip in Aroostook County to encounter some of the best teams in that part of the state. They will play four games. One tonight and one each night until they return Friday afternoon or evening. Tonight they stack up against a strong team from Stearn's High of Millinocket. On Tuesday they will play the Ricker Classical Instuto five from Houlton. On Wednesday night they meet the strong Prossy five that is rated by many to be the best in the northern half of the state.

TEAM A TAKES OVER STRONG LEWISTON TEAM WITH A 33 to 25 WIN.

Team A of the Freshman basketball squad ended its home stay last Saturday night by taking over a strong Lewiston High School team by the margin of eight points. Lewiston started out by displaying a strong passing attack and an early load. During the second period the play was about even with the Frosh leading at half 11-11. During the third period the Frosh took itself to run up a commanding seventeen point lead. Phil Rogers, stellar guard who has been a thorn in the opponents side all year turned in a fine exhibition by scoring eight points in this period. During the last period Lewiston tried vainly to get back the lead but all to no avail as the final score was 33-25. Chuto, Lees, and Swenson played fine defensive games while Van Gundy and Phil Rogers turned exceptionally good offensive games. Several monovers outstanding for Lewiston among them was Stasulis, high scoring forward and O'Brien who held down a center berth.

SNOW-SCULPTURING

Probably most of the freshmen have noticed the various snow images that have been springing up over the campus. As you have heard, the Owling Club has offered a cup for the best image made by an organization on campus. The award will be made on the basis of the ingenuity displayed, the effort put into the image, and the final appearance on the morning of February 22 (the morning of the winter carnival).

The Freshmen are eligible to compete for the cup if they wish. The "Freshman" and such other organizations may also take part.

MEETING AND TRIP

The last meeting of the M.O.C. was held in Winslow. Unfortunately, the attendance, due to rushing, was small. Those who did go, however, enjoyed the moving pictures shown.

The next meeting will be held in 22 Winslow, February 28. Prof. Demeritt, head of the Forestry department, will give an illustrated talk and tell a couple of his already-famous stories.

The final details will be announced for the next overnight trip, which will probably take place the following weekend. Therefore, this meeting will be the last opportunity to sign up for the trip.

Outing Club members should make a special effort to attend this meeting.

Evelyn Adriance was recently elected house president of the Maples for the second semester. Other officers have not yet been elected.

PHI MU DELTA PARTY

Many freshmen attended the Phi Mu Delta rushing party on Friday evening. Al Val and his orchestra furnished the music and entertainment. The freshmen present were Berbera Were, Russell Orr, Ethel-Mae Currier, Bernard Keefe, Alice Collins, Robert Boynton, Betty Fournier, Lincoln Fish, Tom Lees, Virginia Moore, Mary-Hale Sutton, Althea Millett, Hildegard Fortin, Douglas Best, Audrey Perkins and Lee Boyer.

KAPPA SIGMA PARTY

The Kappa Sigma rushing party was held on Saturday evening. Among the freshmen present were: Betty Fournier, Lincoln Fish, Tom Lees, Rose Whitmore, Russell Partlett, Stanley Dunlap, Berbera Were, Russell Orr, Georgia Taylor, Fred Sturgis, Ethel-Mae Currier, and Bernard Keefe.

WINTER SPORTS

Washington's Birthday will be a big day on the Maine campus. Friday will see an Intramural snow carnival and a varsity winter sports meet with the University of New Hampshire Snowbirds. Both men and women may enter the Intramural events which will be made comparatively easy by exclusion of the sixteen best varsitymen from Intramural competition. On that day the various forms of snowsculpturing will be judged and the cup awarded the winning organization.

THETA CHI

The mid-winter informal, part of the rushing program of Theta Chi, was held Saturday evening. Music was furnished by Perley Reynolds. Freshmen present were: Kay Cox, Lewis Edwards, Betty Brummond, Well-Gleson, Louise Getchell, John Clarr, Charles Hevenr, Verne Robinson, Laran Fairfield, Phil Peterson, Phil Gregory, Bill Thompson, Stan Fligge, Harpo Swensen, Buzz Sherry, Bud Dee, June Clement and Al Laputz.
Did you notice the lamps in the vicinity of Maples on Thursday morning? It seems that Nancy has tired of climbing ridgelines and taken to climbing l...-posts. Evie and the Baron were caught in some queer poses Thursday P.M. Maybe the pictorial section of the Prism will have something to do with it... We want to know who sent Sarah Littlefield those violets... There were a lot of hearts being eaten out of at the Maples on Thursday. And did you hear about Mary Pendell's roses— and the card?... Maybe the Clark-Getchell romance is blooming once again... Bunny wonders what he thinks of her having gotten Smart and gone to Kappa Sig... A lot of people are wondering how Betty and Line both got into that Austin... So Alice took a night off to entertain Dinky... Will BeaLou be able to wait until Thursday—for home?... Maybe Lee Boyer isn't surprising us... Mary Hale Sutton seems to be right there, too... With whom is Miss Ware planning to attend the Intramural? She has us puzzled... Colby and Maine are rivals, you know, Maxine... Have you got these evening sandals broken in yet, Lena?... Betty and Wally seem to be a perfect match... It was a long, cold five minutes while he waited for Blanche to remove the curlers... He might not have had the nerve, but Evie did... Bob Belding fell so hard Saturday night that he can't even go to meals... Marge Lynds hasn't weakened yet... You certainly can make a big splash, Jeanne... June Clement had fun... The Freshmen rated milk at Theta Chi Saturday night... Marjorie E. Thompson has decided that perhaps it wasn't such a good idea for her to ride horseback all that distance... Who is this girl from Dover who kept Mary Hawkes' man until nearly ten Saturday night?... Who is Verna's new heart throb?... Barbara Brown thinks things have gone pretty far when a girl can't trust her own room-mate... Eleanor Williams has us all wondering. How and where did she get those mumps?... Betty Clough's Frankie turned out to be a regular cannibal... Could it be Mrs. Reese's little bot, Sammy, that makes Mary Wright dash to the 'phone so madly?... Fourth floor Balentine will miss Audrey Perkins, but fourth floor isn't all... Why does Ellen Hodgkins write a strange name all over her desk blotter? Another thing, which does Ellen prefer: The Maine Bears or Rudy Vallee?... Did you know that Lucy Cobb has introduced acrobatics in the basketball game?... Just why would any one want a sleigh with high sides?... Gowell seemed to... Even though she had a car Bud wasn't satisfied... And so after many hollos she turned out to be a telephone girl... Bud Dean and Don Kelley are all pledged up but they are still waiting for those a oh pic pins... Buzz Shorry is now a full fledged minito man... Why should a Woodman be so popular with Smart, Elliot, and Adams, how long have they been taking forestry?...
