Maine Day Helped Out By Weather

By JOHN LITTLEFIELD

For the first time in several years sun shone on the University's annual Maine Day festivities Wednesday.

Highlighted by the announcement of Joseph Boomer, "Boomer The Baker," as the new campus mayor, the day-long work-play program included the annual float parade and an afternoon baseball game between Maine and Colby. Skit In Gym

The Student-Faculty Skit last evening in the Memorial Gym completed festivities.

Boomer, a freshman, won the mayoralty contest handily, receiving 1115 votes out of a total of 1406 cast. The other two candidates were Bud The Wild One Leavitt and Richard Adolph Boondock Jones.

The Maine Day program actually got underway Tuesday evening with the Interfraternity Sing. Theta Chi won the sing for the third consecutive year. New Senior Skulls and Sophomore Owls were announced at the Tuesday evening event.

Band Plays

Wednesday morning the University band got things off to an early start when they circled the campus at 6:30 a.m.

At 8:30 a.m. Boomer was announced as the new mayor from the Library steps. The various work projects began following this announcement.

Lambda Chi Alpha's production of "Sutter's Mill" won first prize in the Maine Day Float (Continued on Page Eight)

Eight New Skulls Tapped At Sing

Eight junior men were tapped Tuesday evening at the Interfraternity Sing for the Senior Skull Society. Membership in the Society represents the highest non-scholastic honor that can be bestowed upon a Maine man.

The 1956 Skulls are: Don E. Douglas, Charles G. Folsom, Willard M. Hammann, Maurice L. Hickey, Jerry N. Pangakis, Robert E. D. Scribner, Jr., John H. Small, and Edric P. Starbird.

The Skulls are chosen on the basis of character, leadership, dignity, honor, scholarship, and participation in University activities. The purpose of the Society is "to perpetuate University traditions, to maintain friendly relations between classes and fraternities, to cherish Maine spirit and to work for the welfare and benefits of The University of Maine, and its undergraduates."

The new Skulls will be formally initiated into the Society on June 9. Present members of the Skulls are Dana Baggett, Reginald Bowden, Delano Boutin, William Calkin, Thomas Golden, Charles Hussey, C. Dexter Earley, Merton Robinson, Ernest Smart, and Kenneth Woodsum.

A moustached barbershop quartet, left to right, Duane Dow, Bruce Arnold, Roger Ridley, and Charles Rearick are shown entertaining new campus mayor Joseph Boomer, "Boomer the Baker," center, at the mayoralty rally Monday evening in Memorial Gym. Boomer was announced as the new mayor Wednesday morning. (Photo by Reed)

Theta Chi Wins IFC Sing For Third Consecutive Year

Theta Chi won the Interfraternity Sing for the third straight year Tuesday night at the gym, coming out on top among 11 participating fraternities, a record high to participate in the sing.

Skillfully directed by Richard Cloutier, Theta Chi won sustained rounds of applause from the audience for their renditions of "You'll Never Walk Alone," and a medley of Theta Chi songs.

Win Leg On Trophy

By winning, Theta Chi won the first leg on the giant Col. McCusker trophy. The fraternity winning the sing the most times during a ten year period takes permanent possession of it.

Second place went to Phi Eta Kappa and Sigma Chi was awarded third place for their efforts at the sing.

Phi Eta rendered "Sons of Maine," written by senior Bradford Payne, and "The Levee Song." Richard Irwin and George Meehan directed the group. Sigma Chi, led by Arthur Westenberg, sang "Aura Lee" and the Fraternity Drinking song.

Master of ceremonies was Bruce Arnold. He gave a brief history of the sing and introduced each fraternity before they sang.

Skulls Tap Eight

At intermission time the Senior Skulls, highest men's honorary society at the University, and the Sophomore Owls tapped new members for 1955-56.

Also during the intermission while the judges made their decision, Patricia Gill and Charles Fassett rendered two vocal duets.

Serving on the judges committee were Pres. Arthur A. Hauck, Dean of Men John E. Stewart and James A. Harmon, in an honorary capacity, and Marsters York, Miss Eleanor Smith and Clyde Jones.

Reed Directs Alpha Gam

In the Sing Alpha Gamma Rho sang "A Toast to Alpha Gamma Rho" and "Great Day" under the guidance of Willis Reed.

Beta Theta Pi, under the direction of Maxwell Burry, gave out with "Kentucky Babe" and "Marching Along."

Delta Tau Delta's group harmonized

Maine May Get Additional Funds

The University will get additional funds totaling \$637,121 from the state as result of an emergency tax bill, passed Tuesday by the State Legislature. The bill went to Governor Muskie Tuesday night for his signature.

Under the provisions of the Republican sponsored "tax package," the University will receive \$264,978 the first year and \$372,143 for the second. These amounts are in addition to \$1,760,000 provided in each of the next two years in the Governor's \$69,500,000 general fund balanced budget.

This "tax package," however, has been highly controversial in state politics. It is not known whether Democratic Governor Edmund S. Muskie will veto it.

If Muskie does decide to veto, it will have to be done this week according to state law.

Even with this money of the governor's supplemental budget, however, the total University appropriation is still less than the amount originally requested by the University.

Because of the present uncertainty of the bill, University President Arthur A. Hauck says he did not wish to comment on the situation. He did say that he is glad to see the legislature and governor are interested in the University.

No special plans have been made for this extra money, he added.

Heavy Majority Approve Constitutional Amendment

Edric (Ric) Starbird polled 615 votes to win the presidency of the General Student Senate at general campus elections Tuesday.

Close behind Starbird in the race for president were Denis McCarthy with 403 votes and David Foster with 351 votes.

The fine, sunny weather made ideal voting conditions on the Mall from 8 a.m. to 5 p.m. Tuesday, as 1406 students cast their ballots.

The breakdown by classes in the total vote were freshmen, 465, sophomores, 423, juniors, 314, and seniors, 204.

An amendment to the General Student Senate was heartily approved by the students.

The amendment, which will increase membership from 38 to 54 in the Senate, was passed, 1123 to 188.

Elliott Elected

Herbert 'Kelley' Elliott, retiring campus mayor, polled 769 votes to win the vice president position of the Senate. Behind Elliott were Paul Taiganides, 330 votes, Eben DeGrasse, 217, and Earle Simpson, 88.

A total of 469 votes elected Doris Richards secretary of the Senate. Barbara Berce received 356 votes, Sarah Kappas, 257, and Dorothy Butler, 231.

The closest competition came in the election of four positions on the S.R.A. Executive Board.

The four elected out of eight candidates were Margaret (Mingie) McCann, 668, Diane Livingston, 639, Connie Douglas, 628, and Judith White, 586.

Other SRA candidates and their vote totals were Richard Alper, 544, Barbara Kelly, 535, Joan Anderson, 408, and Marjorie Livingston, 269.

Under the revised SRA constitution the board will elect its own officers.

Duffy Wins

James Duffy, co-captain of the 1955 varsity football team, was elected president of the University Athletic Association, polling 411 votes.

Other candidates for president were Don Douglas, 334, Warren Griffin, 170, and Robert Scribner, 160.

Association representatives elected were Francis Soyachak, seniors; John Edgar, juniors, and Herbert Carmichael, sophomores.

Top ROTC Award Goes To Standley

Peter Standley was named the outstanding graduating cadet in Reserve Officers Training Corps at Thursday morning's annual Regimental Review and Federal Inspection.

Presentation of the Alumni Sabre was made by George E. Lord, president of the General Alumni Association.

Approximately 1,000 cadets participated in the review. Col. Curtis D. Renfro is the Commanding Officer of Maine's ROTC unit.

Inspecting Party

Members of the official inspecting party were Col. Gerald Chapman, chief, Maine Military District; Lt. Col. Paul Craig, senior army adviser, Maine National Guard; Lt. Col. John O'Connell, army adviser, Maine National Guard; Maj. Rudolph Orbach, personnel manager, Maine Military District; and Capt. Frederick Cummings, adviser, Maine Army Reserve.

Assisting with the presentation were Patricia Wade, elected honorary colonel of ROTC last fall, and lieutenant colonels Nancy Caton, Dale Starbird, Charlene Riepelle and Janet Bishop.

Other awards were made as follows:

Medals Presented

Medals presented for outstanding company commander, Luther E. Zai; outstanding first sergeant, David F. Petherbridge; outstanding combat arms cadet, Edward C. Seufert; outstanding first year advanced cadet, Harold R. Gerry; outstanding second year basic cadet, David D. Lang; outstanding first year basic cadet, Quentin E. Smart; outstanding member of (Continued on Page Eight)

Walker To Succeed Renfro As Head Of Campus R.O.T.C.

Col. James T. Walker has been appointed new professor of Military Science and Tactics.

Col. Walker replaces Col. Curtis D. Renfro who is retiring.

Col. Walker will assume his duties here in August.

He comes to Maine from overseas, where he was division adviser of the 28th Republic of Korea Division.

Previous to serving in Korea, he was senior adviser of the 26th Division and the Massachusetts National Guard in Boston.

During World War II, Col. Walker served in Germany and France. Following the war he attended the Command and Staff College at Fort Leavenworth, Kan.

He was also with the Headquarters of the European Command in Heidelberg, Germany, during occupation of that country.

A graduate of Virginia Military Institute, he received his master's degree from William and Mary College, and was commissioned a second lieutenant in 1927.

Col. Walker is married and has a daughter who graduates from William and Mary this June.

Col. James T. Walker

Take Note

Young Authors Article

Dr. Harold E. Young, associate professor of forestry, is the author of an article on "Forest Mensuration" in a new bulletin called "Forest Research in New England."

In his article, Dr. Young points out that the big mensurational problem to be solved in New England is finding proper methods for determining growth, yield, and mortality of all-aged or uneven-aged forests.

Dance Requests Asked

The Social Affairs Committee reminds all organizations that are planning campus-wide stag dances for the fall to submit date requests to the Social Affairs Office, 207 Library, before May 14, so the fall schedule can be made out.

French Club Elects

William Program was elected president of the French Club last week.

Other officers elected were Norman LaPointe, vice president and Doris Richards, secretary-treasurer.

Dr. Trefethen Elected

Dr. Joseph M. Trefethen, professor of geology and State Geologist, was elected vice president of the New England section of the Association of Geology Teachers at the association's recent meeting at Tufts College in Medford, Mass. Dr. Trefethen has been a member of the Maine faculty since 1938.

Those resounding booms which have all but shattered window panes on campus the past few days are coming from this work project at Holmes Hall where workmen are blasting to remove ledge. Construction began last month on the addition to the building. The addition, which will cost \$26,560, is designed to expand the present limited basement facilities of the food processing laboratory of the Maine Agricultural Experiment Station. The addition will measure 20 by 40 feet and is being built by the A. R. Kenney and Sons of Bangor. The growth of the Maine Food Processing Industries, according to Pres. Arthur A. Hauck, has far outrun the existing facilities in Holmes Hall. The present facilities are confined to a part of the basement in Holmes Hall. In the past the Food Processing Industries have been greatly aided through research projects by the Maine unit. (Photo by Strossman)

Measuring Pulpwood Better By Air Says Prof.

Measuring pulpwood piles by air may be more accurate than the conventional ground transit method, according to an article by Dr. Harold E. Young, associate professor of forestry, in the March issue of *Photogrammetric Engineering*.

Entitled "Supplement to Photogrammetric Volume Determination of Huge Pulpwood Piles," the article presents a review of research work carried out by the Great Northern Paper Company.

The Maine professor explains how pulpwood piles are measured by the two methods, and then sums up his findings as follows:

"On the basis of these tests it is apparent that the photogrammetric method is more consistent and more precise than the conventional ground

transit method because the contour lines are more accurately located."

The magazine editor included this note with the article: "Professor Young submitted this supplementary material because of his belief that it firmly establishes the validity of the photogrammetric method over ground transit method for measuring pulpwood piles."

May 18 Deadline For 'Prism' Posts

The Student-Faculty Committee on Publications has announced that the final date of acceptance for applications for the positions of editor and business manager of the 1957 *Prism* is Wednesday, May 18.

Applicants should send or bring their applications to Prof. Brooks Hamilton, 2 Fernald Hall.

So far only one student has applied for the position of editor, while no one has applied for business manager.

The two positions are open to any member of the class of 1957.

Society: Junior Prom Highlights Week End

BY CAL GERALD

Hi, everybody!
It's my turn now to keep you posted on the parties and pinnings here on campus. On my honor, I'll do my best....

The highlight of last week end was the annual Junior Prom held at the Memorial Gym Friday night. About fifty couples danced to the music of Al Corey and his orchestra amid decorations carrying out a "First Nighter" theme. Although the crowd was not large, it was a gala affair.

Phi Kappa Sigma was busy with Parents' Week End, and entertained approximately forty parents. A buffet dinner followed the varsity baseball game. After dinner, a Parents' Club party was put on by the brothers and pledges. The house was transformed into a candlelit cabaret and refreshments were served. A floor show, a take-off on the "Barber of Seville," was presented by the brothers.

Chaperons were Dr. and Mrs. David Trafford and Ma Getchell.

The week end was climaxed by a Mother's Day dinner Sunday noon.

Delta Tau Delta was host to parents who attended the Mother's Day banquet Sunday noon.

The parents were treated to a preview of the Interfraternity Sing, and were entertained by a band composed of four pledges: Richard Keith, James Dutton, Richard McWilliams, and William Diehl, with Henry Berry at the piano.

The members of Alpha Omicron Pi entertained their mothers during the Mother's Day Week End. On Saturday afternoon various displays and skits were given to portray sorority life.

Saturday evening a banquet was held in North Estabrooke honoring the thirty-nine mothers who were present. Following the banquet, the

mothers and daughters attended the Masque production of "Peer Gynt."

In charge of arrangements for the week end were: Margaret Wheeler, general chairman; Suzanne Bogert, banquet chairman; Mary Bigelow, program chairman; Laura Krueger, displays; Jane Farwell, entertainment; Claire Rusk, invitations; and Jane Caton, refreshments.

Mothers of the members of Chi Omega were honored at a Mother's Day program Saturday afternoon. The guests were presented with corsages made up of the sorority flower, and enjoyed a buffet luncheon, group singing, and entertainment. A reading of the Chi Omega Symphony concluded the program.

Following the luncheon the mothers and daughters attended the Saturday matinee of "Peer Gynt." Kay Fletcher, Sue Humphrey, and Constance

Doe were in charge of the arrangements.

Sunday afternoon the members of Alpha Omicron Pi held their annual formal initiation banquet at the Bangor House.

Joan Fuller and Lois Ward were initiated before the banquet.

Speakers included Nancy Caton, Annie Peer, Elaine Young, Barbara Tyler, Joan Anderson, and Sandra Glosky. Ann Keyo was toastmistress.

The Memorial Union is two years old, and everyone is welcome at the second annual birthday party on Sunday, May 15.

Sunday evening, a banquet will be held at South Estabrooke for all the members of the activity, government, and union committees, and special guests. President Hauck will be one of the speakers.

The program will include Paul Butler, who will give a resume of the events at the Union during the past year; Sylvia MacKenzie, who will sing. A skit will be given by one of the committees.

General chairman of the birthday party is Shirley Bostrom, and those assisting with the plans are: Barbara Willey, refreshments; Ann Ruben, gifts; Marjorie Berry, invitations; Molly Inman, program; Martha Trefethen, entertainment; and Deborah Plummer, banquet.

Members of Alpha Kappa Chapter of Delta Delta Delta and their Bangor Alliance held the Initiation Banquet at the Penobscot Valley Country Club Monday evening.

The program was as follows: toastmistress, Kathleen Black; 1954-55 history, Cornelia Douglass; skit by the new initiates; presentation of alumnae, Mrs. Joseph M. Murray; senior farewell address, Laura Little; pledge address, Murray MacDonald; presentation of pledge award, Joan Mason.

The banquet was organized by Joan Mason and Joan Johnson. Arlanne MacDonald was in charge of place-cards.

Pinned: Sandra Humphrey to Harold Carson, B.U.; Constance Lewis to William Calkin, Sigma Chi; Jane Dudley to Fred Newhall, Phi Kap; Helen Bishop, Augusta, to Denis McCarthy, Kappa Sig; Ann Dunne to Hiram Bronson, Phi Gam.

Engaged: Sandra Higgins to David Elliott, Theta Chi; Mary Jane Cohen to Robert Johnson, U.S.A.F.; Louise Kellis to John Munch, U.S.A.F.; Ellen Rider to Terry Sprekel, Sigma Chi; Carolyn Moor to Quentin Peacock, Bangor Theological Seminary.

Sign Up For Summer Work

The Office of Student Aid and Placement requests students who plan to sign up for work assignments during the summer to apply between May 16 and June 8. Any applications received after June 8 will be filled only if assignments are available.

Dudley Roberts Wins Annual Algebra Prize

Dudley A. Roberts has been awarded the Freshman Algebra Prize of \$25 at the University.

A three-way tie for second place among Roy B. Bryant, Chang Hwi Chi, and Kathleen C. Vickery resulted in each receiving \$8.33.

The Freshman Algebra Prize was established in 1953 by Thomas Buck of the class of 1901. It is awarded annually to freshmen who rank highest in an examination in algebra given by the department of mathematics.

Watercolor Paintings Showing At Carnegie

An exhibition of the watercolor paintings of Freddy Homburger, Boston, is being held during May in the main art gallery of Carnegie Hall.

The exhibition has been arranged by Professor Vincent A. Hartgen with the cooperation of Galerie St. Etienne of New York City.

Dr. Homburger has had one-man shows in New York, Bar Harbor, Geneva, Zurich, and Paris.

The scenes which he has painted are largely of Switzerland, Mexico, New York.

Pops Concert To Feature Rodgers-Hammerstein Songs

The program for the annual Pops Concert, which will be held Thursday, May 19, at 8:15 p.m. in the Gym, was announced this week.

The all Rogers and Hammerstein program will include selections by the band, orchestra and glee club. In addition the Modern Dance Club will perform and Patricia Gill and Charles Fassett, whose duet at the recent Music Night program proved so popular, will sing, "People Will Say We're in Love."

The Program:

1. The Carousel Overture Band
2. This Was A Real Nice Clambake Glee Club
3. South Pacific Medley Orchestra
4. There is Nothin' Like A Dame Varsity Singers
5. Slaughter on Tenth Avenue Orchestra

6. Surrey With the Fringe on Top Glee Club

7. People Will Say We're in Love Duet
Pat Gill, Charles Fassett

8. Pore Jud is Dead Brass Quintet

9. O What a Beautiful Morning Modern Dance and Glee Club

10. King & I Medley Band

11. You'll Never Walk Alone Glee Club

12. Oklahoma Band & Chorus

The Varsity Singers will also be included on the program. They will sing "There is Nothin' Like a Dame."

The gymnasium will be decorated in keeping with the general Rogers and Hammerstein theme.

Tickets may be obtained from the Music Department.

Fair Deal On Apartments

It has been brought to our attention that several people on campus feel that the South Apartments are not allocated in a fair manner to students.

Recent comments give the impression that the faculty get preference and the student is left out in the cold. Such is not the case, and we would like to clear up this misconception here and now.

We will present the statistics involved and you can judge for yourself whether or not the married student is getting a fair shake as far as the South Apartments are concerned.

First off, there is a quota of 29 apartments for the faculty.

The married student quota is 167 apartments.

It is true, that in past years, the faculty quota has been slightly higher, but the tendency recently is to keep the quota for faculty to the minimum in order to take care of the demand for student apartments every fall.

At the present time, only 24 of the 29 faculty apartments are occupied. The remaining five apartments have been given to students. In other words, right now out of 196 apartments only 25 are occupied by members of the faculty.

It cannot be denied that there is a rough housing problem for married students here at Maine. The Housing Office is flooded with requests for quarters in the South Apartments. A lot of the requests date back to 1953.

The University Housing Committee establishes the policies and rules for the South Apartments. The Deans of the various colleges determine what members of their faculties will receive quarters in the South Apartments.

The Housing Office handles the regular student application and makes the assignments. Veterans are given preference in all initial assignments. Tenants recalled to military service are placed at the top of the list on their return to the University.

A rule in favor of the student was initiated last fall. It states, "No member of the faculty having tenure (expecting a promotion) shall be permitted to become a tenant or allowed to remain beyond the end of the academic year in which tenure is acquired." Here again, if an apartment allocated to the faculty is not occupied, the married student will benefit.

We think the deal is pretty fair and square. What do you think?

Let's Go, Class Of '57!

The Class of '57 is evidently resting on their laurels. They started out with lots of spirit by painting a big '57 on the cupola of Stevens Hall. They have also produced some outstanding men and women in athletics.

However, it looks like the spark is pretty dim as far as the *Maine Prism* is concerned. At the present time, only one woman member of the Class of '57 has applied for the position of editor of the *Prism*. No one at all has applied for business manager!

With only a couple of weeks to go, the Committee on Publications is beginning to wonder if the Class of '57 can produce some good students for the yearbook. Both the editor and business manager positions offer good training and an excellent reference for future jobs.

It doesn't seem logical that a class which is so outstanding in other activities should fall down as far as the yearbook staff is concerned.

What do you say, '57?

The Scratch Pad

Prevent Another Mayoralty Fiasco

BY ED PERT

It's still too early to tell when the *Prism* will be out....I predict that Robert "Barney" Oldfield will be a candidate for President of the Senior Class next fall...an anonymous tipster suggests that the University take a headcount of its cannonballs...if you have the urge to be on television, W-TWO is looking for you...here's an opportunity to do production work, part-time announcing, etc....and who were the pranksters who covered the windshield of the campus police wagon with white paint?...and put a good quantity of cocoa in the gasoline tank of the same vehicle...former Mayor Don "Fifty Thousand Moslems Can't Be Wrong" Stritch is teaching school in Whitehall, Mich....thanks to frosh Mike Goldman, WORO will be well supplied with Decca Records.

Brad Payne's new song "Sons of Maine" is featured on the cover of this month's *Maine Alumnus*...and some *Campus* editorials are being reprinted in Maine weeklies...today's campus pranksters hardly hold a candle to the young lads who in 1883 placed a cow in the since-removed belfry of Wingate Hall...and members of the class of 1905 recall gleefully moving Aunt Hat's waiting room from Veazie to the campus...

Theta Chi-Beta feud has been renewed...Betas boast dunking six Thetas into the Stillwater a week or so ago...what house has longing eyes on the Phi Mu Delta flag?

Ola Bolan is going on her thirtieth year of work for the University Bookstore...Senior Skulls will play a larger role than usual in planning next Fall's football rallies...head proctors for next year will be Bill Hammann, Dunn Hall; John Kupa, Corbett Hall; John Lee, Oak and Hannibal Hamlin Halls; and Barry Millett, new men's dorm...did you notice that all four junior residents were named All Maine Women?

The mayoralty campaign has come and gone. Now is the time to take steps which will prevent this year's fiasco from being repeated. It is the opinion of the writer that no candidate should be high-pressured into running by a group of half-hearted supporters. It is the opinion of the writer that no candidate should be allowed to use a theme which violates the principles of good taste.

All three candidates should be congratulated for their efforts in entering the mayoralty race. One might say that at times they were recipients of poor advice. However, they had the guts to run for mayor and those

who are violently critical of them as a group of individuals would do well to notify the Dean of Men of their intentions to seek the office of Mayor next Spring.

Certainly, some segments of the student body acted like candidates for a bad conduct medal. This point brings to mind a suggestion heard in many quarters after Monday night's rally: eliminate the Mayoralty campaign for a couple of years until so-called "bad blood" dies down. Any guests of the University who may have been present on Monday night must have been really impressed by the eggs and the toilet paper.

There was comment in some circles of an official University group appearing in support of a particular candidate.

Throughout the whole campaign the mayoralty committee seemed to be at loose ends. One member of the committee claimed that he didn't know what was going on. The Bangor and Portland papers carried a University release on Monday which listed Joe Dyer as a candidate for Mayor. There was no picture of the mayoralty candidates in Maine's leading papers as there has been in the past. Somebody goofed.

Letters

Foreign Students Comment On Rally

We believe the candidates for mayor, and their respective fraternities, were sincere in their quest for student support. The pre-election campaigns, we understand, were supposed to rally that support, build up a favorite psychological attitude towards the candidates. Since humor and entertainment have great appeal, the use of both in the campaign were of indisputable value.

It is the first time, however, that we happened to see an organized group of intelligent people chose Hitler and the S.S. salute as a means to stimulate, entertain, divert, or what?

Did the fraternity of Sigma Chi and their mayor-candidate intend to ridicule the Nazis combining a Sieg salute with American army drill under the supervision of a would be (?) leader of the Spirit of Maine, disguised as that Teutonic maniac.

We have always thought that even sheer entertainment has a certain amount of cultural value.

Anything resembling Hitler and the Nazis, we have known to be mentioned on occasions of unveilings, in memory of slaughtered people, only. Or are we wrong?

SRA Thanks Faculty For Contributions

To The Faculty:

We of the Student Religious Association wish to thank the university

faculty for their generous contributions to SRA during our recent drive. We especially want to thank Dr. Bruggman for his leadership during the campaign.

It is interesting to note that our faculty goal was oversubscribed by \$100, a clear indication that the faculty are interested in student activities of this type.

Sondra Glorsky
President of SRA

On Other Campuses

(ACP)—A new cycling vogue is sweeping the American campus, according to reports from various college presses. Bicycle traffic jams have been reported from Yale and Mount Holyoke to Illinois and Stanford.

University of Southern California's *Daily Trojan* revealed the two-seater, or tandem, is the current rage on their campus, and reported the new college craze forms a large part of the all-time high of 22 million bike fans in the nation today.

At Bowling Green, Ohio, the new queen of the fifth annual Delta Upsilon Bike Race will be chosen by Eddie Fisher, radio and television singing star. The marathon race will last 11 hours and is scheduled for April 30. Fourteen fraternity groups will have entries in the race according to news reports in the B-G News.

Observations by Don Miller, The Carroll News (John Carroll University, University Heights, Ohio).

I've finally figured out what makes TV audience-participation shows so repulsive. It's the 'Man On The Street,' the grinning buffoon, who comes in from the farm in hopes of winning a refrigerator.

It's rather curious, in a way, that a television program should spend thousands each week for expert directors, technicians and announcers—men with professional polish and experience—and then build the entire show around some joker who has never been on the stage before.

When I turn on a television set I expect to be entertained—professionally. When I want to see the 'Man On The Street' I'll go out on the street.

WAA Announces Officers-Managers

The complete list of officers, managers and assistant managers of the Women's Athletic Association was announced last week.

The list includes: Elizabeth Smith, hockey manager; Judy Carroll, Sarah Chapman and Doris Richards, assistant hockey managers; Carroll Brown, basketball manager; Elaine Dolloff and Barbara Moore, assistant basketball managers.

Mary Louise Cook, co-recreation manager; Florence Raymond, soccer-softball manager; Lois Ward and Roberta Wyer, soccer-softball assist-

ant managers; Jean Partridge, volleyball manager; Linda Ashton and Susan Campbell, volleyball manager assistants; Dorothy Jewell, winter sports manager; Molly Inman and Kathleen Vickery, winter sports assistant managers; Mary Flood, archery-pingpong manager; Frances Blackwood, tennis-badminton manager; Mary Jane Keith, publicity chairman.

The four officers of WAA elected April 27 are Jane Wiseman, president; Jane Barker, vice president; Dorothy Bradstreet, secretary; and Margaret Flynt, treasurer.

Union Movie

The Union movie for this week is "Woman In The Window" with Joan Bennett, Edward G. Robinson and Raymond Massey. The picture will be shown at 7 and 9 p.m. both Friday and Saturday

'Macbeth' To Be Shown At Library May 17, 18

The Shakespeare Club will present the film *Macbeth* in the Louis Oakes Room, Library, on May 17 and 18, with showings at 3:15 and 7:00 daily. This film is the first technicolor production of the great Shakespearean play. It is a new film and has had great popularity in this country and in England. It stars Robert Jones and Elizabeth Stenholm.

Veterans To Meet

All veterans on and off campus are invited to attend an open meeting Thursday evening, May 19, in the Little Theatre.

Three veteran sub-committees will report on their activities to date.

Fraternities Report New Pledges To IFC

Three fraternities recorded new pledges with the Interfraternity Council last week.

Phi Gamma Delta: Peter Kendrick.

Tau Epsilon Phi: Robert Levine.
Tau Kappa Epsilon: Russell Clark, Lester Reid, and Kevin Simpson.

Lawrence Ayoub has broken his pledge to Phi Eta Kappa.

Memorial Union To Celebrate Second Year At Party Sunday

The Memorial Union's second annual birthday party complete with entertainment and a huge birthday cake, will be held this Sunday, May 15.

The day-long open house program will be climaxed by the cutting of the cake by Pres. Arthur Hauck at 3:00 p.m. The entertainment program will begin at 2:00 p.m.

Vocalists Featured

Included on the program are a group of male vocalists from the Freshman Class and "Sante" the magician. Following the entertainment at 4 a foreign film, "The Damned," will be shown in the Bangor Room.

Refreshments will be served.

A banquet for members of the various student governing boards of the Union will be included as a part of the day's activities.

The banquet will be held in the upstairs dining room in North Estabrooke Hall and will include talks by Pres. Hauck and Paul Butler, past president of the Activities Board.

New Chairman

Oran Perry, new governing board

chairman, will serve as master of ceremonies for the banquet.

General chairman for the birthday party is Shirley Bostrom.

Chairmen of the various committees working with her are Ann Rubin, gifts; Marjorie Berry, invitations; Molly Inman, program; Martha Trefethen, entertainment; Deborah Plummer, banquet.

Union Counter Offers Lost-Found Department

Are you missing a camera, a pair of glasses or possibly a raincoat? If so you'll probably find it at the News Counter in the Union where a lost and found service is offered.

Among the other items which the Union's lost and found desk has are gloves, mittens, jackets, cigarette lighters, caps, textbooks and a wide assortment of note books.

If you've lost a lunch box, a sweater, pocketbook, jewelry or a scarf you'll probably also find it at the Union.

Sailing Club Ends Season With Loss

Last Sunday Maine's sailing team met with four other New England colleges in what was originally scheduled to be a heptagonal meet.

Vermont, however, didn't show up for the meet, held at Mystic Lake in Massachusetts. The races were run off with just five squads competing.

The Bear sailors posted 34 points to come in fourth. Tufts, sailing on their home course, won the meet by

an eight point margin.

The results of the meet:

Tufts	49
Boston College	41
St. Michaels	39
Maine	34
Amherst	28

With an increased enrollment and a newly acquired status as an official sport, the mariners are already looking ahead to next fall.

Expect To Deliver 'Prism' End Of May To Students

The 1956 *Prism* is in its final stages of production, Zane Thompson, editor, and John Lane, business manager, announced today. The finishing touches are being put on the book by the University Press and Dillingham's, binders of the annual. Delivery is expected at the end of the month.

This year's *Prism* is built around the theme of the Maine Spirit. The Maine seal is featured in the section dividers, and the cover has been adapted from the same design used on the dividers and title page.

The covers are made of fabric design in dark blue with black overtones, with a design stamped in light Maine blue. The new campus map is printed in blue to form the end papers for the book.

The *Prism* is printed with blue and black inks. The blue is used on many line cuts, among which are Maxwell McCormack's sketches of University of Maine buildings which are in the junior section of the book.

Special Features

Special features of the 1956 *Prism* are the use of composite pictures in the sorority section and an introductory section on the Maine Spirit. The feature section opens with a statement by President Hauck. The year's events in words and pictures as seen by a Maine student is the central idea of the feature section.

A special page is given to each of Maine's campus royalty: the Calico Queen, the Honorary Lieutenant Colonel, and the Winter Carnival King and Queen.

In an attempt to define the Maine

Spirit as revealed throughout the year, particular attention has been given to friends of the University whose contributions are often overlooked by the average student. The recipients of the Maine Bear Award were chosen to represent these friends and alumni of the University

Fifteen Two-Year Students Graduate

Allen W. Manchester, Maine Extension Service Economist, was the main speaker at graduation exercises for two-year agricultural students in the Little Theatre last Friday afternoon.

The topic of Manchester's talk was "Farming in an Age of Revolution." Dean Arthur L. Deering, College of Agriculture, presented degrees to 15 graduates.

The graduates were William H. Banks, Eldon J. Campbell, Jr., James C. Edgerly, Jr., Theodore G. Farrow, Carlton L. Fitzgerald, David A. Luce, Bernard A. Pelletier, Richard S. Pollard, Leland B. Small, Hugh C. Smith, Jr., David H. Spencer and Robert D. Tweedie.

A Campus-to-Career Case History

Here Ed Chandler reviews Long Distance facilities between Atlanta and Lincoln, Georgia. He is working from a layout that shows all Long Distance lines in the state.

"My classmates talked me out of a job"

Ed Chandler had a good job all lined up long before he graduated from Georgia Institute of Technology as an Industrial Engineer. But then he changed his mind . . .

"When I got out of college in '50, I was all set to go with a company I'd worked for during a previous summer.

"But then I got called up by the Army. During the next two years I heard a lot of good things from my Georgia Tech classmates who'd gone to work for the telephone company. As far as I was concerned this was the best recom-

mendation any company could get.

"So when I got out of the Army I stopped in to talk with the telephone people. When I saw an outline of their development program, I was sold.

"My first year took me through every phase of handling and estimating costs on telephone equipment from warehouse to installation. I drew up plans for several projects, then went out in the field to see how they were carried out.

"Now I'm helping develop next year's multi-million-dollar construction program for Georgia. I've found it an interesting and rewarding job."

In the engineering department of Southern Bell Telephone & Telegraph Company in Atlanta, Ed Chandler is moving along in his career. Your Placement Officer can give you details about similar opportunities with the other Bell telephone companies like Southern Bell—also with Bell Telephone Laboratories, Western Electric and Sandia Corporation.

Bear Facts

BY MAX BURRY

The Maine sports scene has held the limelight in the state for the past week or so and isn't showing any signs of dropping off into oblivion just yet. New athletic heads, new records, and a championship track squad are just a few of the many University of Maine news stories to hit the papers and radio stations in these parts.

First on the agenda is our heartiest congratulations to two swell guys, Hal Woodbury and Jim Butterfield, on their new coaching positions. The enviable marks set by these two men and the teams they have coached in the past few years makes us confident that they will be a big boost to future U. of M. football, basketball, and baseball squads.

Also a word of congratulations to the outdoor track team which won the State title last Saturday. Coach Jenkins, rated as one of the better track coaches in the country, can well be proud of his championship squad.

The competition in Waterville was red-hot and the boys proved themselves capable of taking the situation in hand and showing their heels to the best Bowdoin, Bates, and Colby had to offer.

The same track squad which copped the State crown at Waterville on Saturday smashed several records here two weeks ago. Don't have the details handy just now but recall that Bill Calkin and Paul Firlotte broke some long-standing records.

We'll wind up this hat-tipping spree with a bow to Johnny Dana for his appointment as assistant grid coach at Maine Central Institute. Dana has earned many varsity letters here at Maine in both baseball and basketball. At M.C.I. he will assist former U. of M. football and baseball star Dave Wiggins.

On the baseball scene things are really popping! We understand that the team is being undermined with dissension.

On this end of the sports picture we hear rumbles about the battery and other conflicts throughout the team structure. Hope that there isn't too much ill wind blowing across the diamond. A split in the team at this point could be disastrous.

Just Jottings: The golf squad is really burning up the State Series and Yankee Conference circuits this spring. I don't know how you feel but I'm picking them to take the State title and either win or place well in conference play. Switching over from the green grass to the hard-packed clay, it looks like a dismal year for the Maine tennis squad. Coach Garland Russell is doing his best, but the lack of talent and depth has kept the team in the cellar. The Sailing club is interested in picking up some new blood for their team. The club, recently recognized by the University as a minor sport, is sponsoring a series of classes and lectures which cover everything from boat nomenclature to the finer points of sailing.

Any of you summer mariners might find it profitable to drop into one of their meetings which are held every Thursday night at 7:00 p.m. in the 1912 Room of the Union. For that matter, even if you have never seen a sailboat and think that you might be interested drop in and get the details! If you read Owen Osborne's column in the *Bangor Daily News* on Friday, May 6, you probably formulated some opinion on whether or not Connecticut will go "big time" in sports within the next few years. As far as I'm concerned they'll make the grade in most sports, but I think that many years will pass before the UConn's make the Big 10 in football. The Westernman football machine looks like the combination to beat next fall.

Thinclads Sweep State Title

Maine's flashy third baseman Joe DiGiovanni is shown above attempting to put out a UConn base runner in the game last Saturday. The throw from fielder Don Arnold was too late and the runner was safe. (Photo by Meinecke)

Varsity Pastimers Down Bowdoin; Lose To UConns

BY PHIL MERRITHEW

Tomorrow afternoon the Maine Bears will entertain Bates at Alumni Field at 3 o'clock.

The Maine men will go into this game tied with Colby for the lead in the State Series competition.

At the present time Bates is next to last place in the State Series. Bates fielding so far this season has been poor. With only seven lettermen on this year's squad the Bobcats are lacking in depth.

Folsom To Pitch

Coach Anderson said that he would send veteran Gus Folsom to the mound against Bates. Anderson also expects a much harder game with the Bobcats than their last meeting. He also is going to go along with the same lineup that he has been using the past games.

Last week end the varsity baseball team got in two games between the bad weather.

The Maine men defeated Bowdoin, 5-3, but dropped a close one to the University of Connecticut, 4-3, in eleven innings.

Otterstedt Relieves

Gus Folsom, veteran hurler for Maine, started the game against Bowdoin and went eight and two-thirds innings before being lifted for relief pitcher Charlie Otterstedt. Folsom pitched a five hit game, but walked eight.

Otterstedt came in in the ninth to pitch to Fred Coukos with two men on the basepaths. After a wild pitch Otterstedt settled down forcing Coukos to pop out to Kelvin Cadieux.

Maine's runs came as a result of

erratic fielding by Bowdoin.

In the third inning Gene Scribner reached on a single and advanced on a drive by Folsom through the pitcher's box. Joe DiGiovanni popped out and Francis "Tiger" Soyachak forced Folsom at second. With two down and two on base, Wright drove one through shortstop for two runs.

The fourth inning was a repeat of the third. Two errors and an interference rule infraction on the part of Bowdoin's catcher Mike Coster allowed the Bears to pick up three more runs.

Lose To Huskies

Saturday afternoon Maine lost a close one to Connecticut. Trailing by two runs going into the last half of the eighth inning, the Bears pushed across two runs to knot the score, sending the game into extra innings.

Veteran John Dana started for Maine. Bill Nicholson relieved in the sixth.

Dan Dearborn, Maine's third pitcher, and Tom O'Connell of Connecticut duelled out the last two innings. In the eleventh inning Ron Calabrese tripled and Bill Boehle singled home the winning run. Maine went down one, two, three in their half of the frame.

Maine's record in the Yankee Conference is now two wins and four losses.

Within The Walls

The Fraternity division of the intramural softball tournament swings into the quarterfinals tonight starting at 6:00. The schedule will be:

Sigma Nu vs. Lambda Chi

Beta vs. Phi Kap

Phi Gam vs. Phi Mu

Phi Eta vs. Tau Ep

All of the above games will be quarterfinal round contests with the exception of the Phi Eta-Tau Ep game. Tau Ep had previously drawn a bye and had waited to meet Phi Eta, which defeated ATO in a first round game. Thus, the winner of this affair will advance into the quarterfinals next Monday against Kappa

Sig, which whipped Sigma Chi to gain a quarterfinal berth.

The games to be played tonight were to have originally been played last Thursday evening, but rain forced moving up the entire schedule.

Here are the results of last week's first round play:

Sigma Nu, 15 TKE, 7

Lambda Chi, 10 Delta Tau, 7

Beta, 16 Alpha Gam, 4

Phi Kap, 7 SAE, 4

Phi Gam, 29 Sig Ep, 8

Phi Mu, 25 Theta Chi, 15

Kappa Sig, 14 Sigma Chi, 2

Phi Eta, 8 ATO, 1

Balance And Depth Gives Maine Decisive Victory

BY SAL SCARPATO

Balance and depth paid off for the U. of M. thinclads last Saturday as the Black Bears annexed their 23rd Intercollegiate track title.

The Pale Blue forces swept to victory over Bowdoin, Bates, and Colby with a winning score of 60 points, 13 better than runner-up Bowdoin.

Bates compiled 27 for the afternoon while Colby garnered only 1 point. Colby's one point resulted from Don Vollmer's third place in the high jump.

A cool, stiff breeze and a slow, rain-soaked track prevented the breaking of any records, but in spite of the adverse conditions several exceptional performances were turned in. Without a doubt Bowdoin's Bill McWilliams put forth one of the greatest performances in recent times.

McWilliams Wins Trophy

McWilliams captured four first places, one in each of the weight events. For this remarkable effort he was awarded the Alan Hillman Award, a trophy given each year to the individual who takes top honors in the meet.

Paul Firlotte, Maine's tireless, consistent winner also grabbed laurels in the meet. The "Ellsworth Express" copped the mile run in a lopsided victory. Later he won the 880, nosing ahead of Bates' Wesley Wicks in the stretch to take the event. Firlotte did the four-lap mile in 4:32.8.

Bill Calkin, senior Bear hurdler, brought home two wins for the Jenkinsmen. His 15.4 second effort in the high hurdles and 25.7 second time in the 220 low hurdles won victories in both events for Maine.

Furrow Sweeps Distance Event

Stan Furrow clinched the two mile run for the Bears, waltzing home in 10:01. The 100 and 220 yard dashes went to Bowdoin's speedy Dave Wells. Maine's Chellis Smith notched a pole vault victory for the Bears with a 11' 6" effort while Thurlow

Cooper and Joel Stinson tied for first place in the high jump.

Only one event was swept for all places in Saturday's meet. In the 440 Bowdoin's Fay, Jodat, and McGrath placed one, two, three.

In the freshman mile relay, Maine was the winner with Bowdoin runner-up and Colby placing third.

Outstanding in the Frosh Medley was Dick Law, who as anchor man for the Cubs proved to everyone at the meet that he will be a man to watch on next year's varsity squad.

Frosh Overpower Bangor

On the freshman side of the track ledger, Maine's well-balanced squad posted a 63-54 victory over Bangor High School on Monday. Star of the day was Bangor's Ted Taylor. He captured three firsts and two thirds for a total of 17 points.

The Frosh had three standouts; Arnold Johnson, Dick Law, and Bill Finch.

Johnson tallied for 11 points while Law and Finch each posted ten.

Whitehouse Grabs Singles Title With Four Straight Wins

BY WALTER IRWIN

The University of Maine Varsity Tennis team gets back into action Saturday when they take on the Colby Mules at Waterville in a State Series match.

Next Monday Maine will meet Yankee Conference foe, New Hampshire, and on Wednesday move back to State Series play against Bates. Both games are at home.

The home match with Bowdoin, originally scheduled for May 12, has been postponed until May 24.

Last week end the Maine men made a creditable showing at Durham, N. H., in Yankee Conference matches.

Maine, which had previously lost matches to Rhode Island, Connecticut and New Hampshire, finished ahead of all three, taking third place in the tournament.

Final standings of the matches showed the University of Massachusetts winning with 16 points, followed by Vermont with 15, Maine 8, Rhode Island 7, Connecticut 4, and New Hampshire 2.

Maine was led by Capt. Brooks Whitehouse who won the Yankee Conference singles championship with straight wins over opponents from Vermont, Rhode Island, and New Hampshire. Along with partner, Don Mott, Whitehouse helped add another point to the Maine cause in a doubles match.

Coach Russell was very pleased with the showing of his squad and along with the rest of the team, very proud to have the singles champion of the Yankee Conference in Capt. Whitehouse.

The Maine Freshmen continue to look strong in practice and will play Saturday afternoon against St. Dominic High School of Lewiston.

Top men for the Freshmen seem to be Tom Orday, Winchester, Mass., Ronald Lapworth, Hopedale, Mass., Bernie Cope, Maine Interscholastic Champion of 1954 from Portland, Bob McKown, Newton, Mass., Chuck Brett, Caribou, and Dexter Huntoon, former Capt. of Lewiston High School tennis team.

Golfers Start On Second Leg Of Series Play

Coach Charlie Emery will take his once beaten University of Maine golf squad to the Annual New England and Yankee Conference meet at the Oakley Country Club in Watertown, Mass., this week end.

The meet which will involve teams from all over the New England area, including all the Yankee Conference teams, will begin Friday and continue through Sunday.

Meet Mules

However, before making the trip the squad will stop at Waterville to meet Colby in a State Series contest this afternoon. This match will mark the beginning of the second and final round of State dual meets.

Maine swept the first round concluded last Saturday, easily defeating all three State rivals. Maine stopped Colby, 18-9, at Orono, earlier this season.

Last Saturday the Bears completed the sweep by slamming Bowdoin, last year's State Series champion, 24-3, at the Penobscot Valley Country Club.

In winning the Pale Blue's did not lost a single match. The Polar Bear's only points were scored when Ronnie Golz halved Maine's Al Noyes.

Making the trip for the Bears will be Joe Young, Al Noyes, Paul McNabb, Donald Mavor, Erwin Kennedy, Emery Howard Jr. and Sumner Cahoon.

Student-Faculty Skit Ends Annual Maine Day

(Continued from Page One)
parade Wednesday afternoon.
The theme of the parade was
"What's New Since 1492."

The varsity baseball team squared off against Colby in a State Series contest at 3 o'clock at Alumni field. The climax of Maine Day festivities was the faculty-student skit which was one of the largest productions in recent years.

Again it was Pres. Arthur A. Hauck

who stole the show out of a cast of some 70 faculty members and students. Pres. Hauck's dance routine and clowning was a highlight of the riotous comedy.

Dean of Women Edith Wilson, cast as the empress on a planet, also played a starring role as did Dean Mark Shibles her steward.

Danny Stevens headed a host of student performers in his role as captain of the "pioneer cultural mission" space ship.

Dow Narrator

Duane Dow was the narrator. Prof. Cecil J. Reynolds wrote the narration.

Prof. Richard Hill was the general co-ordinator of the play and Miss Suzanne Pooley directed the skit.

A faculty band was led by Earl Melendy, instructor in music, and Mel Tukey was leader of a student band.

Other highlights of the skit included a dance team under the direction of Miss Eileen Cassidy of the physical education department.

Sylvia McKenzie's vocal solo was a feature of the student side of the skit.

Approximately 1500 students participated in the general campus elections Tuesday on the mall. Here students cast votes for their candidates. The amendment to redistrict Senate seats was approved by students, 1123 to 188.

Thousand Cadets In Annual Review

(Continued from Page One)

the ROTC rifle team, Jay Pottsdam; outstanding first year member, rifle team, Milton Friend; outstanding second year member of ROTC band, Phillip H. Emery; outstanding first year member of ROTC band, James P. Dutton.

A gold key for the outstanding cadet assigned to ordinance was presented to John W. York. A streamer presented by the Scabbard and Blade to the platoon leader of the best drilled platoon was awarded Stanley Milton.

Making its fifth appearance was the special drill team under command of Cadet Paul Nadeau. Members of the team include Lloyd Hubbard, David Schlieper, Earle Gowell, Barry Smith, Robert DeVeau, George Field, Richard Hawkins, Frank Morgan, Bruce Reed, Henry Hartpence, Richard Bennett, John Combes, Edson Blodgett, Elwood Hewes, Victor Lonn, Robert Oldfield, Michael Polese, Foster Shibles, Hans VanLeer, Roy Cummings, Peter Standley, Joseph Bergomi, Daniel Bryant, Brooks Whitehouse, John Johnston, T. Davis Walker and Thomas Shea.

"IT'S TOASTED"
to taste better!

YOU GET MORE deep-down smoking enjoyment from Luckies than any other brand. The reason, plain and simple, is that Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. You'll enjoy the Droodle above, too; it's titled: Three on a match—Luckies, of course. Whenever smokers put their heads together, they agree you can't match a Lucky for flavor. Come light-up time, enjoy a better-tasting Lucky yours!!

Better taste Luckies... **LUCKIES TASTE BETTER**...Cleaner, Fresher, Smoother!
