Ansehen auf YouTube

Like a rising tide, we sought to lift all boats.

The Rising Tide Center succeeded in delivering research-driven professional development and training, and other relevant programs to faculty and staff to further equity and inclusive excellence goals and to inform policy development related to recruitment, retention, and career advancement.

Thank you to the many partners and stakeholders who supported these efforts to enhance equity and inclusion at UMaine.

The Rising Tide Center will continue to curate this rich resource library.

Department Chairs and Directors
Mentoring resources, bias literacy materials, a faculty search guide, five-minute tips for chairs, and more.

Graduate Students and Post-Docs
Tips for successful negotiating - in academia and beyond, and other helpful resources.

Faculty
Resources include information about mentoring, bias literacy, work-life balance, and more.

Bias Literacy
Learn to recognize and address biases to disrupt the default and ensure equity for every member of our community.

Mentoring
Check out resources for mentors, mentees and departments seeking help developing or improving their faculty mentoring plans.

Promotion and Tenure
Review dossiers from successful candidates, and watch videos of your colleagues offering their best advice for achieving success in academia.
