### Picture Credits

The excellent cover picture for this book was taken by Photographer Danny Maher of the Bangor Daily News. Maher’s colorful photo shows Wayne Champeon driving towards the basket in last year’s 94-77 win over Rhode Island in Memorial Gymnasium. Champeon scored 20 points that night. Guarding him is Rhode Island’s fine player, Harry Edmonds.

Individual pictures of the Maine players and team pictures in this book were taken by Earl Smith ’62 of Waterville. Smith is a student assistant in the Publicity Department during the college year and a sports reporter for the Waterville Morning Sentinel during the summer months.

The most versatile athlete on campus" would be a proper title for any story on Maury Dore. A senior, Maury has starred in three sports for Maine since he enrolled three years ago.

During the past three football seasons, Maury has been an excellent end for Coach Hal Westerman's varsity football team. He led the team in passes caught in the recently-completed season and was a real bear on defense as he accounted for several long losses pinned on opposing quarterbacks on pass attempts. When winter rolls around, Maury changes uniform and is ready to go as center on the varsity basketball team. And just as soon as the hoop season ends, he'll change uniforms once again and help Coach Ed Styrna's varsity track team as a standout hurdler.

Even before he entered Maine, Maury had compiled an outstanding record in athletics. He was a football, basketball and track star at Skowhegan High.

In high school, he was an all-Maine selection in football and basketball and captain of the cagers his senior year. In football, Skowhegan didn't lose a single game in three years while Maury was a member of the team.

In his first two years of varsity basketball, Maury has scored 441 points.

The son of Mr. Frank Dore of 54 Middle Street, Skowhegan, Maury is married to the former Constance Rogers of Skowhegan and they have two daughters, Jennifer, 5 and Vickie, 1.

He is majoring in physical education and is a member of the Senior Skulls and Varsity "M" Club.

Basketball statisticians don’t keep records on hustle, but if they did, Dick Sturgeon would easily be among the frontrunners every season. A hard-driving, forceful and energetic competitor, Dick asks no quarter and gives none in playing championship basketball.

Dick has been a regular guard for the past two seasons and his point total for the two years is 435 points. He really hit his stride in the final eight games of last year’s schedule when he averaged 17.5 points per game.

In State Series action last year, Dick was the team’s leading point-maker with 115 points and an average of 12.8 per game.

At the foul line, he rates as one of the best in the entire nation. Last year Dick sank 64 out of 77 free throws for an amazing average of 83 percent. It was the best in both the Maine State Series and Yankee Conference. Against New Hampshire, he sank 11 out of 11!

Dick is the son of Mr. and Mrs. Howard P. Sturgeon of 26 Burnham Street in Old Town and a graduate of Old Town High where he played varsity basketball his junior and senior years under Coaches John Killilea and John Barker. He also was an end on the Indian football eleven and a catcher on the baseball team.

He was prominent in other Old Town High activities, being a member of the student council, varsity club, senior play and yearbook staff.

During the summer months, Dick assists Old Town Recreation Director Bernard “Mac” MacKenzie as assistant director. He is majoring in physical education and recently was elected vice president of the senior class.
Pound for pound and inch for inch, there's little doubt that Wayne Champeon rates as one of the finest athletes in Maine, New England or anywhere else as far as most U-Maine football and basketball fans are concerned.

Diminutive Wayne has been not only a fine athlete but a leader as well in his two years of freshman and varsity basketball at Maine.

The son of Mr. and Mrs. Lewis Champeon of Greenville, Wayne starred in football, basketball and baseball under Coaches Lowell Osgood and Elmer Biggers for the Lakers. He was the high scorer in Greenville's state Class "M" championship win over Wilton Academy and was named to the all-Eastern Maine Class "M" Tournament team two successive years.

In addition, he was president of both his senior class and the Student Council at Greenville High. Wayne later served two years in the U. S. Army.

In addition to his shining performances in basketball for Maine, he has performed well in football for the past two seasons. A year ago, as a sophomore, he led the State Series in rushing average and was second in the Yankee Conference. For his efforts he was named to the all-Yankee Conference first team by coaches and last winter he was named to the all-YC second team in basketball—the first Maine man to turn the trick in history!

Wayne is married to the former Jean Dennison of Greenville and is the proud dad of 18-month-old John. He is majoring in physical education.

A star player for the University of Maine’s new branch in Portland for the past two seasons, Roy is playing varsity basketball for the first time.

He hails from Freeport, where he played varsity basketball four years under Coach Johnny McGuire, the latter a former U-Maine athlete who graduated in 1953. Roy and his teammates twice made the Western Maine Class “M” Tournament.

In addition, Roy was captain of the Freeport High team during his junior and senior seasons and he was named to the Triple C (Cumberland County) all-star team at the end of both seasons. He received honorable mention on the All-Maine team by the Bangor Daily News in 1957.

He also pitched for the Freeport High baseball nine, served as president of his class during his junior year, and was a member of the school newspaper staff and the glee club.

Roy was born in Milbridge on April 24, 1939, and attended elementary schools in Cleveland, Ohio, and Old Town, before moving to Freeport. He is the son of Mr. and Mrs. Richard Curry of Freeport.

After graduating from high school, Roy entered the University of Maine in Portland. He served as captain of the 1958-59 UMP quintet and was a member of the varsity baseball team as a pitcher. He hopes to go out for the Maine varsity nine next Spring.

He is married to the former Miss Carol Kaylor of Freeport and Roy and Carol are the proud parents of two-year-old Michael.

Roy is enrolled in the College of Education and is majoring in physical education.
The tallest member of the 1959-60 five, Jon Ingalls is a graduate of one of Maine’s top basketball high schools, Bangor High. Coach Fred “Red” Barry’s Bangor High Rams have made the Eastern Maine Class "L" Tournament for so many years few fans can remember the last time they didn’t. A year ago Bangor won the state championship and was runner-up in the New England Tournament for the best finish for a State of Maine team in 15 years.

Jon didn’t play varsity basketball at Bangor until his senior year, but since his first taste of varsity competition, he has improved tremendously.

In addition to his athletic efforts, Jon was a member of the Bangor High Student Council and French Club.

Born in Rockland, Jon lived in Presque Isle, Calais and Thomaston before moving to Bangor. His father, the late Elmer Ingalls, was one of Maine’s most outstanding newspapermen, serving as State Editor of the Bangor Daily News until his untimely death. Jon now lives with his mother, Mrs. Elizabeth Ingalls, at 31 Kineo Street in Bangor.

Jon made the Maine frosh five two years ago as a reserve center and held down that same position on last year’s varsity five. He turned in many fine performances, one of the best coming in the first Connecticut game when he emerged as Maine’s top scorer for the evening with 13 points. He appeared in 15 games, missing some due to an ankle injury, and scored 70 points for an average of 4.7 per game.

Jon is enrolled in physical education and is a member of Sigma Chi fraternity, the Varsity "M" Club and the Intramural Athletic Association.

No member of the 1958-59 squad made as sizzling a debut as did Bangor's Bob Morin.
Bob saw little action during the first half of last year's campaign, but when Coach McCall gave him the green light in the second Bowdoin game, Bob took advantage of every second he played. He burned the nets with 27 points and his whirlwind performance left Bowdoin's attack in shambles as Maine rolled to a 25-point victory.
Bob is a Bangor High graduate where he played football and participated in track in addition to basketball. He was a fine end for the Ram grid eleven and was elected captain of the team his senior year.
In basketball, Bob and his Bangor teammates won the state Class "L" title his junior year and defeated Hillhouse High of New Haven, Conn., for third place in the New Englands. They lost to Morse High of Bath for the state title his senior year.
After graduating from high school, Bob attended Maine Central Institute in Pittsfield one year and he and his Huskie teammates advanced to the finals of the New England prep tournament before losing. He has also been active in DeMolay and YMCA basketball and was a member of the Bangor DeMolay team which won the New England title a few years ago. Bob was named to the all-New England DeMolay five for his efforts.
The son of Mr. and Mrs. Anthony Morin of 1414 Kenduskeag Avenue in Bangor, Bob is an avid hunting enthusiast. He designed and built his own camp at Beech Hill Pond.
Bob is majoring in mechanical engineering.
Larry Schiner earned one important distinction in the 1958-59 campaign. He was the only member of the team who scored in double figures in every game he started. Larry worked his way into the first lineup in the ninth game of the season against Connecticut and until he was benched with an ankle injury with three games remaining, he scored 10 or more points in every game. His season's total was 170 points.

The son of Mr. and Mrs. Raymond Schiner of Scituate, Mass., Larry attended Scituate High where he played football, basketball and baseball under Coach Stuart Crapser. He was a member of the varsity basketball team four years and three of the four Scituate qualified for the well-known Tech Tournament. They either tied or won the South Shore League title twice and Larry was twice named to the all-league team. He captained the cagers his senior year.

Last summer Larry worked for the Bethlehem Steel Company at Quincy, Mass., and played summer basketball with local high school and college performers, among them Massachusetts' Lee Grutchfield.

Larry is majoring in physical education, is a member of the Student Senate and the Varsity "M" Club.
When it comes to scoring points, there are few cagers in New England who compare with Don Sturgeon. In Don’s first two seasons as a Maine player on the freshman and varsity level, he proved to be as adept at putting the ball in the basket as any of his competitors.

As a freshman, Don easily smashed most of the existing school scoring records, including those for one season and one game. Last year he moved up to the varsity and the former Old Town High standout led the Black Bears in scoring as Maine posted its best basketball record ever.

Don is the son of Mr. and Mrs. Howard P. Sturgeon of 26 Burnham Street in Old Town.

While attending Old Town High, Don was the team’s top scorer his senior year as the Indians won the Maine Class “L” Title. His teammates included such well-known players as Skip Chappelle, Harvey Mitchell, Durwood Pond, Ed Delaware, Willy Martin, and Chet Littlefield.

Don was named by the Bangor Daily News to its All-Maine first team for his performances.

In addition to his basketball efforts, Don played second base and caught for the Old Town High baseball nine.

Don is married to the former Jane Read of Stillwater and they are the proud parents of daughter Donna, who is two years old.

He is majoring in physical education and is a member of the Varsity “M” Club. Last summer Don was kept busy working in his father’s garage in Old Town and playing basketball in his spare moments at Old Town High’s new outdoor court.
The biggest challenge of Skip Chappelle’s basketball life awaits him in Maine’s rugged 1959-60 schedule.

An outstanding scorer and playmaker, Skip’s hoop performances in recent years has won for him the praise of sportswriters, broadcasters, coaches and fellow players. But those came to him as a high school player. Now he must adjust to the solid play of the colleges.

The son of Mr. and Mrs. George R. Chappelle of 55 High Street in Old Town, Skip was a star performer at Old Town High for three seasons under Coaches John Barker and John Killilea. He was vice president of his freshman class and captained the 1956 Indian cage five when they won the Maine Class “L” title and went on to the New England tourney in Boston where Skip poured 38 points through the hoops in the opening round game against Manchester, N. H., for a new one game tournament scoring record.

In 1957, he attended Maine Central Institute in Pittsfield and helped Coach John Dana’s Huskies win the New England Prep School crown, beating Worcester (Mass.) Academy.

For his efforts, he was named to the Bangor Daily News’ All-Maine first team and the all-Eastern Maine Class “L” Tournament and All-New England high school and prep school tournament teams.

Last year he paced the Maine frosh cagers to a 14-1 record as he established new frosh scoring records for one game and one season. (See page 27.) After the season his teammates elected him honorary captain.

He is enrolled in the College of Education and is majoring in physical education.
RATED as one of the finest players in Brunswick High School history, Randy Furbish finds himself this season in the difficult role of a sophomore attempting to break into a veteran lineup.

While in high school, Randy chalked up an enviable record in western Maine Class "L" basketball ranks. Competing in the strong Kennebec Valley Conference, Randy twice made the KVC all-star team and once was named to the all-Western Maine Class "L" Tournament team. After his senior season, in which Brunswick advanced to the semi-finals of the tournament before losing to eventual state champion South Portland, Randy was chosen by the Bangor Daily News on its all-Maine team (second team).

The son of Mr. and Mrs. Gerard Furbish of Middlesex Road in Topsham, Randy also participated in baseball (first base) and track (high jump) while in high school. His high school basketball mentor was the respected Warren "Baron" Pearl.

Last year, as a freshman, Randy played a prominent role in the remarkable success of the frosh five which won 14 of 15 games. He scored 230 points and averaged 15.3 points per game.

Randy's U-Maine roommate is Lenny MacPhee, who is also a member of the varsity five. MacPhee was a dangerous rival a few seasons ago, however, when he was competing for South Portland High which trimmed Brunswick in tournament play.

Randy is majoring in physical education. Last summer he worked at the Pejepscot Paper Company mill in Pejepscot Mills.

In addition, Don was a member of the Varsity "B" Club, the Hi-Y Club, a delegate to Boys' State and president of his junior class.

Last year, as a member of the Maine frosh quintet, Don was the regular center.

Don is majoring in physical education and is a member of Phi Eta Kappa fraternity.

Don Harnum, along with Wayne Champeon and Maury Dore, rates as one of the most versatile men on the team. Don, Maury and Wayne are members of Maine's varsity football eleven as well as the basketball team.

Don's football performance last fall was a personal disappointment, however. As a promising sophomore end, Don should have seen plenty of action for the Bears last fall but a shoulder injury early in the season forced him to the sidelines for the rest of the campaign.

The son of Mr. and Mrs. Donald G. Harnum of 8 Harriman Lane in South Brewer, Don had an outstanding high school athletic career under Coach Larry Mahaney at Brewer High. He played varsity basketball for four years as a center and was captain of the Witches his senior year. That season Brewer had its greatest team in many years and the Witches advanced to the finals of the Eastern Maine Class "L" Tournament before losing to a powerful Caribou quintet.

In football, Don was also a top performer at Brewer. The Witches chalked up a tremendous winning record during the seasons he played and Don was twice named by the Bangor Daily News to its All-Eastern Maine all-star team.
Bill Livesey is a University of Maine sophomore who rates as not only a promising basketball player, but also as a baseball player.

During his high school years at Orleans (Mass.) High School, Bill was a top baseball performer and last year as a member of the Maine frosh nine, Bill batted .472 which was one of the highest averages by a freshman player in many years. He collected 17 hits for the eight-game season, which included five doubles and one triple. Bill is an outfielder who can also handle catching assignments.

Last winter Bill joined the frosh basketball team at a late date, but played well in the final games of the season as a guard.

Born in Daytona Beach, Fla., Bill lived for a short time in Red Bank, Maine, before moving with his parents to Brewster. In high school, he and his Orleans High teammates made the Bay State Tournament twice, winning the title his junior year, and the Tech Tournament one. Bill was co-captain of the club his senior year and his honors included selections on the Lower Cape Cod League all-star team and the Bay State Tournament all-star five. He learned his baseball and basketball techniques from Coaches Elmer Biggers and Eugene Lavery.

In addition to his sports interests, Bill was a member of the Teachers Club and a delegate to Boys’ State.

The son of Mrs. Katherine Ann Livesey of Main Street in Brewster, Bill is enrolled in the College of Education. Like his teammate, Don Sturgeon, Bill stayed trim last summer by working in a garage.
Back on a Saturday evening in March, 1958, Lenny MacPhee and his South Portland High School basketball teammates were among the most widely known young men in the state of Maine. Many thousands of Maine residents watched on television as the Red Riots upset a powerful Caribou High School five to win the Maine Class “L” crown and one of the South Portland stars that night was backcourt performer MacPhee.

Lenny and his clever ball-handling led to a bundle of South Portland points, much to the despair of the taller Vikings who were the pride of Aroostook County and all of eastern Maine.

The victory earned a berth in the New England tournament for the Red Riots where they lost a quarter-final round decision to Buckley High of Hartford, Conn.

For his dazzling efforts that season, Lenny was named to the Western Maine Class “L” Tournament all-star team and the Bangor Daily News’ All-Maine team (third team).

Lenny played varsity basketball at South Portland for three seasons and in all three the Riots were western Maine tourney entrants. His coach during that period was the popular Fred Friese.

In addition to his athletic efforts, he served as a class speaker at the graduation of the Class of 1958.

The son of Mrs. Eleanor MacPhee of Spurwink Avenue in Cape Elizabeth, Lenny enrolled at the University in September, 1958.

He is enrolled in the College of Education and is majoring in physical education. He is a member of the Intramural Athletic Association.

Bob Wilkinson, a graduate of Biddeford High School, is one of four sophomores from the western Maine area who have earned berths on the varsity squad.

Bob enjoyed considerable success in high school athletics, being voted as the outstanding member of his team during his senior season. He was captain of both the varsity baseball and basketball teams that year. Following the completion of his junior season, he represented Biddeford High in the state foul shooting contest which is sponsored annually by the Portland Press Herald.

In other activities, Bob proved to be a popular politician among his classmates. He was elected secretary of his sophomore class, treasurer of his junior class and vice president of his senior class. In addition he was treasurer of the student council and manager of the varsity football team.

Bob's high school basketball coach was George Wells. His parents, Mr. and Mrs. Maurise Wilkinson, reside at 100 Hill Street in Biddeford.

Last year Bob made the grade as a member of the Maine freshman five and turned in several fine performances as a leading reserve. He saw action in all games and wound up with a scoring average of just under five points per game.

Last summer Bob remained trim by working for the Crystal Bottling Company in Biddeford and also playing basketball in a summer recreation loop in his home town.

Bob is enrolled in the College of Education and is majoring in physical education. He is a member of Alpha Tau Omega fraternity.
If Maine's 1958-59 record is any indication, Black Bear basketball fans can look forward to the most exciting era in University of Maine basketball history under the guiding hand of Varsity Coach Brian McCall.

Brian's first season as Black Bear mentor produced Maine's best record in history—a marvelous 15-7 record and a tie for the State Series championship and second place finish in the Yankee Conference. Maine's YC position last year was the highest ever attained by a Maine team and in the State Series the Bears had the best record for a Maine team in nine seasons.

The 1958-59 record included a five-game winning streak and a seven-game victory skein. The Bears gained national prominence among the small colleges in the land by ranking second in "fewest personal fouls committed per game" with an average of 13.7 per contest. The Bears' tremendous efforts also brought out the best attendance figure in years as over 32,000 watched Maine perform in 11 home games.

Winning seasons are not new to Brian, however. Before coming to Maine, his teams posted a record of 87 wins and 32 losses in Ohio high school ranks.

Brian was born in E. Palestine, Ohio, where he played football, basketball and track at E. Palestine High. After serving for four years overseas with the U. S. Navy during World War II, he entered Baldwin-Wallace College in Cleveland. He transferred to Dayton U. at the end of his sophomore year.

Brian starred in basketball for Dayton under Coach Tom Blackburn during his senior year. He was named captain of the team and was chosen its most valuable player by his teammates. He established an all-time school scoring record for one season during the year.

After receiving his B.S. degree from Dayton in 1949, he accepted a coaching position at Marmion Military Academy in Aurora, Ill. He remained there one year, moving to Ohio State University in the fall of 1950 to study for his master's degree which he received in health and physical education in 1951.

His next assignment took him to Cathedral Latin High in Cleveland. Under his leadership, Cathedral Latin teams prospered. In one two-year span, from 1955-57, they won 40 out of 44 games. His 1956-57 team was undefeated in regular season play and lost only in tournament action for a 23-1 record.

Brian finished his high school coaching career with a one-year assignment at Willoughby North High School in Willoughby, O., during the 1957-58 school year.

Brian is married and he and his charming wife, Kathy, have four young Mc Calls, Keven 8, Mary Ann 7, Patty Jo 5, and Sheila 3.
Jim Butterfield, Freshman Basketball Coach

Jim Butterfield, well-known in his college days as an outstanding football player for Maine, is in his second season as coach of the Maine freshmen.

Jim has been a member of the Maine coaching staff for the past three years and serves as line coach for the varsity football team during the fall and as freshman baseball coach during the spring season.

Jim was an all-Yankee Conference lineman at Maine in 1952 and co-captained the 1952 eleven with his brother Jack who played halfback. Jim later coached at Arms Academy in Shelburne, Mass., where his football teams won 11, lost four, and his baseball teams won 20, lost nine, in two seasons. His freshman basketball teams at Maine have won 30 out of 32 games over the past two seasons and his frosh baseball nines have won 13 out of 17 contests.

He is married and is the father of one child.

James Stevens, Varsity Basketball Manager

Jim Stevens, who hails from Gorham, rates as a “professional” team manager. Jim received experience along this line in high school as manager of the Gorham High basketball team for two years and the baseball team one season.

Since enrolling at Maine two years ago, Jim has served as manager of the freshman five and last year as assistant manager of the varsity.

Jim, who is 20, is the son of Mr. and Mrs. Elwood D. Stevens of RFD #1 in Gorham. While at Gorham High, he was vice president of his class three years and served as president of the National Honor Society. He was a member of the senior play cast and was co-business manager of the yearbook.

At Maine, he has been a representative to the General Student Senate and a member of the High School Day Committee for two years.

Jim is enrolled in the College of Education and plans to teach mathematics and science upon graduation in 1961.

ATHLETIC BOARD

An important unit in the University of Maine athletic picture is the Athletic Board which meets once a month to recommend athletic policies to the Office of the President.

There are 13 men on the Board and they represent the Board of Trustees, faculty, administration, alumni, and student body.

Present members are alumni representatives Clifford Patch, who is chairman of the Board, Thomas Hersey, and Albert Smaha, all of Bangor; faculty representatives Prof. Wallace H. Elliott, Prof. Harry D. Watson, and Asst. Prof. Phillip L. Hamm; administration representative Charles E. Crossland, who is Vice President for Administration; and student representatives Wayne Champeon and Robert Bragg.

Donald V. Taverner, an official of the General Alumni Association, and Dr. Rome Rankin, Athletic Director, and Ted Curtis, Faculty Manager of Athletics, are ex-officio members of the Board and do not participate in voting matters.

Yankee Conference Scoring

Five members of this year's Maine varsity are listed among the top 15 scorers for Maine in Yankee Conference history.

Don Sturgeon is rated 3rd, Wayne Champeon 6th, Maurice Dore 12th, Dick Sturgeon 13th, and Larry Schiner 15th.

Dr. Rome Rankin, Director of Athletics

When Dr. Rome Rankin became director of athletics in 1947, he had many objectives in mind, among them the building of a strong coaching staff. He wanted new coaches to not only be men capable of coaching outstanding athletic teams, but men of high honor and moral fibre.

It’s apparent he has achieved this goal. Maine now not only stands high in football, track, and cross country, in State Series and Yankee Conference circles, but in basketball and baseball as well. Other teams—rifle, tennis and golf, also rank high in competition entered. And the coaches are held in high esteem by high school coaches and athletes and college athletes as well.

A native of Kentucky, Dr. Rankin holds degrees from the U. of Michigan and U. of Kentucky. He has served as an assistant high school principal, high school coach, and college coach. As coach of football and basketball at Eastern Kentucky State College, he saw his teams win 80 per cent of their games and three members of his football teams were selected for Little All-America honors.

Since coming to Maine, Dr. Rankin has served as head coach of basketball and as director of the professional physical education training program for men. Dr. Rankin is married and his wife, Katherine, serves as secretary to Dean of Men John Stewart. They reside at 13 Grove Street where Dr. Rankin recently built a handsome rumpus room in his spare moments.

Ted Curtis, Faculty Manager of Athletics

One of the most able administrators in U. S. college athletics is Ted Curtis, veteran faculty manager of athletics.

Ted has served the University, both as student and employee, for 33 years. A native of Freeport, he graduated from Maine in 1923. As a student, he played varsity basketball, winter sports and tennis and was captain of the freshman basketball team.

Later he coached at Lee Academy and Caribou High School, where his teams met with remarkable success. He coached the first cross country team in Lee’s history and it won the state championship that initial season! He coached three more state title teams at Lee and twice turned the trick at Caribou.

Since coming back to Maine in 1930, he has coached skiing and his teams have won no less than 22 State Series championships in 27 years!

Ted is married and he and his wife Augusta are the parents of four children, Mary '49, Edith '51, Marion (New Hampshire '55), and Ted, Jr., now a student at Bowdoin. They reside at 123 Main Street in Orono.

On Friday morning, October 24, 1958, Dr. Lloyd Hartman Elliott accepted the responsibilities of the office of President of the University of Maine with these words:

“For whatever period of time it may be my privilege to serve the University of Maine, I pledge, with my every effort and with whatever courage I have been endowed, to work unceasingly for the highest quality education of which each student is capable and to compromise this goal with no one. I believe this to be the fundamental purpose of a university and to that end I give my energy and devotion in clear conscience.”

There's no doubt in the minds of persons associated with the University of Maine that Dr. Elliott is carrying out his pledge.

He moved into perhaps the most serious problem in University history last fall in a courageous, energetic manner. The problem concerned the falling off of state appropriations coupled with a rapidly rising enrollment.

Taking his cause to the halls of the State Legislature in Augusta, Dr. Elliott told Maine lawmakers of the educational problems facing the University and the young people of Maine who were looking forward to University of Maine educations.

He told legislator after legislator of the seriousness of the problem and how Maine had fallen to 47th position among the United States in the numbers of young people receiving college educations.

Because of his efforts in Augusta and before Maine citizens in countless cities and towns, the State Legislature awarded the University a sizeable increase in its appropriations for the 1959-60 and 1960-61 college years.

More recently, Dr. Elliott urged Maine citizens to vote permission for the University to borrow up to $10,000,000 in bonds to finance new housing for prospective students. The voters went to the polls and backed Dr. Elliott's plea by a 4-1 margin.

Born in Clay County, West Va., Dr. Elliott is 41 years old. He is the ninth president of the University of Maine, having succeeded President Emeritus Dr. Arthur A. Hauck.

Married and the father of two children, Dr. Elliott is a graduate of Glenville State College in West Virginia. He received his master's degree at the U. of West Virginia and his doctor's degree at the U. of Colorado.

He has been an elementary school teacher, a high school principal, officer in the U. S. Navy, college professor and an assistant superintendent of schools. His position before coming to Maine was that of Executive Assistant to the President of Cornell University.
This Is Your University

THE University of Maine is a part of the public educational system of Maine. Since the first students were welcomed on campus in 1868, more than 25,000 young people have studied on the Orono campus.

The University now has two campuses—at Orono and Portland. Freshman and sophomore students may take courses at the Portland campus which is located at 23 Brighton Avenue.

The University was established as the Maine State College of Agriculture and the Mechanic Arts under the provisions of the Morrill Act, approved by President Lincoln in 1862. The next year the State of Maine accepted the conditions of the Act and in 1865 created a corporation to administer the affairs of the college. The original name was changed to the University of Maine in 1897.

Administrative units of the University include the Colleges of Agriculture, Arts and Sciences, Education, and Technology; Graduate Study, Summer Session, Agricultural Extension Service, Maine Agricultural Experiment Station, Maine Technology Experiment Station, Department of Industrial Cooperation, and the University of Maine in Portland.
