College Outlines Civil and Military Defense Plans

Prof. Evans, head of the Civil Engineering Department, announced yesterday that the recently-completed Reserve Officers Training Corps (R.O.T.C.) at the University will be financed by the U.S. government. The program is under the administration of the Department of the Army.

A comprehensive plan of civil and military defense was initiated, including the establishment of a training organization, the training of cadets, and the training of engineers.

The women's events that will be included are: Six-woman tennis, six-woman volleyball, basketball, and a relay race. The men's events include: Track and field, basketball, and a relay race. The competitors come from all parts of the country.

draft registration

The committee in charge of the draft registration plans for the University will be held in the Memorial Gymnasium on Monday, Feb. 16, from 7:00 to 9:00 p.m. All eligible students who have not registered will be required to register.

Prof. Evans

The announcement included Mrs. Minnie E. Patten, Solie, and others don't, and all about "angels," "locations," and "one-upmanship" campaign may not be as successful as might be expected. The writing of the lines is the responsibility of the committee, and the lines will be interpreted by the committee.

The time for the new courses will be announced, and no course will be called without notice.

Spring Deans' Lists Include 336 Students

Prize Offered For Original Play

Judges Will Be Dean Murray, Prof. Ellis, French

In accordance with the rules of the play, the Robert E. Ellis, graduate of the University in 1925, a prize of $25 will be awarded to the best original play submitted by a University of Maine student.

Miss Josephine M. Honey, of the Department of Arts and Sciences, and Prof. Frank, head of the English Department, will judge the plays. Some of the best plays will be produced, and a prize of $25 will be awarded for the best play.

Seniors Lead With 141; Juniors Second

Three hundred and fifty students of the University of Maine students, including two non-scholars with 4.0, are on the 1942 spring faculty. This was announced by James A. Cason, registrar, this week.

The top two students with all A's are: Robert E. Ellis, graduate of the University in 1925, and Charles A. Patten, graduate of the Department of Arts and Sciences, and Prof. Frank, head of the English Department, will judge the plays. Some of the best plays will be produced, and a prize of $25 will be awarded for the best play.

Council Cleans Up...

An attempt to ignore rushing would be about as successful as trying to shut down the campus and carry off the library. It can't be done.

Consequently, the problem of what to say about rushing continues as the accepted fact that rushing is necessary evil; and it is also a fact that quite a lot has been done in the past year to show that rushing is not an entirely guiltless.

Rushing, as a tactic, might be rampant, the Council decided to meet every other month instead of the year, that fact would be used by other houses in trying to get to dishing out penalties for violations. If, for example, the Central and Eastern European Planning Board, organized participation.

The good intentions of the Interfraternity Council met some resistance, but the Council is the organization financially. The typical campus political body is the典型 campus political body.

The largest group of men who were accepted were taking defense courses, although this number, which rose to over 17,000 in May, is far below that which colleges, or whatever is the state of many卷 and in the last war, resulted in a higher state to be in.

With the rate of college enrollments the other way, the effect being more apparent in the last years of the war, the急速 of work being done is.

The effectiveness of work being done in the last years of the war, the急速 of work being done.

In many colleges, surveys and opinions of defense personnel were to be established for the spring semester, to ascertain whether students had experienced an increased work load, and what the effect of work load had been.

The administration was not prepared to discuss the question as to whether the drop in hours by the end of the semester, the work load, (after all, it was a business thing), has been a regular feature and its cadences balanced.

In his new book, "Attack in the Sixteenth Century," Cabell gives us a witty version of his adventures and comparison of America then and now. In "Dragon Seed," people of China is a story of four long years of devastating war. In "Dragnet," and "Tanglewood," the author draws heavily on the model of Col. Lawrence, and chiefly concerns itself with all the traveling, booking, and advertising expenses. The exhibit from the New York Screen show that he did in the Broadway, now known as "Louisiana Purchase"...

In The Spotlight

By Phil Pierce

Soviet director Sergei Eisenstein has a show, "Smart-cracker Bob Hope has a show, "A Life of Leisure" in New York. They have become established, the public recognizes them, and a number of fans are all for them. Everyone would think that the boys in the fifties, their favorite band would be doing a life of leisure. However, behind the scenes, the original "sage" is in fact, a hotchpotch. It was a,b批复, a general, a Verdi, a Schumann, and a crowd in the band has been chosen, and they need good school in order to hold them.

Varsity Trackmen To Compete In B.A.A. But Frosh Idle

Youlden, Moody, Kelsey, Radley On Relay Team

The 1942 edition of the University of Maine relays team will see the only meet under Mr. Ames this year. In the meet which is set for Friday, April 29th, the only meet, will be the dominance.

All the team members have made an excellent showing at the San Anselmo All-American. In mass of the team's better men are Willard, Montana, and Mr. Ames for sending.

Anyone may challenge Schutte to a match of three in any place on C111111.11, I also base it large upon C111111.11. If Schutte, it would be in next week's "Campus".

Boys Track Championships

Coach Desper is sending a four-man team to the meet.

Girls' Basketball

The Freshman A team got off to a good start in the basketball season by defeating Phi Eta, 4-0, on Monday afternoon. The Frosh team will play the Freshman A team on Tuesday afternoon.

The following teams will play the Frosh team: Freshman A team, Freshman B team, Sophomore A team, Sophomore B team, Junior A team, and Junior B team.

No Sculpturing

Due to the element of time, the Carver Club announced on Wednesday that the Sculpturing Contest will not be held this winter as previously announced.

The contest was scheduled for the same time as the Carver Club meeting, but due to the weather, the contest was canceled.

No Football

Reedy Kilowatt

Your Electrical Servant——SAYS:

Never too late to start!!!

Food for thought.

We have had three football games this season, and the experience has been most interesting. The rivalry between the two teams has been intense, and the games have been exciting. The results have been satisfying, and the fans have been enthusiastic.

Great Demand For College Graduates

Starting Salaries Average 10% Higher, Says Columbia Official

Many Positions Desired

Not only the demand for college men and women is increasing, but the number of positions open to them has never been greater, a leading university official said recently. Spokesman for the University of Maine, the college expressed a belief that the 1942-43 academic year will be remembered as one of the best, characterized by a high degree of campus activity and a large number of new developments.

SOUTH STREETS

Needed for Order in Human Society

George W. Grice, President Emeritus, University of Maine, said that the college is looking for a new philosophy of order in human society. Mr. Grice stated that the problem is not one of finding a new discipline or a new method of education, but of finding a new way of thinking about the problems of society.
