ANNUAL REPORT

OF THE

Selectmen, Treasurer,

and Other Officers

OF THE

Town of Houlton,

Municipal Year Ending March 1, 1903.
With Compliments of

MICHAEL M. CLARK,

Assessors’ Report.

Following is a statement of the inventory and valuation of taxable property and polls as found in the Town of Houlton April 1, 1902, the same being a copy of our return to the State Assessors;

Real estate, resident, $1,395,072 00
Real estate, non-resident, 135,610 00

Total real estate, $1,530,682 00
Personal estate, resident, $757,727 00
Personal estate, non-resident, 15,753 00

Total personal estate, 773,480 00

Total valuation, $2,304,162 00

No. of polls taxed, 1347
No. of polls not taxed, 37

Schedule of Personal Property.

</table>

$43.00

$2359.95

For recommendations as to Schools and School purposes, see report of School Committee.

Street Lights.

Amount appropriated, $1375 00
Balance from year 1901, 28 26

<table>
<thead>
<tr>
<th>Company</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Houlton Electric Co., for street lights and Town Hall and Engine House</td>
<td>$1360 00</td>
</tr>
<tr>
<td>E. Merritt &amp; Sons, lights for streets, town lockup and approaches thereto</td>
<td>41 40</td>
</tr>
</tbody>
</table>

$1403.26

There is a demand for more lights in almost every section of the village. No new lights have been established anywhere this year, as the appropriation would not warrant it.

With no change in price it will require $1401 40 to pay for our present lights one year. For any additional lights, proper appropriation should be made. We think an appropriation of $1450 00 ample to cover new lights really necessary.

$554 91
Manure from Fire Department, 10 00
Balance unexpended. 129 81 $694 72

Amount appropriation, $500 00
Balance from year 1901, 44 21
Income—Hannah J. Bailey fund, 9 06
W. R. Whitney, for hay, 121 45

$674 72
Hay to Fire Department, 20 00 $694 72

All the town cemeteries have been cared for as usual. About 20 acres of the Monson farm has been surveyed and plan of new cemetery, with drives, pond, walks &c., is now in process of construction. It is hoped we can begin this year, to lay this out according to plan.

For cemeteries we recommend the same amount as last year, $500.00.

Memorial Day.

Amount appropriated, $100 00
Amount paid Geo. H. Smith, Quartermaster A. P. Russell Post G. A. R. 100 00

We recommend the usual appropriation for Memorial Day.
Town Hall Lot, Mechanic St.

Amount appropriated, $900 00
Rent from Houlton Water Co., 50 00

Paid Wm. R. Whitney for deed, from Arthur P. Davis, $950 00

State Militia.

Amount appropriated, $100 00
Paid to F. A. Peabody, Capt. Co. L., 100 00

The Militia Company was of great benefit in guarding and protecting property after the fire of May 17th, ult. Considerable furniture, and household goods that otherwise would have been lost, stolen, or destroyed, was thus saved for its owners. We think in this one instance the money value of the property saved, exceeded all that the town has ever raised for Militia purposes. We recommend the usual appropriation.

Houlton Public Library.

Amount appropriated, $300 00
Amount received from State, 30 00 $330 00

Paid M. M. Clark, Treasurer of Houlton Public Library, $330 00

The general patronage of the Library continues good, and includes all classes of our citizens. 7252 books were taken out from January 1st. 1902, to January 1st. 1903. Quite a number of volumes have been worn out and replaced by new editions and more than usual have been rebound.

27 new books have been presented during the past year and 198 purchased by the Trustees. Besides magazines and pamphlets, the Library now contains 1632 volumes of which from one-fifth to one-fourth are out all the time.

The Library is now located, up stairs, in Frisbie's brick block, and after March 2nd will be open every day in the week, holidays excepted, from 9 A. M. to noon, and from 2 P. M. to 5 P. M., and Saturday evenings from 7 to 8 o'clock.

We recommend, at least, the usual appropriation of $300 00.
Town Debt.

Amount appropriated, $1500 00
Paid on Pleasant St. School House Loan, $1000 00
Paid on Cemetery Loan, 500 00 $1500 00

During the coming year $2500 00 of our Town Debt becomes due and an appropriation for like amount should be made to meet it. This does not include Town Water Bond of $800 00 which matures May 1st, 1903, and will be paid from dividends on Stock of Houlton Water Company owned by the town.

State Road.

Chap. 285, Public Laws of 1901.

Amount appropriated, $200 00
" received from State, 100 00 $300 00

Anderson. Thos., labor, $ 7 00
Brewer, Wilmot, labor, 20 00
Harper, Isaac, labor, 8 63
Hickey. John, labor, 5 00
Iott, Israel, labor, 3 00
Portland Pipe Co., pipe, 88 74
Wiley, James, labor, 8 63
Labor of ten teams two days hauling 160 loads of gravel placed on said road, from Grist Mill to B. H. Putnam's corner and labor loading and spreading same, 144 00
Also 20 loads rock and gravel in front of Woolen Mill &c , 15 00 $300 00

A good drain of Sewer pipe 10 and 12 inches in diameter was laid from a point in Market Square opposite Buzzell's Furniture Store, thence along West side of Market Square and North side of Union Square to the River.

In addition to the above work; 103 loads of broken stone—being the last of the stone broken in the jail yard—was hauled by the town team and placed on the State Road at the Northerly end of the bridge. We recommend the same amount be raised as last year, $200.00.

$7,670.38

It has been a hard year for work on roads, owing to so much wet and rainy weather during the spring, summer and fall. The fire of May 17th, also burned and damaged our wooden sidewalks on part of Military, Kelleran, Heywood, Park, and High streets, which had to be replaced. On Military, Kelleran and High streets this was done with concrete, and the fact that the town built good, substantial sidewalks in this part of the burned district soon after the fire, we think helped and encouraged many to rebuild their residences. It was so intended.

The extra work caused by the weather, fire, and other causes, we consider amounted in the total to some $1200 to $1400, and we think the Road Commissioner should be commended for getting through the year without exceeding the appropriation.

All the usual work on roads has been done, besides quite a stretch of Macadam built on Main street, and many yards of new sidewalks, mostly of concrete, laid on various streets of the village, as shown by report of Road Commissioner.

We recommend for the usual work on roads, bridges and sidewalks, including pay of Road Commissioner, and for widening streets laid out and accepted by the town last summer the sum of $7000.00 be raised. We think also that at least $2150.00 of the damages for widening said streets should be raised by direct assessment this year, and the balance therefore by loan.

Sidewalks in Winter.

George Calvin and Melvin McNalley died at the farm, and other paupers who have been kept at the farm, during the past
year and discharged, are:—Theodore Wright, Patrick Moran, and Hattie Crockett, besides those quarantined there.

The expenses of keeping those in quarantine at the farm last summer, caused considerable extra work and expense for the farm account; but, notwithstanding this, there has been more produce sold off the farm than usual.

The cost of paupers off the farm, has not been so large as last year, due largely to the fact that at present we have only one insane pauper to support.

For support of the poor, including pauper insane, and town farm, we recommend the sum of $2750.00.

Fire Department, Police, &c.

Amount overdrawn, 992 59 $7202 34

The value of property destroyed by fire in Houlton during the past year, we estimate, in round numbers, to be about $420,000.00. This includes the disastrous fire of May 17th., the fire from Titcomb's mill of Aug. 17th, and the B. & A. fire of Feb. 20th., besides others where the loss was small. For account of all the fires, see report of Chief Engineer of Fire Department.
About $1800.00 of fire apparatus, including that injured and destroyed belonging to assisting fire companies from Presque Isle, Caribou, Fort Fairfield and Woodstock, was destroyed in the May 17th conflagration. About $1500.00 has been spent for hose and apparatus replaced and this accounts for the overdraw in this department. We still need and must have ladders, ladder truck and some other apparatus, to put the department in good condition. We also respectfully call your attention to the urgent need of a good fire alarm system. This can be started with five or six boxes at an expense of about $750.00, and we think it ought to be had at once. Our firemen live and work in different sections of the village, and when an alarm is given, should know at once the location of the fire. As it is now, they are often misled and do not get to fires as soon as they should, and when they do are sometimes pretty well exhausted from going in wrong directions and running back again.

Mr. Alexander Wilson, building inspector, reports to us, that 49 dwelling houses, 2 churches, and 6 other wooden buildings, besides 2 brick blocks have been erected in Houlton this year. We think fully as many buildings will be built next year, and they should have all the fire protection we can afford to give them.

For Fire Department, Police, Rent of Hydrants, and beginning a Fire alarm system, and to make good the overdraw of this year we recommend $7750.00 be appropriated for the coming year.

J. K. Osgood, for grass, 140 00
Estate of Frank Oeschgar, 187 50
C. H. Wilson—refunded, 15 74
Sheep damages—refunded by State, 36 50
Houlton Water Co.—Part injunction costs, 25 00
L. B. Johnson—on temporary loan—as per vote last summer, 1000 00
Balance—overdrawn 3663 37 $6993 42

The Small Pox cases including quarantine expenses, medical bills, free vaccinations, and other expenses, make a total of $4770.90 cost to the town last summer. To which should also be added some $317.24 additional expense on the Town Farm during the time exposed persons were detained there in quarantine. To offset this, $187.50 was received from Dr. Towle as administrator of estate of Frank Oeschgar, who died from the disease and $140.00 received from Mr. James K. Osgood for the grass on the Ingraham Farm, making the net cost to the town $4760.64.

While this expense was large, we should be thankful the disease was stamped out and did not spread throughout the town, and due credit for same should be given to the Board of Health and others who had the matter in charge.

Of the $3000.00 which the town authorized the Selectmen to hire last summer, only $1000.00 has been procured, it being thought best to allow part of the County tax to remain unpaid for a short time, rather than pay interest on a town loan.

Next year for Miscellaneous Bills and to cover the overdraw of this year, we think $4650.00 should be appropriated.

Discounts, Commissions and Abatements.
Amount appropriated, $3900 00
Balance from last year, 33 20 $3933 20

Discounts.
Five per cent. allowed on taxes paid to Town Treasurer before Nov. 1st., $2365 52

Commissions.
M. Lawlis in full to March 1, 1902, $177 10
M. Lawlis, part payment on taxes collected this year, 109 43
Abatements.

M. Lawlis on 1900 taxes, $42 25
“ “ “ 1901 “ 141 14
“ “ “ 1902 “ 23 61
“ “ “ 1899 “ 12 00
“ “ “ 1898 “ 171 56
“ “ “ 1897 “ 541 96
All other abatements, 336 90
Balance unexpended, 11 73 $3933 20

For this appropriation we recommend $4000.00 be raised.

Interest Account.

Amount appropriation, $2550 00
Balance from year 1901, 24 76
Houlton Savings Bank, Interest on Bailey fund, 9 06
Interest in Tax Deeds, 1901, 7 10
Dividend on Stock of Houlton Water Co., 960 00
Interest on taxes, collected and paid to Town Treas. by Tax Collector, 375 06 $3925 98

By paid interest as follows:
J. K. Plummer on Cemetery loan, $40 00
L. Powers on Pleasant St. school house loan, 70 00
Wm. Dobson, temporary loan, 22 67
J. K. Plummer, temporary loan, 14 34
Houlton Savings Bank, temporary loan, 271 77

$418 78

Coupons paid on Town Bonds, not including Water Bonds, 2495 00
Amount to Cemetery account, 9 06
Amount to Houlton Water Co. acct., 960 00
Balance unexpended, 43 14 $3925 98

It will take $2585.00 to pay interest on the present town debt next year, exclusive of Water debt. As stated elsewhere, interest on Water debt will be paid by dividends on stock of Houlton Water Company. To pay the above $2585.00 and interest on temporary loans, in addition to the interest collected on taxes, we think $2600.00 should be raised.
Town Officers.

Putnam, Thos. P., (Selectmen, Overseers of Poor) $600.00
Pearce, Frank, W., (Assessors High-way Surveyors &c.) 250.00
Dykeman, W. A., (Surveyor) 175.00
Gellerson, F. A., (Treasurer) 200.00
Gorham, Geo. A., (Auditor) 50.00
Clark, M. M., (Town Clerk) 50.00
Hersey, Ira G., (Town Agent) 157.00
Wilson, Alex., (Building Inspector) 52.00
Putnam, H. L., (Superintendent) 306.00

Williams, Chas. E., (Health Officer) 30.00
Dickison, T. S., (Health Officer) 45.00
Smart, A. B., (Health Officer) 50.00
Archibald, James, (Health Officer) 50.00

Amount appropriation, $1500.00
For Superintendent, 300.00
Balance from last year, 33 53
Amount overdrawn, 225 47 $2059.00

For this appropriation we recommend $1750.00

Houlton Water Company.

Amount received, sale of Town Water Bonds, $45,000.00
Premium and accrued interest on same, 1,121 05
Amount from overlay in assessment, 1,878 95
Dividend received on stock, 960.00
Total $48,960.00

1920 shares Capital Stock, $48,000.00
Interest paid on Town Water Bonds, 787 50
Balance unexpended, 172 50 $48,960.00

It was deemed best to purchase stock of the Houlton Water Company, rather than its charter rights, property, and franchise. By purchasing the greater part of the Stock, the Town thus controls the Water Company, and avoids any direct liability for damages or other losses that might occur.

There are 2000 shares of Capital Stock of the par value of $25.00 each. The town has purchased and now owns 1920 shares, or twenty-four twenty-fifths of the whole. The five
directors hold one share each and 75 shares are still owned by private parties.

Under its Charter and By-laws five Directors are required. At request of the Selectmen Mr. C. H. Pierce and Mr. J. A. Browne, President and Treasurer, respectively of the Company, retained one share of stock each and act as directors of the Company with the Selectmen, who have each purchased one share of stock, in their own right.

The outstanding debt of the Water Company is $30,000.00, which with the $50,000.00 capital stock make up the appraised value of the plant, franchise, &c., at the time of the transfer. If the town so votes, it is proposed to issue bonds of the Company for said debt and for extension of the system this year; an act having been granted by legislature for this purpose. The first proposed extension being another large pipe from the Pumping station, thence along Riverside street and across the river and through the Titcomb farm, to Grove street, Florence Avenue, Alice Avenue, B. & A. depot and grounds, down Military street to the Foundry; also on Fair street, Weeks street, and on High street as far as may be practicable this year towards the proposed Reservoir on Pearce Hill. The income from services on such extensions being estimated to more than pay fair interest on the cost of same.

The town acquired control of the Water Plant, July 1st., 1902; and Mr. B. B. McIntyre was appointed Superintendent. Since then 24 new services have been put in and there are applications for more as soon as the spring opens. Water is now supplied to 365 families, 45 stores, 30 offices, 2 machine shops, 6 livery stables, 6 hotels, 8 boarding houses, 6 public schools, 4 barber shops, 3 banks, 3 lodges, 5 Sewer Flush tanks, 2 laundries, 1 public and 1 private fountain, 1 water crane, 47 fire hydrants, besides Court House, Jail, Town Hall, Post office and Custom House. The above does not include services of unfinished houses or the Fogg and Sincock brick blocks. The number of paying services July 1st, 1902 was 296. The number of paying services March 2d, 1903 is 339.

The rates received 1st quarter were $1,417 58
" " 2d " " 1,522 84
" " for 2 months of 3d quarter were 1,605 12
Balance due on rates to end of 3d quarter, 218 20
$4,763 66

The rates for a year, from services, on basis of the July quarter would be $5600.00. The rates for a year on basis of present quarter would be more than $6600.00. The number of
services cut off by May 17th fire was 53; and 38 of them still remain shut off.

The loss from services caused by the May 17th conflagration was at the rate of $735.00 per year.

Below is given a statement of the receipts and expenditures from July 1st, 1902 to February 28th, 1903.

**Receipts.**

- Water rates, $4,545 54
- Houlton Electric Co., 2,250 00
- Hydrants, 1,135 42
- New service connections, 617 68
- Wood and Pipe sold, 21 00
- Hydrant and Tee sold, 31 05
- Old iron sold, 1 60 $8,602 29

**Expenditures.**

- Fuel—coal and wood, $3,490 95
- Office supplies, 41 75
- Tools, 73 08
- Rebates paid, 3 34
- New hydrants and repairs of old, 202 81
- Repairs—boilers and furnaces, 313 65
- Repairs of pumps, 312 41
- Repair of stone wall, 14 35
- Ordinary repairs, 136 97
- New services put in, 624 75
- General expense and supplies, 112 94
- Dividends paid, 980 00
- Interest paid, 181 67
- State Franchise tax, 5 00
- Town of Houlton—rent, 50 00
- Office rent, 37 50
- Geo. Ingraham, engineer, 600 00
- Geo. A. Ingraham, asst. eng’r., 320 00
- B. B. McIntyre, Supt., 533 33
- Firemen and help, 273 47
- Balance—cash on hand, 294 32 $8602 29

In addition to the above cash on hand, there is $177.97 still due on new services put in and $218.20 due on water rates as aforesaid.

We are glad to say, that from the present outlook, the income from services, rent of hydrants, Electric Light Co. and all sources for the year ending July 1st, 1903, will be sufficient to
pay for all running expenses, fuel, repairs—ordinary and ex-
traordinary—and interest on the full $80,000.00, besides paying
the first Town Water Bond of $800.00 and leave a balance in
the treasury; and this notwithstanding the loss of service caused
by the fire of May 17th, ult.

**Martin Lawlis Collector of Taxes.**

In account with the town of Houlton, Dr.

1902.

Mar. 1. To balance 1897 taxes $ 401 34
" " 1898 taxes, 608 99
" " 1899 taxes, 1,644 24
" " 1900 taxes, 3,178 75
" " 1901 taxes, 8,325 52

$14,158 84

" Interest on taxes, 375 06
" " and costs 1901 tax deeds, 19 56
" 1902 taxes, 10,878 74 $25,431 93

Cr.

By 1897 taxes in full, $401 34
" 1898 " part, 171 56
" 1899 " " 586 73
" Interest on 1899 taxes, 46 26
" " on 1900 " 88 28
" " on 1901 " 240 52
" 1900 taxes in part, 1,712 00
" 1901 " in " 5,244 09
" 1902 " in " 3,026 53
" 1901 tax deeds, 121 31

$11,638 62

" Bal. taxes as follows:

1898 taxes $ 437 43
1899 " 1,057 51
1900 " 1,466 75
1901 " 2,979 68
1902 " 7,851 94 $13,793 31 $25,431 93

This year as heretofore the interest collected on taxes has paid
about two-thirds of the expense of collection.

Mr. Lawlis has settled with the Town in full for taxes of the
years 1895, 1896 and 1897. He has not fully collected all the
taxes for those years, but it is understood that he is yet to collect
the unpaid part thereof to reimburse himself.
Financial Standing &c.

Liabilities.

Town Bonds, Nos. 41 to 70, $1000 each—4 per cent., $30,000.00
Town Bonds, Nos. 71 to 107, $1000 each—3⅝ per cent., 37,000.00
Town Water Bonds—3⅝ per cent., 45,000.00

FRANK A. GELLERSON, Town Treasurer.

Houlton, Me, March 2d, 1903.
Auditor's Report.

I have examined the books and accounts of the Selectmen and Treasurer for the past year, and find them kept in a correct and business like manner, and agreeing with their statements, as published elsewhere in this report. Have also audited the books of the Houlton Water Co. since its control by the town.

The uncollected taxes are as follows:

<table>

GEO. A. GORHAM, Auditor.

Houlton, Feb. 28th., 1903.
Report of Selectmen of Houlton.

The annual census taken in April, showed that there were 1501 children belonging to the town, between the ages of 4 and 21 years. This is a gain of 53 during the year, and an increase of 268 since 1890, when the total number was 1233. We have received from the State this year, the sum of $4160.36, based upon this registration of 1501. A complete, detailed account of the receipts and expenditures of this department will be found in the report of the Selectmen.

The common schools have been in session 34 weeks; High School 36 weeks. The schools were interrupted in June by the outbreak of smallpox in our town. Fortunately there were no deaths among the children. The work of the fall and winter terms has been seriously interfered with, by the prevalence of measles, mumps and whooping cough, especially among the smaller scholars, while two different outbreaks of diphtheria have made much trouble. Several deaths have occurred in the schools, due to this dreaded disease. Sickness has been accountable for much of the irregularity in attendance during the year, but not for all absences.

Schools will accomplish much more when parents fully realize the importance of constant attendance on the part of their children. We still suffer at the hands of the parents who fondly thinks that his child should get on as well as the best, even though allowed to remain away from school for two or three sessions a week. Neither pupils nor parents have any moral right to lessen the working value of any school by chronic tardiness.

Extensive repairs were made during the summer vacation upon the Niles and Hussey schoolhouses; while some repair work was done upon nearly all the school buildings throughout the town. The woodwork of Fair St. building was cleaned and revarnished. The ceilings and walls of the entire house were tinted with muresco and the building painted. These repairs were made necessary by the damage from water and smoke in the fire in May. The cost of same was covered by insurance. Considerable repairs must be made upon the Smith school house the coming summer. As a result of the May fire the Burtt lot on High street can be secured at a reasonable figure. This piece of land, located between the Fair St. school grounds and High St., is needed to connect the school with High St., and to furnish ample play room for the four schools in this building. We recommend that the town purchase this lot.

The sanitary conditions of all the school buildings in the town are good excepting that of North street. The Committee have long recognized the fact that the conditions of this building are deplorable, and reflect no credit on the town. We
have never, however, been able to devise any plan that would improve matters, until adequate and proper sewerage is provided for that section.

FREE HIGH SCHOOL.

A catalogue of the Houlton High School, including the Grammar grades, was published in May, 1902. The voters of the town are referred to this publication for full and accurate information on all matters pertaining to our High School.

The second annual graduation occurred in the Opera House, June, 1902. The exercises reflected much credit upon the individual members of the class and the teachers alike.

The names of the graduating class, who performed their parts so creditably at that time are:

Burnham, Margaret I. Putnam, Arthur O.
Burrill, George W. Shaw, Dora D.
Cosseboom, Eva A. Sincock, May E.
Degrasse, Ruth S. Watson, Pansy
Ingraham, Gertrude M. Woods, Isa R.
Putnam, Alice W.

Examinations for certificates of admission to Free High School were held June 24th and Sept. 5th, 1902.

The following were successful:

Abernethy, James Holyoke, Willie
Atchinson, Annie M. Hughes, Sadie
Attridge, Arthur Larrabee, Fred
Barker, Emerald McLeod, Don
Bull, Nellie P. McElwee, Minnie
Callaghan, Nellie Palmer, John
Cook, Ethel Ross, Maude
Cassidy, Ernest Stairs, Daisy M.
Chadwick, Harold Riley, William
Conlogue, Lillian Somerville, Fern
Densmore, Mamie G. Smith, Goldie M.
Drake, Pearl Taggett, Camilla
Dobbins, Rose L. Woodworth, Queenie
Hogan, Joseph E.

We recommend the following appropriations for the ensuing school year:

JOHN B. MADIGAN, WILLIAM C. DONNELL, S. S. Com. RANSFORD W. SHAW, H. L. PUTNAM, Supt.
Report of the Board of Health.

The Board of Health of the Town of Houlton respectfully submit their annual report for the municipal year ending Feb. 28th, 1903, as follows:—The records of contagious diseases reported to the Board for the year show smallpox three (3) cases with one death; diphtheria sixteen (16) cases, five (5) deaths; scarlet fever five (5) cases, no deaths; measles ten (10) cases, one (1) death.

It is presumed that there were a large number of unreported cases of measles and chicken pox where no physician was called and the public is again reminded of the law in regard to reporting all cases of contagious diseases. But the Board wishes to thank the physicians generally for their generous support and cordial cooperation especially during the smallpox scare.

The outbreak of diphtheria near the old C. P. R. station was caused by the immigration there of a family from North Lake, N. B., who had the disease in a very mild form and it was not reported to the Board until they had spread it among the neighbors. It is also a notable fact that all cases in other parts of the town occurred in houses that had no sewerage connection.

The first case of smallpox was discovered at the Snell House in the person of a man from Boston. A pest house was established on the Ingraham farm and the patient was removed there for treatment and a competent physician was engaged to attend him. The Snell House was quarantined and all the inmates were vaccinated with the exception of one man who escaped and refused to be vaccinated. It is worthy of note that although this man had been very slightly exposed he took the disease and died while of all those who remained in the house and were vaccinated not one took the disease. Tents were established at the Poor Farm and all those who were exposed by the second patient were held there until they were successfully vaccinated and their clothes fumigated. Free vaccination was offered to the town's people and a large majority of the population took advantage of it.

Several patients who had contracted typhoid fever in other places were brought here for treatment. But of the cases contracted in town not one, as far as we know, occurred among those who drank the town water exclusively. This is a strong point against the village wells which has repeatedly been brought to the attention of the public. A number of nuisances were reported to the Board but no serious difficulty was encountered in having these removed when attention was called to them.
The Board would respectfully recommend that some plan be 
formed to make it compulsory for property owners to connect 
their houses with the public sewer whenever it is possible. 
Filthy surroundings are a constant source of danger even to 
those who have their own houses well drained. 

We would also recommend that a by-law be passed to prohibit the housing of hogs within certain specified village limits.

JAMES ARCHIBALD,  
A. B. SMART,  
T. S. DICKISON,

Report of Road Commissioner.

To the Citizens of Houlton, Me.

I herewith respectfully submit to you my report, for the past year as Road Commissioner.

Roads.

The year has been very unfavorable for road making as it was a very wet season, but the winter has been quite favorable. 

The streets and country roads were put in as good condition as could be done considering the season. We had to go over all the roads two and three times with road machines and some of them five times. This of course cost the town a great deal of extra expense.

Bridges.

The bridge on Franklin street was put in new except abutments which were repaired. The "McKever bridge" was burned; we put in a water passage and filled in with gravel. It cannot be burnt again. The bridge on the Woodstock road at Cook's brook was put in new, and minor repairs were made on others. Next season a new bridge will have to be built across the stream at Hammond's mill. The bridge on the Hovey road was repaired and have lumber on ground to build a new one this year. The bridges on Bangor street across Cressy brook and on Mechanic street leading to Highlands are in need of many repairs. The Innis bridge should be raised up about four feet.
Culverts.

We have put in 16 new culverts this season as follows:

- Franklin Avenue: 1
- Hammond mill road: 1
- Pleasant street: 2
- Park street: 1
- Foxcroft road: 1
- Letter B road: 1
- Main street: 1
- Hovey road: 1
- Military street: 1
- Riverside street: 1
- High street: 1

Most of these have been put in with culvert pipe and the rest with cedar. We bought a carload of culvert pipe for drains and culverts and think it is the cheapest of anything we can use for that purpose.

Drains.

We have put in two drains as follows: One from Savings Bank to Iron Bridge, also one across Military street east of the Catholic church lot. We put these drains in with culvert pipe. Would say more drains and grates are needed to allow the water to escape from our streets during the rainy season.

Sidewalks

Concrete has been laid on the following streets:

- Charles street: 573 yds.
- Prospect: 360 yds.
- Kelleran: 132 yds.
- High: 459 yds.
- Burleigh: 450 yds.
- Military: 264 yds.
- Lawn: 138 yds.
- North: 141 yds.
- Main: 252 yds.

2769 yds., besides considerable work for private parties.

Plank has been laid on the following streets:—Heywood, Elm, Main and Garrison Hill.

Part of the wooden sidewalks on Kelleran, Park, Military, Main and Heywood streets were destroyed by the fire of May 17th, all of which have been replaced by concrete or plank. The old plank sidewalks are in very bad condition and a great deal of new sidewalk will have to be built this year.

Granite has been laid on the following crossings:

- Court street: 96 feet.
- Water: 192 yds.
- Market square: 214 yds.
- Snell House: 234 yds.
Rock Crusher

We have built 66 ¾ rods of Macadamized road, 22 feet wide and put in on an average about 14 inches of cerfill, at a cost of about $800. We think that Macadamized road would be fully as cheap and much better than gravel.

We think the Rock Crusher could be run much cheaper if the Crusher was set up back of the Foundry or some other central place, and have the rocks hauled during the winter as it is very expensive to dig rock out of the ground and break them ready for the machine. I hope to see many macadamized roads built in the future.

Tools

All the tools which belong to the town of Houlton are in good condition except one road machine. I think it would be cheaper to buy a new machine than to have the old one repaired.

I respectfully refer you to the report of Selectmen where you will find an accurate account of all money expended by me the past year. All bills contracted in this department the past year are paid up to and including February 25, 1903, in full.

Respectfully yours,

W. R. YERXA, Road Commissioner.

Chief Engineer's Report.

To the Selectmen and Citizens of Houlton:

I herewith respectfully submit my report as Chief Engineer of the Fire Department for the past year.

The Department stands in very good condition, with the exception of a Hook and Ladder Truck to replace the one lost in the fire of May 17th. The apparatus now consists of steamer hose wagon, four hose reels, one hose sled, two hand chemicals and two horses. There are 3,500 feet good hose and 700 feet second class.

The alarms have been as follows:

March 6, 1902—Alarm at 11.10 P. M. Chimney at Dr. Nevers' residence Court St. No damage.

March 22, 1902—Alarm at 10.50 A. M. Chimney at Mrs. Fowler's boarding house. No damage.

April 6, 1902—Alarm 7.40 P. M. Chimney at Chamberlain house off Military St. No damage.

May 17, 1902—Alarm at 12.30 P. M., for what proved to be the largest fire Houlton ever witnessed in the history of the
town. The Department responded promptly and in a few minutes had two streams playing on the fire, but owing to the very poor water pressure could do nothing to save the block in which it started and turned their attention to the adjoining blocks. A terrific wind was blowing and the cinders were carried to adjoining blocks and dwellings until the fire was beyond control; all that could be done was to work on the sides and narrow up the path of the fire as much as possible which was done with the valuable aid of the outside companies, that had in the meantime been sent for, and at about 8 p.m. the fire was out, after burning over a stretch about 3-4 of a mile in a southeasterly direction. There were some 90 odd buildings burned with a loss of between $500,000 and $800,000.

July 26, 1902—Alarm at 10 P.M. Ingraham Clothing Co.'s store, caused by oil stove. Slight damage.

Aug. 17, 1902—Alarm 9.45 A.M. Fire in Titcomb's saw mill on Military St. The mill was practically gone before an alarm was given; owing to the fact of parties having to run to engine house to give the alarm. (Here is where an alarm system would have saved the boarding house and lots of lumber.) When Dept. arrived boarding house and lumber were all a-blaze. There was a very high wind blowing directly on the Titcomb store and the large plant of the Houlton Foundy and Machine Company. So the efforts of the Dept. were turned to these and by hard fighting and fairly good water pressure these were kept from catching and the town saved from a repetition of May 17th which would surely have happened had the water pressure been the same as on that day.

Aug 20, 1902—Alarm at 5.30 P.M. at Snell House. Slight damage.

Aug. 30th, 1902—Company responded to a call from New Limerick. Fire in large Tannery plant of Willis I. Shaw. In eighteen minutes from time message was received the steamer, two hose reels and 12 firemen with a score or more outsiders were loaded on two flat cars ready for the start. The run out was made in about eight minutes. On account of the tan bark in the stream plugging the steamer suction we failed to save any of plant but succeeded in saving the hotel and all their dwellings also several thousand dollars worth of hides that were in the vats.

Nov. 8, 1902—Alarm at 10 P.M., chimney in house on Military St. occupied by Mrs. Rideout. Extinguishers used. No damage.

Nov. 29, 1902—Alarm, 11 P.M. Fire in J. D. Walker's shop Frisbie's brick block. This proved to be quite a fire but was
extinguished with small loss.

Dec. 10, 1902—Alarm, 3 p. m. Chimney in Clark's hotel. No damage.

Dec. 20, 1902—Alarm, 7.45 a. m. Chimney in W. C. Donnell's insurance office. No damage.

Feb'y 20, 1903—Alarm 12.30 a. m. Fire at B. & A. round house. Dept. responded quickly but could do nothing as there is no available water supply.

Also three still alarms: One at Don A. H. Powers' residence, chimney; no damage. One at Baptist parsonage, chimney; extinguisher used; no damage. One at F. A. Gellerson's residence on Court St.; no damage.

I would recommend that the town raise between $700.00 and $1000.00 for the purpose of starting a good fire alarm system. It is very much needed as people living any distance from the square have to run to engine house to give the alarm, which takes time that is most valuable in saving property.

Thanking all for any assistance rendered, I remain

S. C. WEBBER, Chief Engineer.

WARRANT.

To WILLIAM H. GUIOU, one of the Constables of the Town of Houlton.

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Houlton, qualified by law to vote in Town affairs, to assemble at Heywood's Opera House, in said town, on Monday, the twenty-third day of March, 1903, at 9 o'clock in the forenoon to act upon the following articles; to wit:—

ART. 1. To choose a Moderator to preside at said meeting.

ART. 2. To choose all necessary Town Officers for the ensuing year.

ART. 3. To see if the Town will vote to elect one or more Road Commissioners, and what sum of money will be raised for services of said commissioner.

ART. 4. To see what sum of money the Town will vote to raise for the support of the poor, and other necessary expenses of the Town for the ensuing year.

ART. 5. To see what sum of money the Town will vote to raise for the support of schools.

ART. 6. To see what sum of money the Town will vote to raise for repairs upon school houses and how the same shall be expended.

ART. 7. To see what sum of money the Town will vote to raise for the purchase of school text-books.

ART. 8. To see what sum of money the Town will vote to raise for the services of the Superintendent of Schools.

ART. 9. To see what sum of money the Town will vote to raise for the support of a free high school for the ensuing year.

ART. 10. To see what sum of money the Town will vote for School apparatus and appliances and Insurance on School Buildings.
