Get Well Meals

Get Well Meals

Not feeling well? Fill out this form to have a friend pick up a meal for you.

Get Well Meals are available to students who are not able to come into the dining hall due to an injury, or illness that may be easily spread to other students. This program allows students to designate a representative to pick up the food from a particular dining hall (York or Hilltop) during operating hours. Nutrition is an important part of the healing process, and students can pick from entrees, beverages, vegetables, starches, and soups that are available on the menu that day. This program is limited to students who have a residential meal plan. If you need help navigating campus due to an injury or disability, please contact [Student Accessibility Services](#).
