Dear members of the University of Maine and University of Maine at Machias communities,

This week at UMaine and other universities across the University of Maine System, we have hosted events and activities that acknowledge, honor, and celebrate our veterans.

As we begin the weekend and observe Veterans Day, I extend my deep gratitude to all service members and veterans, including our students, faculty, and staff at the University of Maine and the University of Maine at Machias, for their contributions to our communities and their service to our nation. On our campuses, we have more than 321 student veterans.

Thanks to the UMaine Veterans Education and Transition Services team and staff for their commitment and leadership in organizing the activities and events on campus for Veterans Week.

As we celebrate Veterans Day, we can take an opportunity to reflect on and learn about the stories of courageous veterans from all branches of our military.

Sincerely,

Joan Ferrini-Mundy
