Ernest Scheyder '06 got his start in journalism at the Maine Campus when he was a student and covers national stories today.

Scheyder is the 2021 recipient of the Spirit of Maine Achievement Award. Today he's a journalist at Reuters, focusing on transportation and the energy industry. He has covered national stories, including the 2020 Presidential campaign, Dakota Access Pipeline, Sandy Hook massacre, and Penn State abuse scandal. He began his career with the Maine Campus and the Bangor Daily News before earning a master's at Columbia Journalism School and working for the Associated Press.
